Item 1.01 Entry into a Material Definitive Agreement

On May 11, 2007, Cardinal Health, Inc. (the "Company") and its newly formed, wholly owned subsidiary, Eagle Merger Corp. ("Merger Sub"), entered into an Agreement and Plan of Merger (the "Merger Agreement") with VIASYS Healthcare Inc. ("VIASYS"), pursuant to which Merger Sub will commence a cash tender offer (the "Offer") to acquire all of the outstanding shares of common stock of VIASYS at a price per share equal to \$42.75 plus, if the first acceptance for payment by Merger Sub of the shares tendered in the Offer has not occurred within 45 days of the date of the Merger Agreement, an additional \$0.007027 for each day during the period commencing on the 45th day after the date of the Merger Agreement and ending on such date of first acceptance (such amount, the "Offer Price"). Following the consummation of the Offer, Merger Sub will merge with and into VIASYS (the "Merger"), and all shares of VIASYS common stock not acquired in the Offer will be converted into the right to receive the Offer Price (other than shares held by holders who have properly exercised their dissenters' rights under Section 262 of the Delaware General Corporation Law). The Merger Agreement includes customary representations, warranties and covenants by the parties.

The Company agreed that Merger Sub would commence the Offer as promptly as reasonably practicable after the date of the Merger Agreement and in any event within 8 business days after the date of the Merger Agreement, and the Offer will remain open for at least 20 business days. The obligation to accept for payment and pay for shares of VIASYS common stock tendered in the Offer is subject to customary conditions, including, among other things: (1) the tender of a majority of the total number of outstanding shares of common stock of VIASYS, on a fully diluted basis, (2) the absence of injunctions prohibiting the Offer or the Merger, (3) the expiration or termination of any waiting period (and any extension thereof) under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, (4) accuracy of representations of VIASYS, (5) compliance with covenants of VIASYS and (6) the absence of a material adverse effect on VIASYS.

In the Merger Agreement, VIASYS granted to the Company and Merger Sub an irrevocable option (the "Short-Form Merger Option") to purchase, at a per share price equal to the Offer Price, shares of VIASYS common stock equal to the number of shares of VIASYS common stock that, when added to the number of shares of VIASYS common stock owned by the Company and Merger Sub immediately following consummation of the Offer, equals one share more than 90% of the shares of VIASYS common stock then outstanding on a fully diluted basis. The Short-Form Merger Option is exercisable only after the Company and Merger Sub own at least 80% of the outstanding shares of VIASYS common stock, and is not exercisable if the number of shares of VIASYS common stock that would need to be issued exceeds the number of authorized but unissued shares of VIASYS common stock.

The foregoing description of the Merger Agreement is qualified in its entirety by reference to the full text of the Merger Agreement, which is attached as Exhibit 2.01 to this report and is incorporated in this report by reference. The Merger Agreement has been attached to provide investors with information regarding its terms. It is not intended to provide any other factual information about the Company, Merger Sub or VIASYS. In particular, the assertions embodied in the representations and warranties contained in the Merger Agreement are qualified by information in confidential disclosure schedules provided by VIASYS to the Company and Merger Sub in connection with the signing of the Merger Agreement. These disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement were used for the purpose of allocating risk between the Company and Merger Sub, on the one hand, and VIASYS, on the other hand, rather than establishing matters as facts. Accordingly, you should not rely on the representations and warranties in the Merger Agreement as characterizations of the actual state of facts about the Company, Merger Sub or VIASYS.

The Company and VIASYS issued a joint press release on May 14, 2007 announcing the execution of the Merger Agreement. A copy of the press release is included as Exhibit 99.01 to this report and is incorporated in this report by reference. A discussion of the reasons why management believes that the presentation of non-GAAP financial measures provides useful information to investors regarding the Company's financial condition and results of operations is included as Exhibit 99.02 to this report.
