The Company will provide, without charge, a copy of its Annual Report on Form 10-K upon written request to Rick L. Wessel, the President, Secretary and Treasurer at 690 East Lamar Boulevard, Suite 400, Arlington, Texas 76011. The Company will provide exhibits to its Annual Report on Form 10-K, upon payment of the reasonable expenses incurred by the Company in furnishing such exhibits.

STOCK SPLIT

On March 22, 2004, the Company's board of directors approved a three-for-two stock split in the form of a stock dividend. The stock split was effective April 6, 2004. All share amounts and prices per share as presented in this Proxy Statement reflect the retroactive application of the effect of the stock split.

ITEM 1

TO ELECT ONE DIRECTOR

The Bylaws of the Company provide that the board of directors will determine the number of directors, but shall consist of at least one director and no more than 15 directors. The stockholders of the Company elect the directors. At each annual meeting of stockholders of the Company, successors of the class of directors whose term expires at the annual meeting will be elected for a three-year term. Any director elected to fill a vacancy or newly created directorship resulting from an increase in the authorized number of directors shall hold office for a term that shall coincide with the remaining term of that class. In no case will a decrease in the number of directors shorten the term of any incumbent director. Any vacancy on the board howsoever resulting may be filled by a majority of the directors then in office, even if less than a quorum, or by a sole remaining director. The stockholders will elect one director for the coming year; the nominee, Ms. Tara Schuchmann, presently serves as a director of the Company and will be elected for a term of three years.

Unless otherwise instructed or unless authority to vote is withheld, the enclosed proxy will be voted for the election of the nominee listed herein. Although the board of directors of the Company does not contemplate that the nominee will be unable to serve, if such a situation arises prior to the Annual Meeting, the person named in the enclosed proxy will vote for

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form PRE 14A

the election of such other person as may be nominated by the board of directors.

The board of directors of the Company consists of five directors divided into three classes. At each annual meeting of stockholders, one class is elected to hold office for a term of three years. Directors serving until the earlier of (i) resignation or (ii) expiration of their terms at the annual meeting of stockholders in the years indicated are as follows: 2004 - Ms. Tara Schuchmann; 2005 - Mr. Phillip E. Powell; and 2006 - Messrs. Rick L. Wessel, Richard T. Burke and Joe R. Love. All officers serve at the discretion of the board of directors. No family relationships exist between any director and executive officer, except that Mr. John C. Powell, vice president of information technology, is the brother of Mr. Phillip E. Powell, the chairman of the board and chief executive officer of the Company. The Director standing for election at the Annual Meeting of Stockholders is the following:

Tara Schuchmann, age 46, has served as a director of the Company since June 2001. Ms. Schuchmann is the founder and managing general partner of Tara Capital Management LP, an investment management and advisory firm. Ms. Schuchmann has 23 years experience in the financial services industry. Ms. Schuchmann holds an MBA from the Harvard University Graduate School of Business Administration.

Directors Not Standing For Election

Phillip E. Powell, age 53, has served as a director of the Company since March 1990, served as president from March 1990 until May 1992, and has served as chief executive officer since May 1992. Mr. Powell has been engaged in the financial services industry for over 28 years.

Rick L. Wessel, age 45, has served as secretary and treasurer of the Company since May 1992, as president since May 1998, as a director since November 1992 and as chief financial officer from May 1992 to December 2002. Prior to February 1992, Price Waterhouse LLP employed Mr. Wessel for approximately nine years.

Richard T. Burke, age 60, has served as a director of the Company since December 1993. Mr. Burke is the founder and, until February 1988, was the chief executive officer of UnitedHealth Group, a leading company in the managed health care industry. Mr. Burke remains a director of UnitedHealth Group and is a board member of several private, nonprofit and charitable organizations. The securities of UnitedHealth Group are registered pursuant to the Exchange Act. From 1995 until February 2001, Mr. Burke was the owner and chief executive officer of the Phoenix Coyotes, a professional sports franchise of the National Hockey League.

Joe R. Love, age 65, has served as a director of the Company since December 1991. Mr. Love has served as chairman of CCDC, Inc., a real estate development firm, since October 1976. Mr. Love is the owner of Surrey, LLC, a golf and residential community in Oklahoma City, Oklahoma.

Board of Directors, Committees and Meetings

The board of directors held four meetings during the year ended December 31, 2003. Each director attended, either telephonically or in person, 100% of the board meetings during the year ended December 31, 2003. The Audit, Compensation, and Nominating and Corporate Governance Committees each consist of Richard T. Burke, Joe R. Love and Tara Schuchmann. The Audit Committee held four meetings during the year ended December 31, 2003 and the Compensation Committee held three meetings during the year ended December 31, 2003. The Nominating and Corporate Governance Committee was

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form PRE 14A

not formed until April 2004 and accordingly did not meet during the year ended December 31, 2003. Each member attended 100% of the committee meetings, either in person or telephonically.

Audit Committee. The Audit Committee is responsible for the oversight of the Company's accounting and financial reporting processes. This includes the selection and engagement of the Company's independent auditors and review of the scope of the annual audit, audit fees and results of the audit. The Audit Committee reviews and discusses with management and the board of directors such matters as accounting policies, internal accounting controls, procedures for preparation of financial statements and other financial disclosures, scope of the audit, the audit plan and the independence of such accountants. In addition, the Audit Committee has oversight over the Company's internal audit function.

Compensation Committee. The Compensation Committee approves the standards for salary ranges for executive, managerial and technical personnel of the Company and establishes, subject to existing employment contracts, the specific compensation and bonus plan of all corporate officers. In addition, the Compensation Committee oversees the Company's stock option plans and the incentive plans.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is responsible for making recommendations to the board of directors concerning the governance structure and practices of the Company, including the size of the board of directors and the size and composition of various committees of the board of directors. In addition, the Nominating and Corporate Governance Committee is responsible for identifying individuals believed to be qualified to become board members, and to recommend to the board the nominees to stand for election as directors at the annual meeting of stockholders.

Directors' Fees

For the year ended December 31, 2003, Ms. Schuchmann and Messrs. Burke and Love each received \$25,000 as compensation for attending the 2003 meetings of the board of directors and committee meetings thereof. In addition, the directors are reimbursed for their reasonable expenses incurred for each board and committee meeting attended. See "Compensation - Stock Options and Warrants" for a discussion of options and warrants issued to directors.

Corporate Governance

The board of directors has adopted a Code of Ethics to govern the conduct of all of the officers, directors and employees of the Company. In addition to the amended and restated Audit Committee Charter attached to this Proxy Statement as APPENDIX A, the board has adopted charters for the Compensation Committee and the Nominating and Corporate Governance Committee. The Code and committee charters can be accessed on the Company's website at www.firstcash.com.

Director Independence

The board of directors has determined that, with the exception of Phillip E. Powell, Chairman and CEO of the Company, and Rick L. Wessel, President of the Company, all of its directors, including all of the members of the Audit, Compensation, and Nominating and Corporate Governance Committees, are "independent" as defined by Nasdaq and the Securities and Exchange Commission ("SEC") and for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). No director is deemed independent unless the board affirmatively determines that the

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form PRE 14A

director has no material relationship with the Company, either directly or as an officer, stockholder or partner of an organization that has a relationship with the Company. In making its determination, the board observes all criteria for independence established by the rules of the SEC and Nasdaq. In addition, the board considers all commercial, banking, consulting, legal, accounting, charitable or other business relationships any director may have with the Company.

Procedure for Contacting Directors

The board of directors has established a procedure for stockholders to send communications to the board. Stockholders may communicate with the board generally or with a specific director at any time by writing to the Company's Corporate Secretary at the Company's address, 690 East Lamar Blvd., Suite 400, Arlington, Texas 76011. The Secretary will review all messages received and will forward any message that reasonably appears to be a communication from a stockholder about a matter of stockholder interest that is intended for communication to the board. Communications will be sent as soon as practicable to the director to whom they are addressed, or if addressed to the board generally, to the Chairman of the Nominating and Corporate Governance Committee. Because other appropriate avenues of communication exist for matters that are not of stockholder interest, such as general business complaints or employee grievances, communications that do not relate to matters of stockholder interest will not be forwarded to the board. The Corporate Secretary has the option, but not the obligation, to forward these other communications to appropriate channels within the Company.

Section 16(a) Beneficial Ownership Reporting Compliance

Based solely on the reports furnished pursuant to Section 16a-3(e) of the Exchange Act, all reports as required under Section 16(a) of the Exchange Act were filed on a timely basis during the year ending December 31, 2003, except in September 2003 Mr. Phillip E. Powell reported one transaction (a sale of 2,900 shares of common stock) five days late on a Form 4.

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

The Compensation Committee reviews compensation paid to management and recommends to the board of directors appropriate executive compensation. Ms. Schuchmann and Messrs. Burke and Love serve as members of the Compensation Committee and are not employed by the Company.

BASED UPON THE RECOMMENDATION OF THE NOMINATING AND CORPORATE GOVERNANCE COMMITTEE, THE BOARD HAS NOMINATED THE ABOVE-REFERENCED DIRECTOR FOR ELECTION BY THE STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" SUCH ELECTION. THE ELECTION OF THIS DIRECTOR REQUIRES A PLURALITY OF THE VOTES OF THE SHARES OF COMMON STOCK PRESENT IN PERSON OR REPRESENTED BY PROXY AT THE ANNUAL MEETING.

ITEM 2

TO CONSIDER AND ACT UPON THE ADOPTION OF THE AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK FROM 20,000,000 TO 90,000,000

The Company's current Certificate of Incorporation provides for the authorization to issue up to 20,000,000 shares of its Common Stock. As of April 30, 2004, the Company had 15,749,455 shares of Common Stock issued and

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form PRE 14A

outstanding and 2,545,950 shares of Common Stock reserved for issuance pursuant to outstanding warrants and options. As a result, the Company has issued or reserved 18,295,405 of its currently authorized shares of Common Stock. Therefore, the Company's board of directors believes that the increase in authorized shares from 20,000,000 to 90,000,000 is desirable. The board of directors may find it advisable at some point for the Company to issue additional shares of Common Stock in connection with any future stock splits, acquisitions, capital raising transactions, exercise or conversion of derivative securities, or compensatory plans. The board of directors has no present plans, commitments or understandings to issue any additional shares of Common Stock, with exception to the Company's compensatory plans. Authorized but unissued shares of Common Stock may be issued at any time upon authorization of the board of directors without further approval of Company stockholders.

In order to more clearly set forth this amendment to the Company's Certificate of Incorporation which is being proposed herein, the board of directors proposes that the Company's Certificate of Incorporation be amended and restated for filing with the Delaware Secretary of State. A copy of the proposed Amended and Restated Certificate of Incorporation is attached hereto as APPENDIX B. The only change in the proposed Amended and Restated Certificate of Incorporation from the current Certificate of Incorporation is in Article VI whereby the total number shares of Common Stock that the Company shall have the authority to issue shall be increased from 20,000,000 to 90,000,000.

Shares of authorized but unissued Common Stock could be issued in one or more transactions which could make a takeover of the Company more difficult and, therefore, less likely. Any such issuance of Common Stock could have the effect of diluting earnings per share of Common Stock and reducing the book value per share of Common Stock. The issuance of Common Stock could be used to dilute the stock ownership of any person or persons seeking to obtain control of the Company. The board has no present intention of causing the Company to issue shares of Common Stock for any purpose which would have an anti-takeover effect.

THE BOARD HAS RECOMMENDED THE AMENDED AND RESTATED CERTIFICATE OF INCORPORATION FOR APPROVAL BY THE STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" SUCH AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK FROM 20,000,000 TO 90,000,000. THE ADOPTION OF THE AMENDED AND RESTATED CERTIFICATE OF INCORPORATION WILL REQUIRE FOR APPROVAL THE AFFIRMATIVE VOTE OF THE HOLDERS OF A MAJORITY OF THE OUTSTANDING SHARES OF COMMON STOCK PRESENT OR REPRESENTED BY PROXY AND ENTITLED TO VOTE AT THE ANNUAL MEETING.

ITEM 3

TO CONSIDER AND ACT UPON A PROPOSAL TO APPROVE THE FIRST CASH
FINANCIAL SERVICES, INC. 2004 LONG-TERM INCENTIVE PLAN

Background Information

The board of directors has adopted, subject to stockholder approval, the Company's 2004 Long-Term Incentive Plan (the "2004 Plan"). The purpose of the 2004 Plan is to promote the interests of the Company and its stockholders and give it a competitive advantage by (i) attracting and retaining executive personnel and other key employees of outstanding ability; (ii) motivating executive personnel and other key employees, by means of performance-related incentives, to achieve longer-range performance goals; and (iii) enabling such employees to participate in the long-term growth and financial success of the Company by acquiring a proprietary

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form PRE 14A

interest in the Company.

The following summary of the 2004 Plan is qualified in its entirety by reference to the full text of the 2004 Plan, which is attached to this Proxy Statement as APPENDIX C.

General Administration of the Plan

The 2004 Plan will be administered by the Compensation Committee of the board of directors (the "Committee"). The Committee will be authorized to grant to key employees of the Company awards in the form of stock options, performance shares, and restricted stock. In addition, the Committee will have the authority to grant other stock-based awards in the form of stock appreciation rights, restricted stock units, and stock unit awards. The 2004 Plan will become effective upon approval by the stockholders and will expire ten years from such effective date unless terminated earlier or extended by the board of directors.

Each member of the Committee must be a "non-employee director" within the meaning of Rule 16b-3 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), an "independent director" as defined by Nasdaq rules and an "outside director" within the meaning of the Code. The Committee will select persons to receive grants from among the eligible participants, determine the types of grants and number of shares to be awarded to grantees, and set the terms, conditions, and provisions of the grants consistent with the 2004 Plan. The Committee has authority to amend awards and to accelerate vesting and/or exercisability of awards, provided that it cannot amend an outstanding option to reduce its exercise price or cancel an option and replace it with an option with a lower exercise price. The Committee may also establish rules for administration of the 2004 Plan.

Eligibility

The Committee will select grantees from among the key employees, officers, directors and consultants of the Company and its subsidiaries. The eligible participants will be those who, in the opinion of the Committee, have the capacity for contributing in a substantial measure to the successful performance of the Company. All awards and the terms of any award to eligible participants who are members of the Committee must also be approved by the board of directors.

Shares Subject to the Plan

Subject to adjustment as described below, a maximum 900,000 shares of Company Common Stock may be issued under the 2004 Plan. Any shares of Company Common Stock subject to awards that are forfeited or withheld in payment of any exercise price or taxes will again be available for grant. Also, if an award terminates without shares of Company Common Stock being issued, then the shares that were subject to the award will again be available for grant. The shares may be authorized and unissued shares or treasury shares. In the event of a stock split, stock dividend, spin-off, or other relevant change affecting the Company's Common Stock, the Committee shall make appropriate adjustments to the number of shares available for grants and to the number of shares and price under outstanding grants made before the event.

Types of Awards Under the 2004 Plan

Stock Options

The Committee may grant awards in the form of options to purchase

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form PRE 14A

shares of the Company's Common Stock. With regard to each such option, the Committee will determine the number of shares subject to the option, the manner and time of the exercise of the option, and the exercise price per share of stock subject to the option; provided, however, that the exercise price of any "Incentive Stock Option" (as defined in the 2004 Plan) may not be less than 100% of the fair market value of the shares of Company Common Stock on the date the option is granted. The exercise price may, at the discretion of the Committee, be paid by a participant in cash, shares of Company Common Stock or a combination thereof. The period of any option shall be determined by the Committee, but no Incentive Stock Option may be exercised later than 10 years after the date of grant. The aggregate fair market value, determined at the date of grant of the Incentive Stock Option, of Company Common Stock for which an Incentive Stock Option is exercisable for the first time during any calendar year as to any participant shall not exceed the maximum limitation as provided in Section 422 of the Code. The effect of a grantee's termination of employment by reason of death, retirement, disability, or otherwise will be specified in the option agreement evidencing the grant of the option.

Stock Appreciation Rights

The 2004 Plan also authorizes the Committee to grant stock appreciation rights ("SARs"). Upon exercising an SAR, the holder receives for each share with respect to which the SAR is exercised, an amount equal to the difference between the exercise price (which may not be less than the fair market value of such share on the date of grant unless otherwise determined by the Committee) and the fair market value of the Company Common Stock on the date of exercise. At the Committee's discretion, payment of such amount may be made in cash, shares of Company Common Stock, or a combination thereof. Each SAR granted will be evidenced by an agreement specifying the terms and conditions of the award, including the effect of termination of employment (by reason of death, disability, retirement or otherwise) on the exercisability of the SAR. No SAR may have a term of greater than 10 years.

Performance Shares

The 2004 Plan permits the Committee to grant awards of performance shares to eligible employees from time to time. These awards are contingent upon the achievement of certain performance goals established by the Committee. The length of time over which performance will be measured, the performance goals, and the criteria to be used in determining whether and to what degree the goals have been attained will be determined by the Committee. The Committee will also determine the effect of termination of employment of a grantee (by reason of death, retirement, disability or otherwise) during the performance period.

Restricted Stock and Restricted Stock Units

Under the 2004 Plan, the Committee may award restricted shares of the Company's Common Stock and restricted stock units to eligible employees from time to time and subject to certain restrictions as determined by the Committee. The nature and extent of restrictions on such shares and units, the duration of such restrictions, and any circumstance which could cause the forfeiture of such shares or units shall be determined by the Committee. The Committee will also determine the effect of the termination of employment of a recipient of restricted stock or restricted stock units (by reason of retirement, disability, death or otherwise) prior to the lapse of any applicable restrictions.

Other Stock Based Awards

In addition, the Committee shall have authority under the 2004 Plan to

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form PRE 14A

grant stock unit awards, which can be in the form of Common Stock or units, the value of which is based, in whole or in part, on the value of the Company's Common Stock. Such stock unit awards will be subject to such terms, restrictions, conditions, vesting requirements and payment rules as the Committee may determine. Stock unit awards may not be assigned, sold, transferred, pledged or otherwise encumbered prior to the date shares are issued or, if later, the date provided by the Committee at the time of grant of the stock unit award. Stock unit awards may relate in whole or in part to certain performance criteria established by the Committee at the time of grant. The Committee will also determine the effect of termination of employment of a stock unit award recipient (by reason of death, retirement, disability or otherwise) during any applicable vesting period.

Awards to Covered Employees

The Plan permits the Committee to grant qualified performance-based awards ("Awards") to the chief executive officer and the four other highest compensated officers of the Company (the "Covered Employees"). These Awards are intended to qualify as performance-based pay under Section 162(m) of the Code to enable the Company to deduct the compensation paid to the Covered Employees attributable to these Awards. In general, Section 162(m) limits the deduction for compensation paid to the Covered Employees to a dollar limitation (\$1,000,000), but permits performance-based pay to be deductible without regard to the dollar limitation.

If the Award is a stock option or SAR grant with an exercise price equal to the fair market value of the underlying shares of Common Stock on the date of grant, the Award qualifies as performance-based pay under Section 162(m).

If performance shares are granted, then the Committee will establish performance goals based on the attainment of one or more of the following measures with respect to the Company or an affiliate, or a subsidiary, division or department of the Company or an affiliate for whom the Covered Employee performs services: revenue growth; earnings before interest, taxes, depreciation and amortization; earnings before interest and taxes; operating income; pre- or after-tax income; earnings per share from continuing operations; other board or committee approved performance measurements; earnings per share; cash flow; cash flow per share; return on equity; return on invested capital; return on assets; economic value added (or an equivalent metric); share price performance; total stockholder return; improvement in or attainment of expense levels; or improvement in or attainment of working capital levels. The preceding goals may be based on attaining specified levels of Company performance under one or more of the measures described above relative to the performance of other companies.

The Committee will establish the relevant goals at a time when the outcome is substantially uncertain, and the Committee will certify whether the goals have been attained. This process of establishing goals and confirming their attainment is intended to comply with Section 162(m) and permit the Award to qualify as deductible performance-based pay.

No more than 100,000 shares of Common Stock may be subject to Awards to any eligible individual, including a Covered Employee, in any fiscal year.

Change in Control

In order to preserve the rights of participants in the event of a Change in Control (as defined in the 2004 Plan), the Committee in its discretion may, at the time a grant is made or at any time thereafter, take one or more of the following actions: (i) provide for the acceleration of any time period relating to the exercise of an award, (ii) provide for the

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form PRE 14A

purchase of the award upon the participant's request for an amount of cash or other property that could have been received upon the exercise or realization of the award had the award been currently exercisable or payable, (iii) adjust the terms of the award in a manner determined by the Committee to reflect the Change in Control, (iv) cause the award to be assumed, or new rights substituted therefore, by another entity, or (v) make such other provisions as the Committee may consider equitable and in the best interests of the Company.

Amendment and Termination of the 2004 Plan

The board of directors may amend, alter, suspend, discontinue or terminate the 2004 Plan or any portion thereof at any time, provided that no amendment shall be made without stockholder approval which (a) is required to be approved by stockholders to comply with applicable laws or rules, (b) increase the number of shares of Company Common Stock reserved for issuance under the 2004 Plan or (c) would cause the Company to be unable to grant Incentive Stock Options.

Federal Income Tax Consequences

Under current U.S. federal tax law, the following are the U.S. federal income tax consequences generally arising with respect to awards made under the 2004 Plan.

Exercise of Incentive Stock Option and Subsequent Sale of Shares

A participant who is granted an Incentive Stock Option does not realize taxable income at the time of the grant or at the time of exercise. If the participant makes no disposition of shares acquired pursuant to the exercise of an Incentive Stock Option before the later of two years from the date of grant or one year from such date of exercise ("statutory holding period"), any gain (or loss) realized on such disposition will be recognized as a long-term capital gain (or loss). Under such circumstances, the Company will not be entitled to any deduction for federal income tax purposes.

However, if the participant disposes of the shares during the statutory holding period, that will be considered a disqualifying disposition. Provided the amount realized in the disqualifying disposition exceeds the exercise price, the ordinary income a participant shall recognize in the year of a disqualifying disposition will be the lesser of (i) the excess of the amount realized over the exercise price, or (ii) the excess of the fair market value of the shares at the time of the exercise over the exercise price; and the Company generally will be entitled to a deduction for the amount of ordinary income recognized by such participant. The ordinary income recognized by the participant is not considered wages and the Company is not required to withhold, or pay employment taxes, on such ordinary income. Finally, in addition to the ordinary income described above, the participant shall recognize capital gain on the disqualifying disposition in the amount, if any, by which the amount realized in the disqualifying disposition exceeds the fair market value of the shares at the time of the exercise, and shall be long-term or short-term capital gain depending on the participant's post-exercise holding period for such shares.

Special tax rules apply when all or a portion of the exercise price of an Incentive Stock Option is paid by delivery of already owned shares, but generally it does not materially change the tax consequences described above. However, the exercise of an Incentive Stock Option with shares which are, or have been, subject to an Incentive Stock Option, before such shares have satisfied the statutory holding period, generally will result in the disqualifying disposition of the shares surrendered.

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form PRE 14A

Notwithstanding the favorable tax treatment of Incentive Stock Options for regular tax purposes, as described above, for alternative minimum tax purposes, an Incentive Stock Option is generally treated in the same manner as a Nonqualified Stock Option. Accordingly, a participant must generally include as alternative minimum taxable income for the year in which an Incentive Stock Option is exercised, the excess of the fair market value of the shares acquired on the date of exercise over the exercise price of such shares. However, to the extent a participant disposes of such shares in the same calendar year as the exercise, only an amount equal to the optionee's ordinary income for regular tax purposes with respect to such disqualifying disposition will be recognized for the optionee's calculation of alternative minimum taxable income in such calendar year.

Exercise of Nonqualified Stock Option and Subsequent Sale of Shares

A participant who is granted a nonqualified stock option does not realize taxable income at the time of the grant, but does recognize ordinary income at the time of exercise in an amount equal to the excess of the fair market value of the shares acquired on the date of exercise over the exercise price of such shares; and the Company generally will be entitled to a deduction for the amount of ordinary income recognized by such participant. The ordinary income recognized by the participant is considered supplemental wages and the Company is required to withhold, and the Company and the participant are required to pay applicable employment taxes, on such ordinary income.

Upon the subsequent disposition of shares acquired through the exercise of a nonqualified stock option, any gain (or loss) realized on such disposition will be recognized as a long-term, or short-term, capital gain (or loss) depending on the participant's post-exercise holding period for such shares.

Lapse of Restrictions on Restricted Stock and Subsequent Sale of Shares

A participant who has been granted an award of restricted stock or restricted stock units does not realize taxable income at the time of the grant. When the restrictions lapse, the participant will recognize ordinary income in an amount equal to the excess of the fair market value of the shares at such time over the amount, if any, paid for such shares; and the Company generally will be entitled to a deduction for the amount of ordinary income recognized by such participant. The ordinary income recognized by the participant is considered supplemental wages and the Company is required to withhold, and the Company and the participant are required to pay applicable employment taxes, on such ordinary income. Upon the subsequent disposition of the formerly restricted shares, any gain (or loss) realized on such disposition will be recognized as a long-term, or short-term, capital gain (or loss) depending on the participant's holding period for such shares after their restrictions lapse.

Under Section 83(b) of the Code, a participant who receives an award of restricted stock may elect to recognize ordinary income for the taxable year in which the restricted stock was received equal to the excess of the fair market value of the restricted stock on the date of the grant, determined without regard to the restrictions, over the amount (if any) paid for the restricted stock. Any gain (or loss) recognized upon a subsequent disposition of the shares will be capital gain (or loss) and will be long term or short term depending on the post-grant holding period of such shares. If, after making the election, a participant forfeits any shares of restricted stock, or sells restricted stock at a price below its fair market value on the date of grant, such participant is only entitled to a tax deduction with respect to the consideration (if any) paid for the restricted stock, not the amount elected to be included as income at the time of grant.

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form PRE 14A

SARs, Performance Shares and Stock Unit Awards

A participant who is granted a SAR does not realize taxable income at the time of the grant, but does recognize ordinary income at the time of exercise of the SAR in an amount equal to the excess of the fair market value of the shares (on the date of exercise) with respect to which the SAR is exercised, over the grant price of such shares; and the Company generally will be entitled to a deduction for the amount of ordinary income recognized by the such participant

A participant who has been awarded a performance share or a stock unit award does not realize taxable income at the time of the grant, but does recognize ordinary income at the time the award is paid equal to the amount of cash (if any) paid and the fair market value of shares (if any) delivered; and the Company generally will be entitled to a deduction for the amount of ordinary income recognized by the such participant.

The ordinary income recognized by a participant in connection with a SAR, performance share, or a stock unit award is considered supplemental wages and the Company is required to withhold, and the Company and the participant are required to pay applicable employment taxes, on such ordinary income.

To the extent, if any, that shares are delivered to a participant in satisfaction of either the exercise of a SAR, or the payment of a performance share or stock unit award, upon the subsequent disposition of such shares any gain (or loss) realized will be recognized as a long-term, or short-term, capital gain (or loss) depending on the participant's post-delivery holding period for such shares.

Grants and awards under the 2004 Plan, which may be made to Company executive officers, directors and other employees, are not presently determinable. If the stockholders approve the Plan, such grants and awards will be made at the discretion of the Committee or the board of directors in accordance with the compensation policies of the Committee, which are discussed in the "Report of the Compensation Committee."

ITEM 4

RATIFY THE SELECTION OF HEIN + ASSOCIATES LLP AS INDEPENDENT AUDITORS OF THE COMPANY FOR THE YEAR ENDING DECEMBER 31, 2004

On March 12, 2004, the Company, at the direction of the Audit Committee, notified its independent accountant, Deloitte & Touche LLP, of its dismissal as independent accountants, except with respect to audit and audit related services pertaining to the year ended December 31, 2003. The change was the result of a proposal and competitive bidding process involving several accounting firms. Effective April 16, 2004, Deloitte & Touche LLP's engagement was terminated and they no longer provide audit services nor do they serve as the Company's auditor.

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form PRE 14A

The Audit Committee selected Hein + Associates LLP as independent accountants to audit the books, records and accounts of the Company for the year ending December 31, 2004. The board has endorsed this appointment. Hein + Associates LLP was engaged in March 2004 as the Company's principal accountant. Deloitte & Touche, LLP previously audited the consolidated financial statements of the Company and during the two years ended December 31, 2003 provided both audit and non-audit services.

Deloitte & Touche LLP's report on the Company's 2003 financial statements was issued on March 8, 2004 in conjunction with the filing of the Company's Annual Report on Form 10-K for the year ended December 31, 2003. The audit reports of Deloitte & Touche LLP on the consolidated financial statements of the Company as of and for the years ended December 31, 2003, 2002 and 2001, did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles, except that the audit reports for 2002 and 2003 were modified to reflect a change in the Company's method of accounting for amortization of goodwill in 2002 in accordance with FASB Statement No. 142, Goodwill and Other Intangible Assets, and except that the audit report for 2003 was modified to reflect a change in the Company's method of accounting for its 50% owned joint venture, Cash & Go, Ltd., in 2003 in accordance with FASB Interpretation 46(R), Consolidation of Variable Interest Entities.

During the Company's three most recent years ended December 31, 2003, and the subsequent interim period through April 16, 2004, there were no disagreements between the Company and Deloitte & Touche LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure (within the meaning of Item 304(a)(1)(iv) of Regulation S-K) and there were no reportable events (as defined by Item 304(a)(1)(v) of Regulation S-K).

During the Company's three most recent years ended December 31, 2003, and the subsequent interim period through March 12, 2004, neither the Company nor anyone on its behalf consulted with Hein + Associates LLP regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K. Hein + Associates LLP has served as the independent accountant engaged to audit the First Cash 401(k) Plan for the three most recent years ended December 31, 2002 and is currently engaged to audit the First Cash 401(k) Plan for the year ended December 31, 2003.

of consents, and assistance with and review of documents filed with the SEC.

Tax fees for the years ended December 31, 2002 were for services related to tax compliance, including the preparation of tax returns, tax planning and tax advice.

Audit Committee Pre-Approval Policies and Procedures

The 2003 and 2002 audit and non-audit services provided by Deloitte & Touche, LLP were approved by the Audit Committee. The non-audit services which were approved by the Audit Committee were also reviewed to ensure compatibility with maintaining the auditor's independence.

The Audit Committee implemented pre-approval policies and procedures related to the provision of audit and non-audit services. Under these procedures, the Audit Committee pre-approves both the type of services to be provided by the Company's independent accountants and the estimated fees related to these services. During the approval process, the Audit Committee considers the impact of the types of services and the related fees on the independence of the auditor. The services and fees must be deemed compatible with the maintenance of the auditor's independence, including compliance with SEC rules and regulations.

Throughout the year, the Audit Committee reviews any revisions to the estimates of audit and non-audit fees initially approved.

Ratification of Independent Auditors

In the event the stockholders do not ratify the appointment of Hein + Associates LLP as independent auditors for the year ending December 31, 2004, the adverse vote will be considered as a direction to the board of directors to select other auditors for the following year. However, because of the difficulty in making any substitution of auditors so long after the beginning of the year ending December 31, 2004, it is contemplated that the appointment for the year ending December 31, 2004 will be permitted to stand unless the board finds other good reason for making a change.

Representatives of Hein + Associates LLP are expected to be present at the meeting, with the opportunity to make a statement if desired to do so. Such representatives are also expected to be available to respond to appropriate questions.

BASED UPON THE RECOMMENDATION OF THE AUDIT COMMITTEE, THE BOARD HAS RECOMMENDED THE RATIFICATION OF HEIN + ASSOCIATES LLP AS INDEPENDENT AUDITORS. SUCH RATIFICATION REQUIRES THE AFFIRMATIVE VOTE OF THE HOLDERS OF A MAJORITY OF THE OUTSTANDING SHARES OF COMMON STOCK PRESENT OR REPRESENTED BY PROXY AND REPRESENTED AT THE ANNUAL MEETING.

Report of the Audit Committee

The ultimate responsibility for good corporate governance rests with the board, whose primary role is oversight, counseling and direction to the Company's management in the best long-term interests of the Company and its stockholders. The Audit Committee, in accordance with its charter, has been established for the purpose of overseeing the accounting and financial reporting processes of the Company and audits of the Company's annual financial statements. As described more fully in its charter, the purpose of the Audit Committee is to assist the board in its general oversight of the Company's financial reporting, internal controls and audit functions. Management is responsible for the preparation, presentation and integrity of the Company's financial statements; accounting and financial reporting principles; internal controls; and procedures designed to reasonably assure compliance with accounting standards, applicable laws and regulations. The Company's independent auditing firm is responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards. In accordance with law, the Audit Committee has ultimate authority and responsibility to select, compensate, evaluate and, when appropriate, replace the Company's independent auditors. The Audit Committee has the authority to engage its own outside advisers, including experts in particular areas of accounting, as it determines appropriate, apart from counsel or advisers hired by management. All of the members of the Audit Committee meet the independence and experience requirements of Nasdaq and the SEC. The board of director's has determined that two of the Committee's members, Richard T. Burke and Joe R. Love, qualify as "audit committee financial experts" as defined by the SEC.

The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent auditors, nor can the Audit Committee certify that the independent auditors are "independent" under applicable rules. The Audit Committee serves a board-level oversight role, in which it provides advice, counsel and direction to management and the auditors on the basis of the information it receives, discussions with management and the auditors, and the experience of the Audit Committee's members in business, financial and accounting matters. Stockholders should understand that the designation of "an audit committee financial expert" is an SEC disclosure requirement related to Messrs. Burke's and Love's experience and understanding with respect to certain accounting and auditing matters. The designation does not impose on Messrs. Burke or Love any duties, obligations or liability greater than generally imposed on them as members of the Audit Committee and the board, and this designation as an audit committee financial expert pursuant to this SEC requirement does not affect the duties, obligations or liability of any other member of the Audit Committee or the board.

In this context, the committee has met and held discussions with management and Deloitte & Touche LLP ("Deloitte"), the Company's independent public accountants for the year ended December 31, 2003. Management represented to the committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the committee has reviewed and discussed the consolidated financial statements with management and Deloitte. The committee discussed with Deloitte the matters required to be discussed by Statement of Auditing Standard No. 61, under which Deloitte must provide us with additional information regarding the scope and results of its audit of the Company's financial statements.

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form PRE 14A

In addition, the committee has discussed with Deloitte its independence from the Company and its management, including matters in the written disclosures required by the Independence Standards Board Standard No. 1, (Independence Discussions with Audit Committees).

The committee discussed with the Company's independent public accountants the overall scope and plans for their respective audits. The committee met with Deloitte, with and without management present, to discuss the results of its examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting

In reliance on the reviews and discussions referred to above, the committee recommended to the board of directors, and the board has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003 filed with the Securities and Exchange Commission.

Report of the Compensation Committee

Overview

The Compensation Committee of the board of directors supervises the Company's executive compensation. The Company seeks to provide executive compensation that will support the achievement of the Company's financial goals while attracting and retaining talented executives and rewarding superior performance. In performing this function, the Compensation Committee reviews executive compensation surveys and other available information and may from time to time consult with independent compensation consultants.

The Company seeks to provide an overall level of compensation to the Company's executives that are competitive within the pawnshop/short-term advance industry and other companies of comparable size, growth, performance and complexity. Compensation in any particular case may vary from any industry average on the basis of annual and long-term Company performance as well as individual performance. The Compensation Committee will exercise its discretion to set compensation where in its judgment external, internal or individual circumstances warrant it. In general, the Company compensates its executive officers through a combination of base salary, annual incentive compensation in the form of cash bonuses and long-term incentive compensation in the form of stock options and warrants.

Base Salary

Base salary levels for the Company's executive officers are set generally to be competitive in relation to the salary levels of executive officers in other companies within the pawnshop/short-term advance industry or other companies of comparable size, growth, performance and complexity, taking into consideration the executive officer's position, responsibility and need for special expertise. In reviewing salaries in individual cases the Compensation Committee also takes into account individual experience and performance.

Annual Incentive Compensation

The Compensation Committee has historically structured employment arrangements with incentive compensation. Payment of bonuses has generally depended upon the Company's achievement of pre-tax income targets

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form PRE 14A

established at the beginning of each fiscal year or other significant corporate objectives. Individual performance is also considered in determining bonuses. Certain senior executives receive annual incentive compensation through the stockholder approved Executive Performance Incentive Plan that provides for the payment of annual incentive compensation to participants based upon the achievement of performance goals established annually by the Compensation Committee based on one or more specified performance criteria. The Compensation Committee also administers the calculation of amounts earned under the Executive Performance Incentive Plan.

Long-Term Incentive Compensation

The Company provides long-term incentive compensation through its stock option plan and the issuance of warrants, which is described elsewhere in this proxy statement. The number of shares covered by any grant is generally determined by the then current stock price, subject in certain circumstances, to vesting requirements. In special cases, however, grants may be made to reflect increased responsibilities or reward extraordinary performance.

Chief Executive Officer Compensation

Mr. Powell was elected to the position of chief executive officer in May 1992. Mr. Powell's salary was increased from \$600,000 to \$660,000 effective January 1, 2004. Mr. Powell received a bonus under the Executive Performance Incentive Plan in the amount of \$810,000 during the year ended December 31, 2003. Mr. Powell received common stock warrant and option grants based upon the overall performance of the Company during the year ended December 31, 2003.

The overall goal of the Compensation Committee is to insure that compensation policies are established that are consistent with the Company's strategic business objectives and that provide incentives for the attainment of those objectives. This is affected in the context of a compensation program that includes base pay, annual incentive compensation and stock ownership.

Any action required or permitted to be taken at any annual or special meeting of stockholders may be taken only upon the vote of the stockholders at an annual or special meeting duly noticed and called, as provided in the Bylaws of the Corporation, and may not be taken by a written consent of the stockholders pursuant to the Delaware General Corporation Law.

ARTICLE IX

No director of the Corporation shall be personally liable to the Corporation or its stockholders for monetary damages for any breach of fiduciary duty by such director as a director. Notwithstanding the foregoing sentence, a director shall be liable to the extent provided by applicable law (i) for any breach of the director's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the Delaware General Corporation Law, or (iv) for any transaction from which such director derived an improper personal benefit.

ARTICLE X

(a) Each person who was or is made a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a "proceeding"), by reason of the fact that he or she, or a person of whom he or she is the legal representative, is or was a director or officer of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, whether the basis of such proceeding is alleged action in an official capacity as a director, officer, employee or agent or in any other capacity while serving as a director, officer, employee or agent, shall be indemnified and held harmless by the Corporation to the fullest extent authorized by the Law, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than said law permitted the Corporation to provide prior to such amendment), against all expense, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by such person in connection therewith and such indemnification shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of his or her heirs, executors and administrators: provided, however, that, except as provided in paragraph (b) hereof, the Corporation shall indemnify any such person seeking indemnification in connection with a proceeding (or part thereof) initiated by such person only if such proceeding (or part thereof) was authorized by the board of directors of the Corporation. The right to indemnification conferred in this Article shall be a contract right and shall include the right to be paid by the Corporation the expenses incurred in defending any such proceeding in advance of its final disposition: provided, however, that, if the Law requires, the payment of such expenses incurred by a director or officer in his or her capacity as a director or officer (and not in any other capacity in which service was or is rendered by such person while a director or officer, including, without limitation, service to an employee benefit plan) in advance of the final disposition of a proceeding shall be made only upon delivery to the Corporation of an undertaking, by or on behalf of such director or officer, to repay all amounts so advanced if it shall ultimately be determined that such director or officer is not entitled to be indemnified under this Article or otherwise. The Corporation may, by action of its board of directors, provide indemnification to employees and agents of the Corporation with the same scope and effect as the foregoing indemnification of directors and officers.

(b) If a claim under paragraph (a) of this Article is not paid in full by the Corporation within thirty days after a written claim has been received by the Corporation, the claimant may, at any time thereafter, bring suit against the Corporation to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall be entitled to be paid also the expense of prosecuting such claim. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking, if any is required, has been tendered to the Corporation) that the claimant has not met the standards of conduct which make it permissible under the Law for the Corporation to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including its board of directors, independent legal counsel, or its stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he or she has met the applicable standard of conduct set forth in

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form PRE 14A

the Law, nor an actual determination by the Corporation (including its board of directors, independent legal counsel, or its stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

(c) The right to indemnification and the payment of expenses incurred in defending a proceeding in advance of its final disposition conferred in this Article shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, provision of the Certificate of Incorporation, bylaw, agreement, vote of stockholders or disinterested directors or otherwise.

(d) The Corporation may maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the Corporation or another corporation, partnership, joint venture, trust or other enterprise against any such expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the Law.

ARTICLE XI

Whenever the Corporation shall be authorized to issue only one class of stock, each outstanding share shall entitle the holder thereof to notice of, and the right to vote at, any meeting of stockholders. Whenever the Corporation shall be authorized to issue more than one class of stock, no outstanding share of any class of stock which is denied voting power under the provisions of the Certificate of Incorporation shall entitle the holder thereof to the right to vote at any meeting of stockholders, except as the provisions of the Law shall otherwise require.

ARTICLE XII

The appraisal rights afforded by Section 262 of the Law, subject to the duties and limitations therein contained, shall attach to any proposed amendment of this Certificate of Incorporation which shall attempt to impose, directly or indirectly, personal liability for the debts of the Corporation on any stockholder or stockholders.

ARTICLE XIII

Whenever a compromise or arrangement is proposed between this Corporation and its creditors or any class of them and/or between this Corporation and its stockholders or any class of them, any court of equitable jurisdiction within the State of Delaware may, on the application in a summary way of this Corporation or of any creditor or stockholder thereof or on the application of any receiver or receivers appointed for this Corporation under Section 291 of Title 8 of the Delaware Code or on the application of trustees in dissolution or of any receiver or receivers appointed for this Corporation under Section 279 of Title 8 of the Delaware Code order a meeting of the creditors or class of creditors, and/or of the stockholders or class of stockholders of this Corporation, as the case may be, to be summoned in such manner as the said court directs. If a majority in number representing three fourths in value of the creditors or class of creditors, and/or of the stockholders or class of stockholders of this Corporation, as the case may be, agree to any compromise or arrangement and to any reorganization of this Corporation as consequence of such compromise or arrangement, the said compromise or arrangement and the said reorganization shall, if sanctioned by the court to which the said application has been made, be binding on all the creditors or class or creditors, and/or on all the stockholders or class of stockholders, of this Corporation, as the case may be, and also on this Corporation.

ARTICLE XV

The Corporation reserves the right to repeal, alter, amend, or rescind any provision contained in this Certificate of Incorporation, in the manner now or hereafter prescribed by statute, and all rights conferred on stockholders herein are granted subject to this reservation.

SECTION 3. Administration

(a) Power and Authority of the Committee. The Plan shall be administered by the Committee. Subject to the terms of the Plan and to applicable law, the Committee shall have full power and authority to:

(i) designate Participants;

(ii) determine whether and to what extent any type (or types) of Award is to be granted hereunder;

(iii) determine the number of Shares to be covered by (or the method by which payments or other rights are to be determined in connection with) each Award;

(iv) determine the terms and conditions of any Award or Award Agreement;

(v) subject to Section 11 hereof, amend the terms and conditions of any Award or Award Agreement and accelerate the vesting and/or exercisability of any Option or waive any restrictions relating to any Award; PROVIDED, HOWEVER, that (A) except for adjustments pursuant to Section 5(c) of the Plan, in no event may any Option granted under this Plan be (x) amended to decrease the Exercise Price thereof, (y) cancelled in conjunction with the grant of any new Option with a lower Exercise Price, or (z) otherwise subject to any action that would be treated, for accounting purposes, as a "repricing" of such Option, unless such amendment, cancellation, or action is approved by the stockholders of the Company to the extent required by applicable law and stock exchange rules and (B) the Committee may not adjust upward the amount payable to a Covered Employee with respect to a Qualified Performance-Based Award or waive or alter the Performance Goals associated herewith in a manner that would violate Section 162(m) of the Code;

(vi) determine whether, to what extent and under what circumstances the exercise price of Awards may be paid in cash, Shares, other securities, other Awards or other property, or canceled, forfeited or suspended;

(vii) determine whether, to what extent and under what circumstances cash, Shares, other securities, other Awards, other property and other amounts payable with respect to an Award under the Plan shall be deferred either automatically or at the election of the holder thereof or the Committee;

(viii) interpret and administer the Plan and any instrument or agreement, including an Award Agreement, relating to the Plan;

(ix) adopt, alter, suspend, waive or repeal such rules, guidelines and practices and appoint such agents as it shall deem advisable or appropriate for the proper administration of the Plan; and

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form PRE 14A

(x) make any other determination and take any other action that the Committee deems necessary or desirable for the administration of the Plan. Unless otherwise expressly provided in the Plan, all designations, determinations, interpretations and other decisions under or with respect to the Plan or any Award or Award Agreement shall be within the sole discretion of the Committee, may be made at any time, and shall be final, conclusive and binding upon all persons, including without limitation, the Company, its Affiliates, subsidiaries, stockholders, Eligible Individuals and any holder or beneficiary of any Award.

(b) Action by the Committee; Delegation. Except to the extent prohibited by applicable law or the applicable rules of a Stock Exchange, the Committee may delegate all or any part of its duties and powers under the Plan to one or more persons, including Directors or a committee of Directors, subject to such terms, conditions and limitations as the Committee may establish in its sole discretion; PROVIDED, HOWEVER, that the Committee shall not delegate its powers and duties under the Plan (i) with regard to officers or Directors of the Company or any Affiliate who are subject to Section 16 of the Exchange Act or (ii) in a manner that would cause an Award designated as a Qualified Performance-Based Award not to qualify for, or to cease to qualify for, the Section 162(m) Exemption; and PROVIDED, FURTHER, that any such delegation may be revoked by the Committee at any time.

(c) Power and Authority of the Board. Notwithstanding anything to the contrary contained herein, except to the extent that the grant or exercise of such authority would cause any Award or transaction to become subject to (or lose an exemption under) the short-swing profit recovery provisions of Section 16 of the Exchange Act or cause an Award designated as a Qualified Performance-Based Award not to qualify for, or to cease to qualify for, the Section 162(m) Exemption, the Board may, at any time and from time to time, without any further action of the Committee, exercise the powers and duties of the Committee under the Plan. To the extent that any permitted action taken by the Board conflicts with action taken by the Committee, the Board action shall control.

SECTION 4. Eligibility

Any Eligible Individual shall be eligible to be designated a Participant. In determining which Eligible Individuals shall receive an Award and the terms of any Award, the Committee may take into account the nature of the services rendered by the respective Eligible Individuals, their present and potential contributions to the success of the Company, or such other factors as the Committee, in its discretion, shall deem relevant. All Awards and the terms of any Award to Eligible Individuals who are members of the Committee must also be approved by the Board of Directors. Notwithstanding the foregoing, Incentive Stock Options may be granted only to full-time or part-time Employees (which term as used herein includes, without limitation, officers and Directors who also are Employees), and an Incentive Stock Option shall not be granted to an Employee of an Affiliate unless such Affiliate also is a "subsidiary corporation" of the Company within the meaning of Section 424(f) of the Code or any successor provision.

SECTION 5. Shares Available for Awards

(a) Shares Available. Subject to adjustment as provided in Section 5(c) of the Plan, the aggregate number of Shares that may be issued under the Plan shall be 900,000. Shares that may be issued under the Plan may be authorized but unissued Shares or Shares re-acquired and held in treasury.

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form PRE 14A

(b) Accounting for Awards. For purposes of this Section 5, if an Award entitles the holder thereof to receive or purchase Shares, the number of Shares covered by such Award or to which such Award relates shall be counted on the date of grant of such Award against the aggregate number of Shares available for granting Awards under the Plan. Any Shares that are used by a Participant as full or partial payment to the Company of the purchase price relating to an Award, including in connection with the satisfaction of tax obligations relating to an Award, shall again be available for granting Awards (other than Incentive Stock Options) under the Plan. In addition, if any Shares covered by an Award or to which an Award relates are not purchased or are forfeited, or if an Award otherwise terminates without delivery of any Shares, then the number of Shares counted against the aggregate number of Shares available under the Plan with respect to such Award, to the extent of any such forfeiture or termination, shall again be available for granting Awards under the Plan.

(c) Adjustments. In the event of any change in corporate capitalization (including, but not limited to, a change in the number of Shares outstanding), such as a stock split or a corporate transaction, such as any merger, consolidation, separation, including a spin-off, or other distribution of stock or property of the Company (including any extraordinary cash or stock dividend), any reorganization (whether or not such reorganization comes within the definition of such term in Section 368 of the Code) or any partial or complete liquidation of the Company, the Committee or Board may make such substitution or adjustments in the aggregate number and kind of shares reserved for issuance under the Plan, and the maximum limitation upon Stock Options and Stock Appreciation Rights and other Awards to be granted to any Participant, in the number, kind and Exercise Price of shares subject to outstanding Stock Options and Stock Appreciation Rights, in the number and kind of shares subject to other outstanding Awards granted under the Plan and/or such other equitable substitution or adjustments as it may determine to be appropriate in its sole discretion (including, without limitation, the provision of an amount in cash in consideration for any such Awards); PROVIDED, HOWEVER, that the number of shares subject to any Award shall always be a whole number. Without limiting the generality of the foregoing, in connection with any Disaffiliation of a subsidiary of the Company, the Committee shall have the authority to arrange for the assumption or replacement of Awards with new awards based on shares of the affected subsidiary or by an affiliate of an entity that controls the subsidiary following the Disaffiliation. For purposes hereof, "Disaffiliation" of a subsidiary shall mean the subsidiary's ceasing to be a subsidiary of the Company for any reason (including, without limitation, as a result of a public offering, spinoff, sale or other distribution or transfer by the Company of the stock of the subsidiary).

(d) Award Limitations. No more than 100,000 shares of Common Stock may be subject to Qualified Performance-Based Awards granted to any Eligible Individual, including a Covered Employee, in any Fiscal Year.

SECTION 6. Stock Options

(a) Grant. Subject to the provisions of the Plan, the Committee shall have sole and complete authority to determine the Eligible Individuals to whom Options shall be granted (which may be Nonqualified Stock Options or Incentive Stock Options), the number of shares to be covered by each Option, the exercise price for each Option, and the conditions and limitations applicable to the exercise of each Option. In the case of Incentive Stock Options, the terms and conditions of such grants shall be subject to and comply with such rules as may be prescribed by Section 422 of the Code.

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form PRE 14A

(b) Exercise Price. The Exercise Price per Share purchasable under a Option shall be determined by the Committee; PROVIDED, HOWEVER, that, unless otherwise determined by the Committee, such Exercise Price shall not be less than 100% of the Fair Market Value of a Share on the date of grant of such Option.

(c) Time and Method of Exercise. The Committee shall determine the time or times at which an Option may be exercised in whole or in part and the method or methods by which, and the form or forms (including, without limitation, cash, Shares, other securities, other Awards or other property, or any combination thereof, having a Fair Market Value on the exercise date equal to the applicable Exercise Price) in which, payment of the Exercise Price with respect thereto may be made or deemed to have been made.

(d) Option Term. The term of each Stock Option shall be fixed by the Committee at the time of grant, but in no event shall be more than 10 years from the date of grant.

(e) Incentive Stock Options. The Committee may designate Options as Nonqualified Stock Options or as Incentive Stock Options. Any Incentive Stock Option authorized under the Plan shall contain such provisions as the Committee shall deem advisable, but shall in all events be consistent with and contain all provisions required in order to qualify the Stock Option as an Incentive Stock Option. To the extent that any Stock Option is not designated as an Incentive Stock Option or even if so designated does not qualify as an Incentive Stock Option on or subsequent to its grant date, it shall constitute a Nonqualified Stock Option.

SECTION 7. Stock Appreciation Rights

The Committee is hereby authorized to grant Stock Appreciation Rights to Eligible Individuals subject to the terms of the Plan. Each Stock Appreciation Right granted under the Plan shall confer on the holder upon exercise the right to receive, as determined by the Committee, cash or a number of Shares or a combination of cash and Shares equal to the excess of (A) the Fair Market Value of one Share on the date of exercise (or, if the Committee shall so determine, at any time during a specified period before or after the date of exercise) over (B) the grant price of the Stock Appreciation Right as determined by the Committee, which grant price shall not be less than 100% of the Fair Market Value of one Share on the date of grant of the Stock Appreciation Right, unless otherwise determined by the Committee. Subject to the terms of the Plan, the grant price, term, methods of exercise, dates of exercise, methods of settlement, the effect of termination of employment (by reason of death, disability, retirement or otherwise) on the exercisability and any other terms and conditions (including conditions or restrictions on the exercise thereof) of any Stock Appreciation Right shall be as determined by the Committee, PROVIDED, that in no event shall the term of a Stock Appreciation Right be longer than ten years.

SECTION 8. Performance Shares

(a) The Committee shall have sole and complete authority to determine the Eligible Individuals who shall receive Performance Shares, the number of such shares for each Performance Cycle, the Performance Goals on which each Award shall be contingent, the duration of each Performance Cycle, and the value of each Performance Share. There may be more than one Performance Cycle in existence at any one time, and the duration of Performance Cycle may differ from each other. The Committee may, prior to or at the time of the grant, designate Performance Awards as Qualified Performance-Based Awards, in which event it shall condition the settlement thereof upon the Committee's certification of the attainment of the Performance Goals.

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form PRE 14A

(b) The Committee shall establish Performance Goals for each Cycle on the basis of such criteria and to accomplish such objectives as the Committee may from time to time select.

(c) As soon as practicable after the end of a Performance Cycle, the Committee shall determine the number of Performance Shares which have been earned on the basis of performance in relation to the established Performance Goals.

(d) Payment Values of earned Performance Shares shall be distributed to the Participant or, if the Participant has died, to the Participant's Designated Beneficiary, as soon as practicable after the expiration of the Performance Cycle and the Committee's determination under paragraph (c), above. The Committee shall determine whether Payment Values are to be distributed in the form of cash or shares of Common Stock or a combination of cash and shares of Common Stock.

SECTION 9. Restricted Stock and Restricted Stock Units

The Committee is hereby authorized to grant Restricted Stock and Restricted Stock Units to Eligible Individuals with the following terms and conditions and with such additional terms and conditions not inconsistent with the provisions of the Plan as the Committee shall determine:

(i) Restrictions. Shares of Restricted Stock and Restricted Stock Units shall be subject to such restrictions as the Committee may impose (including, without limitation, limitation on transfer, forfeiture conditions, limitation on the right to vote a Share of Restricted Stock or the right to receive any dividend or other right or property with respect thereto), which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise as the Committee may deem appropriate. The grant or vesting of Restricted Stock and Restricted Stock Units may be performance-based or time-based or both. Restricted Stock and Restricted Stock Units may be Qualified Performance-Based Awards, in which event the grant or vesting, as applicable, of such Restricted Stock or Restricted Stock Units shall be conditioned upon the attainment of Performance Goals.

(ii) Stock Certificates; Delivery of Shares.

(A) Any Restricted Stock granted under the Plan shall be evidenced in such manner as the Committee may deem appropriate, including book-entry registration or issuance of one or more stock certificates. Any certificate issued in respect of shares of Restricted Stock shall be registered in the name of such Participant and shall bear an appropriate legend referring to the applicable Award Agreement and possible forfeiture of such shares of Restricted Stock. The Committee may require that the certificates evidencing such shares be held in custody by the Company until the restrictions thereon shall have lapsed and that, as a condition of any Award of Restricted Stock, the Participant shall have delivered a stock power, endorsed in blank, relating to the Shares covered by such Award.

(B) In the case of Restricted Stock Units, no Shares or other property shall be issued at the time such Awards are granted. Upon the lapse or waiver of restrictions and the restricted period relating to Restricted Stock Units (or at such later time as may be determined by the Committee), Shares or other cash or property shall be issued to the holder of the Restricted Stock Units and evidenced in such manner as the Committee may deem appropriate,

Edgar Filing: FIRST CASH FINANCIAL SERVICES INC - Form PRE 14A

including book-entry registration or issuance of one or more stock certificates.

(iii) Forfeiture. Except as otherwise determined by the Committee, upon a Participant's termination of employment (as determined under criteria established by the Committee) during the applicable restriction period, all applicable Shares of Restricted Stock and Restricted Stock Units at such time subject to restriction shall be forfeited and reacquired by the Company.

SECTION 10. Other Stock-Based Awards

(a) In addition to granting Options, Stock Appreciation Rights, Performance Shares, Restricted Stock and Restricted Stock Units, the Committee shall have authority to grant to Participants Stock Unit Awards that can be in the form of Common Stock or units, the value of which is based, in whole or in part, on the value of Common Stock. Subject to the provisions of the Plan, including Section 10(b) below, Stock Unit Awards shall be subject to such terms, restrictions, conditions, vesting requirements and payment rules (all of which are sometimes hereinafter collectively referred to as "rules") as the Committee may determine in its sole and complete discretion at the time of grant. The rules need not be identical for each Stock Unit Award.

(b) In the sole and complete discretion of the Committee, a Stock Unit Award may be granted subject to the following rules:

(1) Any shares of Common Stock which are part of a Stock Unit Award may not be assigned, sold, transferred, pledged or otherwise encumbered prior to the date on which the Shares are issued or, if later, the date provided by the Committee at the time of grant of the Stock Unit Award.

(2) Stock Unit Awards may provide for the payment of cash consideration by the person to whom such Award is granted or provide that the Award, and any Common Stock to be issued in connection therewith, if applicable, shall be delivered without the payment of cash consideration, provided that for any Common Stock to be purchased in connection with a Stock Unit Award the purchase price shall be at least 50% of the Fair Market Value of such Common Stock on the date such Award is granted.

(3) Stock Unit Awards may relate in whole or in part to certain performance criteria established by the Committee at the time of grant.

(4) Stock Unit Awards may provide for deferred payment schedules and/or vesting over a specified period of employment.

(5) In such circumstances as the Committee may deem advisable, the Committee may waive or otherwise remove, in whole or in part, any restriction or limitation to which a Stock Unit Award was made subject at the time of grant.

(c) In the sole and complete discretion of the Committee, an Award, whether made as a Stock Unit Award under this Section 10 or as an Award granted pursuant to Sections 6 through 9, may provide the Participant with (i) dividends or dividend equivalents (payable on a current or deferred basis) and (ii) cash payments in lieu of or in addition to an Award.

SECTION 11. Amendment and Termination

(a) Amendments to the Plan. The Board may amend, alter, suspend,

discontinue or terminate the Plan at any time; PROVIDED, HOWEVER, that, notwithstanding any other provision of the Plan or any Award Agreement, without the approval of the stockholders of the Company, no amendment, alteration, suspension, discontinuation or termination shall be made that, absent such approval:

(i) requires stockholder approval under the rules or regulations of the Nasdaq Stock Exchange, any other securities exchange or the National Association of Securities Dealers, Inc. that are applicable to the Company;

(ii) increases the number of Shares authorized under the Plan as specified in Section 5(c) of the Plan; or

(iii) without such stockholder approval, would cause the Company to be unable, under the Code, to grant Incentive Stock Options under the Plan.

(b) Amendments to Awards. The Committee may waive any conditions of or rights of the Company under any outstanding Award, prospectively or retroactively. Except as otherwise provided herein or in an Award Agreement, the Committee may not amend, alter, suspend, discontinue or terminate any outstanding Award, prospectively or retroactively, if such action would adversely affect the rights of the holder of such Award, without the consent of the Participant or holder or beneficiary thereof or such amendment would cause a Qualified Performance-Based Award to cease to qualify for the Section 162(m) Exemption.

(c) Correction of Defects, Omissions and Inconsistencies. The Committee may correct any defect, supply any omission or reconcile any inconsistency in the Plan or any Award in the manner and to the extent it shall deem desirable to carry the Plan into effect.

SECTION 12. General Provisions

(a) Withholding. No later than the date as of which an amount first becomes includible in the gross income of a Participant for federal income tax purposes (or the income tax laws of any other foreign jurisdiction) with respect to any Award under the Plan, the Participant shall pay to the Company, or make arrangements satisfactory to the Company regarding the payment of, any federal, state, local or foreign taxes of any kind required by law to be withheld with respect to such amount. The obligations of the Company under the Plan shall be conditional on such payment or arrangements, and the Company and its Affiliates shall, to the extent permitted by law, be entitled to take such action and establish such procedures as it deems appropriate to withhold or collect all applicable payroll, withholding, income or other taxes from such Participant. In order to assist a Participant in paying all or a portion of the federal, state, local and foreign taxes to be withheld or collected upon exercise or receipt of (or the lapse of restrictions relating to) an Award, the Committee, in its discretion and subject to such additional terms and conditions as it may adopt, may permit the Participant to satisfy such tax obligation by (i) electing to have the Company withhold a portion of the Shares or other property otherwise to be delivered upon exercise or receipt of (or the lapse of restrictions relating to) such Award with a Fair Market Value equal to the amount of such taxes or (ii) delivering to the Company Shares or other property other than Shares issuable upon exercise or receipt of (or the lapse of restrictions relating to) such Award with a Fair Market Value equal to the amount of such taxes, PROVIDED that, in either case, not more than the legally required minimum withholding may be settled with Shares. Any such election must be made on or before the date that the amount of tax to be withheld is determined.

(b) Awards. Each Award hereunder shall be evidenced by an Award Agreement, delivered to the Participant or Outside Director and shall specify the terms and conditions thereof and any rules applicable thereto, including but not limited to the effect on such Award of the death, retirement or other termination of employment of the Participant or Outside Director and the effect thereon, if any, of a Change in Control of the Company.

(c) No Rights to Awards. No Eligible Individual or other person shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Eligible Individuals or holders or beneficiaries of Awards under the Plan. The terms and conditions of Awards need not be the same with respect to any Participant or with respect to different Participants.

(d) No Right to Employment. No person shall have any claim or right to be granted an Award, and the grant of an Award shall not be construed as giving a Participant the right to be retained in the employ of the Employer. Further, the Employer expressly reserves the right at any time to dismiss a Participant free from any liability, or any claim under the Plan, except as provided herein or in any agreement entered into with respect to an Award.

(e) No Rights as Stockholder. Subject to the provisions of the applicable Award, no Participant or Designated Beneficiary shall have any rights as a stockholder with respect to any shares of Common Stock to be distributed under the Plan until he or she has become the holder thereof. Notwithstanding the foregoing, in connection with each grant of Restricted Stock or Stock Unit Award hereunder, the applicable Award shall specify if and to what extent the Participant shall not be entitled to the rights of a stockholder in respect of such Restricted Stock or Stock Unit Award.

(f) Construction of the Plan. The validity, construction, interpretation, administration and effect of the Plan and of its rules and regulations, and rights relating to the Plan, shall be determined solely in accordance with the laws of the State of Texas.

(g) Change in Control. In order to preserve Participant's rights under an Award in the event of a transaction or occurrence that the Committee reasonably determines to constitute a change in control of the Company (a "Change-in-Control"), the Committee in its discretion may, at the time an Award is made or any time thereafter, take one or more of the following actions: (i) provide for the acceleration of any time period relating to the exercise of the Award, (ii) provide for the purchase of the Award upon the Participant's request for an amount of cash or other property that could have been received upon the exercise or realization of the Award had the Award been currently exercisable or payable, (iii) adjust the terms of the Award in a manner determined by the Committee to reflect the Change in Control, (iv) cause the Award to be assumed, or new rights substituted therefore, by another entity, or (v) make such other provision as the Committee may consider equitable and in the best interests of the Company.

(h) Forms of Payment Under Awards. Subject to the terms of the Plan, payments or transfers to be made by the Company or an Affiliate upon the grant, exercise or settlement of an Award may be made in such form or forms as the Committee shall determine (including, without limitation, cash, Shares, promissory notes (PROVIDED, HOWEVER, that the acceptance of such notes does not conflict with Section 402 of the Sarbanes-Oxley Act of 2002), other securities, other Awards or other property or any combination thereof), and may be made in a single payment or transfer, in installments or on a deferred basis, in each case in accordance with rules and procedures established by the Committee. Such rules and procedures may include, without

limitation, provisions for the payment or crediting of reasonable interest on installment or deferred payments or the grant or crediting of dividend equivalents with respect to installment or deferred payments.

(i) Section 16 Compliance; Section 162(m) Administration. The Plan is intended to comply in all respects with Rule 16b-3 or any successor provision, as in effect from time to time, and in all events the Plan shall be construed in accordance with the requirements of Rule 16b-3. If any Plan provision does not comply with Rule 16b-3 as hereafter amended or interpreted, the provision shall be deemed inoperative. The Board, in its absolute discretion, may bifurcate the Plan so as to restrict, limit or condition the use of any provision of the Plan with respect to persons who are officers or Directors subject to Section 16 of the Exchange Act without so restricting, limiting or conditioning the Plan with respect to other Eligible Individuals. The Company intends that all Stock Options and Stock Appreciation Rights granted under the Plan to individuals who are or who the Committee believes will be Covered Employees will constitute "qualified performance-based compensation" within the meaning of Section 162(m) of the Code.

(j) Restrictions. Shares shall not be issued pursuant to the exercise or payment of the Exercise Price or purchase price relating to an Award unless such exercise or payment and the issuance and delivery of such Shares pursuant thereto shall comply with all relevant provisions of law, including, without limitation, the Act, the Exchange Act, the rules and regulations promulgated thereunder, the requirements of any applicable stock exchange and the Texas Business Corporations Act, as amended from time to time. As a condition to the exercise or payment of the Exercise Price or purchase price relating to such Award, the Company may require that the person exercising or paying the Exercise Price or purchase price represent and warrant that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation and warranty is required by law. All Shares or other securities delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable, and the Committee may direct appropriate stop transfer orders and cause other legends to be placed on the certificates for such Shares or other securities to reflect such restrictions.

(k) Limits on Transfer of Awards. No Award and no right under any such Award shall be transferable by a Participant otherwise than by will or by the laws of descent and distribution and the Company shall not be required to recognize any attempted assignment of such rights by any Participant; PROVIDED, HOWEVER, that, if so determined by the Committee, a Participant may, in the manner established by the Committee, designate a beneficiary or beneficiaries to exercise the rights of the Participant and receive any property distributable with respect to any Award upon the death of the Participant; and PROVIDED, FURTHER, that, if so determined by the Committee, a Participant may transfer a Nonqualified Stock Option to any Family Member (as such term is defined in the General Instructions to Form S-8 (or successor to such Instructions or such Form)) at any time that such Participant holds such Stock Option, whether directly or indirectly or by means of a trust or partnership or otherwise, PROVIDED that the Participant may not receive any consideration for such transfer, the Family Member may not make any subsequent transfers other than by will or by the laws of descent and distribution and the Company receives written notice of such transfer. Except as otherwise determined by the Committee, each Award (other than an Incentive Stock Option) or right under any such Award shall be exercisable during the Participant's lifetime only by the Participant or, if permissible under applicable law, by the Participant's guardian or legal representative. Except as otherwise determined by the Committee, no Award

(other than an Incentive Stock Option) or right under any such Award may be pledged, alienated, attached or otherwise encumbered, and any purported pledge, alienation, attachment or other encumbrance thereof shall be void and unenforceable against the Company or any Affiliate. Notwithstanding the above, in the discretion of the Committee, awards may be transferable pursuant to a Qualified Domestic Relations Order ("QDRO"), as determined by the Committee or its designee.

(1) Severability. If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Committee, materially altering the purpose or intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction or Award, and the remainder of the Plan or any such Award shall remain in full force and effect.

SECTION 13. Effective Date of Plan

Upon its adoption by the Board, the Plan shall be submitted for approval by the stockholders of the Company and shall be effective as of the date of such approval (the "EFFECTIVE DATE").

SECTION 14. Term of the Plan

The Plan will terminate on the tenth anniversary of the Effective Date or any earlier date of discontinuation or termination established pursuant to Section 3 of the Plan. However, unless otherwise expressly provided in the Plan or in an applicable Award Agreement, any Award theretofore granted may extend beyond such date, and the authority of the Committee provided for hereunder with respect to the Plan and any Awards, and the authority of the Board to amend the Plan, shall extend beyond the termination of the Plan.
