## Edgar Filing: LENOX GROUP INC - Form 8-K

(a) On May 15, 2007, the Company's Board of Directors passed a resolution to amend Article V of the Company's Restated Bylaws to authorize the issuance of uncertificated shares of the Company's common stock as circumstances permit, except in the case of restricted shares of common stock and upon request by a record holder or beneficial owner for certificated shares. This amendment allows the Company to be eligible to participate in the Direct Registration System, the book-entry only system administered by the Depository Trust Company, as required by NYSE rules. A copy of the amended Article V, Stock Certificates and Their Transfer, is being filed herewith as Exhibit 99.2 hereto.

### **Item 8.01 Other Events.**

On May 16, 2007, at its regularly scheduled meeting, and upon the recommendation of its Compensation Committee, the Company's Board of Directors unanimously approved a revision to its Board meeting compensation structure designed to save the Company funds for 2007 and into the future. As noted in the Company's proxy statement filed on May 16, 2007, Board members receive an annual retainer of \$25,000, plus an attendance fee of \$1,500 per meeting of the Board. In light of the activity at the Company since January 1, 2005, management has calculated that, if meeting fees were capped at \$9,000 per director in each of those years, the Company would have saved approximately \$42,000 in 2005 and \$52,500 in 2006. On a pro forma basis, this \$9,000 cap is expected to save approximately \$126,000 in 2007. Recognizing the savings to the Company in 2007, and additional prospective savings in future years, the Board unanimously agreed to cap payments of Board meeting fees at \$9,000 per director per year, regardless of the number of Board meetings held in a year. Further, the Board elected to make such revision retroactive to January 1, 2007, in order to enable the Company to capture the full benefit of such change in fee structure for all of fiscal 2007.
