Item 8.01. Other Events.

Effective April 30, 2008, Franklin Credit Management Corporation (the “Company”) entered into \$275 million (notional amount) of fixed-rate interest rate swaps (the “April 30 Swaps”). The fixed-rate swaps are for a period of three years, are non-amortizing, are at a fixed rate of 3.47% and were entered into with the Company’s lead lending bank (the “Bank”).

Under these swap agreements, the Company will make interest payments to the Bank at fixed rates and will receive interest payments from the Bank on the same notional amounts at variable rates based on one-month LIBOR.

Taking into account the April 30 Swaps and the interest rate swaps previously entered into by the Company on February 27, 2008, the Company currently has \$1.0 billion of fixed-rate interest rate swaps, which have remaining terms varying from about ten months to almost four years.

On May 6, 2008, the Company issued a press release announcing its entry into the April 30 Swaps. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated in this Item 8.01 by reference.
