INTRODUCTION

Solicitation of Proxies

This Proxy Statement and the accompanying Proxy Card are being furnished in connection with the solicitation by the Board of Directors (the "Board") of Farmstead Telephone Group, Inc., a Delaware corporation (the "Company" or "Farmstead"), of proxies to be voted at the Annual Meeting of Stockholders of the Company (the "Meeting") to be held on Thursday, June 10, 2004 at 10:00 a.m. local time at the Company's offices located at 22 Prestige Park Circle, East Hartford, Connecticut 06108, or any adjournments or postponements thereof, for the purposes set forth in the attached Notice of Annual Meeting of Stockholders. This Proxy Statement and the accompanying Proxy Card are first being mailed to stockholders on or about April 23, 2004. A copy of the Company's Annual Report for the year ended December 31, 2003, is included with this Proxy Statement.

Voting Rights and Required Votes

Only the holders of record of the Company's common stock, par value \$.001 per share ("Common Stock"), as of the close of business on April 16, 2004 (the "Record Date"), are entitled to notice of, and to vote on, all matters properly brought before the Meeting or any adjustments or postponements thereof. As of February 27, 2004, there were 3,311,601 common shares outstanding.

Each stockholder is entitled to one vote for each share of Common Stock held by him or her at the close of business on the Record Date. Pursuant to the Company's Amended and Restated By-laws, to constitute a quorum for the transaction of business at any meeting of stockholders, there must be present, in person or by proxy, the holders of no less than one-third of the voting power of the issued and outstanding shares of voting stock of the Company. Once a share is represented for any purpose at the meeting, it is deemed present for quorum purposes for the remainder of the meeting. A plurality of the votes cast by the shares of stock entitled to vote, in person or by proxy, at the Meeting will elect directors as long as a quorum is present. Except as otherwise required by law, the Company's Restated Certificate of Incorporation or the Company's Amended and Restated By-laws, if a quorum exists, action on each other question to be voted upon will be approved if votes, in person or by proxy, cast by stockholders favoring the action exceed the vote cast by stockholders opposing the

Edgar Filing: FARMSTEAD TELEPHONE GROUP INC - Form DEF 14A

action. When proxies in the enclosed form are returned properly executed, the shares represented thereby will be voted at the Meeting and, where instructions have been given by the stockholder, will be voted in accordance therewith. If the stockholder does not otherwise specify, the stockholder's shares will be voted FOR each of the nominees for director and FOR the proposal to ratify the appointment of the independent auditors, all as set forth in this Proxy Statement. As to any other business, which may come before the Meeting, the proxy holders will vote in accordance with their best judgment. Votes will be counted manually. A stockholder executing the accompanying proxy has the power to revoke it at any time prior to the exercise thereof by appearing at the Meeting and voting in person or by filing with the Secretary of the Company, (i) a duly executed proxy bearing a later date, or (ii) a written instrument revoking the proxy.

In certain circumstances, a stockholder will be considered to be present at the Meeting for quorum purposes, but will not be deemed to have voted in the election of directors or in connection with other matters presented for approval at a meeting. Abstentions and broker "non-votes" are counted as present and entitled to vote for purposes of determining a quorum. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. Therefore, abstentions and broker "non-votes" have no effect for purposes of the election of directors, since the election of directors requires a plurality vote as described above. However, on all other proposals that require a majority vote as described above, an abstention has

1

the effect of a vote against the proposal, and broker non-votes will not be counted at all. A stockholder executing the accompanying proxy has the power to revoke it at any time prior to the exercise thereof by appearing at the Meeting and voting in person or by filing with the Secretary of the Company, a properly executed, later-dated proxy (including an Internet or telephone vote), or a written instrument revoking the proxy. Most stockholders have a choice of voting over the Internet, by using a toll-free telephone number or by completing a proxy card and mailing it in the postage-paid envelope provided. Please refer to your proxy card or the information forwarded by your bank, broker or other holder of record to see which options are available to you. Please be aware that if you vote over the Internet, you may incur costs such as telephone and Internet access charges for which you will be responsible, and that there may be some risk a stockholder's vote might not be properly recorded or counted because of an unanticipated electronic malfunction.

Costs of Solicitation

The solicitation of proxies in the accompanying form is made by, and on behalf of, the Board of Directors. We have engaged the services of Computershare Trust Co., Inc., the Company's Transfer Agent, and ADP Investor Communication Services, to assist us in the distribution and processing of proxies, for which total fees and expenses of approximately \$7,000 will be paid. There will be no solicitation by officers and employees of the Company. The Transfer Agent will make arrangements with brokerage houses and other custodians, nominees and fiduciaries for the forwarding of proxy materials to the beneficial owners of shares held of record by such persons, and such persons will be reimbursed for reasonable expenses incurred by them in connection therewith.

PROPOSAL 1 - ELECTION OF DIRECTORS

The Amended and Restated By-laws of the Company provide that the Board of Directors shall be fixed solely and exclusively by resolution duly adopted from time to time by the Board of Directors. The Board has fixed the current number of directors at five. Each director presently is elected for a one-year term at each annual meeting of the stockholders. Officers are elected by, and serve at the pleasure of, the Board of Directors.

Five directors are to be elected at the Meeting to hold office until the next Meeting or until their successors have been duly elected and qualified. It is the intention of the persons named in the accompanying Proxy Card to vote FOR the election of the five persons named in the table below as directors of the Company, unless authority to do so is withheld. All of the nominees are currently directors of the Company, and they have consented to being nominated and named herein, and to serve as directors if elected at the Meeting. In the event that any of the nominees for director should become unavailable for election for any presently unforeseen reason, the persons named in the accompanying Proxy Card have the right to use their discretion to vote for a substitute.

The Board of Directors recommends a vote "FOR" the election of the nominees as Director.

Meetings and Committees of the Board of Directors

During 2003, the Board held five meetings. In addition, certain actions were approved by unanimous written consent resolutions of the directors. No director attended less than 75% of all Board and applicable committee meetings held. During 2003, the Board had two ongoing committees: an Audit Committee and a Compensation Committee.

The Audit Committee, consisting of Messrs. Pettirossi (Chairman), Hansen and Kelley, consults with the independent auditors and management with respect to the adequacy of internal controls and the Company's audited financial statements. In the Board's judgment, each member of the Audit Committee is financially literate. The Board has reviewed the qualifications and experience of each of the Audit Committee members and determined that Mr. Pettirossi qualifies as "audit committee financial expert" as that term has been defined by the SEC. They also review the Company's internal quarterly financial statements with management and, when deemed necessary, with the independent auditors as well. The Audit Committee also recommends to the Board of Directors the appointment of independent auditors for the following year. The Audit Committee held five meetings during 2003.

The Compensation Committee, consisting of Messrs. Kelley (Chairman), Hansen and H. Taylor, determines the compensation and benefits of the Chief Executive Officer and reviews and approves, or modifies if deemed appropriate, the recommendations of the Chief Executive Officer with respect to the compensation and benefits of the other executive officers. The Compensation Committee also approves the issuance of grants pursuant to the Company's stock option plans. The Compensation Committee held one meeting during 2003.

PROPOSAL 2 - RATIFY THE APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee of the Board of Directors has selected Carlin, Charron & Rosen, LLP ("CC&R") as our independent auditors for the year ending December 31, 2004. CC&R, and its predecessor company, DiSanto Bertoline & Company, P.C., have been our independent auditors since October 2001. We are submitting the selection of CC&R for stockholder ratification at the Annual Meeting. In the event the stockholders fail to ratify the appointment, the Audit Committee will reconsider this appointment. Even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent auditing firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of Farmstead and its stockholders.

A representative of CC&R is expected to be present at the Meeting, will be afforded the opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions from stockholders.

The Board of Directors recommends a vote FOR ratification of the

Edgar Filing: FARMSTEAD TELEPHONE GROUP INC - Form DEF 14A

submission of employee complaints on accounting, internal controls or auditing matters.

Independence of Directors

Our policy provides that the Board must be composed of a majority of independent directors. No director qualifies as independent unless the Board affirmatively determines that the director has no material relationship with Farmstead either directly or as a partner, stockholder or officer of an organization that has a relationship with Farmstead. Our Board of Directors has determined that all non-management directors are independent in accordance with the American Stock Exchange listing standards. The Board has made this determination based on the following objective standards, in addition to any other relevant facts and circumstances:

- * A director who is an employee, or whose immediate family member is an executive officer, of Farmstead is not independent until three years after the end of such employment relationship.
- * A director who receives, or whose immediate family member receives, more than \$100,000 per year in direct compensation from Farmstead, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), is not independent until three years after he or she ceases to receive more than \$100,000 per year in such compensation.
- * A director who is affiliated with or employed by, or whose immediate family member is affiliated with or employed in a professional capacity by, a present or former internal or external auditor of Farmstead is not independent until three years after the end of either the affiliation or the auditing relationship.
- * A director who is employed, or whose immediate family member is employed, as an executive officer of

5

another company where any of Farmstead's present executives serves on that company's compensation committee is not independent until three years after the end of such service or the employment relationship.

- * A director who is an executive officer or an employee, or whose immediate family member is an executive officer, of another company that makes payments to, or receives payments from, Farmstead for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues is not independent until three years after falling below such threshold.

Executive Sessions

Non-management directors meet at least once per year in executive session without management. "Non-management" directors are all those who are not company officers. Executive sessions are led by a "Presiding Director." An executive session may be held in conjunction with a regularly

Edgar Filing: FARMSTEAD TELEPHONE GROUP INC - Form DEF 14A

scheduled Board meeting and other sessions may be called by the Presiding Director in his or her own discretion or at the request of the Board. Mr. Pettirossi has been designated as the Presiding Director.

Nomination of Directors

It is the policy of the Board of Directors to consider candidates for director recommended by stockholders. In order to recommend a candidate, stockholders must submit the individual's name and qualifications in writing to the Board (in care of the Secretary at Farmstead's principal executive office at 22 Prestige Park Circle, East Hartford, CT 06108) and otherwise in accordance with all of the procedures outlined under "Nominations and Stockholders' Proposals for Year 2005 Annual Meeting of Stockholders" for a director nomination.

In identifying and evaluating nominees for Director, the Board of Directors takes into account the applicable requirements for directors under the Securities Exchange Act of 1934, as amended, and the listing standards of the American Stock Exchange. In addition, the Board of Directors may take into consideration such factors and criteria as it deems appropriate, including the nominee's character, judgment, business experience and acumen. In addition to nominees recommended by stockholders, the Board of Directors also considers candidates recommended by management or other members of the Board. The Board evaluates candidates recommended for Director by stockholders in the same way that it evaluates any other nominee.

Communications with the Board of Directors

The Board has established a process for stockholders and other interested parties to communicate with the Board or an individual director, including the Presiding Director or the non-management directors as a group. A stockholder may contact the Board of Directors or an individual director by writing to their attention at Farmstead's principal executive offices at 22 Prestige Park Circle, East Hartford, CT 06108. Communications received in writing are distributed to the Board or to individual directors as appropriate in accordance with procedures approved by Farmstead's independent directors.
