The Committee to Enhance Denny's (the "Committee"), together with the other Participants named herein, is filing materials contained in this Schedule 14A with the Securities and Exchange Commission (the "SEC") in connection with the solicitation of proxies for the election of its slate of director nominees at the 2010 annual meeting of stockholders (the "Annual Meeting") of Denny's Corporation. The Committee has made a definitive filing with the SEC of a proxy statement and accompanying GOLD proxy card to be used to solicit votes for the election of its slate of director nominees at the Annual Meeting.

Item 1: On May 4, 2010, the Committee issued the following press release. The press release has also been posted to [www.enhancedennys.com](http://www.enhancedennys.com):

The Committee to Enhance Denny's Dispels Allegations of Intent to Convert Denny's Into a Holding Company

Companies: Denny's Corp.

Press Release Source: The Committee to Enhance Denny's On Tuesday May 4, 2010, 12:29 pm

CHICAGO, May 4 /PRNewswire/ -- The Committee to Enhance Denny's, headed by Oak Street Capital Management, LLC and Dash Acquisitions LLC, today responded to statements made by Denny's Corporation (Nasdaq:DENN - News) suggesting that the Committee has an undisclosed intent to convert Denny's into a holding company. The Committee believes that this is a "red herring" being peddled by the Denny's board and management in order to distract shareholders from the serious operational and management issues facing Denny's. Converting Denny's into a holding company is not even an option given the fact that the company has produced negative annual free cash flows during the past 9 years and currently has over \$250 million in high cost debt that would take years to pay down.

The Committee believes that the only way to maximize Denny's shareholder value is by changing the composition of the existing board and then addressing the serious operational and management issues facing the company.

Shareholders should ignore scare tactics being deployed by the board in an attempt to win votes at the annual meeting.

Jonathan Dash, Co-Chairman of the Committee, stated, "The members of the Committee invested in Denny's because we believe it is a terrific albeit mismanaged brand. The board must focus all its energy on fixing the company in order to maximize shareholder value."

David Makula, Co-Chairman of the Committee, stated, "Our three highly-qualified nominees are committed to working with the other directors to enhance and capitalize on the Denny's brand and to return Denny's to its rightful place as a leader in the family dining space. We urge you to ignore Denny's effort to distract shareholders from the real issues facing the company today. Vote for the election of our nominees by signing and returning the GOLD proxy today."
