On February 21, 2019, Casella Waste Systems, Inc. (the "Company") issued a press release (the "Initial Press Release") announcing its financial results for the fourth quarter and fiscal year ended December 31, 2018.

On February 21, 2019, the Company issued a press release (the "Corrected Press Release"), which reflects the following corrections to the Initial Press Release: the anticipated spend for landfill closure, site improvement and remediation expenditures for fiscal year 2019 has been updated to \$12.5 million, rather than \$13.5 million as originally stated, where appearing in both the seventh bullet of the "2019 Outlook" section's second list as well as the table showing the reconciliation of the Company's anticipated Free Cash Flow and anticipated Normalized Free Cash Flow from anticipated Net cash provided by operating activities. In that same table, the Normalized Free Cash Flow has been correspondingly updated to \$51 million - \$55 million, from \$52 million - \$56 million as originally stated. Also, the second column header of the Consolidated Net Leverage Ratio table has been changed to "Covenant Requirement at December 31, 2018", rather than "Fiscal Year Ended December 31, 2018" as originally stated. The Corrected Press Release replaces the Initial Press Release.
