ITEM 2.01 Completion of Acquisition or Disposition of Assets.

During the year ended December 31, 2013, Associated Estates Realty Corporation (the "Company") acquired the following three properties as components of a portfolio acquisition.

The Apartments at Blakeney: A 295-unit apartment community located in Charlotte, North Carolina, was acquired on October 10, 2013. This property was purchased from NR Blakeney Property Owner, LLC for a purchase price of approximately \$53.2 million which was funded by an assumption of a mortgage loan on the property in the amount of \$28.0 million and borrowings on the Company's unsecured revolving credit facility.

St. Mary's Square: A 134-unit apartment community located in Raleigh, North Carolina, was acquired on November 18, 2013. This property was purchased from NR St. Mary's Square, LLC for a purchase price of approximately \$27.3 million which was funded primarily from borrowings on the Company's unsecured revolving credit facility. St. Mary's Square leasing commenced June 1, 2013 and construction was completed on September 26, 2013. Because such leasing history covers less than nine months of activity, audited financial statements are not required.

Lofts at Weston Lakeside: A 215-unit apartment community located in Cary, North Carolina, was acquired on November 19, 2013. This property was purchased from Lofts at Weston SPE, LLC for a purchase price of approximately \$38.3 million which was funded primarily from borrowings on the Company's unsecured revolving credit facility. Lofts at Weston Lakeside leasing commenced April 13, 2013 and construction was completed on October 18, 2013. Because such leasing history covers less than nine months of activity, audited financial statements are not required.

The aggregate purchase price of these properties exceeded 10% of the Company's total assets as of December 31, 2012. None of the properties was acquired from a related party of the Company.

We have audited the accompanying statement of revenues and certain operating expenses of The Apartments at Blakeney (the "Property") for the year ended December 31, 2012.

### Management's Responsibility for the Statement of Revenues and Certain Operating Expenses

Management is responsible for the preparation and fair presentation of the statement of revenues and certain operating expenses in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the statements of revenues and certain operating expenses that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on the statement of revenues and certain operating expenses based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of revenues and certain operating expenses is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the statement of revenues and certain operating expenses. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the statement of revenues and certain operating expenses, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the Property's preparation and fair presentation of the statement of revenues and certain operating expenses in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Property's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the statement of revenues and certain operating expenses. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the statement of revenues and certain operating expenses of the Property presents fairly, in all material respects, the revenues and certain operating expenses described in Note 1 to the statement of revenues and certain operating expenses of the Property for the year ended December 31, 2012, in accordance with accounting principles generally accepted in the United States of America.

### Emphasis of Matter

The accompanying statement of revenues and certain operating expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission as described in Note 1 and is not intended to be a complete presentation of the Property's revenues and expenses. Our opinion is not modified with respect to this

THE APARTMENTS AT BLAKENEY

NOTES TO STATEMENTS OF REVENUES AND CERTAIN OPERATING EXPENSES

1. BASIS OF PRESENTATION

On October 10, 2013, Associated Estates Realty Corporation (the "Company") acquired, through a wholly owned subsidiary, The Apartments at Blakeney ("Blakeney"), a 295-unit (unaudited) apartment community located in Charlotte, North Carolina. Blakeney was purchased from NR Blakeney Property Owner, LLC, an unrelated third party.

The accompanying statements of revenues and certain operating expenses have been prepared for the purpose of complying with Rule 3-14 of Regulation S-X of the U.S. Securities and Exchange Commission for the acquisition of real estate properties and, accordingly, certain expenses such as depreciation and amortization, interest, management fees and other corporate expenses are not included in the statements of revenues and certain operating expenses because they are not directly related to the proposed future operations of Blakeney. Therefore, the amounts reported in the accompanying statements may not be comparable to the results of operations reported for the future operations of Blakeney. Except as noted above, the Company is not aware of any material factors during the year ended December 31, 2012, or the nine months ended September 30, 2013, that would cause the reported financial information not to be indicative of future operating results.

The accompanying interim statement of revenues and certain operating expenses for the nine months ended September 30, 2013, is unaudited. In the opinion of management, all adjustments, consisting only of normal and recurring adjustments considered necessary for a fair statement, have been included. The reported results are not necessarily indicative of the results that may be expected for the full year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Revenue Recognition:** Apartment units are generally leased with terms of one year or less. Rental revenue from residential leases, which may include periods of free rent, are recognized on a straight-line basis. Reimbursements for expenses, such as water and sewer expense, are included in "Property revenue" in the statements of revenues and certain operating expenses.

**Property Operating and Maintenance:** Property operating and maintenance expenses represent the direct expenses of operating Blakeney and consist primarily of payroll, utilities, repairs and maintenance, and other operating expenses that are expected to continue in the proposed future operations of Blakeney.

**Capitalization:** Significant improvements and replacements are capitalized and depreciated using the straight-line method over their estimated useful lives, which are not included in these statements of revenues and certain operating expenses. Repairs and maintenance costs are charged to expense as incurred and are included in "Property operating and maintenance" in the statements of revenues and certain operating expenses.

**Use of Estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of revenues and certain expenses during the reporting period. Actual results could differ from these estimates.

**Commitments and Contingencies:** Liabilities for loss contingencies arising from claims, assessments, litigation, fines, penalties and other sources are recorded when it is probable that a liability has been incurred and the amount of the assessment can be reasonably estimated. Legal cost incurred in connection with loss contingencies are expensed as incurred. There is no material litigation, nor to management's knowledge is any material litigation currently threatened against Blakeney, other than routine litigation claims and administrative proceedings arising in the ordinary course of business.

3. SUBSEQUENT EVENTS

Management has evaluated all events and transactions that occurred after December 31, 2012 through January 28, 2014, the date which the statements were available to be issued, and noted no items requiring adjustment of the statements or additional disclosure.

H. Represents the direct, incremental costs related to properties acquired during 2013 that have been included in the historical consolidated income statement of the Company for the nine months ended September 30, 2013. Such costs are excluded from the pro forma because they are non-recurring charges related to the transaction.
