ITEM 3.01. NOTICE OF DELISTING OR FAILURE TO SATISFY A CONTINUED

Edgar Filing: FARMSTEAD TELEPHONE GROUP INC - Form 8-K

LISTING RULE OR STANDARD; TRANSFER OF LISTING.

On November 14, 2005, Farmstead Telephone Group, Inc. (the "Company") announced that it has received notice from the American Stock Exchange ("AMEX") that the Company no longer complies with the AMEX's continued listing standards due to its failure to maintain stockholders' equity of at least \$4 million, as set forth in Section 1003 (a) (ii) of the AMEX Company Guide, and that its securities are, therefore, subject to being delisted from the AMEX. The Company was previously granted an eighteen month period to regain compliance with this standard, and such compliance period ended as of November 7, 2005.

According to the AMEX notice, the Company must appeal by November 16, 2005, or the AMEX staff determination will become final. AMEX staff will suspend trading in the Company's securities and submit an application to the SEC to strike the Company's common stock from listing and registration on the AMEX in accordance with the Securities Exchange Act of 1934, as amended, and the rules promulgated thereunder. The Company plans to appeal this determination by the AMEX staff and to request a hearing before an AMEX panel (the "Panel"). The time and place of such a hearing will be determined by the Panel. There can be no assurance that the Panel would grant the relief sought by the Company. If the Panel does not grant the relief sought by the Company, its securities would be de-listed from the AMEX. In that event, the Company would seek quotation of its securities on the OTC Bulletin Board.

The foregoing determination by the AMEX staff was made subsequent to the Company's update and submission of the Company's plan for upcoming private offerings of its securities to investors to regain compliance with the AMEX continued listing requirements for which the Company had requested a ninety (90) day extension from November 7, 2005. Such update and submission to AMEX included the Notice of the Special Meeting of the Stockholders and Proxy Statement to approve such transactions which have been filed with the SEC as Schedule 14A on November 2, 2005, an engagement agreement dated October 31, 2005 with a leading New York-based investment banking firm, which has agreed to be the lead placement agent for an immediate private offering of securities on a "best efforts" basis and to be the managing underwriter for a possible secondary public offering of common stock on a "firm-commitment" basis planned for sometime in 2006, and a detailed timetable to consummate the private offerings and regain compliance.

The Company fully intends to pursue stockholders approval and complete the transactions contemplated in the filed Schedule 14A. The Company believes that the completion of the private offerings described in the Schedule 14A will put the Company back in compliance with the AMEX continued listing requirement for stockholders' equity. If the Company is able to regain compliance anytime between now and the hearing with AMEX staff, the de-listing process would be withdrawn. The contemplated private and secondary public offerings are also intended to raise additional capital for the Company to use in the continuing buildout of its One IP Voice, Inc. IP telephony business.

The Company disclosed its previous AMEX notice and circumstances relating to its current listing deficiency in its previous filings with the SEC starting with its Current Report on Form 8-K filed with the SEC on July 23,
