INDEPENDENT AUDITORS' REPORT

The Plan Administrator
Home Federal Savings Bank
Employees' Savings & Profit Sharing Plan:

We have audited the accompanying statements of net assets available for benefits of the Home Federal Savings Bank Employees' Savings & Profit Sharing Plan (the Plan) as of December 31, 2000 and 1999, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2000 and 1999, and the changes in net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held for investment purposes is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

CUSTODIAN OF INVESTMENTS

Bank of New York is the trustee and custodian of all Plan assets.

PLAN ADMINISTRATION

Home Federal Savings Bank (the Company) is the administrator of the Plan and Pentegra Services, Inc. performs the participant accounting.

VALUATION OF INVESTMENTS

Investments are stated at their fair market value. Investments in mutual funds or commingled trusts are valued using daily net asset value calculations performed by the funds and published by the National Association of Securities Dealers. Investments in common stock are valued at the quoted market price. Participant notes are valued at cost which approximates fair value.

Purchases and sales of securities are recorded on a trade date basis. Net realized gains or losses are recognized by the Plan upon the sale of its investments or portions thereof based on average cost.

(2) DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Summary Plan Description for more complete information.

GENERAL

The Plan is a defined contribution plan, qualified under section 401(a) of the Internal Revenue Code. The Plan includes 401(k) provisions which allow participants to direct the Company to contribute a portion of their compensation to the Plan on a pretax basis through payroll deductions. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

All Company employees who have attained the age of 21 are eligible to participate in the Plan.

3

FUNDING POLICY

Participants have had the ability to contribute up to 12% of their monthly compensation on a pretax basis to the Plan. Participant contributions are subject to the Internal Revenue Service maximum annual limits of \$10,500 and \$10,000 during 2000 and 1999, respectively. The Company matches 25% of each participant's contribution not in excess of 8% of the participant's annual salary.

The Company may, in its sole discretion, contribute to the Plan an amount to be determined from year to year (the Non-Elective Contribution). Such contributions would be allocated to the accounts of participants in the ratio that each participant's compensation for the plan year bears to the total compensation of all participants for the plan year. There were no such contributions during 2000 or 1999.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings. Allocations are based on participant contributions or account balances, as defined.

VESTING

Participants are immediately vested in their contributions and the actual earnings thereon. Participants must be employed on December 31 of the plan year to be entitled to the Company's match for the year. Employees hired prior to January 1, 1997 are immediately vested in the employer contributions at December 31 of the plan year. Employees hired January 1, 1997 and thereafter are subject to 5 year cliff vesting for the employer matching contribution. Forfeited amounts for 2000 totaled \$14,664, and are used to reduce future employer match obligations. Employer match amounts not vested at December 31, 2000 totaled \$59,375.

PARTICIPANT LOANS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan terms range from 1-5 years, except loans used to purchase a primary residence may have a term up to 15 years. All loans are secured by the balance in the participant's account and bear interest at a rate equal to the prime rate plus 1%. Principal and interest payments

Edgar Filing: HMN FINANCIAL INC - Form 11-K

must be made monthly.

DISTRIBUTIONS

Upon termination of employment for any reason the vested portion of the participant's account balance becomes fully payable.

PARTICIPATING EMPLOYERS

The Company is a member of a controlled group of corporations as defined in Section 414(b) of the Internal Revenue Code. No members of the group other than the Company participated in the Plan prior to 1996. The contributions to the Plan for each employer participating in the Plan during 2000 and 1999 were as follows:

The Internal Revenue Service determined and informed the Company by a letter dated May 11, 1994, that the Plan and related trust, as then designed, were in compliance with the provisions of 401(a) of the Internal Revenue Code (IRC) and were thereby exempt from federal income taxes under Section 501(a) of the code. The Plan has been amended in its entirety since receiving this determination letter. During 1999 the Plan, as amended, was again submitted to the IRS for determination of its tax exempt status. A favorable determination was received on March 15, 2000, therefore no provision for income taxes has been included in the Plan's financial statements.

An employee's pretax contributions under the Plan will reduce the participant's taxable income for federal and state income tax purposes. Each participant's portion of earnings from investments made with
