You are cordially invited to attend a special meeting of the stockholders of MFN Financial Corporation to be held on January 22, 2002 at 8 AM, local time, at the offices of Vedder, Price, Kaufman & Kammholz, 222 N. LaSalle Street, Suite 2600, Chicago, Illinois 60601.

At the special meeting, you will be asked to approve and adopt a merger agreement which provides for the merger of MFN and a subsidiary of Consumer Portfolio Services, Inc. In connection with the merger, you will be entitled to receive \$10.00 in cash for each share of MFN common stock that you own, other than shares for which you properly exercise statutory appraisal rights.

Your Board of Directors has unanimously adopted the merger agreement and recommends that you vote "FOR" approval of the merger agreement. The Board believes that the merger is advisable and in the best interests of our stockholders. Our financial advisor has issued an opinion to the effect that, as of the date of the opinion and based upon and subject to matters stated in the opinion, the consideration to be received by you in the merger is fair to you from a financial point of view.

We urge you to read the attached Proxy Statement carefully. It describes the merger agreement in detail and includes a copy of the merger agreement as Appendix A.

It is very important that your shares are represented at the special meeting. Whether or not you plan to attend the special meeting, please complete, date and sign the enclosed proxy card and return it promptly in the postage-paid envelope provided. If you attend the special meeting, you may vote in person, even if you previously returned your proxy card. **An abstention or failure to vote or failure to submit a proxy will have the same effect as voting "AGAINST" the merger.**

Please do not send your stock certificates with the enclosed proxy card. Promptly after the merger, a letter of transmittal will be mailed to you for the surrender of your stock certificates.

On behalf of the Board of Directors, I thank you for your prompt attention to this important matter.

The Boards of Directors of MFN Financial Corporation and Consumer Portfolio Services, Inc. have agreed on a merger that will combine our businesses. This Proxy Statement and the accompanying proxy card are being furnished in connection with the solicitation by the Board of Directors of MFN of proxies for use at the special meeting of our stockholders to be held on January 22, 2002, at the offices of Vedder, Price, Kaufman & Kammholz, 222 N. LaSalle Street, Suite 2600, Chicago, Illinois 60601, at 8 AM local time, or at any postponements or adjournments thereof.

At the special meeting, MFN stockholders will be asked to approve the Agreement and Plan of Merger, dated as of November 18, 2001, among MFN Financial Corporation, Consumer Portfolio Services, Inc. and CPS Mergersub, Inc., a wholly owned direct subsidiary of CPS. Consummation of the merger will result in:

CPS Mergersub, Inc. merging with and into MFN, with MFN surviving and becoming a direct wholly owned subsidiary of CPS.

each share of MFN common stock outstanding immediately prior to the closing of the merger being converted into the right to receive \$10.00 in cash, other than shares held by stockholders of MFN who are entitled to and who have perfected their appraisal rights.

MFN cannot complete the merger without the approval of its stockholders. Approval of the merger agreement requires the affirmative vote of at least a majority of the outstanding shares of MFN common stock entitled to vote.

The Board of Directors of MFN has unanimously approved the merger agreement, has declared the merger advisable and in the best interests of MFN and its stockholders, and recommends that you vote "FOR" approval of the merger agreement and the merger.

This Proxy Statement and the accompanying proxy card are first being mailed or otherwise distributed to our stockholders on or about December 31, 2001.

SUMMARY

This summary highlights selected information from this Proxy Statement. It does not contain all of the information that is important to you. You should carefully read this entire Proxy Statement, including the merger agreement, and the other documents we refer to for a more complete understanding of the merger. We have included page references in this summary to direct you to other places in this Proxy Statement where you can find a more complete description of the topics we discuss below. Please also see "Where You Can Find More Information" on page 7.

The Companies (see page 10)

Consumer Portfolio Services, Inc.,
16355 Laguna Canyon Road
Irvine, CA 92618
(949) 753-6800
Nasdaq/NMS: "CPSS"

Edgar Filing: MFN FINANCIAL CORP - Form DEFM14A

CPS purchases, securitizes and services consumer automobile installment purchase contracts originated primarily by car dealers affiliated with major foreign and domestic manufacturers. CPS purchases the contracts at its headquarters in Irvine, California. CPS services contracts from its headquarters and from branch locations in Chesapeake, Virginia and Dallas, Texas.

MFN Financial Corporation
100 Field Drive, Suite 340
Lake Forest, IL 60045
(847) 295-8600
OTC/BB: "MFNF"

MFN Financial Corporation purchases, securitizes and services contracts originated by both independent used automobile dealers and dealers affiliated with major foreign and domestic automobile manufacturers. Approximately 65% of our business comes from independent used automobile dealers. Credit approval, contract purchasing and contract processing are all centrally performed and controlled through 5 regional buying centers. MFN acts as the servicer of all contracts it purchases and securitizes in return for a monthly servicing fee. Contracts are serviced at one of our regional collection centers located in Florida, Georgia, Illinois, Louisiana, Nevada, Ohio and Virginia.

The Merger (see page 10)

We have entered into a merger agreement that provides for our merger with a newly formed subsidiary of Consumer Portfolio Services, Inc. As a result of the merger, we will become a wholly owned subsidiary of CPS. We expect to complete the merger in the first quarter of 2002. We urge you to read the merger agreement, which is included as Appendix A to this Proxy Statement, carefully and in its entirety.

Our Reasons for the Merger (see page 12)

Our Board of Directors believes that the merger is advisable and in the best interests of MFN and our stockholders and unanimously recommends that our stockholders vote "FOR" the approval of the merger agreement. The Board of Directors believes that the merger will enable our stockholders to realize value on their investment in MFN. In reaching its decision to adopt the merger agreement, our Board considered various factors which are discussed in detail in this Proxy Statement.

Each Share Will Be Exchanged for \$10.00 in Cash (see page 22)

Upon completion of the merger, each outstanding share of our common stock, except shares that MFN stockholders have validly asserted appraisal rights, will be converted into the right to receive \$10.00 in cash. For example, if you own 100 shares of our common stock, you will be entitled to receive \$1,000.00 upon the surrender of your certificate for those shares. In addition, each outstanding option to acquire shares of our common stock will be cancelled and converted into the right to receive the amount by which \$10.00 exceeds the applicable option exercise price.

We Recommend That Our Stockholders Approve the Merger (see page 12)

Our Board of Directors has determined that the terms and conditions of the merger are fair, advisable and in your best interests and unanimously recommends that you vote "FOR" approval of the merger and the merger agreement.

Summary Effects of the Merger (see page 22)

Following the merger, CPS will own all of our outstanding shares of common stock. CPS will have complete control over the management and conduct of our business, all income we generate and any future increase in our value. Similarly, CPS will also bear the risk of any losses incurred in our operation and any decrease in our value. As a result of the merger, MFN will be privately held and there will be no public market for MFN common stock. When we complete the merger, our common stock will no longer be quoted or traded on any market, and will no longer be registered under the Securities Exchange Act of 1934, as amended.

Our Financial Advisor Believes That the Transaction Is Fair to Our Stockholders (see page 14)

In deciding to approve the merger and the merger agreement, our Board of Directors considered, among various other factors described below, the opinion of Keefe, Bruyette & Woods, Inc. ("KBW"), our financial advisor. On November 15 and 18, 2001, KBW delivered to our Board its oral opinion, which opinion was confirmed in writing on November 18, 2001, to the effect that, as of those dates and based upon and subject to the matters stated in the opinion, the consideration our stockholders will receive in the merger is fair from a financial point of view. The full text of the written opinion, dated November 18, 2001, which describes assumptions made, matters considered and limitations on the review undertaken in connection with the opinion, is attached as Appendix B to this Proxy Statement. We urge you to read this opinion in its entirety.

Edgar Filing: MFN FINANCIAL CORP - Form DEFM14A

In consideration for services rendered in connection with the transactions contemplated by the merger agreement, we paid KBW an initial fee of \$25,000 and an additional \$75,000 in retainer fees. In addition, we paid KBW \$410,000 upon the execution of the merger agreement, and have agreed to pay KBW a fee of \$260,000 upon the mailing of this Proxy Statement and a fee of \$780,000 upon the closing of the merger. We have also agreed to reimburse KBW for its reasonable expenses incurred in connection with the merger and to indemnify it against certain liabilities.

The Transaction Will Be a Taxable Event for Our Stockholders (see page 19)

The receipt of cash in exchange for your common stock pursuant to the merger will be a taxable transaction for federal income tax purposes and may also be a taxable transaction under applicable state, local and foreign tax laws. You will be required to recognize gain or loss equal to the difference between the amount of cash received in the merger and the adjusted basis in your common stock surrendered in the merger. The gain or loss will be a long-term capital gain or loss if you have held your common stock for more than 1 year. If you are a non-corporate stockholder, a long-term capital gain will be subject to a maximum federal income tax rate of 20%.

You should consult your own tax advisors regarding all of the tax consequences of the merger.

Appraisal Rights (see page 24)

You have the right to demand the "fair value" of your shares in cash and to receive a cash amount that the Delaware Chancery Court decides is the "fair value" of your shares of common stock. This amount may be more or less than the value of the merger consideration you would receive pursuant to the merger agreement. This right is known as your "appraisal right."

If you wish to exercise your appraisal right, do not vote in favor of the merger and take the series of steps summarized on pages 24-27 and set out in full in Appendix C to this Proxy Statement.

CPS's obligation to effect the merger is subject to the condition that appraisal rights are exercised by the holders of no more than 7% of our common stock.

2

The Special Meeting (see page 8)

The special meeting will be held on January 22, 2002 at 8 AM local time, at the offices of Vedder, Price, Kaufman & Kammholz, 222 N. LaSalle Street, Suite 2600, Chicago, Illinois 60601. At the special meeting, you will be asked to consider and vote upon a proposal to approve the merger and the merger agreement.

Record Date; Vote Required (see page 8)

You can vote at the special meeting if you owned our common stock at the close of business on December 24, 2001. On that date, there were 9,992,956 shares of our common stock outstanding and entitled to vote. You can cast one vote for each share of our common stock that you owned on that date. In order to approve the merger and the merger agreement, the holders of a majority of the outstanding shares of our common stock must vote in favor of doing so.

Officers and Directors Have Interests in the Merger That Are Different from, or in Addition to, their Interests as Stockholders (see page 19)

When considering the recommendation of our Board, you should be aware that some directors and officers have interests in the merger that are different from, or in addition to, yours. As a result, these directors and officers may be more likely to vote to approve the merger than our stockholders generally. These interests include:

The consummation of the merger will result in substantial payments being made and/or benefits being provided to our directors and executive officers under various compensation plans and employment and change of control agreements between MFN and these directors and executive officers.

Edgar Filing: MFN FINANCIAL CORP - Form DEFM14A

CPS also has agreed to pay for a run-off or "tail" policy on our insurance to indemnify our officers and directors for events that occurred prior to the merger or that arise from the merger agreement or any transaction contemplated by it.

Our Board of Directors was aware of these interests and considered them in its decision to approve the merger agreement.

Conditions to Completion of the Merger (see page 32)

The completion of the merger depends on a number of conditions being satisfied, including certain regulatory reviews and approval of the merger and the merger agreement by our stockholders.

CPS and MFN May Amend the Terms of the Merger (see page 35)

CPS and MFN may jointly amend the terms of the merger. However, after you approve the merger, you must approve any amendment if required by law.

CPS and MFN May Decide Not to Complete the Merger (see page 33)

CPS and MFN may jointly decide at any time not to complete the merger, even if our stockholders have approved it. Also, either of MFN or CPS may decide not to complete the merger if the merger is not completed by March 31, 2002.

We also may terminate the merger agreement in order to accept a superior proposal to acquire MFN.

Furthermore, CPS may terminate the merger agreement if:

our Board withdraws or materially changes its recommendation to approve the merger and the merger agreement;

our Board recommends or accepts another acquisition proposal;

if CPS is unable to obtain adequate financing to pay the merger consideration; or

if we do not have a minimum of \$74,000,000 in "unrestricted cash availability" (as such term is described on page 33).

Termination Fees (see page 34)

In the event the merger agreement is terminated by either CPS or MFN in certain

3

cases and as provided in the merger agreement, CPS or MFN, as the case may be, must reimburse the other for expenses and pay to the other termination fees, ranging between \$750,000 and \$3,000,000, depending on the reason for such termination.

Procedures Relating to Your Vote at the Special Meeting (see page 8)

In order to have a quorum at the special meeting, a majority of all outstanding shares of common stock as of the record date must be present, in person or by proxy.

In order to approve and adopt the merger agreement, we must obtain the affirmative vote of the holders of a majority of the shares of our outstanding common stock. Abstentions and broker non-votes will have the effect of a vote "AGAINST" the approval and adoption of the merger agreement and the merger.

Edgar Filing: MFN FINANCIAL CORP - Form DEFM14A

You should complete, date and sign your proxy card and mail it in the enclosed return envelope as soon as possible so that your shares are represented at the meeting, even if you plan to attend the meeting in person. Unless you specify to the contrary, all of your shares represented by valid proxies will be voted "FOR" the approval and adoption of the merger agreement and the merger.

If your shares are held in "street name" by your broker, your broker will vote your shares, but only if you provide instructions on how to vote. You should follow the procedures provided by your broker regarding the voting of your shares.

Revoking Your Proxy (see page 9)

Until voting occurs at the special meeting, you can revoke your proxy and change your vote in any of the following ways:

delivering a proxy of a later date by mail;

sending a written notice to the person to whom you submitted your proxy stating that you would like to revoke your proxy;

if you have instructed your broker to vote your shares, by following the directions received from your broker to change those instructions; or

unless you have voted through your broker, by attending the meeting and voting in person. Your attendance at the meeting will not, by itself revoke your proxy; you must vote in person at the meeting.

The Merger Is Expected to Be Completed in the First Quarter of 2002 (see page 22)

The merger will occur only after all the conditions to its completion have been satisfied or waived. Currently, we anticipate that the merger will be completed in the first quarter of 2002.

Employee Benefit Plans and Stock Options (see page 22 and page 32)

In connection with the merger, certain of our directors and officers will be eligible to receive change-in-control payments as a result of the merger.

Stock options to purchase common stock made pursuant to our stock option plan will become vested immediately prior to the closing of the merger and our stock option plan will terminate as of the closing of the merger. All MFN options will be cancelled and holders of MFN options will receive a cash payment equal to the difference between the exercise price for the MFN option and \$10.00.

After the closing of merger, CPS will provide our employees with the opportunity to participate in the employee benefit plans CPS maintains for its similarly situated employees.

Our Warrants will Remain Outstanding (see page 21)

Our Series A, B and C Warrants will remain outstanding after the merger, and holders of these warrants will have the right to receive the merger consideration of \$10.00 upon exercise of the warrants. However, given that the exercise price of all warrants is greater than \$10.00, we do not expect that any holder of warrants will exercise its right to receive the merger consideration.

QUESTIONS AND ANSWERS ABOUT THE MERGER AND THE SPECIAL MEETING

Q: What am I being asked to vote on? What is the proposed transaction?

Edgar Filing: MFN FINANCIAL CORP - Form DEFM14A

A: We are asking you to vote on the approval and adoption of an agreement that provides for the merger of a wholly owned subsidiary of Consumer Portfolio Services, Inc. with and into MFN Financial Corporation. As a result of the merger, we will cease to be an independent, publicly traded company and will become a wholly owned subsidiary of CPS.

Q: What will I receive in the merger?

A: If the merger is completed and you do not exercise your appraisal rights under Delaware law, you will receive \$10.00 in cash for each share of our common stock that you own (the "merger consideration").

Q: Why is my vote important?

A: The merger agreement must be approved by a majority of the outstanding shares of our common stock entitled to vote. If you do not return your proxy card or vote in person at the special meeting, it will have the same effect as a vote against the merger agreement.

Q: When do you expect to complete the merger?

A: We are working to complete the merger in the first quarter of 2002. Because the merger is subject to various conditions, however, we cannot predict the exact timing.

Q: Does the Board of Directors recommend voting in favor of the merger?

A: Yes. After careful consideration, your Board of Directors unanimously recommends that you vote to approve the merger and the merger agreement.

Q: What are the federal income tax consequences of the merger to me?

A: The receipt of the merger consideration in exchange for common stock surrendered in the merger will constitute a taxable transaction for federal income tax purposes. In general, if you surrender common stock pursuant to the merger, you will recognize a gain or loss equal to the difference, if any, between \$10.00 per share and the stockholder's adjusted tax basis in that share. We urge you to consult your own tax advisor regarding the specific tax consequences that may result from your individual circumstances as well as the foreign, state and local tax consequences of the surrender of shares in the merger.

Q: How do I vote?

A: Mail your signed proxy card in the enclosed return envelope as soon as possible so that your shares may be represented at the special meeting. You may also attend the meeting in person instead of submitting a proxy.

Q: If my shares are held in street name by my broker, will my broker automatically vote my shares for me?

A: No. Your broker will not be able to vote your shares without instructions from you. You should instruct your broker to vote your shares, following the directions your broker provides.

Q: What if I fail to instruct my broker?

A: If you fail to instruct your broker to vote your shares, it will have the same effect as a vote against the merger agreement. You should follow the directions provided by your broker regarding how to instruct your broker to vote your shares.

Q: Can I change my vote after submitting my proxy?

A: Yes. If you have not voted through your broker, there are three ways you can change

5

your vote after you have sent in your proxy card:

You may send a written notice to the person to whom you submitted your proxy stating that you would like to revoke your proxy. For proxies returned to us, the notice should be submitted to our Secretary, Mark Dapier.

You may complete and submit a new proxy card. Any earlier proxies will be revoked automatically.

You may attend the special meeting and vote in person. However, simply attending the special meeting without voting in person will not revoke your proxy.

If you have instructed your broker or other nominee to vote your shares, you must follow directions you receive from such broker or other nominee to change your vote.

Q: Should I send in my stock certificates now?

A: No. After we complete the merger, instructions explaining how to exchange your shares of MFN common stock for the merger consideration will be sent to you.

Q: What if I oppose the merger? Am I entitled to appraisal rights?

A: Yes. You are entitled to appraisal rights in connection with the merger by properly complying with the requirements of Delaware law. For a more complete description of appraisal rights, see the information under the caption "Appraisal Rights" beginning on page 24.

In addition, we have attached to this Proxy Statement the full text of the applicable provisions of Delaware law as Appendix C.

Q: Who can I call with questions?

A: If you have questions about the merger or how to submit your proxy card, or if you need additional copies of this Proxy Statement or the enclosed proxy card or additional voting instructions, please call Mark Whitham, our Chief Financial Officer, at (847) 295-8600, extension 120.

WHERE YOU CAN FIND MORE INFORMATION

As public companies, both CPS and MFN are required to file annual, quarterly and current reports, proxy statements and other information with the Securities and Exchange Commission (the "SEC"). You may read and copy any reports, statements or other information that MFN and CPS file at the SEC's public reference rooms in Washington, D.C., New York, New York, and Chicago, Illinois. Please call the SEC at 1-800-SEC-0330 for further information on the public reference rooms. In addition, both CPS's and MFN's public filings are available to the public from commercial document retrieval services and on the SEC's Internet website located at "<http://www.sec.gov>".

THE SPECIAL MEETING

General

We are furnishing this Proxy Statement to our holders of common stock in connection with the solicitation of proxies by our Board of Directors for use at the special meeting of stockholders of MFN. The special meeting will be held on January 22, 2002 at 8 AM local time, at the offices of Vedder, Price, Kaufman & Kammholz, 222 N. LaSalle Street, Suite 2600, Chicago, Illinois 60601.

This Proxy Statement is first being furnished to our stockholders on or about December 31, 2001.

Matters to Be Considered at the Special Meeting

At the special meeting, you will be asked:

to consider and vote upon the approval of the merger and the merger agreement; and

to transact any other business as may properly come before the special meeting.

As of December 31, 2001, we do not know of any business that will be presented for consideration at the special meeting other than the approval of the merger agreement.

Record Date; Vote Required

Our Board has fixed the close of business on December 24, 2001 as the record date for determination of our stockholders entitled to notice of and to vote at the special meeting. As of December 24, 2001, there were 9,992,956 shares of our common stock outstanding and entitled to vote at the special meeting. CPS does not own any shares of our common stock.

Each outstanding share of our common stock will be entitled to cast one vote per share at the special meeting. You may vote in person or by submitting a properly executed proxy. The presence, in person or by properly executed proxies, of the holders of a majority of the outstanding shares entitled to vote at the special meeting will constitute a quorum. Abstentions and broker non-votes will be treated as shares present at the special meeting for purposes of determining the presence of a quorum. A broker non-vote is an unvoted proxy submitted by a broker. Under applicable rules, brokers or other nominees who hold shares in street name for customers who are the beneficial owners of such shares may not vote those shares with respect to the merger agreement unless they have received specific instructions from their customers.

To approve and adopt the merger agreement, the holders of a majority of the outstanding shares of our common stock entitled to vote must vote in favor of the approval of the merger agreement. Consequently, a failure to vote, an abstention or a broker non-vote will have the same effect as voting against the merger agreement. In addition, the failure to return a proxy or vote in person will have the effect of a vote against the approval of the merger and the merger agreement. Brokers holding shares for beneficial owners cannot vote on the actions proposed in this Proxy Statement without the owners' specific instructions. Accordingly, we urge you to return the enclosed proxy card marked to indicate your vote or provide your broker with instructions on how your shares should be voted.

Voting of Proxies

THE PROPOSED MERGER

The information in this Proxy Statement concerning the terms of the merger is qualified in its entirety by reference to the full text of the merger agreement, which is attached as Appendix A and incorporated by reference herein. All stockholders are urged to read the merger agreement in its entirety, as well as the opinion of our financial advisor attached as Appendix B.

General

As soon as possible after the conditions to consummation of the merger described below have been satisfied or waived, and unless the merger agreement has been terminated as discussed below, a wholly owned subsidiary of CPS will be merged with and into MFN in accordance with Delaware law. MFN will be the surviving corporation of the merger and will become a wholly owned subsidiary of CPS. Upon completion of the merger, our stockholders will be entitled to receive \$10.00 in cash, without interest, for each share of MFN common stock they own and will cease to be stockholders of MFN.

The Companies

MFN Financial Corporation. MFN is a Delaware corporation and the parent entity of a consumer finance concern engaged, through its primary operating subsidiary, Mercury Finance Company, LLC, in the business of purchasing, securitizing and servicing individual installment sales finance contracts from automobile dealers. Our headquarters are located in Lake Forest, Illinois, with locations in Florida, Georgia, Illinois, Louisiana, Nevada, Ohio and Virginia. Our common stock is quoted on the Over-the-Counter Bulletin Board under the symbol "MFNF."

Our primary strategic focus is the purchase of individual installment sales finance contracts from automobile dealers. Substantially all of our sales finance contracts are written with "non-prime" borrowers. These are borrowers which generally would not be expected to qualify for traditional financing as provided by commercial banks or automobile manufacturers' captive finance companies.

The business mix of our net finance receivables portfolio at September 30, 2001 is 95.5% automobile sales finance receivables, 3.0% non-automobile sales finance receivables and 1.5% direct consumer loans. The sales finance receivables are serviced through our collection office network. The non-automobile sales finance receivables and the consumer loan receivables are serviced through Midland Finance Company, a wholly owned subsidiary of MFN located in Chicago, Illinois. MFN announced in October 2001 that it was closing its Midland Finance Company operations and has discontinued originating direct loans and purchasing non-automobile sales finance receivables.

On March 23, 1999, we emerged from bankruptcy proceedings in the United States Bankruptcy Court for the Northern District of Illinois pursuant to a Second Amended Plan of Reorganization.

Our principal executive offices are located at 100 Field Drive, Suite 340, Lake Forest, Illinois 60045, and our main telephone number is (847) 295-8600.

Consumer Portfolio Services, Inc. CPS, a California corporation, is a consumer finance company specializing in the business of purchasing, selling and servicing retail automobile installment contracts originated by licensed motor vehicle dealers in the sale of new and used automobiles. Through its purchases, CPS provides indirect financing to customers with limited credit histories, low incomes or past credit problems. CPS serves as an alternative source of financing, facilitating sales to customers who otherwise might not be able to obtain financing. CPS does not lend money directly to consumers. Rather, it purchases installment contracts from dealers. From its inception in 1991 through September 30, 2001, CPS has purchased approximately \$3.8 billion of installment contracts. As of September 30, 2001, CPS had an outstanding servicing portfolio of approximately \$314 million. CPS's common stock is quoted on the Nasdaq National Market under the symbol "CPSS."

CPS's automobile financing programs are designed to serve customers who generally would not qualify for automobile financing from traditional sources, such as commercial banks, credit unions and the captive finance companies affiliated with major automobile manufacturers. Such customers generally have limited credit histories, low incomes or past credit problems, and are therefore often unable to obtain credit from traditional sources of automobile financing. Because CPS serves customers who are unable to meet the credit standards imposed by most traditional automobile financing sources, CPS generally receives interest at rates higher than those charged by traditional automobile financing sources. CPS also sustains a higher level of credit losses than traditional automobile financing sources since CPS provides financing in a relatively high risk market.

CPS Mergersub, Inc. is a direct wholly owned subsidiary of CPS and was formed in November 2001 for the sole purpose of effecting the transactions contemplated by the merger agreement. It has not engaged in, and will not engage in, any other business, and it has no significant

assets and no known liabilities.

CPS's principal executive offices are located at 16355 Laguna Canyon Road, Irvine, California 92618 and its main telephone number is (949) 753-6800.

Background of the Merger

MFN emerged from bankruptcy in March of 1999, and at that time a new Board of Directors and management team were installed. The mission of the new management team was to re-establish the credibility of MFN in its marketplace and with its stockholders and investors. MFN's management and Board installed new technology, improved internal controls and believes it has successfully returned MFN to profitability. In early 2000, our Board determined it to be appropriate to evaluate strategic options to increase stockholder value, including a potential acquisition of MFN by a third party.

In February 2000, MFN engaged Keefe Bruyette & Woods, Inc., a nationally recognized investment banking firm, to assist the Board in assessing MFN's strategic alternatives. In May 2000 at the request of the Board, KBW began contacting selected parties on an undisclosed basis about their potential interest in acquiring MFN. Over a number of months, 5 of these parties expressed potential interest and were provided with further information, including the identity of MFN. By early November 2000, a party ("Party A") expressed interest in exploring a possible transaction with MFN and proceeded to commence a due diligence review of MFN soon thereafter.

Also in November 2000, the chief executive officer of CPS initiated contact with MFN's chairman to inquire as to MFN's interest in combining the two companies. In January 2001, representatives of MFN and CPS held discussions regarding a potential transaction. Following these discussions, the Board was apprised of CPS's interest, the parties executed a confidentiality agreement, and CPS commenced its due diligence review of MFN.

In February 2001, CPS submitted a written proposal to acquire MFN for per share consideration of \$8.50 in cash and \$2.00 in notes. Over the next four months, MFN engaged in further negotiations with CPS regarding the terms, conditions and structure of a potential transaction. On July 6, 2001, CPS altered the proposed per share pricing terms to \$8.50 in cash and CPS preferred stock with a stated or liquidation value of \$2.25.

Meanwhile, in May 2001, Party A submitted a written proposal to acquire MFN for \$8.50 in cash per share. On the basis of the proposal, MFN invited Party A to engage in further due diligence of MFN. Following several negotiation sessions over the next few months, Party A submitted a revised offer, raising its bid to \$9.75 in cash per share. In discussing this bid with MFN's chairman, Party A orally increased its proposal to \$10.00 per share, subject to further due diligence, obtaining the necessary financing and the negotiation of a definitive agreement.

11

During this time, MFN continued to negotiate the terms of a possible transaction with CPS, and on August 27 and 28, 2001, MFN management, together with its legal counsel and a representative of KBW, met with CPS to conduct due diligence regarding CPS. MFN and CPS then proceeded with the negotiation of a definitive agreement.

In late September 2001, representatives of Party A conducted additional legal and financial due diligence of MFN. On October 8, 2001, Party A contacted MFN stating that given the occurrence of recent national events, current market conditions and certain financial constraints, it was not prepared to proceed with a transaction at that time.

At each of the regularly scheduled MFN Board meetings in January, April, July and October, management reported to the Board regarding the on-going discussions and negotiations with CPS and Party A.

Following the October 2001 Board meeting and over the next several weeks, MFN continued to negotiate with CPS to finalize the terms of the proposed transaction and to confirm the status of CPS's financing commitments. During the course of these negotiations, CPS agreed to change its proposal to an all cash transaction with a purchase price of \$10.00 per share.

On November 6, 2001, the Board was provided an update on the current status of the CPS proposal and was alerted to the possible need for a special meeting over the coming weeks.

On November 15, 2001, our Board held a special meeting, attended by all directors, to consider the proposed transaction with CPS. At the Board meeting, our legal counsel and representatives of KBW made a presentation regarding the terms of the proposed transaction, and KBW delivered its oral opinion that the proposed merger consideration to be paid in the transaction was fair to the MFN stockholders from a financial point of view. The Board was also informed that the CPS board of directors had already approved the proposed transaction earlier that week.

Edgar Filing: MFN FINANCIAL CORP - Form DEFM14A

A second Board meeting was convened on November 16, 2001, attended by all directors, for further discussion of the proposed transaction. At that meeting, the Board was updated on the resolution of the remaining outstanding issues, including the receipt by CPS of executed financing commitment letters.

A third Board meeting was convened on November 18, 2001, attended by all directors, for the final consideration of the proposed transaction. After a comprehensive discussion of the merits and relative risks of the proposed transaction and reaffirmation by KBW of its oral opinion, which opinion was confirmed in writing on November 18, 2001 and is attached as Appendix B, that the proposed merger consideration was fair to the MFN stockholders from a financial point of view, the Board unanimously approved the merger and the merger agreement.

Reasons for the Merger and the Recommendation of the Board of Directors

As indicated under "Background of the Merger," our Board of Directors unanimously determined on November 18, 2001 that the terms of the merger agreement were in the best interests of our company and our stockholders.

In the course of reaching its decision to approve the merger agreement and the merger and not to remain as an independent company, our Board of Directors consulted with its legal and financial advisors, as well as senior management, and considered numerous factors. The following are some of the material factors considered by the Board:

The opinion of our financial advisor that the merger consideration consisting of cash in the amount of \$10.00 per share of common stock is fair to our stockholders from a financial point of view, as more fully discussed below under the caption "Opinion of Financial Advisor";

12

The calculation by our financial advisor, using an 18% discount rate and market multiples ranging from 9.5 to 11.5 times earnings based upon publicly available information and base case projections for the company, that if we were to remain independent, the net present value per share of our common stock was \$5.89 and \$7.13, respectively;

The relationship of the \$10.00 consideration per share and the historical and then current market prices for shares of our common stock, including the fact that the \$10.00 consideration per share represented premiums of approximately 90%, 72%, 59% and 59% over the closing market prices of the common stock immediately prior to, and the average of the last 30, 60, and 90 trading days, respectively, prior to the execution and delivery of the merger agreement;

The prices and premiums paid in comparable acquisition transactions involving other consumer finance institutions of which our Board of Directors was aware, based, among other things, on information supplied by our financial advisor. With respect to this factor, our Board noted that the price offered by CPS generally compared favorably with similar transactions involving other comparable financial institutions;

A review of the terms of the proposal by CPS, including the form of consideration to be paid, cash, which our Board believed would be desired by the holders of a majority of the shares of our common stock because it provides a fixed value to stockholders and not a security that would be subject to possible decline in value. The tax effect of the proposals on our stockholders was also considered;

Information concerning our financial condition, results of operations, capital levels, asset quality and prospects;

The size of our company relative to the market in which we compete;

Our ability to access capital markets and its effect on our prospects of increasing our market share;

Edgar Filing: MFN FINANCIAL CORP - Form DEFM14A

Providing our stockholders with liquidity;

Industry and economic conditions;

Our assessment of CPS's ability to pay the aggregate merger consideration;

The general structure of the transaction;

The results of our due diligence investigation of CPS;

Our assessment of CPS's financing commitments;

CPS's ability to terminate the merger if adequate financing was unavailable;

Our strategic alternatives to the merger, including our assessment of our prospects if we continue the operation of MFN as an independent company or liquidate our assets;

The results of the extensive process that had been undertaken over a period of many months to identify and solicit proposals from third parties to enter into a strategic transaction with us;

The Board's familiarity with and review of our business, results of operations, financial condition and prospects, as well as consumer finance industry conditions generally and the changing environment for such services, as presented at its meetings on April 25, 2000, July 24, 2001, October 23, 2001 and November 15, 16 and 18, 2001;

The Board's view, based on advice received from both outside counsel and our financial advisor, that the terms of the merger agreement, including the termination fee provisions, contain

13

provisions customary for this type of transaction and allow the Board to continue to fulfill its fiduciary duties; and

The effect of the proposed merger on the customers and employees of MFN.

In reaching its determination to approve and recommend the merger, our Board of Directors did not assign any relative or specific weights to the foregoing factors, and individual directors may have given differing weights to different factors. After deliberating with respect to the merger and the other transactions contemplated by the agreement, considering, among other things, the matters discussed above and the opinion of our financial advisor referred to above, the Board of Directors unanimously approved the merger agreement and unanimously recommends our stockholders vote in favor of the approval and adoption of the merger agreement and the merger.

Opinion of Keefe, Bruyette & Woods, Inc.

MFN engaged Keefe, Bruyette & Woods, Inc. to act as its financial advisor in connection with the merger. KBW agreed to assist MFN in analyzing, structuring, negotiating and effecting a transaction with CPS. MFN selected KBW because KBW is a nationally recognized investment-banking firm with substantial experience in transactions similar to the merger and is familiar with MFN and its business. As part of its investment banking business, KBW is continually engaged in the valuation of financial businesses and their securities in connection with mergers and acquisitions.

Edgar Filing: MFN FINANCIAL CORP - Form DEFM14A

On November 15, 2001, the MFN Board held a meeting to evaluate the proposed merger. At this meeting, KBW reviewed the financial aspects of the merger and rendered an oral opinion that the consideration to be received by MFN stockholders in the merger was fair to those stockholders from a financial point of view. On November 18, 2001, the Board of Directors of MFN held a meeting to approve the merger agreement. At this meeting KBW confirmed its oral opinion that, as of that date and based upon and subject to the factors and assumptions set forth in its written opinion, the consideration to be received was fair, from a financial point of view, to the MFN stockholders.

The full text of KBW's written opinion is attached as Appendix B to this Proxy Statement and is incorporated herein by reference. MFN's stockholders are urged to read the opinion in its entirety for a description of the procedures followed, assumptions made, matters considered, and qualifications and limitations on the review undertaken by KBW.

KBW's opinion is directed to the MFN Board and addresses only the fairness, from a financial point of view, of the merger consideration to the MFN stockholders. It does not address the underlying business decision to proceed with the merger and does not constitute a recommendation to any MFN stockholder as to how the stockholder should vote at the MFN special meeting on the merger or any related matter.

In rendering its opinion, KBW:

reviewed, among other things,

- (a) the merger agreement,
- (b) annual reports to stockholders and annual reports on Form 10-K of CPS,
- (c) annual reports to stockholders and annual reports on Form 10-K of MFN,
- (d) quarterly reports on Form 10-Q and other interim reports of CPS, and
- (e) quarterly reports on Form 10-Q and other interim reports of MFN;

held discussions with members of senior management of MFN and CPS regarding

- (f) past and current business operations,

14

- (g) regulatory relationships,
- (h) financial condition, and
- (i) future prospects of the respective companies;

Edgar Filing: MFN FINANCIAL CORP - Form DEFM14A

reviewed the market prices, valuation multiples, publicly reported financial conditions and results of operations for MFN and CPS and compared them with those of certain publicly traded companies that KBW deemed to be relevant;

compared the proposed financial terms of the acquisition with the financial terms of certain other transactions that KBW deemed to be relevant; and

performed other studies and analyses that it considered appropriate.

In conducting its review and arriving at its opinion, KBW relied upon and assumed the accuracy and completeness of all of the financial and other information provided to or otherwise made available to KBW or that was discussed with, or reviewed by or for KBW, or that was publicly available. KBW did not attempt or assume any responsibility to verify such information independently. KBW relied upon the management of MFN and CPS as to the reasonableness and achievability of the financial and operating forecasts and projections (and assumptions and bases therefor) provided to KBW. KBW assumed, without independent verification, that the aggregate allowances for loan and losses for CPS and MFN are adequate to cover those losses. KBW did not make or obtain any evaluations or appraisals of any assets or liabilities of CPS or MFN, and KBW did not examine any books and records or review individual credit files.

The projections furnished to KBW and used by it in certain of its analyses were prepared by MFN's and CPS's senior management teams. MFN and CPS do not publicly disclose internal management projections of the type provided to KBW in connection with its review of the acquisition. As a result, such projections were not prepared with a view towards public disclosure. The projections were based on numerous variables and assumptions which are inherently uncertain, including factors related to general economic and competitive conditions. Accordingly, actual results could vary significantly from those set forth in the projections.

For purposes of rendering its opinion, KBW assumed that, in all respects material to its analyses:

the merger will be completed substantially in accordance with the terms set forth in the merger agreement;

the representations and warranties of each party in the merger agreement and in all related documents and instruments referred to in the merger agreement are true and correct;

each party to the merger agreement and all related documents will perform all of the covenants and agreements required to be performed by such party under such documents;

all conditions to the completion of the merger will be satisfied without any waivers; and

in the course of obtaining the necessary regulatory, contractual, or other consents or approvals for the merger, no restrictions, including any divestiture requirements, termination or other payments or amendments or modifications, will be imposed that will have a material adverse effect on the future results of operations or financial condition of the combined entity or the contemplated benefits of the merger.

In performing its analyses, KBW made numerous assumptions with respect to industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of KBW, MFN and CPS. Any estimates contained in the analyses performed by KBW are not necessarily indicative of actual values or future results, which may be significantly more or less favorable than suggested by these analyses. Additionally, estimates of the

value of businesses or securities do not purport to be appraisals or to reflect the prices at which such businesses or securities might actually be sold. Accordingly, these analyses and estimates are inherently subject to substantial uncertainty. In addition, the KBW opinion was among several factors taken into consideration by the MFN Board in making its determination to approve the merger agreement and the merger. Consequently, the analyses described below should not be viewed as determinative of the decision of the MFN Board or management of MFN with respect to the fairness of the merger consideration.

Edgar Filing: MFN FINANCIAL CORP - Form DEFM14A

The following is a summary of the material analyses presented by KBW to the MFN Board on November 15, 2001 in connection with its oral opinion. The summary is not a complete description of the analyses underlying the KBW opinion or the presentation made by KBW to the MFN Board, but summarizes the material analyses performed and presented in connection with such opinion. The preparation of a fairness opinion is a complex analytic process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances. Therefore, a fairness opinion is not readily susceptible to partial analysis or summary description. In arriving at its opinion, KBW did not attribute any particular weight to any analysis or factor that it considered, but rather made qualitative judgments as to the significance and relevance of each analysis and factor. Accordingly, KBW believes that its analyses and the summary of its analyses must be considered as a whole. Not considering all analyses and factors or the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of the process underlying its analyses and opinion.

Offer Valuation. KBW reviewed the terms of the proposed merger, including the historical price of MFN and the aggregate transaction value. KBW calculated that based on the \$10.00 per share price offered in the merger, MFN's stockholders would receive an 89% premium to the \$5.30 closing bid price of MFN's common stock on November 12, 2001.

Selected Transaction Analysis. KBW reviewed certain financial data related to acquisitions of United States automobile finance companies. The transactions included in the group were:

Susquehanna Bancshares / Hann Financial Corporation;
 Associates First Capital Corporation / Arcadia Financial, Ltd.;
 Fairlane Credit, LLC / Triad Financial Corp.;
 Capital One Financial Corp. / Summit Acceptance Corporation;
 Norwest Corp. / Fidelity Acceptance;
 Household International / ACC Consumer Finance Corp.;
 Southern National / Regional Acceptance Corp.; and
 Bay View Capital Corp. / CTL Credit, Inc.

No company or transaction used as a comparison in the above analysis is identical to MFN, CPS or the acquisition. Accordingly, an analysis of these results is not mathematical. Rather, it involves complex considerations and judgments concerning differences in financial and operating characteristics of the companies. The table below compares pricing multiples of the merger with those of the median values of the selected transactions above, where the appropriate information was available.

	<u>Merger</u>	<u>Selected Transaction Median</u>
Price-to-Annual Loan Originations	37%	34%
Price-to-Managed Receivables	25%	22%
Price-to-Trailing Earnings	20.5x	13.3x
Price-to-Book Value	75%	158%
Purchase Premium-to-Market Price	89%	30%

16

KBW noted that for the price-to-trailing earnings multiple for the merger, KBW used core earnings for MFN, which exclude negative goodwill amortization, non-recurring items, and was presented on a fully taxed basis. KBW noted that the pricing multiples of the proposed merger were generally better than those of the median values of the transactions reviewed. KBW also noted that the pricing multiples for the transactions listed above have generally declined over time, and that there have been few transactions involving companies with business operations similar to MFN in the past three years.

Book Value Attainability. KBW noted that book value was likely an unattainable value for stockholders in the event of any type of liquidation scenario. Despite the fact that the MFN's loan portfolio is represented on its balance sheet, KBW noted that MFN did not have the ability to sell the majority of its portfolio, since the collateral was being used to secure term securitization debt which MFN raised through the securitization of its portfolio during the second quarter of 2001. KBW noted further that if MFN were to take steps toward liquidation, it could jeopardize the servicing income stream related to the portfolio. Finally, it was noted that distributions to stockholders may trigger adverse consequences related to MFN's deferred tax liability, adding additional cash outflows.

Public Trading Multiples. KBW compared the market performance of MFN to those of a group of publicly traded automobile finance companies, that KBW determined to have business operations reasonably similar to that of MFN. The companies included were:

Edgar Filing: MFN FINANCIAL CORP - Form DEFM14A

AmeriCredit Corporation;

Credit Acceptance Corporation;

Consumer Portfolio Services, Inc.;

First Investors Financial Services, Inc.;

Onyx Acceptance Corporation;

Union Acceptance Corporation; and

WFS Financial, Inc.

KBW noted that while the business operations of these companies were reasonably similar to MFN, there existed differences in the companies' capitalization levels and methods of accounting that made direct comparison of financial statistics with companies in the group somewhat difficult. The table below shows median statistics for three groups of auto finance companies: 1) smaller market capitalization; 2) larger market capitalization; and 3) both groups combined. The values in the table exclude MFN.

	Smaller Market Capitalization	Larger Market Capitalization	Both Groups Combined
Price-to-2001 Estimated Earnings Per Share	5.2x	10.8x	6.4x
Price-to-2002 Estimated Earnings Per Share	7.5x	9.4x	8.4x
Price-to-Book Value	52%	188%	81%

Discounted Cash Flow. KBW estimated the present value of MFN's common stock based on a continued independence scenario by adding (i) the present value of the estimated future dividend stream that MFN could generate over the period beginning January 2002 and ending in December 2006 (KBW noted that MFN has not historically paid dividends, and that there was currently no intention to do so), and (ii) the present value of the "terminal value" of MFN common stock. A sensitivity table was presented with a range of terminal multiples from 9.5 to 11.5, a range of discount rates from 15% to 25%, and a range of 5-year compound core earnings per share growth rates from 23% to 32%. The core earnings per share projections were derived by varying loan portfolio growth rates from a base case estimate. This resulted in a range of values from \$4.42 to \$11.57 per share.

17

KBW noted that the \$10.00 per share offer from CPS compared favorably with the vast majority of values in the sensitivity table, and that the combination of assumptions needed to result in a value of higher than \$10.00 were quite aggressive, if not unattainable. KBW stated that the discounted cash flow present value analysis is a widely used valuation methodology but noted that it relies on numerous assumptions, including asset and earnings growth rates, terminal values and discount rates, which over time, can vary significantly.

The MFN Board has retained KBW as an independent contractor to act as financial adviser to MFN regarding the merger. As part of its investment banking business, KBW is continually engaged in the valuation of financial services businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements and valuations for estate, corporate and other purposes. As specialists in the securities of financial services companies, KBW has experience in, and knowledge of, the valuation of financial services enterprises. In the ordinary course of its business as a broker-dealer, KBW may, from time to time, purchase securities from, and sell securities to, MFN and CPS. As a market maker in securities KBW may from time to time have a long or short position in, and buy or sell, debt or equity securities of MFN and CPS for KBW's own account and for the accounts of its customers.

MFN and KBW have entered into two separate agreements relating to the services to be provided by KBW in connection with the acquisition. In consideration for services rendered in connection with the transactions contemplated by the merger agreement, MFN paid KBW an initial fee of \$25,000 and an additional \$75,000 in retainer fee. MFN agreed to pay KBW a cash fee of \$410,000 concurrently with execution of the merger agreement. Additionally, MFN will pay to KBW at the time of the mailing of this Proxy Statement a cash fee equal to \$260,000. Additionally, MFN will pay to KBW at the time of the closing of the merger a cash fee equal to \$780,000. Pursuant to the KBW engagement agreements, MFN also agreed to reimburse KBW for reasonable out-of-pocket expenses and disbursements incurred in connection with its retention and to indemnify against certain liabilities, including liabilities under the federal securities laws.

CPS's Financial Ability to Consummate the Merger

Edgar Filing: MFN FINANCIAL CORP - Form DEFM14A

CPS will pay an aggregate merger consideration of \$99.9 million for our outstanding common stock upon the consummation of the merger. We will pay approximately \$4.1 million to our option holders for the cancellation of our outstanding stock options. CPS has advised MFN that the funds to satisfy such financial obligations are expected to come from the following sources:

up to \$60 million in cash borrowed from Westdeutsche Landesbank Girozentrale, New York Branch, for short term use (i.e., less than 24 hours);

up to \$35 million in financing borrowed from an affiliate of Levine Leichtman Capital Partners, Inc.;

internally available cash of approximately \$15 million; and

"unrestricted cash availability" (as described on page 33) of MFN of no less than \$74 million.

CPS has advised MFN that CPS currently has commitment letters with each of Westdeutsche Landesbank Girozentrale, New York Branch, and Levine Leichtman Capital Partners, Inc. for the respective financing amounts described above. However, the finalization of the financing described in each commitment letter is subject to various terms and conditions, including the completion of the documentation relating to each such financing.

The specific amounts that will be obtained from available cash and from borrowings will depend, among other things, on the earnings and cash positions of CPS and MFN at the closing of the merger.

18

As a condition precedent to CPS's obligation to consummate the merger, MFN will need to have not less than \$74,000,000 in "unrestricted cash availability" (as described below on page 33) as of the closing date of the merger. MFN is under an obligation to use its commercially reasonable efforts to have such amount of unrestricted cash availability as of the closing date of the merger. CPS is under an obligation to use its commercially reasonable efforts to seek out alternative financing on comparable terms with the commitment letters if the financing pursuant to the commitment letters described above becomes unavailable.

Interests of Certain Persons and Management in the Merger

When considering the recommendation of our Board, you should be aware that some directors and officers have interests in the merger that are different from, or in addition to, yours. As a result, these directors and officers may be more likely to vote to approve the merger than our stockholders generally.

Our chairman and each of our three senior executive officers, Edward Harshfield, Jeffrey Weeden, Mark Dapier and Mark Whitham, have previously entered into change of control agreements with MFN. The change of control agreements have been amended due to "excess parachute payment" thresholds pursuant to Section 280G of the Internal Revenue Code. Pursuant to the amended change in control agreements, upon the closing of the merger, Mr. Harshfield will receive a \$6,000,000 severance payment, Mr. Weeden will receive a \$2,300,000 severance payment, Mr. Dapier will receive a \$862,500 severance payment and Mr. Whitham will receive a \$549,400 severance payment.

The stock options held by our chairman and each of our three senior executive officers, Edward Harshfield, Jeffrey Weeden, Mark Dapier and Mark Whitham, will immediately vest upon the closing of the merger and, upon entering into stock option cancellation agreements, such options will be cancelled and the executives will receive the difference between the exercise price and \$10.00 for each such option cancelled. The rights of our executives with respect to their stock options are identical to the rights of our other holders of stock options. Upon the closing of the merger and cancellation of their respective options, Mr. Harshfield will receive \$1,500,000, Mr. Weeden will receive \$1,581,250, Mr. Dapier will receive \$240,625 and Mr. Whitham will receive \$150,625.

Each of Jeffrey Weeden, Mark Dapier and Mark Whitham have executed consulting agreements, which will become effective upon the closing of the merger, to work as consultants for the surviving entity after the merger for a 3 month period. Pursuant to such consulting agreements and upon the closing of the merger, Mr. Weeden will receive \$63,334 per month during his 3 month consulting period and Mr. Dapier and Mr. Whitham will each receive \$20,000 per month during their 3 month consulting period provided such persons perform certain consulting services during such time periods.

Edgar Filing: MFN FINANCIAL CORP - Form DEFM14A

Additionally, Jeffrey Weeden has executed a noncompetition agreement which will also become effective upon the closing of the merger. Pursuant to such noncompetition agreement, which restricts Mr. Weeden's activities for a 12 month period, Mr. Weeden will receive \$160,000 payable over an 8 month period.

CPS has also agreed to pay up to \$1,050,000 for continued "tail" insurance for the indemnification of the officers and directors of MFN for a 6 year period after the closing of the merger for events that occurred prior to the merger or that arise from the merger agreement or any transaction contemplated by it. Additionally, CPS shall indemnify, or shall cause the surviving entity to indemnify, all present and former MFN officers and directors to the fullest extent under applicable law.

Certain Material U.S. Federal Income Tax Consequences of the Merger

The following summary addresses the material federal income tax consequences of the exchange of MFN common stock pursuant to the terms of the merger agreement. The summary is based upon

19

current provisions of the Internal Revenue Code of 1986, as amended (the "Code"), existing and proposed U.S. Treasury regulations promulgated thereunder, relevant administrative rulings and applicable judicial decisions, all of which are subject to change, possibly with retroactive effect.

The summary does not address all aspects of federal income taxation that may be relevant to particular MFN stockholders and thus, for example, may not be applicable to stockholders who are financial institutions, tax-exempt organizations, insurance companies, broker-dealers, or stockholders who are not citizens or residents of the United States, or stockholders who are employees and who acquired their stock pursuant to the exercise of incentive stock options or as compensation; nor does this summary address the effect of any applicable foreign, state, local or other tax laws. The discussion assumes that each holder of MFN common stock holds such stock as a capital asset within the meaning of the Code.

The exchange of our common stock for cash pursuant to the terms of the merger agreement will be a taxable transaction for federal income tax purposes under the Code, and may also be a taxable transaction under state, local and other tax laws. A stockholder of MFN will recognize gain or loss equal to the difference between the amount of cash received by the stockholder in the exchange and the tax basis in his or her common stock.

Gain or loss recognized by the stockholder exchanging his or her shares of common stock pursuant to the merger agreement will be a capital gain or loss if such common stock is a capital asset in the hands of the stockholder. If the MFN common stock has been held for more than 1 year, the gain or loss will be long-term. Capital gains recognized by an individual stockholder generally will be subject to U.S. federal income tax at capital gain rates applicable to the stockholder (up to a maximum of 38.6% in 2002 for short-term capital gains and 20% for long-term capital gains), and capital gains recognized by an exchanging corporate stockholder generally will be subject to U.S. federal income tax at a maximum rate of 35%.

Payments of cash to certain stockholders surrendering shares of MFN common stock will be subject to information reporting and "backup" withholding at a rate of 30% (for 2002), unless the stockholder furnishes his, her or its taxpayer identification number in the manner prescribed in applicable Treasury Regulations, certifies that such number is correct, certifies as to no loss of exemption from backup withholding and meets certain other conditions. Any amounts withheld from payments to a holder under the backup withholding rules will be allowed as a refund or credit against the holder's U.S. federal income tax liability, provided the required information is furnished to the Internal Revenue Service.

This discussion is not binding on the Internal Revenue Service, and neither MFN nor CPS has requested or will request a ruling from the Internal Revenue Service as to any of the tax effects to our stockholders of the transactions discussed in this Proxy Statement.

The federal income tax discussion set forth above is based upon current law and is intended for general information only. The discussion does not address state, local, or foreign tax consequences, or all of the tax consequences that might be relevant to a particular MFN stockholder. Each stockholder is urged to consult with his, her or its own tax advisor concerning the specific tax consequences of the merger to the stockholder, including the applicability and effect of foreign, state, local, or other tax laws and of any future changes in the Code, or regulation issued thereunder, or under any tax rulings or court decisions or other laws concerning taxes.

Accounting Treatment of the Merger

The merger will be accounted for under the purchase method of accounting. Under this method of accounting, MFN and CPS will be treated as one company as of the date of completion of the merger, and CPS will record the fair market value of MFN's assets less liabilities on its

consolidated financial

20

statements. Acquisition costs in excess of the fair values of the net assets acquired, if any, will be recorded as an intangible asset. The reported consolidated income of CPS will include the operation of MFN after the completion of the merger.

MFN Series A, B and C Warrants to Remain Outstanding

After the closing of the merger, all outstanding MFN warrants to purchase shares of our common stock will remain outstanding and exercisable. Upon payment of the appropriate exercise price, the holder of a warrant would be entitled to receive \$10.00 per share issuable under the warrant. All of our outstanding warrants have per share exercise prices that are above \$10.00 per share, and any exercise of a warrant would result in a net loss for the holder.

MFN STOCKHOLDER PROPOSAL:

APPROVAL OF THE MERGER AGREEMENT AND THE MERGER

The following information pertains to the transactions contemplated by the merger agreement. This description does not provide a complete description of all the terms and conditions of the merger agreement. This description is qualified in its entirety by the Appendices attached to this Proxy Statement, including the text of the merger agreement which is attached as Appendix A. The Appendices are a part of this Proxy Statement, and you are urged to read the Appendices in their entirety.

Overview of the Transaction Structure

As soon as possible after the conditions to completing the merger described below have been satisfied or waived, and unless the merger agreement has been terminated, the merger will be effected as follows:

CPS Mergersub, Inc. will be merged with and into MFN, with MFN surviving the merger; and

immediately thereafter, MFN shall be a privately held, wholly owned subsidiary of CPS.

You Will Receive Cash for Your Shares of MFN Financial Corporation Common Stock

Upon completion of the merger, each outstanding share of MFN Financial Corporation common stock (other than shares as to which dissenters' rights have been asserted and perfected in accordance with Delaware law or any shares owned by us, our subsidiaries, CPS or its subsidiaries) will be converted into and represent the right to receive \$10.00 in cash without any interest thereon. After the closing of the merger, each outstanding share of MFN common stock will represent only the right to receive \$10.00 in cash, without interest. The aggregate amount of the cash to be paid for our outstanding common stock is approximately \$99.9 million. In addition, we will pay approximately \$4.1 million to cancel our outstanding stock options in connection with the merger.

Treatment of Options

Subject to MFN receiving a stock option cancellation agreement from each option holder, at the effective time of the merger, each stock option to purchase MFN common stock issued pursuant to the MFN Financial Corporation Amended and Restated 1989 Stock Option and Incentive Compensation Plan or pursuant to a separate option agreement will be cancelled and converted into the right to receive a cash payment equal to \$10.00 less the exercise price per share of the stock option, multiplied by the number of shares of MFN common stock subject to the stock option, less any required tax withholding. There are options to purchase an aggregate of 1,909,666 shares as of the date of this Proxy Statement.

Effective Date

Edgar Filing: MFN FINANCIAL CORP - Form DEFM14A

The merger will be consummated if (1) the merger agreement is approved by our stockholders; and (2) CPS and MFN obtain all required consents, and all other conditions to the merger agreement are either satisfied or waived. The merger will become effective on the date and at the time that a certificate of merger is filed with the Secretary of State of the State of Delaware, or such later date or time as may be indicated in such certificates, in accordance with the merger agreement.

We anticipate that the merger will become effective during the first quarter of 2002. However, it is possible that factors outside of the control of the parties could require us to complete the transactions at a later time.

We cannot assure you that the necessary approvals of the merger will be obtained or that other conditions to consummation of the merger can or will be satisfied. If the merger is not completed by

22

March 31, 2002, both CPS and MFN have the right to terminate the merger agreement, unless the terminating party's breach of the merger agreement caused the merger to not be completed by such date.

The Paying Agent

At or prior to the closing of the merger, CPS is required to deposit with a bank or trust company the cash to be paid for shares of MFN common stock. Promptly after the closing of the merger, the paying agent will mail you a letter of transmittal and instructions for surrendering your stock certificates in exchange for the merger consideration.

Payment of Merger Consideration and Surrender of Stock Certificates

If we complete the merger, our common stockholders will be entitled to receive \$10.00 in cash for each share of common stock that they own. In addition, subject to the receipt of a stock option cancellation agreement from each option holder, each outstanding option to acquire shares of our common stock will be cancelled and converted into the right to receive the difference between the exercise price and \$10.00. The paying agent will deliver to you your merger consideration according to the procedure summarized below.

As soon as practicable after the closing of the merger, the paying agent will send you a letter of transmittal and instructions advising you how to surrender your certificates in exchange for the merger consideration.

The paying agent will promptly pay you your merger consideration after you have (1) surrendered your certificates to the paying agent and (2) provided to the paying agent any other items specified by the letter of transmittal.

Interest will not be paid or accrue in respect of the cash payments of merger consideration. The paying agent will reduce the amount of any merger consideration paid to you by applicable withholding taxes, if any.

If the paying agent is to pay some or all of your merger consideration to a person other than you, you must have your certificates properly endorsed or otherwise in proper form for transfer, and you must pay any transfer or other taxes payable by reason of the transfer or establish to the paying agent's satisfaction that the taxes have been paid or are not required to be paid.

Do Not Forward Your Stock Certificates to the Paying Agent Without a Letter of Transmittal

The transmittal instructions will tell you what to do if you have lost your certificate, or if it has been stolen or destroyed. You will have to provide an affidavit to that fact and, if required by paying agent or CPS, post a bond in an amount that the paying agent or CPS, as the case may be, reasonably directs as indemnity against any claim that may be made against those parties in respect of the certificate.

After the merger, subject to the exceptions in the next sentence, you will cease to have any rights as our stockholder. The exceptions include the right to receive dividends or other distributions with respect to your shares with a record date before the closing of the merger, the right to surrender your certificate in exchange for payment of the merger consideration or, if you exercise your appraisal rights, the right to perfect your right to receive payment for your shares pursuant to Delaware law.

180 days following the closing of the merger, the paying agent will return to CPS all funds in its possession that constitute any portion of the merger consideration, and the paying agent's duties will terminate. After that time, stockholders who have not surrendered their certificates will be entitled to look to CPS only as its general creditors with respect to the cash payable and due upon the surrender

23

of their certificates. MFN, CPS and the paying agent will not be liable to any former holder of MFN common stock or option for any amount properly delivered to a public official pursuant to applicable abandoned property, escheat or other similar laws.

You should NOT return your stock certificates with the enclosed proxy card, and you should NOT send your stock certificates to the paying agent until you receive the letter of transmittal.

Fees and Expenses of the Merger

Whether or not the merger is completed and except as otherwise provided in the merger agreement, all fees and expenses in connection with the merger will be paid by the party incurring those fees and expenses, except that CPS and MFN will share equally in the expenses related to the printing and mailing of this Proxy Statement and all filing and other fees paid to the Securities and Exchange Commission and under the Hart-Scott Rodino Antitrust Improvements Act of 1976, as amended, in connection with the merger and all communications with our stockholders. Excluding any termination fees under the merger agreement, our total fees and expenses in connection with the merger are estimated to be approximately \$2,100,000.

Appraisal Rights

Under Section 262 of the General Corporation Law of the State of Delaware, common stockholders who do not wish to accept the merger consideration of \$10.00 in cash per share may elect to have the fair value of their shares of common stock judicially determined and paid in cash, together with a fair rate of interest, if any. The valuation will exclude any element of value arising from the accomplishment or expectation of the merger. A stockholder may only exercise appraisal rights upon compliance with the provisions of Section 262.

The following discussion is not a complete statement of the law pertaining to appraisal rights under the General Corporation Law of the State of Delaware, and is qualified in its entirety by the full text of Section 262. We have attached Section 262 in its entirety as Appendix C to this Proxy Statement. All references in Section 262 and in this summary to a "stockholder" are to the record holder of the shares of common stock as to which appraisal rights are asserted. **A person having a beneficial interest in shares of common stock held of record in the name of another person, such as a broker or nominee, must act promptly to cause the record holder to follow the steps summarized below properly and in a timely manner to perfect appraisal rights.**

Under Section 262, where a proposed merger is to be submitted for approval at a meeting of stockholders, as in the case of our special meeting, the corporation, not less than 20 days prior to the meeting, must notify each of its stockholders entitled to appraisal rights that these appraisal rights are available and include in such notice a copy of Section 262. This Proxy Statement will constitute this notice to the holders of our common stock and the applicable statutory provisions of the General Corporation Law of the State of Delaware are attached to this Proxy Statement as Appendix C. Any stockholder who wishes to exercise such appraisal rights or who wishes to preserve the right to do so should review carefully the following discussion and Appendix C. **Failure to comply with the procedures specified in Section 262 timely and properly will result in the loss of appraisal rights.** Moreover, because of the complexity of the procedures for exercising the right to seek appraisal of the common stock, we believe that stockholders who consider exercising such rights should seek the advice of counsel.

Any stockholder wishing to exercise the right to demand appraisal under Section 262 of the General Corporation Law of the State of Delaware must satisfy each of the following conditions:

the stockholder must deliver to us a written demand for appraisal of its shares before the vote on the merger agreement at the special meeting. This demand will be sufficient if it reasonably

informs us of the identity of the stockholder and that the stockholder intends by that writing to demand the appraisal of its shares;

the stockholder must not vote its shares of common stock in favor of the merger agreement. A proxy that does not contain voting instructions will, unless revoked, be voted in favor of the merger agreement. Therefore, a stockholder who votes by proxy and who wishes to exercise appraisal rights must vote against the merger agreement or abstain from voting on the merger agreement; and

Edgar Filing: MFN FINANCIAL CORP - Form DEFM14A

the stockholder must continuously hold its shares from the date of making the demand through the effectiveness of the merger. A stockholder who is the record holder of shares of common stock on the date the written demand for appraisal is made but who thereafter transfers those shares prior to the effectiveness of the merger will lose any right to appraisal in respect of those shares.

Voting against, abstaining from voting on or failing to vote on the proposal to adopt the merger agreement will not constitute a written demand for appraisal within the meaning of Section 262. The written demand for appraisal must be in addition to and separate from any proxy you deliver or vote you cast in person.

Only a holder of record of shares of common stock is entitled to assert appraisal rights for those shares registered in that holder's name. A demand for appraisal should:

- (1) be executed by or on behalf of the stockholder of record, fully and correctly, as its name appears on those stock certificates, and
- (2) specify the following:

the stockholder's name and mailing address,

the number of shares of common stock owned by the stockholder, and

that the stockholder intends thereby to demand appraisal of its common stock.

If the shares are owned of record by a person in a fiduciary capacity, such as a trustee, guardian or custodian, the demand should be executed in that capacity. If the shares are owned of record by more than one person as in a joint tenancy or tenancy in common, the demand should be executed by or on behalf of all owners. An authorized agent, including an agent for two or more joint owners, may execute a demand for appraisal on behalf of a stockholder; however, the agent must identify the record owner or owners and expressly disclose the fact that, in executing the demand, the agent is acting as agent for such owner or owners. A record holder such as a broker who holds shares as nominee for several beneficial owners may exercise appraisal rights with respect to the shares held for one or more beneficial owners while not exercising these rights with respect to the shares held for one or more other beneficial owners. In this case, the written demand should set forth the number of shares as to which appraisal is sought, and where no number of shares is expressly mentioned the demand will be presumed to cover all shares held in the name of the record owner. **Stockholders who hold their shares in brokerage accounts or other nominee forms and who wish to exercise the appraisal rights must consult with their brokers to determine appropriate procedures for the making of a demand for appraisal by such nominee.**

A stockholder who elects to exercise appraisal rights pursuant to Section 262 should mail or deliver a written demand to: MFN Financial Corporation, 100 Field Drive, Suite 340, Lake Forest, Illinois, 60045, Attention: Mark Dapier, Secretary.

Within 10 days after the closing of the merger, the surviving corporation must send a notice as to the effectiveness of the merger to each of our former stockholders who has made a written demand for appraisal in accordance with Section 262 and who has not voted to adopt the merger agreement.

Within 120 days after the closing of the merger, but not after that date, either the surviving corporation or any stockholder who has complied with the requirements of Section 262 may file a petition in the Delaware Court of Chancery demanding a determination of the value of the shares of common stock held by all stockholders demanding appraisal of their shares. We are under no obligation to, and have no present intent to, file a petition for appraisal, and stockholders seeking to exercise appraisal rights should not assume that the surviving corporation will file a petition or that the surviving corporation will initiate any negotiations with respect to the fair market value of the shares. Accordingly, stockholders who desire to have their shares appraised should initiate any petitions necessary for the perfection of their appraisal rights within the time periods and in the manner prescribed in Section 262. Since we have no obligation to file a petition, your failure to do so within the period specified could nullify your previous written demand for appraisal.

Edgar Filing: MFN FINANCIAL CORP - Form DEFM14A

Under the merger agreement, we have agreed to give CPS prompt notice of any demands for appraisal we receive. CPS has the right to participate in and approve all negotiations and proceedings with respect to demands for appraisal under the General Corporation Law of the State of Delaware. We will not, except with the prior written consent of CPS, make any payment with respect to any demands for appraisal, or offer to settle, or settle, any demands.

Within 120 days after the closing of the merger, any stockholder who has complied with the provisions of Section 262 will be entitled to receive from the surviving corporation, upon written request, a statement setting forth the aggregate number of shares not voted in favor of the merger agreement and with respect to which we have received demands for appraisal and the aggregate number of holders of those shares. The surviving corporation must mail this statement to the stockholder by the later of 10 days after receipt of a request or 10 days after expiration of the period for delivery of demands for appraisal under Section 262.

A stockholder who timely files a petition for appraisal with the Delaware Court of Chancery must serve a copy upon the surviving corporation. The surviving corporation must then within 20 days file with the Delaware Register in Chancery a duly verified list containing the names and addresses of all stockholders who have demanded appraisal of their shares and who have not reached agreements with us as to the value of their shares. After notice to stockholders as may be ordered by the Delaware Court of Chancery, the Delaware Court of Chancery is empowered to conduct a hearing on the petition to determine which stockholders are entitled to appraisal rights. The Delaware Court of Chancery may require stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates to the Register in Chancery for notation on the certificates of the pendency of the appraisal proceedings, and if any stockholder fails to comply with the requirement, the Delaware Court of Chancery may dismiss the proceedings as to that stockholder.

After determining what stockholders are entitled to an appraisal, the Delaware Court of Chancery will appraise the "fair value" of their shares. This value will exclude any element of value arising from the accomplishment or expectation of the merger, but will include a fair rate of interest, if any, to be paid upon the amount determined to be the fair value. The costs of the action may be determined by the Delaware Court of Chancery and taxed upon the parties as the Delaware Court of Chancery deems equitable. However, costs do not include attorneys' or expert witness fees. Upon application of a stockholder, the Delaware Court of Chancery may also order that all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding be charged pro rata against the value of all of the shares entitled to appraisal. These expenses may include, without limitation, reasonable attorneys' fees and the fees and expenses of experts. **Stockholders considering seeking appraisal should be aware that the fair value of their shares as determined under Section 262 could be more than, the same as or less than the merger consideration they would be entitled to receive pursuant to the merger agreement if they did not seek appraisal of their shares. Stockholders should**

26

also be aware that investment banking opinions as to fairness from a financial point of view are not necessarily opinions as to fair value under Section 262.

Any stockholder who has duly demanded an appraisal in compliance with Section 262 will not, after the closing of the merger, be entitled to vote the shares subject to that demand for any purpose or be entitled to the payment of dividends or other distributions on those shares. However, stockholders will be entitled to dividends or other distributions payable to holders of record of shares as of a record date prior to the effectiveness of the merger.

Any stockholder may withdraw its demand for appraisal and accept the merger consideration by delivering to the surviving corporation a written withdrawal of the stockholder's demands for appraisal. Any attempt to withdraw made more than 60 days after the effectiveness of the merger will require written approval of the surviving corporation and no appraisal proceeding before the Delaware Court of Chancery as to any stockholder shall be dismissed without the approval of the Delaware Court of Chancery, and this approval may be conditioned upon any terms of the Delaware Court of Chancery deems just.

If the surviving corporation does not approve a stockholder's request to withdraw a demand for appraisal when the approval is required or if the Delaware Court of Chancery does not approve the dismissal of an appraisal proceeding, the stockholder would be entitled to receive only the appraised value determined in any such appraisal proceeding. This value could be higher or lower than, or the same as, the value of the merger consideration.

Failure to comply strictly with all of the procedures set forth in Section 262 of the General Corporation Law of the State of Delaware will result in the loss of a stockholder's statutory appraisal rights. Consequently, any stockholder wishing to exercise appraisal rights is urged to consult legal counsel before attempting to exercise those rights.

conduct their businesses in the usual, regular and ordinary course of business consistent with past practices;

use reasonable efforts to maintain and preserve intact its business organization, employees and business relationships and retain the services of its key officers and key employees; and

Except as permitted or required under the merger agreement, MFN has also agreed that until the completion of the merger, without the prior written consent of CPS, it will not, nor will it permit its subsidiaries to:

through our Board, to recommend the approval of the merger and the merger agreement, except if the failure to withdraw such recommendation would violate the Board's fiduciary duties to our stockholders;

to submit the merger agreement to our stockholders for approval whether or not our Board determines that the merger agreement is no longer advisable and recommends that our stockholders reject it;

Each of MFN and CPS has also agreed, among other things:

to use our reasonable best efforts to take all actions, and to cooperate with the other in doing all things advisable to expeditiously consummate the merger;

to use our reasonable best efforts to not take any action which would cause any of our respective representations or warranties to be materially untrue, result in a material breach of any covenant made in the merger agreement, or which could reasonably be expected to delay the merger; and

to use our reasonable best efforts to give prompt notice to the other party of any event of which could likely cause any representation or warranty to become materially untrue, or cause any covenant to not be fulfilled.

We urge stockholders to carefully read the sections in the merger agreement entitled "Covenants Relating to Conduct of Business" and "Additional Agreements."

Regulatory Matters

The merger agreement provides that the obligation of MFN and CPS to complete the merger is conditioned upon the expiration or early termination of the applicable waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended. We received notice of the early termination of such waiting period as of the date of this Proxy Statement. In addition, the obligation of both parties to complete the merger is conditioned upon the receipt of any other requisite material regulatory approvals. We cannot assure you that all governmental agencies will approve or take the other required actions with respect to the merger.

No Solicitation of Alternative Transactions

Until the merger is completed or the merger agreement is terminated, MFN has agreed not to directly or indirectly:

solicit or initiate the submission of a takeover proposal involving MFN;

enter into any agreement with respect to a takeover proposal involving MFN; or

participate in any discussions or negotiations or otherwise take any action to facilitate a takeover proposal, including any action which could reasonably be expected to lead to a takeover proposal.

Notwithstanding the forgoing, MFN and our Board may comply with SEC tender offer and takeover rules (pursuant to Rules 14d-9 and 14e-2) and provide confidential information and negotiate with a party in connection with an unsolicited takeover proposal if, in our Board's good faith judgment and upon the advice of counsel, the failure to take any action would breach the Board's fiduciary duty to our stockholders. MFN is obligated to advise CPS with respect to any such takeover proposal, including the material terms of such takeover proposal.

A "takeover proposal" as it relates to MFN, is a third party proposal involving:

a merger or business combination of MFN or any of its significant subsidiaries; or

the acquisition of 25% or more of the assets, equity or voting interests of MFN or a significant subsidiary.

MFN may, however, in response and with respect to a bona fide unsolicited takeover proposal from a third party submitted after the date of the merger agreement which constitutes a "superior proposal," enter into or participate in discussions or negotiations with such third party, provided that, based on the advice of our outside counsel, MFN's Board of Directors determines in good faith that failure to take such action in response to such a proposal would constitute a breach by the Board of Directors of its fiduciary duties under applicable law.

A "superior proposal" is a takeover proposal that our Board determines in its good faith judgment, after consultation with its financial advisors, is more favorable to our stockholders from a financial point of view than the proposed merger with CPS.

Nothing in the merger agreement prohibits our Board from disclosing to our stockholders a position with respect to a transaction proposal by a third party to the extent required under the Securities and Exchange Act of 1934, as amended, including Rules 14e-2 and 14d-9, or from making such disclosure to our stockholders which, based on advice of outside counsel, the Board determines in good faith is required under applicable law.

Director and Officer Indemnification and Insurance

CPS shall, or shall cause the surviving corporation to, indemnify present and former officers, directors, agents and employees of MFN and its subsidiaries to the fullest extent that MFN and its subsidiaries would have been permitted under applicable law, its charter documents or any existing agreement to indemnify such persons. MFN or CPS shall purchase, or shall cause the surviving corporation to purchase, a 6 year "tail" on our current director and officer insurance and indemnification policy; provided however, that MFN, CPS and the surviving corporation shall not be required to pay more than \$1,050,000 for the 6 year tail insurance.

Employee Benefits

For six months after the closing of the merger, the surviving entity shall provide those of our employees who continue employment with the surviving entity with employee benefit plans that are no less favorable, in the aggregate, than the employee benefit plans provided to such employees immediately prior to the merger.

CPS and the surviving entity have agreed to honor all employment agreements, bonus agreements, severance agreements and any other agreements with our directors, officers and employees.

The surviving entity may amend or terminate any employee benefit plan or policy or terminate any employee, provided, however, that no such termination or amendment may impair the rights of any person with respect to any benefits accrued as of the time of such termination or amendment.

Our stock option plan will terminate on the closing of the merger. Stock options to purchase MFN common stock made pursuant to our stock option plan will become immediately vested and holders of these options and awards will receive a cash payment equal to the difference between \$10.00 and the exercise price.

Conditions to Completion of the Merger

The completion of the merger depends on a number of conditions being met. The respective obligation of each party to effect the merger shall be subject to the fulfillment at or prior to closing of the merger of the following conditions:

the merger and the merger agreement shall have been duly approved by the requisite vote of MFN stockholders;

Edgar Filing: MFN FINANCIAL CORP - Form DEFM14A

the waiting period applicable to the consummation of the merger under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, shall have expired or been terminated;

all material consents or approvals of, or filings with, or terminations or expirations of waiting periods imposed by, any governmental entity shall have been obtained;

no court or governmental entity having jurisdiction shall have issued any order or injunction which has the effect of making the merger or any merger-related transaction illegal;

no material suit, action or proceeding by any governmental entity relating to the merger agreement or any merger-related transaction shall be pending;

our respective representations and warranties in the merger agreement must have been materially true and correct at the date the merger agreement was executed and must remain materially true and correct as of the date of the closing of the merger;

we have respectively performed and complied in all material respects with our respective obligations required by the merger agreement to be performed or complied with on or prior to the date of the closing of the merger; and

32

we have respectively obtained the consent or approval of each non-governmental entity or person whose consent or approval is materially required in connection with the transactions contemplated in the merger agreement.

Additionally, CPS's obligation to close the merger is subject to the satisfaction or waiver of each of the following conditions before completion of the merger:

the holders of not more than 7% of our common stock shall have exercised their appraisal rights under Delaware law; and

we shall have unrestricted cash availability of not less than \$74,000,000 as of the closing of the merger.

The term "unrestricted cash availability" means the sum of:

our unrestricted cash and cash equivalents,

available borrowings under our credit facilities,

any amount used to pay off our senior subordinated debt, and

our expenditures in connection with the merger agreement with respect to our legal, accounting and investment banking fees and expenses, our stock option, severance and change of control payments (other than normal annual incentive bonus payments) and the cost of the 6 year "tail" on our directors and officers insurance.

Additionally, our obligation to close the merger is subject to the satisfaction or waiver of the following conditions before completion of the merger:

Edgar Filing: MFN FINANCIAL CORP - Form DEFM14A

CPS or CPS Mergersub having sufficient and available cash to pay the aggregate merger consideration, to make all other necessary payments in connection with the merger and to fund the working capital needs of CPS and its subsidiaries, including the surviving corporation, for a reasonable period of time following the closing of the merger; and

CPS having performed each of its obligations with respect to the change in control, severance and options payments as described above on page 19.

Termination of the Merger Agreement

Either of us may terminate the merger agreement at any time prior to the closing of the merger, even after our stockholders vote to approve it, under the following circumstances:

by both of us upon our mutual written consent;

by either party if the other party has failed to materially comply with any of its covenants or agreements contained in the merger agreement, and such failure remains uncured for thirty business days after written notice from the nonbreaching party of such failure;

by either party if the other party breaches any of its representations or warranties that are qualified as to materiality, and such breach remains uncured for 30 business days after written notice from the nonbreaching party of such breach;

by either party if the other party breaches any of its representations or warranties that are not qualified as to materiality, and such breach makes such representation and warranty not true and correct in all material respects;

by either party if the merger has not closed by March 31, 2002, unless such failure to close is caused by the terminating party's breach of its obligations under the merger agreement;

33

by either party if a governmental entity prohibits the consummation of the merger and such governmental order or ruling is final and nonappealable; or

by either party if our stockholders do not approve the merger agreement at our special meeting, provided that we may not so terminate if we have breached our obligations under the merger agreement, including, amongst others, the failure to complete and file this Proxy Statement or to recommend the merger to our stockholders.

CPS may terminate the merger agreement if any of the following occur:

if CPS fails to have the requisite financing needed to pay the aggregate merger consideration; provided that the right to so terminate shall not be available if CPS has not made commercially reasonable efforts to obtain alternative financing on terms no worse than as provided for in the commitment letters, unless the failure to have such requisite financing is due to our failure to have \$74,000,000 in unrestricted cash availability;

if a third party acquires 25% or more of our outstanding common stock;

if our Board withdraws or modifies their unanimous recommendation to our stockholders to approve the merger; or

Edgar Filing: MFN FINANCIAL CORP - Form DEFM14A

if a tender or exchange offer for more than 25% of our common stock is commenced, and our Board does not recommend that our stockholders do not accept such offer.

Additionally, MFN may terminate the merger agreement if our Board determines that a takeover proposal constitutes a superior proposal. As described above, a "superior proposal" means a takeover proposal that our Board determines in its good faith judgment, after consultation with its financial advisors, is more favorable to our stockholders from a financial point of view than the proposed merger.

Payment of Fees and Expenses

Except as set forth below, whether or not the merger is consummated, all costs and expenses incurred in connection with the merger and the merger agreement will be paid by the party incurring the expense, except that MFN and CPS will share equally in all printing and mailing expenses and all governmental filing fees and all fees and expenses related to communicating with our stockholders.

MFN has agreed to reimburse CPS up to \$1,000,000 for its out-of-pocket fees and expenses and to pay CPS a cash termination fee of \$3,000,000, less the out-of-pocket fees and expenses of up to \$1,000,000 in the following circumstances:

MFN terminates the merger agreement in order to accept a superior proposal;

CPS terminates the merger agreement because our Board does not recommend the approval of the merger by our stockholders or recommends a third party takeover proposal;

CPS terminates the merger agreement because a third party acquires 25% or more of our outstanding common stock; or

CPS terminates the merger agreement because our Board does not recommend against a third party tender or exchange offer for our common stock.

Additionally, MFN has agreed to pay CPS a cash termination fee of \$750,000 in addition to reimbursing CPS up to \$1,000,000 for its out-of-pocket expenses if our stockholders do not approve the merger agreement, through no fault or inaction on the part of our Board.

CPS has agreed to pay MFN a cash termination fee of \$750,000 in addition to reimbursing MFN up to \$1,000,000 for its out-of-pocket expenses if CPS terminates the merger agreement due to CPS's

34

inability to have the financing to pay the aggregate merger consideration, despite CPS's commercially reasonable efforts to find comparable alternative financing, provided that the failure to have such financing is not due to our failure to have \$74,000,000 in unrestricted cash availability as of the closing of the merger.

Extension, Waiver and Amendment of the Merger Agreement

MFN and CPS may amend the merger agreement before completion of the merger; provided, however, after our stockholders approve the merger and the merger agreement, no change may be made which would by law require the further approval of our stockholders.

Either MFN or CPS may, in writing, extend the other's time for or waive compliance with the performance of any of the obligations or other acts under the merger agreement, waive any inaccuracies in the other's representations and warranties and waive compliance by the other with any of the agreements or conditions contained in the merger agreement.

The Board of Directors unanimously recommends that you vote "FOR" adoption and approval of the merger agreement.

STOCKHOLDER PROPOSALS

Proposals submitted by stockholders of MFN for presentation at the 2002 annual meeting of stockholders, to be held if the merger has not been consummated prior thereto, had to have been received by the Secretary of MFN no later than December 24, 2001 for inclusion in the proxy statement and form of proxy relating to the 2002 annual meeting of stockholders.

OTHER MATTERS

Each proxy solicited also confers discretionary authority on our Board of Directors to vote the proxy with respect to matters incident to the conduct of the meeting and upon such other matters as may properly come before the special meeting. Our Board of Directors is not aware of any business to come before the special meeting other than those matters described above in this Proxy Statement. However, if any other matter should properly come before the special meeting, it is intended that proxy holders will act in accordance with their best judgment.

FORWARD-LOOKING STATEMENTS

This Proxy Statement contains forward-looking statements that involve risks, uncertainties and assumptions. In particular, the statement that the acquisition is expected to close in the first quarter of 2002 is a forward-looking statement. Factors that could cause the transaction not to close at that time, or at all, would include the possibility that CPS might not obtain necessary external financing (although it has received commitments for such financing), that CPS might not have sufficient internally generated cash, that MFN might not have the requisite level of available cash, that any required consents might not be obtained, and that MFN stockholders may not approve the transaction. More generally, all statements herein other than statements of historical fact are statements that could be deemed forward-looking statements. CPS and MFN assume no obligation to update and do not intend to update these forward-looking statements.

INDEPENDENT ACCOUNTANTS

The MFN Board appointed Grant Thornton LLP to act as our independent public accountants for 2001. Grant Thornton LLP continues to perform audit professional services for and on behalf of MFN. Grant Thornton LLP's unqualified opinion of the consolidated financial statements, along with our consolidated financial statements, are included in our Annual Report on Form 10-K to stockholders which was previously filed with the SEC.

AGREEMENT AND PLAN OF MERGER

AGREEMENT AND PLAN OF MERGER, dated as of November 18, 2001 (this "Agreement"), is among Consumer Portfolio Services, Inc., a California corporation ("Parent"), CPS Mergersub, Inc., a Delaware corporation and a direct wholly owned subsidiary of Parent ("Sub"), and MFN Financial Corporation, a Delaware corporation (the "Company", together with Sub, the "Constituent Corporations").

WITNESSETH:

Edgar Filing: MFN FINANCIAL CORP - Form DEFM14A

WHEREAS, the respective Boards of Directors of Parent, Sub and the Company have determined that the merger of Sub with and into the Company (the "Merger"), upon the terms and subject to the conditions set forth herein is advisable and fair to and in the best interests of their respective stockholders;

WHEREAS, the respective Boards of Directors of the Company, Parent and Sub have each approved and adopted, at meetings of each such Boards of Directors, this Agreement and have authorized the execution hereof; and

WHEREAS, Parent, Sub and the Company desire to make certain representations, warranties, covenants and agreements in connection with the Merger and also to prescribe various conditions to the Merger.

NOW, THEREFORE, in consideration of the premises, representations, warranties and agreements herein contained, the parties agree as follows:

ARTICLE I

THE MERGER

Section 1.1 *The Merger*. Upon the terms and subject to the conditions hereof, and in accordance with the Delaware General Corporation Law (the "DGCL"), Sub shall be merged with and into the Company at the Effective Time (as hereinafter defined). Following the Merger, the separate corporate existence of Sub shall cease and the Company shall continue as the surviving corporation (the "Surviving Corporation") and shall succeed to and assume all the rights and obligations of Sub in accordance with the DGCL.

Section 1.2 *Effective Time*. The Merger shall become effective when a Certificate of Merger (the "Certificate of Merger"), executed in accordance with the relevant provisions of the DGCL, is filed with the Secretary of State of the State of Delaware; *provided, however*, that, upon mutual consent of the Constituent Corporations, the Certificate of Merger may provide for a later date of effectiveness of the Merger not more than 30 days after the date the Certificate of Merger is filed. When used in this Agreement, the term "Effective Time" shall mean the date and time at which the Certificate of Merger is accepted for recording or such later time established by the Certificate of Merger. The filing of the Certificate of Merger shall be made on the date of the Closing (as hereinafter defined).

Section 1.3 *Effects of the Merger*. The Merger shall have the effects set forth in this Agreement and in Section 259 of the DGCL.

Section 1.4 *Charter and Bylaws; Directors and Officers*.

(a) At the Effective Time, the Certificate of Incorporation of Sub (the "Sub Charter"), as in effect at the Effective Time, shall be the Certificate of Incorporation of the Surviving Corporation until amended as provided by applicable law except that the name of the Surviving Corporation shall initially be "MFN Financial Corporation". At the Effective Time, the Bylaws of Sub as in effect at the Effective Time shall be the Bylaws of the Surviving Corporation until thereafter changed or amended in accordance with applicable law.

A 1

(b) The directors of Sub at the Effective Time of the Merger shall be the directors of the Surviving Corporation, until the earlier of their resignation or removal or until their respective successors are duly elected and qualified, as the case may be. The officers of the Sub at the Effective Time of the Merger shall be the officers of the Surviving Corporation, until the earlier of their resignation or removal or until their respective successors are duly elected and qualified, as the case may be.

Section 1.5 *Conversion of Securities*. As of the Effective Time, by virtue of the Merger and without any action on the part of Sub, the Company or the holders of any securities of the Constituent Corporations:

(a) Each issued and outstanding share of common stock, par value \$.01 per share, of Sub shall be converted into one (1) validly issued, fully paid and nonassessable share of common stock of the Surviving Corporation.

(b) Each issued and outstanding share of common stock, par value \$0.01 per share, of the Company (the "Company Common Stock") that is held in the treasury of the Company or by any wholly owned Subsidiary of the Company, and any shares of Company Common Stock owned by Parent, shall be cancelled and no capital stock of Parent or other consideration shall be delivered in exchange therefor.

(c) Each share of Company Common Stock issued and outstanding immediately prior to the Effective Time (other than shares to be cancelled in accordance with Section 1.5(b) and any Dissenting Shares (as hereinafter defined)) shall be converted into the right to receive \$10.00 in cash

payable to the holder thereof, without interest thereon (the "Merger Consideration"). All such shares of Company Common Stock, when so converted, shall no longer be outstanding and shall automatically be cancelled and retired and each holder of a certificate representing any such shares shall cease to have any rights with respect thereto, except the right to receive the Merger Consideration pursuant to this Section 1.5(c). The Merger Consideration shall be appropriately adjusted for any stock dividend, stock split or like transaction affecting the Company Common Stock prior to the Effective Time.

(d) Subject to the Company obtaining any required consent from a holder of an outstanding option to acquire shares of Company Common Stock (an "Option"), each Option outstanding immediately prior to the Effective Time, whether or not otherwise fully vested and exercisable at that time, shall be cancelled and converted into the fully vested right to receive the excess of \$10.00 over the exercise price per share for which shares of Company Common Stock may be acquired pursuant to the Option. Prior to the Effective Time, the Company shall take all actions within its control which are necessary (and shall use its reasonable best efforts to obtain such consents, if any, from Option holders as may be required) to cancel and convert all outstanding Options in accordance with this Section 1.5(d). All Options, when so converted, shall no longer be outstanding, and each holder of such an Option shall cease to have any rights with respect thereto, except the right to receive the consideration described in this Section 1.5(d). The consideration described in this Section 1.5(d) shall be appropriately adjusted for any stock dividend, stock split or like transaction affecting the Company Common Stock prior to the Effective Time.

All applicable withholding taxes attributable to the payments made hereunder or to distributions contemplated hereby shall be deducted from the cash amount payable above. Except as provided herein or as otherwise agreed to by the parties and to the extent permitted by the Company Stock Option Plan (as defined in Section 3.2(a) hereof), the Company shall cause the Company Stock Option Plan to terminate as of the Effective Time.

Section 1.6 *Exchange of Certificates.*

(a) Parent shall appoint a trust company or a commercial bank reasonably acceptable to the Company to act as Paying Agent hereunder (the "Paying Agent"). Prior to the Effective Time, Parent

shall deposit with the Paying Agent the aggregate Merger Consideration under Section 1.5(c) hereof (the "Payment Fund"). The Paying Agent shall deliver the Merger Consideration contemplated to be paid pursuant to Section 1.5(c) out of the Payment Fund.

(b) Parent shall cause the Paying Agent, as soon as practicable after the Effective Time, to mail to each record holder of a certificate or certificates which immediately prior to the Effective Time represented outstanding shares of Company Common Stock converted in the Merger (the "Certificates") a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon actual delivery of the Certificates to the Paying Agent, and shall contain instructions for use in effecting the surrender of the Certificates in exchange for the Merger Consideration). Upon surrender for cancellation to the Paying Agent of one or more Certificates held by any record holder of a Certificate, together with such letter of transmittal, duly executed, the holder of such Certificate shall be entitled to receive in exchange therefor the Merger Consideration pursuant to this Article 1, and any Certificate so surrendered shall forthwith be cancelled. No interest will be paid or accrued on the Merger Consideration payable to the holder of the Certificates.

(c) The Paying Agent shall invest the Payment Fund, as directed by Parent, in (i) direct obligations of the United States of America, (ii) obligations for which the full faith and credit of the United States of America is pledged to provide for the payment of principal and interest, or (iii) certificates of deposit, bank repurchase agreements or bankers acceptances, of commercial banks with assets exceeding \$1,000,000,000, and any net earnings with respect thereto shall be paid to Parent as and when requested by Parent; provided that any such investment or any such payment of earnings shall not delay the receipt by holders of Certificates of their Merger Consideration or otherwise impair such holders' respective rights hereunder. Parent must promptly replace any portion of the Payment Fund which the Paying Agent loses through investments.

(d) If any Merger Consideration is to be paid to a name other than that in which the Certificate surrendered is registered, it shall be a condition of such payment that the Certificate so surrendered shall be properly endorsed and otherwise in proper form for transfer and that the person requesting such payment shall pay to the Paying Agent any taxes required by reason of payment or shall establish to the satisfaction of the Paying Agent that such tax has been paid or is not applicable. Parent or the Paying Agent shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Agreement to any holder of shares of Company Common Stock such amounts as Parent or the Paying Agent is required to deduct and withhold with respect to the making of such payment under the Internal Revenue Code of 1986, as amended (the "Code"), or under any provision of state, local or foreign tax law. To the extent that amounts are so withheld by Parent or the Paying Agent, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of the shares of Company Common Stock in respect of which such deduction and withholding was made by Parent or the Paying Agent.

Section 1.7 *Return of Payment Fund*. Any portion of the Payment Fund which remains undistributed to the former stockholders of the Company for six months after the Effective Time shall be delivered to Parent, upon demand of Parent, and any such former stockholders who have not theretofore complied with this Article 1 shall thereafter look only to Parent for payment of their claim for their Merger Consideration. Neither Parent nor the Surviving Corporation shall be liable to any former holder of Company Common Stock for any such Merger Consolidation that is delivered to a public official pursuant to any applicable abandoned property, escheat or similar law.

Section 1.8 *No Further Ownership Rights in Company Common Stock*. The Merger Consideration issued upon the surrender of Certificates in accordance with the terms hereof shall be deemed to have been issued in full satisfaction of all rights pertaining to the shares of Company Common Stock represented by such Certificates.

A 3

Section 1.9 *Closing of Company Transfer Books*. At the Effective Time, the stock transfer books of the Company shall be closed and no transfer of shares of Company Common Stock shall thereafter be made on the records of the Company. If, after the Effective Time, Certificates are presented to the Surviving Corporation, the Paying Agent or the Parent, such Certificates shall be cancelled as provided in this Article 1.

Section 1.10 *Lost Certificates*. If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such Certificate to be lost, stolen or destroyed and, if required by Parent or the Paying Agent, the posting by such person of a bond, in such reasonable amount as Parent or the Paying Agent may direct as indemnity against any claim that may be made against them with respect to such Certificate, the Paying Agent will pay the Merger Consideration for such lost, stolen or destroyed Certificate.

Section 1.11 *Further Assurances*. If at any time after the Effective Time, the Surviving Corporation shall consider or be advised that any deeds, bills of sale, assignments or assurances or any other acts or things are necessary, desirable or proper (a) to vest, perfect or confirm, of record or otherwise, in the Surviving Corporation its right, title or interest in, to or under any of the rights, privileges, powers, franchises, properties or assets of either of the Constituent Corporations, or (b) otherwise to carry out the purposes of this Agreement, the Surviving Corporation and its proper officers and directors or their designees shall be authorized to execute and deliver, in the name and on behalf of either of the Constituent Corporations, all such deeds, bills of sale, assignments and assurances and to do, in the name and on behalf of either Constituent Corporation, all such other acts and things as may be necessary, desirable or proper to vest, perfect or confirm the Surviving Corporation's right, title or interest in, to or under any of the rights, privileges, powers, franchises, properties or assets of such Constituent Corporation and otherwise to carry out the purposes of this Agreement.

Section 1.12 *Dissenting Shares*. Notwithstanding anything in this Agreement to the contrary, shares of Company Common Stock issued and outstanding immediately prior to the Effective Time held by a holder (if any), who has the right to demand, and who properly demands, an appraisal of such shares of Company Common Stock in accordance with Section 262 of the DGCL (or any successor provision) ("Dissenting Shares") shall not be converted into a right to receive their Merger Consideration unless such holder fails to perfect or otherwise loses such holder's right to such appraisal, if any. If, after the Effective Time, such holder fails to perfect or loses any such right to appraisal, each such share of Company Common Stock of such holder shall be treated as a share of Company Common Stock that had been converted as of the Effective Time into the right to receive the Merger Consideration in accordance with Article 1. At the Effective Time, any holder of Dissenting Shares shall cease to have any rights with respect thereto, except the rights provided in Section 262 of the DGCL (or any successor provision) and as provided in the immediately preceding sentence. Company shall give prompt notice to Parent of any demands received by Company for appraisal of shares of Company Common Stock, and Parent shall have the right to participate in and direct all negotiations and proceedings with respect to such demands. Company shall not, except with the prior written consent of Parent, make any payment with respect to, or settle or offer to settle, any such demands. Parent shall be responsible for all payments with respect to the Dissenting Shares, including without limitation, all expenses associated with any negotiations and proceedings with respect to demands for appraisal under the DGCL.

Section 1.13 *Closing*. The closing of the transactions contemplated by this Agreement (the "Closing") and all actions specified in this Agreement to occur at the Closing shall take place at the offices of Bingham Dana, LLP, 399 Park Avenue, New York, New York at 10:00 a.m., local time, no later than the second business day following the day on which the last of the conditions set forth in Article 6 shall have been fulfilled or waived (if permissible) or at such other time and place as Parent and the Company shall agree.

ARTICLE II

REPRESENTATIONS AND WARRANTIES OF PARENT AND SUB

Parent and Sub represent and warrant to the Company as follows:

Edgar Filing: MFN FINANCIAL CORP - Form DEFM14A

Section 2.1 *Organization, Standing and Power.* Each of Parent and Sub is a corporation duly organized, validly existing and in good standing under the laws of the jurisdiction in which it is organized and has the requisite corporate power and authority to carry on its business as now being conducted. Each Subsidiary of Parent is duly qualified to do business, and is in good standing, in each jurisdiction where the character of their properties owned or held under lease or the nature of their activities makes such qualification necessary, except where the failure to be so qualified would not, individually or in the aggregate, have a Material Adverse Effect (as hereinafter defined) on Parent. For purposes of this Agreement (a) "Material Adverse Effect" means, when used with respect to Parent, Sub or the Company, as the case may be, any event, change or effect that individually or when taken together with all other such events, changes or effects is materially adverse to the business, financial condition or results of operations of Parent and its Subsidiaries, taken as a whole, or the Company and its Subsidiaries, taken as a whole, as the case may be, except to the extent resulting from or relating to (i) any changes or events affecting the economy of the United States or the consumer finance industry generally or (ii) the execution or announcement of, or compliance with the terms of, this Agreement; and (b) "Subsidiary" means any corporation, partnership, limited liability company, joint venture or other legal entity of which Parent or the Company, as the case may be (either alone or through or together with any other Subsidiary), owns, directly or indirectly, 50% or more of the stock or other equity interests, the holders of which are generally entitled to vote for the election of the Board of Directors or other governing body of such corporation, partnership, limited liability company, joint venture or other legal entity.

Section 2.2 *Authority.* On or prior to the date of this Agreement, the Boards of Directors of Parent and Sub have (i) declared the Merger advisable and fair to and in the best interest of Parent and Sub, respectively, and their respective stockholders, and (ii) approved and adopted this Agreement in accordance with the General Corporation Law of California and the DGCL. Each of Parent and Sub has all requisite corporate power to enter into this Agreement and to consummate the transactions contemplated hereby. The execution and delivery of this Agreement by Parent and Sub and the consummation by Parent and Sub of the transactions contemplated hereby have been duly authorized by all necessary corporate action on the part of Parent and Sub, subject to filing of appropriate Merger documents as required by the DGCL. This Agreement and the consummation of the transactions contemplated hereby have been approved by Parent as the sole stockholder of Sub. This Agreement has been duly executed and delivered by Parent and Sub, and (assuming the valid authorization, execution and delivery of this Agreement by the Company and the validity and binding effect hereof on the Company) this Agreement constitutes the valid and binding obligation of Parent and Sub enforceable against each of them in accordance with its terms except as the same may be limited by applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium, or other laws or equitable principles in effect relating to creditors' rights and remedies and general principles of equity.

Section 2.3 *Consents and Approvals; No Violation.* Assuming that all consents, approvals, authorizations and other actions described in this Section 2.3 have been obtained and all filings and obligations described in this Section 2.3 have been made, and except as set forth in Section 2.3 of the letter dated the date hereof and delivered on the date hereof by Parent to the Company, which letter relates to this Agreement and is designated the Parent Letter (the "Parent Letter"), the execution and delivery of this Agreement does not, and the consummation of the transactions contemplated hereby and compliance with the provisions hereof will not, result in any violation of, or default (with or without notice or lapse of time, or both) under, or give to others a right of termination, cancellation or acceleration of any obligation or the loss of a material benefit under, or result in the creation of any lien, security interest, charge or encumbrance upon any of the properties or assets of Parent or any of

A 5

its Subsidiaries under, any provision of (i) the Articles of Incorporation of Parent (the "Parent Charter") or the Bylaws of Parent (the "Parent Bylaws") or the Sub Charter or Bylaws of Sub, (ii) any provision of the comparable charter or organization documents of any of Parent's Subsidiaries, (iii) any loan or credit agreement, note, bond, mortgage, indenture, lease or other agreement, instrument, permit, concession, franchise or license applicable to Parent or any of its Subsidiaries or (iv) any judgment, order, decree, statute, law, ordinance, rule or regulation applicable to Parent or any of its Subsidiaries or any of their respective properties or assets, other than, in the case of clauses (ii), (iii) or (iv), any such violations, defaults, rights, liens, security interests, charges or encumbrances that, individually or in the aggregate, would not have a Material Adverse Effect on Parent, materially impair the ability of Parent or Sub to perform their respective obligations hereunder or prevent the consummation of any of the transactions contemplated hereby. No filing or registration with, or authorization, consent or approval of, any domestic (federal and state), foreign or supranational court, commission, governmental body, regulatory agency, authority or tribunal (a "Governmental Entity") is required by or with respect to Parent or any of its Subsidiaries in connection with the execution and delivery of this Agreement by Parent or Sub or is necessary for the consummation of the Merger and the other transactions contemplated by this Agreement, except for (i) in connection, or in compliance, with the provisions of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "HSR Act"), the Securities Act and the Securities Exchange Act of 1934, as amended (together with the rules and regulations promulgated thereunder, the "Exchange Act"), (ii) the filing of the Certificate of Merger with the Secretary of State of the State of Delaware and appropriate documents with the relevant authorities of other states in which the Company or any of its Subsidiaries is qualified to do business, (iii) such filings, authorizations, orders and approvals as may be required by state takeover laws (the "State Takeover Approvals"), (iv) applicable requirements, if any, of state securities or "blue sky" laws ("Blue Sky Laws") and NASDAQ, (v) as may be required under foreign laws and (vi) such other consents, orders, authorizations, registrations, declarations and filings the failure of which to be obtained or made would not, individually or in the aggregate, have a Material Adverse Effect on Parent, materially impair the ability of Parent or Sub to perform its obligations hereunder or prevent the consummation of any of the transactions contemplated hereby.

Section 2.4 *SEC Documents and Other Reports.* Parent has timely filed all required documents with the U.S. Securities and Exchange Commission (the "SEC") since December 31, 2000 ("Parent SEC Documents"). As of their respective dates, Parent SEC Documents complied in all material respects with the requirements of the Securities Act of 1933, as amended (together with the rules and regulations promulgated thereunder, the "Securities Act") or the Exchange Act, as the case may be, and, at the respective times they were filed, none of Parent SEC Documents contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. The consolidated financial statements (including, in each case, any notes thereto) of Parent included in Parent SEC Documents complied as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto, were prepared in accordance with generally accepted accounting principles (except, in the case of the unaudited statements, as permitted by Form 10-Q of the SEC) applied on a consistent basis during the periods involved (except as may be indicated therein or in the notes thereto) and fairly presented in all material respects the consolidated financial position of Parent and its consolidated Subsidiaries as at the respective dates thereof and the consolidated results of their operations and their consolidated cash flows for the periods then ended (subject, in the case of unaudited statements, to normal year end audit adjustments and to any other adjustments described therein). Section 2.6 *Permits and Compliance.*

(a) Each of Parent and its Subsidiaries is in possession of all franchises, grants, authorizations, licenses, permits, charters, easements, variances, exceptions, consents, certificates, approvals and orders of any Governmental Entity necessary for Parent or any of its Subsidiaries to own, lease and operate its properties or to carry on its business as it is now being conducted (the "Parent Permits"), except where the failure to have any of Parent Permits would not, individually or in the aggregate, have a Material Adverse Effect on Parent. Neither Parent nor any of its Subsidiaries is in violation of (A) its charter, bylaws or other organizational documents, (B) any applicable law, ordinance, administrative or governmental rule or regulation or (C) any order, decree or judgment of any Governmental Entity having jurisdiction over Parent or any of its Subsidiaries, except, in the case of clauses (A), (B) and (C), for any violations that, individually or in the aggregate, would not have a Material Adverse Effect on Parent.

Except as set forth in Section 2.7 of Parent Letter, there are no actions, suits or claims or legal, administrative or arbitration proceedings or investigations pending or, to the Knowledge of Parent (as hereinafter defined), threatened against or involving Parent or any of its Subsidiaries or any of its or their present or former directors, officers, employees as such, or any of its or their properties, assets or business that,

A 7

individually or in the aggregate, would have a Material Adverse Effect on Parent or materially impair the ability of Parent to perform its obligations hereunder. As of the date hereof, there are no actions, suits, or other litigation, legal or administrative proceedings or governmental investigations pending or, to the Knowledge of Parent, threatened against Parent or any of its Subsidiaries or any of its or their present or former officers, directors, employees, as such, or any of its or their properties, assets or business, in each case relating to the transactions contemplated by this Agreement. Section 2.7 of the Parent Letter sets forth a list of all outstanding litigation to which Parent or any of its Subsidiaries is a party as of the date hereof. For purposes of this Agreement, "Knowledge of Parent" means the actual knowledge of the individuals identified in Section 2.7 of Parent Letter.

Section 2.8 *Accounts Receivable*. Except as set forth in Section 2.8 of the Parent Letter the accounts receivable shown on the Parent's balance sheet as of December 31, 2000 included in its audited consolidated financial statements for the year then ended in Parent's Annual Report, except for write-offs in amounts reserved against in such financial statements, or thereafter acquired, subject to reserves created in the ordinary course of business on a basis consistent with the periods covered in such financial statements, (a) have, in all material respects, been collected or (b) in all material respects and taken as a whole, (i) are valid and enforceable, (ii) arose from bona-fide sales to third parties in ordinary course of business, and (iii) are not subject to any counterclaims or setoffs and have not been encumbered or sold.

Section 2.10 *Retail Installment Contracts*. The retail installment contracts held by Parent or any of its Subsidiaries are valid and enforceable in accordance with their terms except where the failure of such retail installment contracts to be valid and enforceable would not have a Material Adverse Effect on Parent.

Section 2.11 *Brokers*. No broker, investment banker or other person, other than Levine Leichtman Capital Partners, L.P. ("LLCP"), the fees and expenses of which will be paid by Parent (as reflected in the LLC Commitment (as defined below)), is entitled to any broker's, finder's or other similar fee or commission in connection with the transactions contemplated by this Agreement based upon arrangements made by or on behalf of Parent.

Section 2.12 *Operations of Sub*. Sub is a direct, wholly owned subsidiary of Parent, was formed solely for the purpose of engaging in the transactions contemplated hereby, and has engaged in no other business activities other than those necessary to consummate the transaction described herein.

The Company represents and warrants to Parent and Sub as follows:

Section 3.1 *Organization, Standing and Power*. The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware and has the requisite corporate power and authority to carry on its business as now being conducted. Each Subsidiary of the Company is duly organized, validly existing and in good standing under the laws of the jurisdiction in which it is organized and has the requisite corporate power and authority to carry on its business as now being conducted, except where the failure to be so organized, existing or in good standing or to have such power or authority would not, individually or in the aggregate, have a Material Adverse Effect on the Company. The Company and each of its Subsidiaries are duly qualified to do business, and are in good standing, in each jurisdiction where the character of their properties owned or held under lease or the nature of their activities makes such qualification necessary, except where the failure to be so qualified would not, individually or in the aggregate, have a Material Adverse Effect on the Company.

Section 3.2 *Capital Structure.*

(a) As of the date hereof, the authorized capital stock of the Company consists of 60,000,000 shares of capital stock of which 50,000,000 are shares of Company Common Stock, par value \$.01 per share, and 10,000,000 are shares of preferred stock, par value \$.01 per share, of the Company. At the close of business on October 31, 2001, (i) 9,991,289 shares of Company Common Stock were issued and outstanding, all of which were validly issued, fully paid and nonassessable and free of preemptive rights, (ii) no shares of Company Common Stock were held in the treasury of the Company, and (iii) 1,923,833 shares of Company Common Stock were reserved for issuance pursuant to options to purchase shares of Company Common Stock ("Company Stock Options") issued and outstanding pursuant to the Amended and Restated 1989 Stock Option and Incentive Compensation Plan (the "Company Stock Option Plan") and pursuant to the Stock Option Agreement dated March 23, 1999 between the Company and Edward G. Harshfield. The Company Stock Option Plan is the only benefit plan of the Company or its Subsidiaries under which any securities of the Company are issuable. As of the date of this Agreement, except as set forth above and except for the issuance of shares of Company Common Stock upon the exercise of Company Stock Options, no shares of capital stock or other voting securities of the Company were issued, reserved for issuance or outstanding. As of the date of this Agreement, except (i) as set forth above, (ii) the Series A, Series B and Series C warrants to purchase an aggregate of 1,709,523 shares of Company Common Stock and (iii) as set forth in Section 3.2 of the letter dated the date hereof and delivered on the date hereof by the Company to Parent, which letter relates to this Agreement and is designated the "Company Letter", there are no options, warrants, calls, rights, puts or agreements to which the Company or any of its Significant Subsidiaries is a party or by which any of them is bound obligating the Company or any of its Significant Subsidiaries to issue, deliver, sell or redeem, or cause to be issued, delivered, sold or redeemed, any additional shares of capital stock (or other voting securities or equity equivalents) of the Company or any of its Significant Subsidiaries or obligating the Company or any of its Significant Subsidiaries to grant, extend or enter into any such option, warrant, call, right, put or agreement. For purposes of this Agreement, "Significant Subsidiary" means any Subsidiary that constitutes a significant subsidiary within the meaning of Rule 102 of Regulation S-X of the SEC. True, complete and correct copies of the Restated Certificate of Incorporation of the Company (the "Company Charter") and the Bylaws of the Company, as amended (the "Company Bylaws"), have been delivered to Parent.

(b) Each outstanding share of capital stock (or other voting security or equity equivalent) of each Significant Subsidiary of the Company is duly authorized, validly issued, fully paid and nonassessable, and each such share (or other voting security or equity equivalent) is owned by the Company or

A 9

another Subsidiary of the Company, free and clear of all security interests, liens, claims, pledges, options, rights of first refusal, agreements, limitations on voting rights, charges and other encumbrances of any nature whatsoever (collectively, "Liens") other than such Liens which (individually or in the aggregate) would not have a Material Adverse Effect on the Company. The Company does not have any outstanding bonds, debentures, notes or other obligations the holders of which have the right to vote (or convertible into or exercisable for securities having the right to vote) with the stockholders of the Company on any matter. Exhibit 21 to the Company's Annual Report on Form 10-K for the year ended December 31, 2000, as filed with the SEC (the "Company Annual Report"), was, at the time so filed, a true, accurate and correct statement in all material respects of all of the information required to be set forth therein by the regulations of the SEC.

Section 3.3 *Authority.* On or prior to the date of this Agreement, the Board of Directors of the Company has unanimously (i) declared the Merger advisable and fair to and in the best interests of the Company and its stockholders, (ii) approved and adopted this Agreement in accordance with the DGCL, (iii) resolved to recommend the approval and adoption of this Agreement by the Company's stockholders and (iv) directed that this Agreement be submitted to the Company's stockholders for approval and adoption. The Company has all requisite corporate power to enter into this Agreement and, subject to approval by the stockholders of the Company of this Agreement, to consummate the transactions contemplated hereby. The execution and delivery of this Agreement by the Company and the consummation by the Company of the transactions contemplated hereby have been duly authorized by all necessary corporate action on the part of the Company, subject to (x) approval of this Agreement by the stockholders of the Company and (y) the filing of appropriate Merger documents as required by the DGCL. This Agreement has been duly executed and delivered by the Company and (assuming the valid authorization, execution and delivery of this Agreement by Parent and Sub and the validity and binding effect of the Agreement on Parent and Sub) constitutes the valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except as the same may be limited by applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium, or other laws or equitable principles in effect relating to creditors' rights and remedies and general principles of equity. The filing of the Proxy Statement with the SEC has been duly authorized by the Company's Board of Directors.

Section 3.4 *Consents and Approvals; No Violation.* Assuming that all consents, approvals, authorizations and other actions described in this Section 3.4 have been obtained and all filings and obligations described in this Section 3.4 have been made, except as set forth in Section 3.4 of the Company Letter, the execution and delivery of this Agreement does not, and the consummation of the transactions contemplated hereby and compliance with the provisions hereof will not, result in any violation of, or default (with or without notice or lapse of time, or both) under, or give to others a right of termination, cancellation or acceleration of any obligation or the loss of a material benefit under, or result in the creation of any lien, security interest, charge or encumbrance upon any of the properties or assets of the Company or any of its Subsidiaries under, any

provision of (i) the Company Charter or the Company Bylaws, (ii) any provision of the comparable charter or organization documents of any of the Company's Subsidiaries, (iii) any loan or credit agreement, note, bond, mortgage, indenture, lease or other agreement, instrument, permit, concession, franchise or license applicable to the Company or any of its Subsidiaries or (iv) any judgment, order, decree, statute, law, ordinance, rule or regulation applicable to the Company or any of its Subsidiaries or any of their respective properties or assets, other than, in the case of clauses (ii), (iii) or (iv), any such violations, defaults, rights, liens, security interests, charges or encumbrances that, individually or in the aggregate, would not have a Material Adverse Effect on the Company, materially impair the ability of the Company to perform its obligations hereunder or prevent the consummation of any of the transactions contemplated hereby. No filing or registration with, or authorization, consent or approval of, any Governmental Entity is required by or with respect to the Company or any of its Subsidiaries in connection with the execution and delivery of this Agreement by the Company or is necessary for the

A 10

consummation of the Merger and the other transactions contemplated by this Agreement except for (i) in connection, or in compliance, with the provisions of the HSR Act and the Exchange Act, (ii) the filing of the Certificate of Merger with the Secretary of State of the State of Delaware and appropriate documents with the relevant authorities of other states in which the Company or any of its Subsidiaries is qualified to do business, (iii) such filings, authorizations, orders and approvals as may be required to obtain the State Takeover Approvals, (iv) applicable requirements, if any, of Blue Sky Laws, (v) as may be required under foreign laws and (vi) such other consents, orders, authorizations, registrations, declarations and filings the failure of which to be obtained or made would not, individually or in the aggregate, have a Material Adverse Effect on the Company, materially impair the ability of the Company to perform its obligations hereunder or prevent the consummation of any of the transactions contemplated hereby.

Section 3.5 *SEC Documents and Other Reports.* The Company has timely filed all required documents with the SEC since December 31, 2000 (the "Company SEC Documents"). ARTICLE V

ADDITIONAL AGREEMENTS

Section 5.1 *Company Stockholder Meeting.* The Company will, as soon as practicable following the date of this Agreement, duly call, give notice of, convene and hold a meeting of stockholders (the "Company Stockholder Meeting") for the purpose of considering the approval of this Agreement. The Company will, through its Board of Directors, recommend to its stockholders approval of this Agreement, shall use all reasonable efforts to solicit such approval by its stockholders and shall not withdraw or modify, or propose to withdraw or modify in a manner adverse to Parent, such recommendation, except if in the good faith judgment of the Company's Board of Directors, taking into consideration the advice of corporate counsel of the Company, the making of, or the failure to withdraw or modify, such recommendation would violate the fiduciary duties of such Board of Directors to the Company's stockholders under applicable law. The Company agrees to submit the Merger Agreement to its stockholders for approval whether or not the Board of Directors of the Company determines at any time subsequent to the date hereof that the Merger Agreement is no longer advisable and recommends that the stockholders of the Company reject it.

Section 5.2 *Preparation of the Proxy Statement.* The Company shall promptly prepare and file the Proxy Statement with the SEC. The Company shall use its reasonable best efforts to mail the Proxy Statement to its stockholders promptly as practicable thereafter.

Section 5.3 *Access to Information.* Subject to currently existing contractual and legal restrictions applicable to the Company or any of its Subsidiaries, the Company shall, and shall cause each of its Significant Subsidiaries to, afford to the accountants, counsel, financial advisors and other representatives of Parent reasonable access to, and permit them to make such inspections as they may reasonably require of, during normal

business hours during the period from the date of this Agreement through the Effective Time, all of its properties, books, contracts, commitments and records (including, without limitation, the work papers of independent accountants, if available and subject to the consent of such independent accountants) and, during such period, the Company shall, and shall cause each of its Significant Subsidiaries to, furnish promptly to Parent (i) a copy of each report, schedule, registration statement and other document filed by it during such period pursuant to the requirements of federal or state securities laws and (ii) all other information concerning its business, properties and personnel as the other may reasonably request. All information obtained pursuant to this Section 5.3 shall be kept confidential in accordance with the Confidentiality Agreement, dated January 8, 2001 between Parent and the Company (the "Confidentiality Agreement").

Section 5.4 *[Intentionally omitted]*.

Section 5.5 *[Intentionally omitted]*.

Section 5.6 *Certain Payments, Fees and Expenses.*

(a) Except as provided in this Section 5.6 and Section 5.11, whether or not the Merger is consummated, all costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby including, without limitation, the fees and disbursements of counsel and accountants and all financing commitment fees, shall be paid by the party incurring such costs and expenses, provided that all printing and mailing expenses and all filing fees (including, without limitation, filing fees under the Exchange Act and the HSR Act) and all fees and expenses incurred with respect to communication with the Company's stockholders and warrant holders shall be paid 50% by Parent and 50% by the Company promptly when due.

A 21

(b) (i) Notwithstanding any provision in this Agreement to the contrary, if this Agreement is terminated (A) by the Company or Parent pursuant to Section 7.1(e), (B) by the Company pursuant to Section 7.1(g), or (C) by Parent pursuant to Section 7.1(h) then, in each case the Company shall reimburse Parent upon demand for all reasonable out-of-pocket fees and expenses incurred or paid by or on behalf of Parent or any Affiliate (as hereinafter defined) of Parent in connection with this Agreement and the transactions contemplated herein, including all fees and expenses of counsel, investment banking firms, lenders, accountants and consultants; provided, however, that the Company shall not be obligated to make payments pursuant to this Section 5.6(b)(i) in excess of \$1,000,000 in the aggregate. As used herein, "Affiliate" shall have the meaning set forth in Rule 405 under the Securities Act.

(ii) Notwithstanding any provision in this Agreement to the contrary, if this Agreement is terminated by Parent pursuant to Section 7.1(f), Parent shall reimburse the Company upon demand for all reasonable out-of-pocket fees and expenses incurred or paid by or on behalf of the Company or any Affiliate of the Company in connection with this Agreement and the transactions contemplated herein, including all fees and expenses of counsel, investment banking firms, lenders, accountants and consultants; provided, however, that Parent shall not be obligated to make any payment pursuant to this Section 5.6(b)(ii) if Parent's termination of this Agreement pursuant to Section 7.1(f) is due to the failure of the condition precedent contained in Section 6.3(d); and, provided, further, that Parent shall not be obligated to make payments pursuant to this Section 5.6(b)(ii) in excess of \$1,000,000 in the aggregate.

(c) Notwithstanding any provision in this Agreement to the contrary, if (i) this Agreement is terminated by the Company pursuant to Section 7.1(g) or (ii) this Agreement is terminated by Parent pursuant to Section 7.1(h), then, in each case, the Company shall (in addition to any obligation under Section 5.6(b)) pay to Parent a fee of \$3,000,000 less the amount paid pursuant to Section 5.6(b)(i) in cash, such payment to be made promptly, but in no event later than, the third day following such termination.

(d) Notwithstanding any provisions in this Agreement to the contrary, if this Agreement is terminated by Parent pursuant to Section 7.1(f), then Parent shall (in addition to any obligation under Section 5.6(b)) pay to the Company a fee of \$750,000 in cash, such payment to be made promptly, but in no event later than the third business day following such termination; provided, however, Parent shall not be obligated to make any payment pursuant to this Section 5.6(d) if Parent's termination of this Agreement pursuant to Section 7.1(f) is due to the failure of the condition precedent contained in Section 6.3(d).

(e) Notwithstanding any provision in this Agreement to the contrary, if this Agreement is terminated by the Company or Parent pursuant to Section 7.1(e), the Company shall (in addition to any obligation under Section 5.6(b)(i)) pay to Parent a fee of \$750,000 in cash, such payment to be made promptly, but in no event later than the third day following such termination.

Section 5.7 *Reasonable Best Efforts.*

(a) Upon the terms and subject to the conditions set forth in this Agreement, each of the parties agrees to use reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the other parties in doing, all things necessary,

proper or advisable to consummate and make effective, in the most expeditious manner practicable, the Merger and the other transactions contemplated by this Agreement, including, but not limited to: (i) obtaining all necessary actions or nonactions, waivers, consents and approvals from all Governmental Entities and the making of all necessary registrations and filings (including filings with Governmental Entities) and taking all reasonable steps (including, without limitation, divesting or holding separate any assets or agreeing to any governmental conditions), as may be necessary to obtain an approval or waiver from, or to avoid an action or proceeding by, any Governmental Entity (including those in connection with the

A 22

HSR Act and State Takeover Approvals); (ii) obtaining all necessary consents, approvals or waivers from third parties; (iii) defending any lawsuits or other legal proceedings, whether judicial or administrative, challenging this Agreement or the consummation of the transactions contemplated hereby, including seeking to have any stay or temporary restraining order entered by any court or other Governmental Entity vacated or reversed; and (iv) the execution and delivery of any additional instruments necessary to consummate the transactions contemplated by this Agreement. No party to this Agreement shall consent to any voluntary delay of the consummation of the Merger at the behest of any Governmental Entity without the consent of the other parties to this Agreement, which consent shall not be unreasonably withheld.

(b) Each party shall use all reasonable best efforts to not take any action, or enter into any transaction, which would cause any of its representations or warranties contained in this Agreement to be untrue in any material respect or result in a material breach of any covenant made by it in this Agreement or which could reasonably be expected to impede, interfere with, prevent or delay in any material respect the Merger.

(c) Notwithstanding any provision in this Agreement to the contrary, Parent shall use commercially reasonable efforts to obtain the financing provided for in the Commitments prior to the Effective Time. In the event that Parent is unable for any reason to obtain the financing provided for in the Commitments prior to the Effective Time, Parent shall use commercially reasonable efforts to obtain alternative financing prior to the Effective Time on terms which are no less favorable to Parent than the terms of the Commitments. Notwithstanding any provision in this Agreement to the contrary, Parent shall use commercially reasonable efforts to ensure that it has sufficient cash available as of immediately prior to the Effective Time to enable it to pay the aggregate Merger Consideration in connection with the Merger and to make all other necessary payments in connection with the Merger.

(d) Notwithstanding any provision in this Agreement to the contrary, the Company shall use commercially reasonable efforts to ensure that it has Unrestricted Cash Availability (as hereinafter defined) in the amount provided in Section 6.3(d) as of immediately prior to the Effective Time.

Section 5.8 *Public Announcements*. Parent and the Company will not issue any press release with respect to the transactions contemplated by this Agreement or otherwise issue any written public statements with respect to such transactions without prior consultation with the other party, except as may be required by applicable law or by obligations pursuant to any listing agreement with any national securities exchange or the rules of NASDAQ.

Section 5.9 *[Intentionally omitted]*.

Section 5.10 *State Takeover Laws*. If any "fair price," "business combination" or "control share acquisition" statute or other similar statute or regulation shall become applicable to the transactions contemplated hereby, Parent and the Company and their respective Boards of Directors shall use their reasonable best efforts to grant such approvals and take such actions as are necessary so that the transactions contemplated hereby and thereby may be consummated as promptly as practicable on the terms contemplated hereby and thereby and otherwise act to minimize the effects of any such statute or regulation on the transactions contemplated hereby and thereby.

Section 5.11 *Indemnification; Directors and Officers Insurance*.

(a) From and after the Effective Time, Parent shall, and shall cause the Surviving Corporation to, indemnify and hold harmless all past and present officers, directors, employees and agents of the Company and of its Subsidiaries to the full extent such persons may be indemnified by the Company, for acts or omissions occurring at or prior to the Effective Time, pursuant to the Company Charter, the Company Bylaws, applicable laws and any existing agreements.

A 23

(b) Company or Parent shall purchase, or shall cause the Surviving Corporation to purchase, a 6-year "tail" on the Company's current directors and officers an insurance and indemnification policy (the "D&O Insurance Tail"); provided, however, that the Company, Parent and the

Surviving Corporation shall not be required to pay more than \$1,050,000 for the D&O Insurance Tail.

(c) The provisions of this Section 5.11 are intended for the benefit of, and shall be enforceable by, each person entitled to indemnification under this Section 5.11, his or her heirs and his or her personal representatives.

Section 5.12 *Notification of Certain Matters.* Parent shall use its reasonable best efforts to give prompt notice to the Company, and the Company shall use its reasonable best efforts to give prompt notice to Parent, of: (i) the occurrence, or nonoccurrence, of any event of which it is aware and which would be reasonably likely to cause any representation or warranty contained in this Agreement to be untrue or inaccurate in any material respect, or (ii) any failure of Parent or the Company, as the case may be, to comply in a timely manner with or satisfy any covenant, condition or agreement to be complied with or satisfied by it hereunder; *provided, however*, that the delivery of any notice pursuant to this Section 5.12 shall not limit or otherwise affect the remedies available hereunder to the party receiving such notice.

Section 5.13 *Employee Benefit Plans and Agreements.*

(a) For a period of six months following the Effective Time, Parent shall cause the Surviving Corporation to provide employees of the Company or any of its Subsidiaries who continue employment after the Effective Time with the Surviving Corporation (including those on vacation, authorized leave of absence or short-term disability who return to active employment within six months after the Effective Time) (the "Retained Employees") with employee benefit plans that are no less favorable, in the aggregate, than the employee benefit plans provided to the Retained Employees immediately prior to the Effective Time.

(b) Except as otherwise provided in this Section, nothing in this Agreement shall be interpreted as limiting the power of the Surviving Corporation to amend or terminate any particular Benefit Plan or any other particular employee benefit plan, program, agreement or policy or as requiring the Surviving Corporation to offer to continue the employment of any employee (other than as required by the terms of any written employment contract), provided, however, that no such termination or amendment may impair the rights of any person with respect to benefits or any other payments already accrued as of the time of such termination or amendment without the consent of such person.

(c) Parent shall honor or cause to be honored by the Company, the Surviving Corporation and their Subsidiaries:

(i) all employment agreements, bonus agreements, severance agreements and any other agreements with the persons who are directors, officers and employees of the Company and its Subsidiaries, and

(ii) all of the provisions set forth in the Benefits Letter.

(d) Parent shall, or shall cause the Company and the Surviving Corporation to, (i) waive all limitations as to preexisting conditions, exclusions and waiting periods with respect to participation and coverage requirements applicable to the Retained Employees and former employees of the Company and its Subsidiaries under any welfare or fringe benefit plan in which such employees and former employees may be eligible to participate after the Effective Time, other than limitations or waiting periods that are in effect with respect to such employees and that have not been satisfied under the corresponding welfare or fringe benefit plan maintained by the Company for the Retained Employees and former employees prior to the Effective Time, and (ii) provide each Retained Employee and former employee with credit under any welfare plans in which such employee or former employee

A 24

becomes eligible to participate after the Effective Time for any co-payments and deductibles paid by such Retained Employee or former employee for the then current plan year under the corresponding welfare plans maintained by the Company prior to the Effective Time.

Section 5.14 *Estoppel Certificates.* The Company shall use commercially reasonable efforts to obtain estoppel certificates reasonably satisfactory to Parent from the landlords of the Company and its Subsidiaries as they exist as of the Effective Time.

Edgar Filing: MFN FINANCIAL CORP - Form DEFM14A

(b) HSR. The waiting period (and any extension thereof) applicable to the consummation of the Merger under the HSR Act shall have expired or been terminated.

(c) Authorizations and Consents. All authorizations, consents, orders, declarations or approvals of, or filings with, or terminations or expirations of waiting periods imposed by, any Governmental Entity, which the failure to obtain, make or occur would have the effect of making the Merger or any of the transactions contemplated hereby illegal or would have, individually or in the aggregate, a Material Adverse Effect on Parent (assuming the Merger had taken place), shall have been obtained, shall have been made or shall have occurred. All necessary state securities or Blue Sky authorizations (including State Takeover Approvals) shall have been received.

(d) No Order. No court or other Governmental Entity having jurisdiction over the Company or Parent, or any of their respective Subsidiaries, shall have enacted, issued, promulgated, enforced or entered any law, rule, regulation, executive order, decree, injunction or other order (whether temporary, preliminary or permanent) which is then in effect and has the effect of making the Merger or any of the transactions contemplated hereby illegal.

(e) Litigation. There shall not be instituted or pending any suit, action or proceeding by any Governmental Entity relating to this Agreement or any of the transactions contemplated herein which would have a Material Adverse Effect on the Company or Parent.

Section 6.2 *Conditions to Obligation of the Company to Effect the Merger.* The obligation of the Company to effect the Merger shall be subject to the fulfillment at or prior to the Effective Time of the following additional conditions:

(a) *Performance of Obligations; Representations and Warranties.* Each of Parent and Sub shall have performed in all material respects each of its agreements contained in this Agreement required to be performed on or prior to the Effective Time, each of the representations and warranties of Parent and Sub contained in this Agreement that is qualified by materiality shall be true and correct on and as of the Effective Time as if made on and as of such date (other than representations and warranties which address matters only as of a certain date which shall be true and correct as of such certain date) and each of the representations and warranties that is not so qualified shall be true and correct in all material respects on and as of the Effective Time as if made on and as of such date (other than representations and warranties which address matters only as of a certain date which shall be true and correct in all material respects as of such certain date), in each case except as contemplated or

A 25

permitted by this Agreement, and the Company shall have received a certificate signed on behalf of Parent by its Chief Executive Officer and its Chief Financial Officer to such effect.

(b) *Consents.* Parent shall have obtained the consent or approval of each person that is not a Governmental Entity whose consent or approval shall be required in connection with the transactions contemplated hereby under any loan or credit agreement, note, mortgage, indenture, lease or other agreement by which Parent or any of its Subsidiaries is bound, except as to which the failure to obtain such consents and approvals would not, individually or in the aggregate, have a Material Adverse Effect on Parent or the Company.

(c) *Financing.* At or prior to the Effective Time, Parent and/or Sub shall have sufficient available cash to enable Parent and/or Sub to pay the aggregate Merger Consideration for all of the outstanding shares of Company Common Stock and to make all other necessary payments in connection with the Merger and to fund the working capital needs of Parent and its Subsidiaries, including the Surviving Corporation, for a reasonable period of time following the Effective Time.

(d) *Benefits Letter.* Parent shall have performed each of its agreements contained in the letter between Parent, Sub and the Company dated the date hereof (the "Benefits Letter") which are required to be performed on or prior to the Effective Time.

Section 6.3 *Conditions to Obligations of Parent and Sub to Effect the Merger.* The obligations of Parent and Sub to effect the Merger shall be subject to the fulfillment at or prior to the Effective Time of the following additional conditions:

Officer to such effect.

(b) *Consents.* The Company shall have obtained the consent or approval of each person that is not a Governmental Entity whose consent or approval shall be required in connection with the transactions contemplated hereby under any loan or credit agreement, note, mortgage, indenture, lease or other agreement or instrument by which the Company or any of its Subsidiaries is bound, except as to which the failure to obtain such consents and approvals would not, individually or in the aggregate, have a Material Adverse Effect on the Company or Parent.

(c) *Dissenting Shares.* The aggregate number of Dissenting Shares shall not exceed 7% of the total number of Company Common Shares outstanding on the Closing Date.

(d) *Unrestricted Cash Availability.* As of the Closing Date, the Company's Unrestricted Cash Availability shall not be less than \$74,000,000. The term "Unrestricted Cash Availability" means the sum of (i) the Company's unrestricted cash and cash equivalents, (ii) available borrowings under the Company's credit facilities, (iii) in the event the Company becomes obligated to pay off its senior subordinated debt and does so, the amount paid off and (iv) the amounts expended by the Company in connection herewith with respect to legal and accounting expenses, expenses referred to in Section 5.6(a) hereof, all payments by the Company contemplated by the Benefits Letter (other than

A 26

ARTICLE VII TERMINATION, AMENDMENT AND WAIVER

Section 7.1 *Termination.* This Agreement may be terminated at any time prior to the Effective Time, whether before or after any approval of the matters presented in connection with the Merger by the stockholders of the Company or Parent:

(a) by mutual written consent of Parent and the Company;

(b) by either Parent or the Company if the other party shall have failed to comply in any material respect with any of its covenants or agreements contained in this Agreement required to be complied with prior to the date of such termination, which failure to comply has not been cured within thirty business days following receipt by such other party of written notice from the nonbreaching party of such failure to comply;

(c) by either Parent or the Company if there has been (i) a breach by the other party (in the case of Parent, including any breach by Sub) of any representation or warranty that is not qualified as to materiality which has the effect of making such representation or warranty not true and correct in all material respects or (ii) a breach by the other party (in the case of Parent, including any breach by Sub) of any representation or warranty that is qualified as to materiality, in each case which breach has not been cured within thirty business days following receipt by the breaching party from the nonbreaching party of written notice of the breach;

(d) by Parent or the Company if: (i) the Merger has not been effected on or prior to the close of business on March 31, 2002; provided, however, that the right to terminate this Agreement pursuant to this Section 7.1(d)(i) shall not be available to any party whose failure to fulfill any of its obligations contained in this Agreement has been the cause of, or resulted in, the failure of the Merger to have occurred on or prior to the aforesaid date; or (ii) any court or other Governmental Entity having jurisdiction over a party hereto shall have issued an order, decree or ruling or taken any other action permanently enjoining, restraining or otherwise prohibiting the consummation of the Merger and such order, decree, ruling or other action shall have become final and nonappealable;

(e) by Parent or the Company if the stockholders of the Company do not approve this Agreement at the Company Stockholder Meeting or at any adjournment or postponement thereof; provided, however, that the Company may not terminate this Agreement pursuant to this Section 7.1(e) if the Company has not complied with its obligations under Sections 5.1 and 5.2 or has otherwise breached in any material respect its obligations under this Agreement in any manner that could reasonably have caused the failure of the stockholder approval to be obtained at the Company Stockholder Meeting;

(f) by Parent due to the failure of Parent to have the financing needed to pay the Merger Consideration; provided, however, the right of Parent to terminate this Agreement pursuant to this Section 7.1(f) shall not be available if Parent has not complied with its obligations under Section 5.7(c) hereof unless such failure to have the financing is due to the failure of the condition precedent contained in Section 6.3(d);

(g) by the Company if the Board of Directors of the Company determines that a Takeover Proposal constitutes a Superior Proposal. For purposes of this Agreement "Superior Proposal" means a Takeover Proposal that the Board of Directors of the Company determines in its good

faith judgment, after consultation with its financial advisors, is more favorable to the Company's stockholders from a financial point of view than the Merger; or

A 27

(h) by Parent if (i) the Board of Directors of the Company shall not have recommended, or shall have resolved not to recommend, or shall have adversely qualified, adversely modified or withdrawn its recommendation of the Merger or declaration that the Merger is advisable and fair to and in the best interest of the Company and its stockholders, or shall have resolved to do so, (ii) any person (other than Parent or its Affiliates) acquires or becomes the beneficial owner of 25% or more of the outstanding shares of Company Common Stock, (iii) the Board of Directors of the Company shall have recommended to the stockholders of the Company any Takeover Proposal involving the Company or shall have resolved to do so or (iv) a tender offer or exchange offer for 25% or more of the outstanding shares of capital stock of the Company is commenced, and the Board of Directors of the Company fails, within 10 business days of such commencement, to recommend against acceptance of such tender offer or exchange offer by its stockholders (including by taking no position with respect to the acceptance of such tender offer or exchange offer by its stockholders).

The right of any party hereto to terminate this Agreement pursuant to this Section 7.1 shall remain operative and in full force and effect regardless of any investigation made by or on behalf of any party hereto, any person controlling any such party or any of their respective officers or directors, whether prior to or after the execution of this Agreement.

Section 7.2 Effect of Termination. In the event of termination of this Agreement by either Parent or the Company, as provided in Section 7.1, this Agreement shall forthwith become void and there shall be no liability hereunder on the part of the Company, Parent, Sub or their respective officers or directors (except for the Confidentiality Agreement and the entirety of Section 5.6, which shall survive the termination); *provided, however,* that nothing contained in this Section 7.2 shall relieve any party hereto from any liability for any willful breach of a representation or warranty contained in this Agreement or the breach of any covenant contained in this Agreement.

Section 7.3 Amendment. This Agreement may be amended by the parties hereto, by or pursuant to action taken by their respective Boards of Directors, at any time before or after approval of the matters presented in connection with the Merger at the Company Stockholder Meeting, but, after any such approval, no amendment shall be made which by law requires further approval by such stockholders without such further approval. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto.

Section 7.4 Waiver. At any time prior to the Effective Time, the parties hereto may (i) extend the time for the performance of any of the obligations or other acts of the other parties hereto, (ii) waive any inaccuracies in the representations and warranties contained herein or in any document delivered pursuant hereto and (iii) waive compliance with any of the agreements or conditions contained herein which may legally be waived. Any agreement on the part of a party hereto to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such party.

Section 8.3 *Interpretation*. When a reference is made in this Agreement to a Section, such reference shall be to a Section of this Agreement unless otherwise indicated. The table of contents, list of defined terms and headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Whenever the words "include," "includes" or "including" are used in this Agreement, they shall be deemed to be followed by the words "without limitation."

Section 8.4 *Counterparts*. This Agreement may be executed in counterparts, all of which shall be considered one and the same agreement, and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other parties.

Section 8.5 *Entire Agreement; No Third Party Beneficiaries*. This Agreement and the Confidentiality Agreement constitute the entire agreement and supersede all prior agreements and understandings, both written and oral, among the parties with respect to the subject matter hereof. This Agreement, except as provided in the next sentence, is not intended to confer upon any person other than the parties hereto any rights or remedies hereunder. The parties hereto expressly intended the provisions of Sections 5.11 and 5.13 to confer a benefit upon and be enforceable by, as third party beneficiaries of this Agreement, the third persons referred to in, or intended to be benefited by such provision.

Section 8.6 *Governing Law*.

(a) This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws thereof.

(b) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any Delaware State court or federal court of the United States of America sitting in Delaware, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any action or proceeding may be heard and determined in any such Delaware State court or, to the extent permitted by law, in such federal court. Such party agrees that a final, nonappealable judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(c) Each of the parties hereto irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any Delaware State or federal court. Such party hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) EACH OF THE PARTIES HEREBY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE ACTIONS OF THE PARTIES IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE OR ENFORCEMENT THEREOF.

Section 8.7 *Assignment*. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any of the parties hereto (whether by operation of law or otherwise) without the prior written consent of the other parties.

Section 8.8 *Severability*. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of law, or public policy, all other terms, conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic and legal substance of the transactions contemplated hereby are not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated by this Agreement may be consummated as originally contemplated to the fullest extent possible.

**FAIRNESS OPINION OF
KEEFE, BRUYETTE & WOODS, INC.**

November 18, 2001

The Board of Directors
MFN Financial Corporation
100 Field Drive
Suite 340
Lake Forest, IL 60045

Members of the Board:

You have requested our opinion as investment bankers as to the fairness, from a financial point of view, to the stockholders of MFN Financial Corporation (the "Company") of the consideration offered in the proposed merger (the "Merger") of the Company with CPS Merger Sub, Inc. ("Sub"), a wholly owned subsidiary of Consumer Portfolio Services, Inc. (the "Buyer"). Pursuant to the Agreement and Plan of Merger, dated as of November 18, 2001 (the "Agreement"), by and among the Company, the Buyer and Sub, Sub will merge with and into the Company, the Company will be the surviving corporation in the Merger, and each share of common stock, par value \$0.01 per share, of the Company issued and immediately outstanding prior to the effective time of the Merger (other than Dissenting Shares and those shares to be canceled in accordance with the Agreement) (the "Common Shares") will be converted into the right to receive \$10.00 per share in cash.

Keefe, Bruyette & Woods, Inc., as part of its investment banking business, is continually engaged in the valuation of financial service company securities in connection with acquisitions, negotiated underwritings, secondary distributions of listed and unlisted securities, private placements and valuations for various other purposes. As specialists in the securities of financial service companies, we have experience in, and knowledge of, the valuation of financial service enterprises. In the ordinary course of our business as a broker-dealer, we may, from time to time purchase securities from, and sell securities to, Company and Buyer, and as a market maker in securities, we may from time to time have a long or short position in, and buy or sell, debt or equity securities of Company and Buyer for our own account and for the accounts of our customers. To the extent we have any such position as of the date of this opinion it has been disclosed to the Company. We have acted exclusively for the Board of Directors of the Company in rendering this fairness opinion and will receive a fee from the Company for our services.

In connection with this opinion, we have reviewed, analyzed and relied upon material bearing upon the financial and operating condition of Company and Buyer and the Merger, including among other things, the following: (i) the Agreement; (ii) the Annual Reports to Stockholders and Annual Reports on Form 10-K for the two years ended December 31, 2000 of Company and Buyer; (iii) certain interim reports to stockholders and Quarterly Reports on Form 10-Q of Company and Buyer and certain other communications from Company and Buyer to their respective stockholders; and (iv) other financial information concerning the businesses and operations of Company and Buyer furnished to us by Company and Buyer for purposes of our analysis. We have also held discussions with senior management of Company and Buyer regarding the past and current business operations, regulatory relations, financial condition and future prospects of their respective companies and such other matters as we have deemed relevant to our inquiry. In addition, we have compared certain financial and stock market information for Company and Buyer with similar information for certain other companies the securities of which are publicly traded, reviewed the financial terms of certain recent business combinations and performed such other studies and analyses as we considered appropriate.

B 1

In conducting our review and arriving at our opinion, we have relied upon the accuracy and completeness of all of the financial and other information provided to us or publicly available and we have not assumed any responsibility for independently verifying the accuracy or completeness of any such information. We have relied upon the management of Company and Buyer as to the reasonableness and achievability of the financial and operating forecasts and projections (and the assumptions and bases therefor) provided to us, and we have assumed that such forecasts and projections reflect the best currently available estimates and judgments of such managements and that such forecasts and projections will be realized in the amounts and in the time periods currently estimated by such managements. We are not experts in the independent verification of the adequacy of allowances for loan and lease losses and we have assumed, with your consent, that the aggregate allowances for loan and losses for Company and Buyer are adequate to cover such losses. In rendering our opinion, we have not made or obtained any evaluations or appraisals of the property of Company or Buyer, nor have we examined any individual credit files.

We have considered such financial and other factors as we have deemed appropriate under the circumstances, including, among others, the following: (i) the historical and current financial position and results of operations of Company and Buyer; (ii) the assets and liabilities of Company and Buyer; and (iii) the nature and terms of certain other merger transactions. We have also taken into account our assessment of general economic, market and financial conditions and our experience in other transactions, as well as our experience in securities valuation and knowledge of the financial services industry generally. Our opinion is necessarily based upon conditions as they exist and can be evaluated on the date hereof and the information made available to us through the date hereof.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the consideration offered in the Merger is fair, from a financial point of view, to holders of the Common Shares.

Very truly yours,

Keefe, Bruyette & Woods, Inc.

APPENDIX C

GENERAL CORPORATION LAW OF THE STATE OF DELAWARE

Section 262. Appraisal Rights.

(a) Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to section 228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a stock corporation and also a member of record of a nonstock corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words and also membership or membership interest of a member of a nonstock corporation; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in one or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

(b) Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to section 251 (other than a merger effected pursuant to section 251(g) of this title), section 252, section 254, section 257, section 258, section 263 or section 264 of this title:

(1) Provided, however, that no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of and to vote at the meeting of stockholders to act upon the agreement of merger or consolidation, were either (i) listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in subsection (f) of section 251 of this title.

(2) Notwithstanding paragraph (1) of this subsection, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to sections 251, 252, 254, 257, 258, 263 and 264 of this title to accept for such stock anything except:

a. Shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;

b. Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or designated as a national market system security on an interdealer quotation system by the National Association of Securities Dealers, Inc. or held of record by more than 2,000 holders;

c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a. and b. of this paragraph; or

C 1

d. Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a, b and c of this paragraph.

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under section 253 of this title is not owned by the parent corporation immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for such meeting with respect to shares for which appraisal rights are available pursuant to subsections (b) or (c) hereof that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to section 228 or section 253 of this title, then, either a constituent corporation before the effective date of the merger or consolidation, or the surviving or resulting corporation within ten days thereafter, shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting

C 2

corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the

Edgar Filing: MFN FINANCIAL CORP - Form DEFM14A

effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) hereof and who is otherwise entitled to appraisal rights, may file a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) hereof, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) hereof, whichever is later.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder.

(h) After determining the stockholders entitled to an appraisal, the Court shall appraise the shares, determining their fair value exclusive of any element of value arising from the accomplishment

C 3

or expectation of the merger or consolidation, together with a fair rate of interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. In determining the fair rate of interest, the Court may consider all relevant factors, including the rate of interest which the surviving or resulting corporation would have had to pay to borrow money during the pendency of the proceeding. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, permit discovery or other pretrial proceedings and may proceed to trial upon the appraisal prior to the final determination of the stockholder entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Interest may be simple or compound, as the Court may direct. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or

Edgar Filing: MFN FINANCIAL CORP - Form DEFM14A

consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just.

(l) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation.
