TrustCo Bank Corp NY Shareholders

Dear Shareholders:

On December 5, 2005 TrustCo announced an offer to buy Ballston Spa Bancorp, Inc. directly from their shareholders, rather than through their management and Board of Directors. Ballston Spa Bancorp is the holding company for Ballston Spa National Bank which operates 9 offices in Saratoga County, NY and has assets of approximately \$310 million. By way of explanation, this letter will highlight some of the information contained in our Tender Offer concerning the background of our offer.

In response to our request, management of TrustCo and Ballston Spa, had a meeting on September 14, 2005 at which we indicated our interest in a business combination with their company. Surprisingly we were rebuffed. On October 20, 2005 and November 30, 2005, Christopher Dowd, Ballston Spa's President, totally rejected our subsequent offers and refused to discuss the matter further. Accordingly, we decided to make a Tender Offer directly to the Ballston Spa Shareholders, to enable them to decide whether our price of \$45.50 for each of their shares is of interest to them. We believe they have a right to know about this outstanding offer so that they can make their own decision.

We believe this merger will benefit our bank and our shareholders for years to come. The combination of companies will give TrustCo a number one market share in Saratoga County, one of the fastest growing counties in New York State. It will strengthen TrustCo as we continue to expand in Downstate New York and Florida, while guaranteeing a strong local independent bank headquartered in Upstate New York.

As always, we appreciate your support.

Sincerely,

/s/ Robert J. McCormick
