PROXY STATEMENT

----- EXTRAORDINARY MEETING OF SHAREHOLDERS

This Proxy Statement is being furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Mer Telemanagement Solutions Ltd. to be voted at the Extraordinary Meeting of Shareholders, or the Meeting, to be held on January 28, 2005.

Shareholders will be asked to vote upon the election of an outside director for a term expiring on January 28, 2008. The enclosed proxy card and this Proxy Statement are being mailed to shareholders on or about December 23, 2004

Shares eligible to be voted and for which a proxy card is properly signed and returned at least 48 hours prior to the beginning of the Meeting will be voted as directed. If directions are not given or directions are not in accordance with the options listed on a signed and returned proxy card, such shares will be voted FOR the proposal, which the Board of Directors recommends a vote FOR. Unsigned or unreturned proxies, including those not returned by banks, brokers, or other record holders, will not be counted for quorum or voting purposes. You may revoke your proxy at any time prior to the exercise of authority granted in the proxy by giving a written notice of revocation to the Corporate Secretary, by submitting a subsequently dated, validly executed proxy, or by voting in person.

As of December 20, 2004, the record date for determination of shareholders entitled to vote at the Meeting, there were 4,638,004 of our ordinary shares outstanding. Each ordinary share entitles the holder to one vote. The ordinary shares have a par value of NIS 0.01 per share. The presence of two shareholders, holding at least one third of our share capital voting rights, represented in person or by proxy at the Meeting, will constitute a quorum.

Under the Israeli Companies Law, the election of Orna Berry as outside director, requires the affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting, in person or by proxy and voting thereon, provided that (i) at least one third of the non-controlling shareholders represented and voting at the Meeting are included in the majority; or (ii) that the total shareholdings of the non-controlling shareholders who vote against their election do not represent more than 1% of the voting rights in our company. If a shareholder fails to notify us as to whether he or she has a controlling interest in the company, the shareholder may not vote and his vote will not be counted with respect to Item 1. There will be a specific place on the proxy card to indicate if you have a controlling interest with respect to the election of the outside director in Item 1. Shareholders are asked to indicate "yes or "no."

We will bear the cost of soliciting proxies from our shareholders. Proxies will be solicited by mail and may also be solicited personally or by telephone by our directors, officers and employees. We will reimburse brokerage houses and other custodians, nominees and fiduciaries for their expenses in accordance with the regulations of the Securities and Exchange Commission concerning the sending of proxies and proxy material to the beneficial owners of stock.

You may vote by submitting your proxy with voting instructions by mail if you promptly complete, sign, date and return the accompanying proxy card in the enclosed self-addressed envelope to our transfer agent or to our registered office in Israel at least 48 hours prior to the Meeting.

I. ELECTION OF AN OUTSIDE DIRECTOR (Item 1 on the Proxy Card)

Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

Under the Israeli Companies Law, public companies that have offered shares to the public in or outside of Israel are required to elect two outside directors who must meet specified standards of independence. The outside directors may not have any economic relationship with us. Among other limitations, controlling shareholders of a company and their relatives or employees cannot serve as outside directors. Outside directors are elected by shareholders. The shareholders voting in favor of their election must include at least one-third of the shares of the non-controlling shareholders of the company who are present at the meeting. This minority approval requirement need not be met if the total shareholdings of those non-controlling shareholders who vote against the election of an outside director represent 1% or less of all of the voting rights in the company.

2

Outside directors serve for a three-year term, which may be renewed for only one additional three-year term. Outside directors can be removed from office only by the same special percentage of shareholders as can elect them, or by a court, and then only if the outside directors cease to meet the statutory qualifications with respect to their appointment or if they violate their duty of loyalty to the company. If, when an outside director is elected, all members of the board of directors of a company are of one gender, the outside director to be elected must be of the other gender.

Any committee of the board of directors must include at least one outside director. An outside director is entitled to compensation as provided in regulations adopted under the Israeli Companies Law and is otherwise prohibited from receiving any other compensation, directly or indirectly, in connection with such service.

Our Board of Directors proposes the election of Dr. Orna Berry as an outside director (as defined by the Israeli Companies Law) to hold office for three years until January 28, 2008 and until her successor is elected and qualified. Should Dr. Orna Berry be unavailable for election, the proxies will be voted for a substitute nominee designated by the Board of Directors. The nominee is expected to be available.

Dr. Orna Berry, 55, is a Venture Partner in Gemini Israel Funds Ltd. and since 2000 has served as Chairperson of Lambda Crossing, Ltd. and Riverhead Networks, Inc., which was sold to Cisco in March 2004. Dr. Berry served as the Chief Scientist of the Ministry of Industry and Trade of the Government of Israel from 1997 to 2000 and Co-President of Ornet Data Communications Technologies Ltd., a provider of high-speed switches, which has been acquired by Siemens AG, from 1993 to 1997. From 1992 to 1993, Dr. Berry served as a consultant to Intel Communications Division and Elbit Systems, Ltd. Dr. Berry holds a B.A. in statistics and mathematics from Haifa University, an M.A. in statistics and mathematics from Tel Aviv University and a Ph.D. in computer science from the University of Southern California.

It is proposed that at the Meeting the following resolution be adopted:

"RESOLVED, that Dr. Orna Berry be elected as an outside director of Mer Telemanagement Solutions Ltd. for a term of three years expiring on January 28, 2008."

The Board of Directors recommends a vote FOR the election of Dr. Berry as an Outside Director.

OTHER MATTERS

Edgar Filing: MER TELEMANAGEMENT SOLUTIONS LTD - Form 6-K

The Board of Directors does not intend to bring any other matter before the Meeting other than that specifically set forth in the Notice of the Meeting and knows of no matters to be brought before the Meeting by others. If any other matters properly come before the Meeting, it is the intention of the persons named in the accompanying proxy to vote such proxy in accordance with the judgment of the Board of Directors.

Ori Shachar
