Item 7.01 Regulation FD Disclosure

On May 28, 2013, Inland Real Estate Corporation (the "Company") announced that it is commencing an underwritten public offering of 9,000,000 shares of its common stock. The offering price and other terms are to be determined by negotiations between the Company and the underwriters. The Company expects to grant the underwriters a thirty-day option to purchase up to 1,350,000 additional shares to cover over-allotments, if any.

Based upon the expected terms and size of the offering, and the use of proceeds from the offering, the Company expects that its guidance for FFO per share will remain the same as previously issued in its press release dated May 9, 2013, furnished as Exhibit 99.1 to the Company's Current Report on Form 8-K, as furnished to the Securities and Exchange Commission on May 9, 2013.

The information in this item shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, or otherwise subject to the liabilities of Section 18, nor shall it be deemed incorporated by reference into any disclosure document relating to the Company, except to the extent, if any, expressly set forth by specific reference in such filing.

This item contains forward-looking statements. Forward-looking statements are statements that do not reflect historical facts and instead reflect our management's intentions, beliefs, expectations, plans or predictions of the future. Examples of forward-looking statements include, but are not limited to, statements that describe or contain information related to matters such as management's intent, belief or expectation with respect to our financial performance, investment strategy or our portfolio, our ability to address debt maturities, our cash flows, our growth prospects, the value of our assets, our joint venture commitments and the amount and timing of anticipated future cash distributions. Forward-looking statements reflect the intent, belief or expectations of our management based on their knowledge and understanding of the business and industry and their assumptions, beliefs and expectations with respect to the market for commercial real estate, the U.S. economy and other future conditions. These statements are not guarantees of future performance, and investors should not place undue reliance on forward-looking statements. Actual results may differ materially from those expressed or forecasted in forward-looking statements due to a variety of risks, uncertainties and other factors, including but not limited to the factors listed and described in the Company's supplement to the prospectus contained in its effective registration statement on Form S-3 (File No. 333-181164) and under Item 1A "Risk Factors" in our Annual Report on Form 10-K for the year ended December 31, 2012, as filed with the Securities and Exchange Commission (the "SEC") on February 28, 2013 as they may be revised or supplemented by us in subsequent Reports on Form 10-Q and other reports filed with the SEC.
