Forward-looking statements appear throughout Item 2 of Part I, "Management's Discussion and Analysis of Financial Condition and Results of Operations" concerning Varsity's seasonal patterns of working capital and revenue and operating results in its business. Certain factors could cause actual results to differ materially from those in the forward-looking statements including without limitation, (i) continuation of historical seasonal patterns of demand for Varsity's products and Varsity's ability to meet the demand; (ii) actions by competitors, including without limitation new product introductions; (iii) the loss of domestic or foreign suppliers; (iv) changes in business strategy or new product lines and Varsity's ability to successfully implement these; (v) moderation of uniform and accessories revenue growth; and (vi) changes in interest rates and general economic conditions. Varsity does not intend to update these forward-looking statements.

Varsity Brands, Inc. and Subsidiaries
Notes to Condensed Consolidated Financial Statements

1. BASIS OF PRESENTATION

The condensed consolidated financial statements represent Varsity Brands, Inc., formerly known as Riddell Sports Inc., ("Varsity" or the "Company") and its wholly-owned subsidiaries. The Company changed its name in September 2001 in conjunction with the sale of the Riddell Group Division in June 2001. See Item 5 below. All significant intercompany accounts and transactions have been eliminated. These statements are unaudited, and in the opinion of management include all adjustments (consisting only of normal recurring adjustments) necessary for fair presentation of Varsity's condensed consolidated financial position and the condensed consolidated results of its operations and cash flows at September 30, 2001 and 2000 and for the periods then ended. Certain information and footnote disclosures made in Varsity's last Annual Report on Form 10-K have been condensed or omitted for these interim statements. Accordingly, these condensed consolidated financial statements should be read in conjunction with Varsity's Annual Report on Form 10-K for the year ended December 31, 2000. Operating results for the nine months ended September 30, 2001 are not necessarily indicative of the results to be expected during the remainder of 2001.

2. DISPOSITION OF ASSETS

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

On June 22, 2001, the Company completed the sale of its Riddell Group Division to an acquisition affiliate of Lincolnshire Management, Inc., a New York based, private-equity fund. The purchase price, which was determined by an arms-length negotiation, was for approximately \$61 million in cash, plus an adjustment to cover seasonal funded indebtedness incurred by the Riddell Group Division during 2001. The current amount of the adjustment is estimated at \$6.4 million for a total purchase price of approximately \$67.4 million.

The sale was made pursuant to a stock purchase agreement dated April 27, 2001 between the Company and Lincolnshire. The Riddell Group Division included: (i) all of the Company's team sports business, excluding Umbro branded team soccer products, (ii) the Company's licensing segment, which allows third-parties to market certain products using the Riddell and MacGregor trademarks, and (iii) the Company's retail segment, including the New York Executive Office, which managed the retail and licensing segments, and marketed a line of sports collectibles and athletic equipment, principally to retailers in the United States, and to a limited extent internationally. In conjunction with the sale of the Riddell Group Division, the Company recognized a decline in value in its net minority investment in a company who makes game uniforms on behalf of the Riddell Group Division. The Company had previously accounted for its investment in the game uniform company using the equity method of accounting. As a result of the sale of the Riddell Group Division and the write-down in the value of its minority investment in the game uniform

8

company, the Company recorded a loss on the sale of the Riddell Group Division of \$20.6 million (\$18.6 million after tax) in the second quarter of 2001.

The net operating results of the Riddell Group Division are presented as income from operations of discontinued businesses in the Condensed Consolidated Statements of Operations. Revenues generated by the Riddell Group Division for the nine-month and three-month periods ended September 30, 2001 and 2000 were \$42.4 million, \$0, \$75.1 million and \$27.2 million, respectively.

In September 2001, the Company settled the litigation that it had brought earlier this year against Umbro Worldwide, Ltd. ("Umbro Worldwide") involving the licensing agreement between the Company and Umbro Worldwide. The license agreement allowed Varsity to sell Umbro branded soccer apparel, equipment and footwear to soccer specialty stores and others in the team channel of distribution, principally in the United States.

In connection with the settlement and in exchange for a lump sum payment of \$5.5 million (\$2.75 million was received on October 1, 2001 and the remaining payment of \$2.75 million is due on January 2, 2002) and Umbro Worldwide's agreement to make certain payments to the Company in the future, including the purchase, at net realizable value, of certain inventory from the Company, for which the Company will receive payments in six consecutive installments commencing in February 2002, the Company has voluntarily agreed to terminate its license effective November 30, 2001. The Company will reflect the transaction as of the effective date upon determination of reserves necessary in conjunction with the purchase of inventory by Umbro Worldwide.

The net operating results of the Umbro Division are presented in income from discontinued operations of discontinued businesses in the Condensed Consolidated Statements of Operations. Revenues generated by the Umbro division for the nine-month and three-month periods ended September 30, 2001 and 2000 were \$8.6 million, \$3.9 million, \$8.1 million and \$3.4 million, respectively.

4. RECEIVABLES

Accounts receivable include unbilled shipments of approximately \$1,636,000, \$350,000 and \$3,240,000 at September 30, 2001, December 31, 2000 and September 30, 2000, respectively. It is Varsity's policy to record revenues when the related goods have been shipped. Unbilled shipments represent receivables for shipments that have not yet been invoiced. These amounts relate principally to partial shipments to customers who are not invoiced until their order is shipped in its entirety or customers with orders containing other terms that require a deferral in the issuance of the invoice. Management believes that substantially all of these unbilled receivables will be invoiced within the current sales season.

6. SUPPLEMENTAL CASH FLOW INFORMATION

Cash paid for interest was \$6,780,000 and \$7,036,000 for the three-month periods ended September 30, 2001 and 2000, respectively, and \$14,349,000 and \$14,730,000 for the nine-month periods ended September 30, 2001 and 2000, respectively. During the nine months ended September 30, 2001, Varsity received an income tax refund of approximately \$1,500,000 related to a carry back of net operating losses of its Varsity Spirit Corporation subsidiary for periods preceding the 1997 acquisition of Varsity Spirit Corporation. This tax refund had been recorded as a receivable at the time of the acquisition. Other income tax payments, or refunds, were not significant for the other three periods ended September 30, 2001 and 2000.

During the nine-month period ended September 30, 2000, Varsity issued shares of its common stock, valued at \$169,000 based on quoted market values at the time of grant, to certain employees in satisfaction of an accrual for compensation included in accrued liabilities at December 31, 1999.

7. INCOME TAXES

Operating results for the three and nine-month periods ended September 30, 2001, reflect an income tax expense based on the anticipated effective annual rate for 2001. The anticipated effective annual tax rate is estimated based on remaining net operating loss carryforwards and anticipated income and non-deductible expenses for the year. The actual tax rate for the year could vary substantially from the anticipated rate due to the use of these estimates.

Operating results from continuing operations for the three and nine-month periods ended September 30, 2000 included no income tax expense or benefit because net operating loss carryforwards were available to offset income taxes for the year ended December 31, 2000.

The Company recorded a \$1 million income tax expense in conjunction with the extraordinary gain realized on the retirement of Senior Notes during the third quarter of 2001. This expense is shown as a reduction of the extraordinary gain on retirement of bonds in the Condensed Consolidated Statements of Operations.

A tax benefit of \$2,040,000 was recognized in the second quarter of 2001 in conjunction with the loss realized on the sale of the Riddell Sports Group. This benefit is included in Discontinued operations - Loss on disposal of businesses in the Condensed Consolidated Statement of Operations.

9. SUBSEQUENT EVENT

Subsequent to September 30, 2001, the Company repurchased an additional \$1.8 million of its 10.5% Senior Notes for a total cost, including commissions, of \$1.3 million. As a result of these repurchases, the Company will recognize an extraordinary gain, before tax, of approximately \$0.5 million.

On November 14, 2001, the Board of Directors authorized the Company to expend up to \$23.1 million of the cash proceeds from the sale of RGD to tender for the repurchase of some of the Company's 10.5% senior notes. The Board authorized the Company to offer a minimum of \$700 and a maximum of \$800 per \$1,000 in principal amount to acquire such notes.

10. RECLASSIFICATION OF PRIOR PERIODS

Certain prior period balances have been reclassified to conform to current year presentation.

Item 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

RESULTS OF OPERATIONS

Overview and seasonality

On June 22, 2001, the Company completed the sale of its Riddell Group Division ("RGD") to an acquisition affiliate of Lincolnshire Management, Inc., a New York based private equity fund. In conjunction with this sale, the Company wrote down its net minority investment in an entity that provides game uniforms to RGD. As a result of these two transactions, the Company recorded a loss of \$20.6 million (\$18.6 million after tax). In September 2001, the Company settled the litigation that had been brought earlier this year against Umbro Worldwide, Ltd. ("Umbro Worldwide") involving its licensing agreement between the Company and Umbro Worldwide. In connection with the settlement and in exchange for an upfront payment and Umbro Worldwide's agreement to make certain additional payments to the Company, until the third quarter of 2002, the Company has voluntarily agreed to terminate its license effective November 30, 2001. The Company will reflect the transaction as of the effective date upon determination of reserves necessary in conjunction with the purchase of inventory by Umbro Worldwide.. RGD's and Umbro's operating results are shown as income from operations of discontinued businesses in the Condensed Consolidated Statements of Operations.

RGD included: (i) all of the Company's Team Sports business, excluding Umbro branded team soccer products, (ii) the Company's licensing segment, which allowed third-parties to market certain products using the Riddell and MacGregor trademarks, and (iii) the Company's retail segment, which marketed a line of sports collectibles and athletic equipment to retailers.

The Umbro operations that are being discontinued as a result of the termination of the license with Umbro Worldwide included sales of Umbro branded soccer apparel, equipment and footwear to soccer specialty stores and others in the team channel of distribution, primarily in the United States.

As a result of the sale of RGD and the discontinuance of the Umbro license, Varsity's continuing financial results consist of operations within the school spirit industry, including: (i) the design, market and manufacture of cheerleader and dance team uniforms and accessories, (ii) the operation of cheerleading and dance team camps throughout the United States, (iii) the production of nationally televised cheerleading and dance team championships and other special events and (iv) the operation of studio dance competitions and conventions.

14

During the third quarter of 2001, the Company used a portion of the proceeds received from the sale of RGD to repurchase \$10 million of its 10.5% Senior Notes for a total cost, including commissions, of \$7.1 million. As a result of the repurchase, the Company recognized an extraordinary gain of approximately \$1.6 million, net of income taxes, commissions and related debt acquisition costs. Subsequent to September 30, 2001, the Company repurchased \$1.8 million of its 10.5% Senior Notes for a total cost, including commissions, of \$1.3 million, resulting in an extraordinary gain, before tax, of \$0.5 million.

The Company posted net income of \$8.7 million, or \$0.79 per diluted share, for the third quarter of 2001, compared with earnings of \$10.1 million, or \$0.92 per diluted share, a year earlier.

Operating income before interest, taxes, discontinued operations and

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

extraordinary items for the third quarter of 2001 increased \$0.4 million, or 3%, to \$11.8 million from \$11.4 million in the third quarter of 2000. For the nine-month period, operating income before interest, taxes, discontinued operations and extraordinary items increased \$2.4 million, or 16%, in 2001 to \$17.2 million from \$14.8 million in 2000. Varsity benefited from increases in revenues and decreases in selling, general and administrative expenses as a percentage of sales, as described in more detail in the discussion which follows this overview.

The Company's operations are highly seasonal. In recent years, the Company's operations have been profitable in the second and third quarters, with the third quarter typically the strongest, while losses have typically been incurred in the first and fourth quarters.

The operating results of RGD and the Umbro Division are reported as income from operations of discontinued businesses in the Condensed Consolidated Statements of Operations. The following management's discussion and analysis of financial condition reflects changes occurring in the Company's income from continuing operations, exclusive of the discontinued operations of RGD and the Umbro division.

Revenues

Revenues for the three-month period ended September 30, 2001 increased by \$2.4 million, or 4%, to \$60.1 million from \$57.7 million in the third quarter of 2000. For the nine-month period ended September 30, 2001, revenues increased by \$11.5 million, or 10%, to \$130.8 million from \$119.3 million for the first nine months of 2000.

15

Revenues from the sale of uniforms and accessories increased by \$0.7 million, or 2%, to \$32.0 million in the second quarter of 2001 from \$31.3 million for the second quarter of 2000. For the nine-month period, uniform and accessories revenues increased by \$8.2 million, or 12%, to \$76.0 million in 2001 from \$67.8 million in 2000. This increase was attributable to an overall strong increase in most product categories, primarily uniforms and lettering, offset by a slight decrease in campwear and shoe sales. The significant increase in revenues is a direct result of quicker delivery of uniforms and accessories combined with higher merchandise sales generated at our instructional camps. The improvement in delivery times is partially attributable to improvements made to the Company's order entry system combined with better availability of inventory items for delivery. The improvement in camp merchandise sales is partially attributable to the consolidation of merchandising and warehousing activities within our camps and events divisions.

Revenues from camps and events increased by \$1.8 million, or 7%, to \$28.1 million in the third quarter of 2001 from \$26.3 million in the third quarter of 2000. For the nine-month period, camps and events revenues increased by \$3.3 million, or 6%, to \$54.8 million in 2001 from \$51.5 million in 2000. The increase in revenues for the nine-month period is directly attributable to the following: (i) a 50% revenue growth, or \$0.6 million, in our studio dance competitions and conventions, such growth being directly attributable to the acquisition of the assets of the Netherland Corporation, an operator of dance competitions, in June 2000, and (ii) a 7% increase in camp participants during the first nine months of 2001 as compared to the same period in 2000. Such increases were offset somewhat by a decrease in the number of choir and band tours handled by the Company's group tour business during the first nine months

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

of 2001. The three month increase in revenues is directly attributable to the increase in camp participants, offset by the decrease in group tour business and by \$0.4 million loss of revenues related to a change in the timing of the Co. Dance National Finals from the third quarter of 2000 to the second quarter of 2001.

Gross Profit

Gross profit for the third quarter of 2001 increased by 3% to \$24.5 million from \$23.8 million in the third quarter of 2000 and for the nine-month period increased by 11% to \$53.7 million in 2001 from \$48.4 million in 2000. Gross margin rates decreased by 0.6 percentage points to 40.7% in the third quarter of 2001 from 41.3% in the third quarter of 2000. For the year-to-date period, gross margin rates increased to 41.1% in 2001 from 40.5% in 2000.

Gross margin rates for the uniforms and accessories segment decreased to 48.9% in the third quarter of 2001 from 49.4% in the third quarter of 2000. For the nine-month period the segment's margin rates decreased to 46.9% in 2001 from 47.3% in 2000. These decreases are a result of lower margins earned on the new performance dance wear line as compared to our other uniform lines combined with slightly higher manufacturing costs associated with the new warehouse and production facility.

16

Gross margin rates for the camps and events segment decreased to 31.4% in the third quarter of 2001 from 31.6% in the third quarter of 2000. For the nine-month period the segment's margin rates increased to 33.0% in 2001 from 31.8% in 2000. The increase in the nine month gross margin rate is primarily due to the overall decrease in the Company's 2001 group tour operations, which have historically generated lower gross margins than the other parts of the Company's business; therefore, the decrease in group tour operations resulted in an overall increase in the segment's gross margin rate. The increase is also partially due to increased participation in the Company's studio dance competitions and conventions which have historically generated higher gross margins than the cheerleading and dance camps.

Selling, general and administrative

Selling, general and administrative expenses decreased as a percentage of revenues to 21.1% in the third quarter of 2001 from 21.4% in the third quarter of 2000. For the nine-month period, selling, general and administrative expense as a percentage of revenues decreased slightly to 27.9% in 2001 from 28.1% in 2000. The improvement is principally due to economies of scale realized by spreading fixed and certain variable administrative expenses over a greater revenue base.

Selling, general and administrative expenses as a percentage of revenues with respect to the uniforms and accessories segment decreased to 26.0% in the third quarter of 2001 from 26.5% in the third quarter of 2000. For the nine-month period the segment's selling, general and administrative expense ratio decreased to 30.0% in 2001 from 31.5% in 2000. These gains were due to improved economies of scale as discussed in the preceding paragraph.

Selling, general and administrative expense ratios for the camps and events segment increased to 14.4% in the third quarter of 2001 from 14.0% in the second quarter of 2000. For the nine-month period the segment's expense ratio

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

increased to 22.3% in 2001 from 20.7% in 2000. Both the three-month and the nine-month increases are due to additional overhead incurred as a result of the acquisition of the assets of the Netherland Corporation in June 2000. Netherland's management team is responsible for managing the Company's studio dance competitions and conventions, as well as the Company's line of performance and recital dance wear, introduced during fiscal 2000.

Interest Expense

Interest expense for the nine-month period ended September 30, 2001 has been reduced by \$3.1 million as a result of an allocation of interest expense to the discontinued operations of RGD. Interest allocated to discontinued operations for the nine-month period ended September 30, 2000 is \$3.2 million.

17

Interest expense, after the allocation of interest to discontinued operations, decreased by \$0.8 million to \$3.0 million in the third quarter of 2001 from \$3.8 million in the third quarter of 2000. For the nine-month period ended September 30, 2001, interest expense decreased by \$1.8 million to \$7.5 million from \$9.3 million in the first nine months of 2000. Interest expense for both periods decreased due to lower interest on the revolving line of credit resulting from lower outstanding indebtedness and decreases in the prime and LIBOR interest rates during 2001. The net interest expense for the year also decreased due to the receipt of interest income of approximately \$250,000 as part of a federal tax refund and interest earned on the net cash proceeds received from the sale of RGD. The tax refund related to a carry back of net operating losses of the Company's Varsity Spirit Corporation subsidiaries for periods preceding the 1997 acquisition of Varsity Spirit Corporation. The tax refund was for approximately \$1.5 million and was recorded as a receivable at the time of acquisition.

As a result of the sale of RGD, the Company used a portion of the proceeds received, approximately \$32.7 million, to paydown all of the indebtedness then outstanding on its line of credit agreement. See "Liquidity and Capital Resources" below.

During the third quarter, the Company used a portion of the net proceeds received from the sale of RGD to repurchase \$10 million of its 10.5% Senior Notes for a total cost, including commissions, of \$7.1 million. As a result of the repurchase, the Company recognized an extraordinary gain of approximately \$1.6 million, net of income taxes, commissions and related debt acquisition costs. Subsequent to September 30, 2001, the Company repurchased \$1.8 million of its 10.5% Senior Notes for a total cost, including commissions, of \$1.3 million, resulting in an extraordinary gain, before tax, of \$0.5 million.

Income Taxes

Operating results for the three and nine-month periods ended September 30, 2001, reflect an income tax expense based upon the anticipated effective annual rate for 2001. The anticipated effective annual rate is estimated based upon the remaining net operating loss carryforwards and anticipated income and non-deductible expenses for the year. The actual tax rate for the year could vary substantially from the anticipated rate due to the use of these estimates.

Operating results from continuing operations for the three and nine-month periods ended September 30, 2000 included no income tax expense or credit because management anticipates net operating loss carryforwards will be

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

available to offset income taxes for the year ended December 31, 2000.

The Company recorded a \$1 million income tax expense in conjunction with the extraordinary gain realized on the retirement of Senior Notes during the third quarter of 2001. This expense is shown as a reduction of the extraordinary gain on retirement of bonds in the Condensed Consolidated Statements of Operations.

18

The Company has recorded an income tax benefit of \$2.1 million in conjunction with the loss on sale of RGD. This benefit is shown as a reduction of the loss on disposal of businesses in the Condensed Consolidated Statements of Operations.

Liquidity and Capital Resources

The seasonality of the Company's working capital needs is impacted by three key factors. First, a significant portion of the products the Company sells in the uniforms and accessories segment are sold in the late spring and summer, with the related receivables collected in the fall and early winter after the new school year begins. Second, the Company incurs costs related to the Company's summer camp business from the fourth quarter and into the second quarter as the Company prepares for the upcoming camp season, while camp revenues are mostly collected in the mid-May to August period. Lastly, the Company's debt structure impacts working capital requirements, as the semi-annual interest payments on the Company's 10.5% Senior Notes come due each January and July.

To finance these seasonal working capital demands, the Company maintains a credit facility in the form of a revolving line of credit. Historically, the outstanding balance on the credit facility usually follows the seasonal cycles described above, increasing during the early part of the operating cycle in the first and second quarters of each year and then decreasing from the middle of the third quarter and into the fourth quarter as collections are used to reduce the outstanding balance. Such seasonality should continue in the future.

A portion of the proceeds received from the sale of the RGD were used to repay all of the then outstanding indebtedness, approximately \$32.7 million, on the revolving line of credit. Outstanding balances under the revolving credit line were \$16.4 million at December 31, 2000 and \$27.8 million at September 30, 2000.

In conjunction with the sale of RGD and the subsequent repayment of the then outstanding indebtedness under its revolving line of credit facility, the Company amended and reduced its revolving line of credit agreement from \$48 million to \$15 million.

According to the terms of the 10.5% Senior Notes Agreement, the use of the proceeds received from the sale of the RGD, net of applicable expenses, is limited to the reduction of existing senior indebtedness, reinvestment in the business and/or the acquisitions of outside business interests; provided, in the event that the Company has not executed a reinvestment in the business and/or acquisition(s) of outside business interests within two hundred and seventy (270) days after the receipt of proceeds from the sale of RGD, the Company is required, under the terms of the 10.5% Senior Notes Agreement, to offer to repurchase the Senior Notes at par. Net cash proceeds remaining from the sale of RGD, are approximately \$23.1 million as of November 14, 2001.

The Company's current debt service obligations are significant and, accordingly, the Company's ability to meet its debt service and other obligations will depend on the Company's future performance and is subject to financial, economic and other factors, some of which are beyond the Company's control. Furthermore, due to the seasonality of the Company's working capital demands described above, year-over-year growth in the Company's business and working capital requirements could lead to higher debt levels in future periods. Management believes operating cash flow together with funds available from the Company's credit facility will be sufficient to fund the Company's current debt service, seasonal capital expenditures and other working capital requirements. However, many factors, including growth and expansion of the Company's business, could necessitate the need for increased lines of credit or other changes in the Company's credit facilities in the future.

Accounting Pronouncements

In June 2001, Statement of Financial Accounting Standards No. 141 ("SFAS 141"), "Business Combinations" was issued and is applicable to all business combinations initiated after June 30, 2001 and to all business combinations accounted for using the purchase method for which the date of acquisition is July 1, 2001 or later. SFAS 141 requires all business combinations to be accounted for by the purchase method of accounting. It also requires separate recognition of intangible assets that can be identified and named and also requires disclosure of the primary reasons for the business combination and the allocation of the purchase price by balance sheet caption. The Company does not presently expect the adoption of SFAS 141 to have a material effect on the Company's financial statements taken as a whole.

In June 2001, Statement of Financial Accounting Standards No. 142 ("SFAS 142"), "Goodwill and Other Intangible Assets" was issued and is effective for all fiscal years beginning after December 15, 2001. SFAS 142 changes the methods of amortizing goodwill and intangible assets. Goodwill and intangible assets that have indefinite useful lives will not be amortized but will be tested annually for impairment. Intangible assets with finite useful lives will continue to be amortized over their useful lives. The statement provides specific guidance for testing goodwill for impairment. Goodwill will be tested at least annually with a two-step process that begins with an estimation of the fair value of the reporting unit. SFAS 142 is required to be applied at the beginning of an entity's fiscal year with impairment losses that arise from the initial application of this Statement to be reported as resulting from a change in accounting principle. The Company will implement SFAS 142 as of the beginning of fiscal 2002. The Company has not determined the impact of this statement on the carrying value of its goodwill and other long-lived intangible assets.

10.1. TRANSACTIONS WITH AFFILIATES.

(a) The Company will not and will not permit any of its Subsidiaries to enter into directly or indirectly any Affiliate Transaction except upon fair and reasonable terms no less favorable to the Company or such Subsidiary than would be obtainable in a comparable arm's-length transaction with a Person not an Affiliate;

(b) Furthermore, only at such times that (x) at least \$3,750,000 aggregate principal amount of the Note is outstanding and (y) Angelo, Gordon & Co. owns or controls directly or through its ownership of the voting stock of Silver Oak or otherwise at least 50% of the outstanding principal amount of the Note, then:

(i) the Company will not and will not permit any of its Subsidiaries to enter into directly or indirectly any Affiliate Transaction with an aggregate value of more than \$100,000 in any twelve month period (subject to the adjustment provided in Section 10.1(c)) unless (A) such Affiliate Transaction is approved by the majority of the independent directors (as defined in Regulation Section 1.162-27(e)(3) promulgated under Section 162(m) of the Code (as in effect on the Original Effective Date)) of the Company's Board of Directors; and (B) at least three days before entering into any such Affiliate Transaction the Company describes such transaction to Angelo, Gordon & Co. and indicates whether or not approval of the independent directors was obtained; and

(ii) if the Company or any of its Subsidiaries proposes to enter into directly or indirectly any Affiliate Transaction

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

with an aggregate value of more than \$250,000 in any twelve month period (subject to the adjustment provided in Section 10.1(c)), then it shall notify Angelo, Gordon & Co. of the terms of such proposed transaction, and the Company or such Subsidiary shall not enter into such proposed transaction if Angelo, Gordon & Co. objects directly to the Company's Chief Executive Officer, President or Senior Financial Officer within 10 Business Days after such notice is delivered; provided, however, that if Angelo, Gordon and Co. objects within such 10 Business Days, then the Company or such Subsidiary may enter into such Affiliate Transaction if it supplies Angelo, Gordon & Co. with a copy of a written opinion from an independent investment bank or firm of independent certified public

17

accountants (other than the Company's auditors) that the Affiliate Transaction is on terms that are fair and reasonable and no less favorable to the Company or such Subsidiary than would be obtained in a comparable arm's-length transaction with a Person not an Affiliate of the Company.

(c) For purposes of determining the threshold amounts set forth in Sections 10.1(b)(i) and (ii), such amounts shall be adjusted on each anniversary of the Original Effective Date to reflect the aggregate percentage increase (measured on a compounded basis) since the Original Effective Date (or to reflect the aggregate percentage increase (measured on a compounded basis) from the Original Effective Date to October 30, 2000 if the date of adjustment is prior to October 30, 2001) in the Consumer Price Index-Urban Consumer as reprinted by the Bureau of Labor Statistics of the U.S. Department of Labor or superseding index or report whether published by the Department of Labor or otherwise.

(d) Notwithstanding the foregoing, any loan from an Affiliate to the Company or any of its Subsidiaries will be deemed to have been made on fair and reasonable terms no less favorable to the Company or such Subsidiary than would be obtainable in a comparable arm's-length transaction with a Person not an Affiliate pursuant to Section 10.1(a) if such loan (i) requires payments of interest (or interest accrues) at the annual rate of not more than Prime plus 3%, (ii) is PARI PASSU or subordinated in right payment to the Note, and (iii) does not involve the issuance of any warrant or other additional consideration from the Company or any Subsidiary.

(e) Notwithstanding anything to the contrary in Sections 10.1(a) and 10(b), the Company may enter into any Affiliate Transaction with a Subsidiary that is not a wholly-owned Subsidiary so long as such transaction is in the ordinary course of the Company's business (such as an intercompany loan or payroll funding) and upon usual and customary terms for such transactions.

10.2. MERGER; PURCHASE OF ASSETS; ACQUISITIONS; ETC.

The Company will not (i) merge or consolidate or amalgamate with any other Person or convey, transfer or lease substantially all of its properties or assets as an entirety in a single transaction or series of transactions to any Person unless (X) either (1) the Company shall be the continuing Person, or (2) the Person formed by such consolidation or into which the Company is merged or to which all or substantially all of the properties and

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

assets of the Company are transferred as an entirety (the Company or such other Person being hereinafter referred to as the "Surviving Person") shall be a corporation or partnership organized and validly existing under the laws of the United States, any state thereof or the District of Columbia, and, if the Company is a party to such consolidation, merger or transfer, the Surviving Person shall assume all of the obligations of the Company under this Agreement and the Note; (Y) immediately after giving effect to such transaction, no Default or Event of Default and no event which, after notice or lapse of time or both, would become an Event of Default, shall have happened

18

and be continuing; and (Z) the Company has delivered to you an Officer's Certificate stating that such consolidation, merger, transfer, conveyance or other disposition complies with this Section 10.2 and that all conditions precedent herein provided relating to such transaction have been satisfied; PROVIDED, HOWEVER, that the Company or its Subsidiaries may merge with and among each other so long as one of the Company or such Subsidiaries is the survivor of the merger and no other third party is a party to such merger or consolidation.

10.3. ANTI-LAYERING.

Company will not, directly or indirectly, incur or suffer to exist any Indebtedness that is subordinate in right of payment to any Indebtedness of the Company, unless such Indebtedness is PARI PASSU with or is subordinate in right of payment to the Note.

10.4. LIMITATIONS ON GRANTS OF OPTIONS.

The Company will not grant to any Persons (including without limitation any officer or director of the Company) on any date during any Contract Year, Incentive Stock Options to acquire more than the number of shares of Common Stock equal to the difference between the (x) applicable Adjusted Cumulative Quota for the Contract Year in which the grant is proposed to be made reduced by (y) the aggregate number of shares of Common Stock underlying Incentive Stock Options previously granted to any Persons (including without limitation any officer or director of the Company) during the period commencing on the Original Effective Date and through such proposed date of grant. Notwithstanding the foregoing, in connection with the hiring of Varsity Employees by the Company or any of its Subsidiaries, the Company may grant to the Varsity Employees Incentive Stock Options to acquire up to 950,000 shares of Common Stock in the aggregate without regard to the limitations on grants of options set forth in the immediately preceding sentence. Further, no adjustment to the Conversion Price need be made pursuant to Section 14.4(e) as the result of granting any such options to Varsity Employees with a per share exercise price less than the current market price on the date of grant unless the cumulative effect of any such adjustments and any other actual or hypothetical adjustments that would be made under Section 14.4(e) resulting from the Company's issuance of any shares of its Common Stock to any Varsity Employee pursuant to the Merger Agreement at a per share price less than the current market price on the date of actual issuance (notwithstanding the terms of Section 14.4(e)) would require a decrease of at least \$.05 per share to the Conversion Price.

"CONTRACT YEAR" shall mean the period commencing on the Original Effective Date and ending on the first anniversary thereof and each succeeding twelve month period thereafter.

"INCENTIVE STOCK OPTIONS" shall mean options (whether or not such options constitute incentive stock options (as defined under Sections 421 and

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

422 of the Code)) to acquire Common Stock granted by the Company or any of its Subsidiaries pursuant to the terms of the Company's Incentive Stock Option Plans.

19

"CUMULATIVE QUOTA" shall mean with respect to each Contract Year, the number of shares of Common Stock set forth below:

First Contract Year	250,000
Second Contract Year	750,000
Third Contract Year	1,250,000
Fourth Contract Year	1,750,000
Fifth Contract Year	2,250,000

Seventh Contract Year	3,500,000
Eighth Contract Year	4,250,000
Ninth Contract Year	5,000,000
Tenth Contract Year	5,750,000
Eleventh Contract Year	6,500,000

"ADJUSTED CUMULATIVE QUOTA" for any Contract Year shall be the number of shares of Common Stock constituting the applicable Cumulative Quota for such year increased (or, in the case of a reverse stock split, reduced) upon the occurrence of each event described in Section 14.4(a) or (c) by the percentage that the total number of outstanding shares of Common Stock will be proportionately increased (or, in the case of reverse stock split, reduced) as a result of such event; it being understood that such adjustment shall be effective and determined on the same date(s) that the Conversion Price would be adjusted pursuant to such Sections.

11. EVENTS OF DEFAULT.

An "EVENT OF DEFAULT" shall exist if any of the following conditions or events shall occur and be continuing:

As used in Section 11 (j), the terms "EMPLOYEE BENEFIT PLAN" and "EMPLOYEE WELFARE BENEFIT PLAN" shall have the respective meanings assigned to such terms in Section 3 of ERISA.

12. REMEDIES ON DEFAULT, ETC.

12.1. ACCELERATION.

If an Event of Default has occurred and is continuing, the Majority Lenders may, by written notice to the Company, declare the Note to be immediately due and payable.

Upon becoming due and payable under this Section 12.1, the Note will forthwith mature and the entire unpaid principal amount of such Note, plus all accrued and unpaid interest thereon shall all be immediately due and payable, in each and every case without demand, protest or further notice, all of which are hereby waived.

12.2. OTHER REMEDIES.

If any Default or Event of Default has occurred and is continuing, and irrespective of whether the Note has become or has been declared immediately due and payable under Section 12.1, you may proceed to protect and enforce your rights by an action at law, suit in equity or other appropriate proceeding, whether for the specific

22

performance of any agreement contained herein or in the Note, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law or otherwise.

12.3. NO WAIVERS OR ELECTION OF REMEDIES, EXPENSES, ETC.

No course of dealing and no delay on your part in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice your rights, powers or remedies. No right, power or remedy conferred by this

Without limiting the obligations of the Company under Section 15, the Company will pay to you on demand such further amount as shall be sufficient to cover the reasonable costs and expenses of you incurred in any enforcement or collection under this Section 12, including, without limitation, reasonable fees, expenses and disbursements of one counsel representing you (and all other holders of the Note).

13. SUBORDINATION.

13.1. NOTE SUBORDINATED TO SENIOR INDEBTEDNESS.

The Company, for itself and its successors, and you agree that (a) the payment of the principal of, premium, if any, and interest on the Note and (b) any payment on account of the acquisition or redemption of the Note by the Company or any of its Subsidiaries, including, without limitation, any payment pursuant to Section 8 hereof, is subordinated, to the extent and in the manner provided in this Section 13, to the prior payment in full of all Senior Indebtedness of the Company and its Subsidiaries and that these subordination provisions are for the benefit of the holders of Senior Indebtedness.

This Section 13 shall constitute a continuing offer to all Persons who, in reliance upon such provisions, become holders of, or continue to hold, Senior Indebtedness, and such provisions are made for the benefit of the holders of Senior Indebtedness, and such holders are made obligees hereunder and any one or more of them may enforce such provisions.

13.2. NO PAYMENT ON THE NOTE IN CERTAIN CIRCUMSTANCES.

(a) No payment shall be made by the Company or any Subsidiary on account of principal of, premium, if any, or interest on the Note or on account of the redemption, repurchase, acceleration or other acquisition of the Note (other than in the form of Common Stock or other capital stock of the Company), or on account of the Subordinated Guaranty if there shall have occurred and be continuing a default in the payment of all or any portion of the obligations on any Senior Indebtedness (a "Senior Payment Default") until such Senior Payment Default shall have been cured or waived or shall have ceased to exist.

23

(b) During the continuance of any non-payment default or event of default with respect to Senior Indebtedness pursuant to which the maturity thereof may be accelerated, and upon receipt by you of notice thereof from the holders of more than a majority of the aggregate principal amount of Senior Indebtedness then outstanding (a "Senior Non-Payment Default"), then, unless and until (i) such default or event of default shall have been cured or waived or have ceased to exist, or (ii) a Default under either Section 11(g) or Section 11(h) hereof involving the Company or any Subsidiary of the Company shall have occurred and be continuing, or (iii) such Senior Indebtedness shall have been paid in full (each of clause (i), (ii) and (iii) being a "Blockage Termination Event"), no payment or distribution (other than in the form of Common Stock or other capital stock of the Company) will be made by or on behalf of the Company or any Subsidiary of the Company on account of or with respect to the Note during a period (a "Blockage Period") commencing on the date of receipt of such notice and ending 179 days thereafter.

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

(c) Notwithstanding anything herein to the contrary, (i) in no event will a Blockage Period extend beyond the 179 days from the date the payment on the Note was due and (ii) there must be 180 days in any 365 day period during which no Blockage Period is in effect. Not more than one Blockage Period may be commenced with respect to the Note during any period of 365 consecutive days. No default or event of default that existed or was continuing on the date of commencement of any Blockage Period with respect to the Senior Indebtedness initiating such Blockage Period may be, or be made, the basis for the commencement of any other Blockage Period by the holders of such Senior Indebtedness, whether or not within a period of 365 consecutive days, unless such default or event of default has been cured or waived for a period of not less than 90 consecutive days.

(d) In furtherance of the provisions of Section 13.1 hereof, in the event that, notwithstanding the foregoing provisions of this Section 13.2, any payment or distribution of assets on account of principal of, premium, if any, or interest on the Note shall be made by the Company or any Subsidiary of the Company and received by you at a time when such payment or distribution was prohibited by the provisions of this Section 13.2, then, unless such payment or distribution is no longer prohibited by this Section 13.2, such payment or distribution (subject to the provisions of Sections 13.6 and 13.7 hereof) shall be received and held in trust by you for the benefit of the holders of Senior Indebtedness, and shall be paid or delivered by you, to the holders of Senior Indebtedness remaining unpaid and unprovided for or their representative or representatives, or to the trustee or trustees under any indenture pursuant to which any instruments evidencing any of such Senior Indebtedness may have been issued, ratably according to the aggregate amounts on account of the Senior Indebtedness held or represented by each, to the extent necessary to enable payment in full (except as such payment otherwise shall have been provided for), of all Senior Indebtedness remaining unpaid, after giving effect to all concurrent payments and distributions and all provisions therefor, to or for the holders of such Senior Indebtedness. Your

24

obligations under this Section 13.2(d) shall only be to the extent that any holder of such Senior Indebtedness, as promptly as practical following notice from you to the holders of such Senior Indebtedness that such prohibited payment has been received by you, and requesting from such holder of Senior Indebtedness a statement of amounts owing such holder, such holder (or a representative thereof) notifies you of the amounts then due and owing on such Senior Indebtedness, if any, held by such holder and only the amounts specified in such notices to you shall be paid hereunder to the holders of such Senior Indebtedness.

(e) The Company shall give prompt written notice to you of any default or event of default, and any cure or waiver thereof, or any acceleration under any Senior Indebtedness or under any agreement pursuant to which Senior Indebtedness may have been issued.

13.3. NOTE SUBORDINATED TO PRIOR PAYMENT OF ALL SENIOR INDEBTEDNESS ON ACCELERATION OF PRINCIPAL OF THE NOTE OR ON DISSOLUTION, LIQUIDATION OR REORGANIZATION.

Upon any acceleration of the principal of the Note or any Senior Indebtedness or any distribution of assets of the Company or any Subsidiary upon any dissolution, winding up, total or partial liquidation or reorganization of

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

the Company or any Subsidiary, whether voluntary or involuntary, in bankruptcy, insolvency, receivership or similar proceeding or upon assignment for the benefit of creditors:

(a) the holders of all Senior Indebtedness shall first be entitled to receive payments in full of the principal of, premium, if any, and interest on and all other amounts payable in respect thereof, before you are entitled to receive any payment on account of the principal of, premium, if any, and interest on the Note;

(b) any payment or distribution of assets of the Company or any Subsidiary of any kind or character, whether in cash, property or securities, to which you would be entitled except for the provisions of this Section 13, shall be paid by the liquidating trustee or agent or other Person making such a payment or distribution, directly to the holders of Senior Indebtedness or their representative, ratably according to the respective amounts of Senior Indebtedness held or represented by each, to the extent necessary to make payment in full of all such Senior Indebtedness remaining unpaid after giving effect to all concurrent payments and distributions to or for the holders of such Senior Indebtedness; and

(c) in the event that, notwithstanding the foregoing, any payment or distribution of assets of the Company or any Subsidiary of any kind or character, whether in cash, property or securities, shall be received by you on account of principal of, premium, if any, or interest on the Note, as the case may be, before all Senior Indebtedness is paid in full, such payment or distribution (subject to the provisions of Sections 13.6 and 13.7 hereof) shall be received and held in trust by you for the benefit of the holders of such Senior Indebtedness, or their respective representative, ratably according to the respective amounts of Senior Indebtedness

25

held or represented by each, to the extent necessary to make payment in full of all such Senior Indebtedness remaining unpaid after giving effect to all concurrent payments and distributions to or for the holders of such Senior Indebtedness, but only to the extent that as to any holder of such Senior Indebtedness, as promptly as practical following notice from you to the holders of such Senior Indebtedness that such prohibited payment has been received by you and requesting from such holder of Senior Indebtedness a statement of amounts owing such holder, such holder notifies you of the amounts then due and owing on such Senior Indebtedness, if any, held by such holder and only the amounts specified in such notices to you shall be paid hereunder to the holders of such Senior Indebtedness.

The Company shall give prompt written notice to you of any dissolution, winding up, liquidation or reorganization of the Company or assignment for the benefit of creditors by the Company.

13.4. NOTEHOLDERS TO BE SUBROGATED TO RIGHTS OF HOLDERS OF SENIOR INDEBTEDNESS.

Subject to the payment in full of all Senior Indebtedness, you shall be subrogated to the rights of the holders of such Senior Indebtedness to receive payments or distributions of assets of the Company applicable to the Senior Indebtedness until all amounts owing on the Note shall be paid in full, and for the purpose of such subrogation no such payments or distributions to you

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

of such Senior Indebtedness by or on behalf of the Company, or by or on behalf of you by virtue of this Section 13, which otherwise would have been made to you shall, as between the Company and you, be deemed to be payment by the Company, to or on account of such Senior Indebtedness, it being understood that the provisions of this Section 13 are and are intended solely for the purpose of defining the relative rights of you, on the one hand, and the holders of such Senior Indebtedness, on the other hand.

If any payment or distribution to which you would otherwise have been entitled but for the provisions of this Section 13 shall have been applied, pursuant to the provisions of this Section 13 to the payment of amounts payable under Senior Indebtedness, then you shall be entitled to receive from the holders of such Senior Indebtedness any payments or distributions received by such holders of Senior Indebtedness in excess of the amount sufficient to pay all amounts payable under or in respect of such Senior Indebtedness in full.

13.5. OBLIGATIONS OF THE COMPANY UNCONDITIONAL.

Nothing contained in this Section 13 or elsewhere in this Agreement or in the Note is intended to or shall impair, as between the Company and you, the obligation of the Company, which is absolute and unconditional, to pay to you the principal of, premium, if any, and interest on the Note as and when the same shall become due and payable in accordance with its terms, or is intended to or shall affect the relative rights of you and creditors of the Company other than the holders of the Senior Indebtedness, nor shall anything herein or in the Note prevent you from exercising all remedies otherwise permitted by applicable law upon default under this Agreement, subject to the rights, if

26

any, under this Section 13, of the holders of Senior Indebtedness in respect of cash, property or securities of the Company received upon the exercise of any such remedy. Notwithstanding anything to the contrary in this Section 13 in this Agreement or in the Note upon any distribution of assets of the Company referred to in this Section 13, you shall be entitled to rely upon any order or decree made by any court of competent jurisdiction in which such dissolution, winding up, liquidation or reorganization proceedings are pending, or a certificate of the liquidating trustee or agent or other Person making any distribution to you for the purpose of ascertaining the Persons entitled to participate in such distribution, the holders of the Senior Indebtedness and other Indebtedness of the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Section 13.

13.6. SUBORDINATION RIGHTS NOT IMPAIRED BY ACTS OR OMISSIONS OF THE COMPANY OR HOLDERS OF SENIOR INDEBTEDNESS.

No right of any present or future holders of any Senior Indebtedness to enforce subordination provisions contained in this Section 13 shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Company or any Subsidiary or by any act or failure to act, in good faith, by any such holder, or by any noncompliance by the Company with the terms of this Agreement, or by any noncompliance by any Subsidiary with the terms of the Subordinated Guaranty regardless of any knowledge thereof with which any such holder may have or be otherwise charged. The holders of Senior Indebtedness may extend, renew, modify or amend the terms of the Senior Indebtedness or any security therefor and release, sell or exchange such security and otherwise deal freely with the Company and the Subsidiaries all

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

without affecting the liabilities and obligations of the parties to this Agreement, the subordination provisions of this Section 13 or the rights of holders of Senior Indebtedness to enforce such provisions.

13.7. SECTION 13 NOT TO PREVENT EVENTS OF DEFAULT.

The failure to make a payment on account of principal of, premium, if any, or interest on the Note by reason of any provision of this Section 13 shall not be construed as preventing the occurrence of a Default or an Event of Default under Section 12 hereof or in any way prevent you from exercising any right hereunder other than the right to receive payment on the Note.

14. CONVERSION OF NOTES.

14.1. RIGHT OF CONVERSION; CONVERSION PRICE.

You shall have the right, at your option, at any time (except that, in the event all or a portion of the Note shall be called for redemption, such right shall terminate at the close of business on the last Business Day prior to the date fixed for such redemption unless the Company shall default in payment due upon redemption thereof), to convert, subject to the terms and provisions of this Section 14, the principal of the Note

27

or any portion thereof which is at least \$60,000 principal amount and an integral multiple of 12,000 into shares of Common Stock, at the Conversion Price.

14.2. ISSUANCE OF SHARES ON CONVERSION.

As promptly as practicable after the surrender, as herein provided, of the Note or portion of the Note for conversion, the Company shall deliver or cause to be delivered at its said office or agency, to you, certificates representing the number of fully paid and nonassessable shares of Common Stock into which such Note or portion of the Note may be converted in accordance with the provisions of this Section 14. Such conversion shall be deemed to have been made as of the close of business on the date that such Note or portion of the Note shall have been surrendered for conversion with a written notice of conversion duly executed, so that your rights under the Note shall cease at such time and, subject to the following provisions of this paragraph, you shall be treated for all purposes as having become the record holder of such shares of Common Stock at such time and such conversion shall be at the Conversion Price in effect at such time; PROVIDED, HOWEVER, that no such surrender on any date when the stock transfer books of the Company shall be closed shall be effective to cause your rights under the Note to cease or to constitute you as the record holder of such shares of Common Stock on such date, but such surrender shall be effective to cause your rights under the Note to cease and to constitute you as the record holder thereof for all purposes at the close of business on the next succeeding day on which such stock transfer books are open; such conversion shall be at the Conversion Price in effect on the date that the Note or portion of the Note being converted shall have been surrendered for conversion, as if the stock transfer books of the Company had not been closed.

Upon conversion of the Note in part only, the Company shall execute at the expense of the Company, a new Note in principal amount equal to the unconverted portion of such Note.

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

14.3. NO ADJUSTMENT FOR INTEREST OR DIVIDENDS.

No payment or adjustment in respect of interest on the Note or dividends on the shares of Common Stock shall be made upon the conversion of the Note; PROVIDED, HOWEVER, that if all or any portion of the Note (other than a portion thereof called for redemption) shall be converted subsequent to any Record Date and on or prior to the next succeeding Interest Payment Date, the interest falling due on such Interest Payment Date shall be payable on such Interest Payment Date notwithstanding such conversion, and such interest (whether or not punctually paid or duly provided for) shall be paid at the close of business on such Record Date and the Note or portion thereof surrendered for conversion during the period from the close of business on any Record Date to the opening of business on the corresponding Interest Payment Date must be accompanied by payment of an amount equal to the interest payable on such Interest Payment Date.

28

14.4. ADJUSTMENT OF CONVERSION PRICE.

(a) In case the Company shall pay or make a dividend or other distribution on any class of capital stock of the Company in shares of Common Stock, the Conversion Price in effect at the opening of business on the day following the date fixed for the determination of stockholders entitled to receive such dividend or other distribution shall be reduced by multiplying such Conversion Price by a fraction of which the numerator shall be the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination and the denominator shall be the sum of such number of shares and the total number of shares constituting such dividend or other distribution, such reduction to become effective immediately after the opening of business on the day following the date fixed for such determination. For the purposes of this paragraph (a), the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Company.

(b) In case the Company shall issue stock, rights, options or warrants to all holders of its shares of Common Stock entitling them to subscribe for or purchase shares of Common Stock at a price per share less than the current market price per share (determined as provided in paragraph (g) of this Section 14.4) of Common Stock on the date fixed for the determination of stockholders entitled to receive such stock, rights, options or warrants, the Conversion Price in effect at the opening of business on the day following the date fixed for such determination shall be reduced by multiplying such Conversion Price by a fraction of which the numerator shall be the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination plus the number of shares of Common Stock which the aggregate of the subscription price of the total number of shares of Common Stock so offered for subscription or purchase would purchase at such current market price and the denominator shall be the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination plus the number of shares of Common Stock so offered for subscription or purchase, such reduction to become effective immediately after the opening of business on the day following the date fixed for such determination. In the event that all of the shares of Common Stock subject to such rights, options or warrants have not been issued when such rights, options or warrants expire, then the Conversion Price shall promptly be readjusted to the Conversion Price which would then be in effect had the adjustment upon the issuance of such rights, options or warrants been made on the basis of the actual number of shares of Common

Stock issued upon the exercise of such rights or warrants. For the purposes of this paragraph (b), the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Company but shall include shares issuable in respect of scrip certificates issued in lieu of fractions of shares of Common Stock. The antidilution provisions of this Section 14 shall not apply to grants of options under the Company's Incentive Stock Plans.

29

(c) In case the outstanding shares of Common Stock shall be subdivided into a greater number of shares, the Conversion Price in effect at the opening of business on the day following the day upon which such subdivision becomes effective shall be proportionately reduced, and, conversely, in case outstanding shares of Common Stock shall be combined into a smaller number of shares, the Conversion Price in effect at the opening of business on the day following the day upon which such combination becomes effective shall be proportionately increased, such reduction or increase, as the case may be, to become effective immediately after the opening of business on the day following the day upon which such subdivision or combination becomes effective. (d) In case the Company shall, by dividend or otherwise, distribute to all or substantially all holders of shares of Common Stock evidences of indebtedness or assets of the Company (including cash or securities or other property, but excluding any (i) rights, options or warrants referred to in paragraph (b) of this Section 14.4 and (ii) any dividend or distribution referred to in paragraph (a) of this Section 14.4), the Conversion Price shall be adjusted so that the same shall equal the price determined by multiplying the Conversion Price in effect immediately prior to the close of business on the day fixed for the determination of stockholders entitled to receive such distribution by a fraction of which the numerator shall be the current market price per share (determined as provided in paragraph (g) of this Section 14.4) of Common Stock on the date fixed for such determination less the amount or then fair market value as determined by the Board of Directors (whose determination shall be conclusive and described in a Board Resolution filed with the Trustee) of the cash or portion of the assets or evidences of indebtedness so distributed allocable to one share of Common Stock and the denominator shall be such current market price per share of Common Stock, such adjustment to become effective immediately prior to the opening of business on the day following the date fixed for the determination of stockholders entitled to receive such distribution.

(e) In case the Company shall issue or sell any shares of Common Stock or securities convertible into or exercisable for Common Stock, in any case for a consideration per share of Common Stock less than the current market price at the time of such issuance or sale, the Conversion Price shall be reduced by multiplying the Conversion Price in effect immediately prior to such issuance or sale by a fraction, (A) the numerator of which shall be (i) the number of shares of Common Stock outstanding on a fully diluted basis immediately prior to the transaction plus (ii) the number of additional shares of Common Stock on a fully diluted basis that would have been issued or sold in the transaction had the issuance or sale occurred at the current market price and (B) the denominator of which shall be the number of shares of Common Stock outstanding on a fully diluted basis immediately after such transaction. For purposes of this subparagraph (e) of this Section 14.4, the issuance or sale shall be deemed to occur on the earlier of (x) the date on which the Company shall enter into a binding contract for the issuance or sale of such shares of Common Stock or convertible securities and (y) the date

of the actual issuance or sale of such

30

securities. The issuance of Common Stock on conversion or exercise of convertible securities outstanding prior to the date hereof shall not give rise to any adjustment of the Conversion Price under this subparagraph (e) of this Section 14.4.

(f) In case the shares of Common Stock shall be changed into the same or a different number of shares of any class or classes of stock, whether by capital reorganization, reclassification, or otherwise (other than a subdivision or combination of shares or a stock dividend described in paragraph (a) or paragraph (c) of this Section 14.4, or a consolidation, merger or sale of assets described in Section 14.10 hereof), then and in each such event you shall have the right thereafter to convert the Note into the kind and amount of shares of stock and other securities and property receivable upon such reorganization, reclassification or other change, by holders of the number of shares of Common Stock into which the Note might have been converted immediately prior to such reorganization, reclassification or change.

(g) For the purpose of any computation under paragraphs (b), (d) and (e) of this Section 14.4, the current market price per share of Common Stock on any date shall be deemed to be the average of the Closing Prices for the 15 consecutive Trading Days selected by the Company commencing not more than 30 and not less than 20 Trading Days before the date in question.

(h) No adjustment in the Conversion Price shall be required unless such adjustment (plus any adjustments not previously made by reason of this paragraph (h)) would require an increase or decrease of at least 1% in such price; PROVIDED, HOWEVER, that any adjustments which by reason of this paragraph (h) are not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations under this paragraph (h) shall be made to the nearest cent.

(i) The Company may, but shall not be required to, make such reductions in the Conversion Price, in addition to those required by paragraphs (a), (b), (c), (d) and (e) of this Section 14.4, as the Company's Board of Directors considers to be advisable in order to avoid or diminish any income tax to any holders of shares of Common Stock resulting from any dividend or distribution of stock or issuance of rights or warrants to purchase or subscribe for stock or from any event treated as such from income tax purposes or for any other reasons. The Company's Board of Directors shall have the power to resolve any ambiguity or correct any error in the adjustments made pursuant to this Section 14.4 and its actions in so doing shall be final and conclusive.

(j) No adjustment in the Conversion Price need be made for rights to purchase or the sale of the Common Stock pursuant to a Company plan providing for reinvestment of dividends or interest; PROVIDED, HOWEVER, that any discount under such plan may not exceed 5% of the current market price of the Common Stock and such plan is registered under the Securities Act.

14.5. NOTICE OF ADJUSTMENT OF CONVERSION PRICE.

Whenever the Conversion Price is adjusted as herein provided the Company shall compute the adjusted Conversion Price in accordance with Section 14.4 and shall prepare an Officer's Certificate setting forth the adjusted Conversion Price and showing in reasonable detail the facts upon which such adjustment is based and the computation thereof.

14.6. NOTICE OF CERTAIN CORPORATION ACTION.

(a) In case:

(i) the Company shall authorize the granting to all holders of its shares of Common Stock of rights or warrants entitling them to subscribe for or purchase any shares of capital stock of any class or of any other rights; or

(ii) of any reclassification of the shares of Common Stock, or of any consolidation or merger to which the Company is a party and for which approval of any stockholders of the Company is required, or of the sale or transfer of all or substantially all of the assets of the Company; or

(iii) of the voluntary or involuntary dissolution, liquidation or winding up of the Company; or

(iv) the Company declares or pays any dividend or distribution to holders of shares of Common Stock; or

(v) the Company shall take any other corporate action that could give rise to an adjustment in the Conversion Price in accordance with Section 14.4 (so long as the disclosure of such action does not require disclosure of material nonpublic information);

then the Company shall deliver to you at least 10 days (or 20 days in any case specified in clause (iii) above) prior to the applicable record date hereinafter specified, a notice stating (1) the date on which a record is to be taken for the purpose of such dividend, distribution, rights or warrants, or, if a record is not to be taken, the date as of which the holders of shares of Common Stock of record to be entitled to such dividend, distribution, rights or warrants is to be determined, or (2) the date on which such reclassification, consolidation, merger, sale, transfer, dissolution, liquidation or winding up is expected to become effective, and the date as of which it is expected that holders of shares of Common Stock of record shall be entitled to exchange their shares of Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger sale, transfer, dissolution, liquidation or winding up.

In addition to the foregoing notices, the Company will give notice as soon as practicable that any of the rights of the holders under Section 14.4 has been

invoked for any reason not specified in Sections 14.6(a)(i), (ii), (iii) or (iv), which notice will describe the event that triggered such rights. Such notice shall also state whether such transaction will result in any adjustment in the Conversion Price and, if so, shall state what the

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

adjusted Conversion Price will be and when it will become effective. Neither the failure to give the notice required by this Section 14.6, nor any defect therein shall affect the sufficiency of the notice or the legality or validity of any such dividend, distribution, right, warrant, reclassification, consolidation, merger, sale, transfer, liquidation, dissolution or winding-up. Notwithstanding the foregoing, the Company has no obligation to disclose to any holders any material nonpublic information concerning the Company or any of its Subsidiaries.

(b) In case the Company or any Affiliate of the Company shall propose to engage in a "Rule 13e-3 Transaction" (as defined in Rule 13e-3 under the Securities Exchange Act of 1934, as amended) the Company shall, no later than the date on which any information with respect to such Rule 13e-3 Transaction is first required to be given to you pursuant to such Rule 13e-3, cause to be mailed to you a copy of all information required to be given to you pursuant to such Rule 13e-3. The information required to be given under this paragraph shall be in addition to and not in lieu of any other information required to be given by the Company pursuant to this Section 14.6 or any other provision of this Agreement.

14.7. TAXES ON CONVERSIONS.

The Company will pay any and all stamp or similar taxes that may be payable in respect of the issuance or delivery of shares of Common Stock on conversion of all or any portion of the Note pursuant hereto. The Company shall not, however, be required to pay any tax which may be payable in respect of any transfer involved in the issuance and delivery of shares of Common Stock in a name other than you to be converted.

14.8. FRACTIONAL SHARES.

No fractional shares or scrip representing fractional shares shall be issued upon the conversion of the Note. If any such conversion would otherwise require the issuance of a fractional share an amount equal to such fraction multiplied by the current market price per share of Common Stock (determined as provided in paragraph (g) of Section 14.4 hereof) on the day of conversion shall be paid in cash by the Company.

14.9. PROVISIONS IN CASE OF CONSOLIDATION, MERGER OR SALE OF ASSETS.

In case of any consolidation of the Company with, or merger of the Company into, any other corporation or trust, or in case of any merger of another corporation or trust into the Company (other than a merger which does not result in any reclassification, conversion, exchange or cancellation of outstanding shares of Common Stock of the Company), or in case of any sale, transfer or other disposition of all or

substantially all of the assets of the Company, the corporation or trust formed by such consolidation or resulting from such merger or which acquires such assets, as the case may be, shall agree that you shall have the right thereafter, during the period the Note shall be convertible as specified in Section 14.1 hereof to convert such Note only into the kind and amount of securities, cash and other property receivable upon such consolidation, merger, sale or transfer by a holder of the number of shares of Common Stock of the Company into which the Note might have been converted immediately prior to such consolidation, merger, sale or transfer, assuming such holder of Common Stock (i) is not a Person with which the Company consolidated or into which the Company merged or which merged into the Company or to which such sale or

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

transfer was made, as the case may be (a "Constituent Person"), or an Affiliate of a Constituent Person and (ii) failed to exercise his rights of election, if any, as to the kind or amount of securities, cash and other property receivable upon such consolidation, merger, sale or transfer (provided that if the kind or amount of securities, cash and other property receivable upon such consolidation, merger, sale or transfer is not the same for each share of Common Stock held immediately prior to such consolidation, merger, sale or transfer by other than a Constituent Person or an Affiliate thereof and in respect of which such rights of election shall not have been exercised ("non-electing share"), then for the purpose of this Section 14.9 the kind and amount of securities, cash and other property receivable upon such consolidation, merger, sale or transfer by each non-electing share shall be deemed to be the kind and amount so receivable per share by a plurality of non-electing shares).

14.10. COVENANT TO RESERVE SHARES.

The Company covenants that it will at all times reserve and keep available, free from preemptive rights, out of its authorized shares of Common Stock, solely for the purpose of issuance upon conversion of the Note as herein provided, such number of shares of Common Stock as shall then be issuable upon the conversion of the Note. The Company covenants that all shares of Common Stock which shall be so issuable shall be, when issued in accordance with the Note and this Agreement, duly and validly issued and fully paid and nonassessable.

15. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; ENTIRE AGREEMENT.

All representations and warranties contained herein shall survive the execution and delivery of this Agreement and the Note, the purchase by you of the Note or interest therein and the payment of the Note. Subject to the preceding sentence, this Agreement and the Note embodies the entire agreement and understanding between you and the Company and supersede all prior agreements and understandings relating to the subject matter hereof.

34

16.2. BINDING EFFECT, ETC.

No course of dealing between the Company and you nor any delay in exercising any rights hereunder or under the Note shall operate as a waiver of any of your rights. As used herein, the term "THIS AGREEMENT" and references thereto shall mean this Agreement as it may from time to time be amended or supplemented.

This Agreement and all documents relating thereto, including, without limitation, (a) consents, waivers and modifications that may hereafter be executed, (b) documents received by you at the Closing (except the Note), and (c) financial statements, certificates and other information previously or hereafter furnished to you, may be reproduced by you by any photographic, photostatic, microfilm, microcard, miniature photographic or other similar process and you may destroy any original document so reproduced. The Company agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by you in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence. This Section 18 shall not prohibit the Company

35

If you or any of your representatives or affiliates are requested or required (by oral questions, interrogatories, requests for information or documents, subpoena, civil investigative demand, any informal or formal investigation by any government or governmental agency or authority or other process) to disclose any Confidential Information, you will provide the Company with prompt written notice of any such request or requirement (including the terms of, and circumstances surrounding, such request) so that the Company or any of its Subsidiaries may seek an appropriate protective order or other appropriate remedy and/or waive compliance with the provisions of this Agreement, the party subject to such request will disclose only that portion of the Confidential Information which it is advised by counsel is legally required and will exercise reasonable efforts to obtain reliable assurance that confidential treatment will be accorded the Confidential Information. 20.7. ASSIGNMENTS AND RESTRICTIONS ON TRANSFERS.

(a) The Company may not assign any of its rights or obligations hereunder or under the Note without your prior consent; PROVIDED, HOWEVER, that the Company may assign any of its rights or obligations hereunder pursuant to a merger or other transaction permitted under Section 10.2 hereof.

(i) In connection with any transfer of any Note which is not registered under an effective registration statement under the Securities Act, the holder thereof shall provide the Company with confirmation in a manner reasonably satisfactory to the Company that such transfer does not require registration under the Securities Act or the qualification of an indenture under the Trust Indenture Act of 1939, as amended. (iii) one or more of the following representations will satisfy Section 20.7(c)(ii):

(2) if you are an insurance company, to the extent that any part of such funds constitutes assets allocated to any separate account maintained by you, (x) such separate account is a "pooled

separate account" within

39

the meaning of Prohibited Transaction Class Exemption ("PTE") 90-1, in which case you have disclosed to the Issuer in writing the names of each employee benefit plan whose assets in such separate account exceed 10% of the total assets of such account as of the date of such purchase (and for the purposes of this subsection (b) , all employee benefit by the same employer or employee organization are deemed to be a single plan), and every relevant requirement of PTE 90-1 specifically applicable to you which is required to be satisfied as of the date of such purchase will be satisfied in all material respects as of such date of purchase or (y) such separate account contains only the assets of a specific employee benefit plan, complete and accurate information as to the identity of which you have delivered to the Issuer in writing; or

(3) if you are a "qualified professional asset manager" or "QPAM" (within the meaning of Part V of Prohibited Transaction Class Exemption 84-14 (the "QPAM Exemption")) of such funds which constitute assets of an "investment fund" (within the meaning of Part V of the QPAM exemption) managed by you, every relevant requirement of the QPAM Exemption specifically applicable to you which is required to be satisfied as of the date of such purchase will be satisfied in all material respects as of the date of such purchase; or

(4) if you are other than an insurance company or a QPAM, all or a portion of such funds consists of funds which do not constitute "plan assets" of any employee benefit plan and the remaining portion, if any, of such funds consists of funds which may be deemed to constitute "plan assets" of one or more specific employee benefit plans, complete and accurate information as to the identity of each of which you have delivered to the Issuer in writing.

As used in this section 20.7(c)(iii), the term "employee benefit plan" shall mean any employee benefit plan subject to Section 406 of ERISA and any employee benefit plan or individual retirement account subject to Section 4975 of the Code, the term "separate account" shall have the meaning assigned to it in section 3 of ERISA and the term "plan assets" shall have the meaning assigned to it in section 2510.3-101 of the Department of Labor regulations under ERISA.

In connection with the assignment by you of all or any portion of your interest in the Note to another Person, upon request of you or such Person, the Company will execute and deliver a Note or Notes in substantially the form of Exhibit A hereto, as appropriate (as such form of Note may have been amended, endorsed, modified, extended, exchanged, or renewed), dated the day after the last day through which interest shall have been paid on the Note, payable to the order of such Person in an aggregate principal amount equal to the portion of the Note so assigned and otherwise duly completed, and the assigning lender shall make a notation on related Note held by it as to the principal amount of the Note so assigned. In the event of any assignment pursuant to this Section 20.7 (c), as used in this Agreement, the term "Note" shall include any Note delivered to such assignee and the term "you" shall include such assignee (except that provisions specifying the principal amount of the Note owned or acquired by such assignee or any other holder shall be deemed to refer to the principal amount of the Note so acquired by such holder).

(d) Notices, written instruments, waivers or consents pursuant to Section 11 (notice of Event of Default) ; Section 12 (notice of acceleration); Section 16.1 (amendments/waivers) and 20.7 (assignment) are of no force and effect or validity unless evidenced by an instrument in writing signed by the Majority Lenders; PROVIDED, HOWEVER, that any modification or waiver changing the date fixed for payment of principal or interest on the Note, or reducing the amount of payment of principal of, interest on, redemption price, Repurchase Price or Conversion Price of the Note, or amending the other provisions of Section 14 in a manner adverse to the holders or amending this Section 20.7(d) or the definition of "Majority Lenders" or releasing the Subordinated Guaranty in full shall not be effective against any holder affected thereby unless contained in an instrument in writing signed by such holders.

20.8. LOST NOTE.

Upon receipt by the Company of evidence satisfactory to it of the loss, theft, destruction or mutilation of the Note, and (in case of loss, theft or destruction) of indemnity satisfactory to it (any holder's undertaking to be satisfactory indemnity in case of loss, theft or destruction of any Note owned by such holder), and upon reimbursement to the Company of all reasonable expenses incidental thereto, and upon surrender and cancellation of such Note, if mutilated, the Company will pay any unpaid principal and interest then or theretofore due and payable on the Note so lost, stolen, destroyed or

mutilated, and will deliver in lieu thereof a new Note in the remaining unpaid principal amount thereof and carrying the same rights to interest (unpaid and to accrue).

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

20.9. REGISTRATION, TRANSFER AND EXCHANGE OF THE NOTE.

The Company will keep at its principal office a register in which it will provide for the registration and registration of transfer of the Note, at its own expense (excluding transfer taxes). If the Note is surrendered at said office or at the place of payment named in the Note for registration of transfer or exchange (accompanied in the case of registration of transfer of a registered Note by written instrument of transfer in form satisfactory to the Company duly executed by or on behalf of the holder) the Company, at its expense, will deliver in exchange one or more new Notes in any denominations (multiples of \$1,000) as requested by the holder, for the aggregate unpaid principal amount. Each such new Note shall be payable to such person as such holder may request. SCHEDULE 5.3 DISCLOSURE

Riddell Sports Group, Inc. ("RSG"), a company affiliated with Lincolnshire Management, Inc. ("Lincolnshire"), acquired the Riddell team sports division of the Company on June 22, 2001, pursuant to the terms of the Stock Purchase Agreement. On July 24, 2001, the Company received a letter from RSG accompanying a funded debt calculation, which asserted that RSG was owed

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

\$300,000 as an adjustment of purchase price as a result of a \$300,000 payment made by RSG to Silver Oak in connection with the release of certain guaranties from the entities acquired by RSG. At the closing of the transactions contemplated by the Stock Purchase Agreement, RSG had acknowledged in writing to the Company and to Silver Oak that the \$300,000 payment was not being paid or reimbursed by the Company. The Company believes that, notwithstanding its acknowledgement, RSG, under orders from Lincolnshire, is asserting the \$300,000 adjustment in an effort to be reimbursed by the Company for the payment RSG made to Silver Oak.

The Company intends to formally challenge the \$300,000 adjustment in accordance with the terms of the Stock Purchase Agreement. The Company believes that the adjustment claimed by RSG is completely unwarranted. Under the terms of the Stock Purchase Agreement, unless RSG withdraws its claim for the \$300,000 adjustment, the matter will be submitted to an arbitrator for resolution. It is currently anticipated that the dispute will be resolved no later than mid-September 2001.

To convert the Note, you must (i) complete and sign the Conversion Notice attached to the Note, (ii) surrender the Note to the Company, (iii) furnish appropriate endorsements and transfer documents if required by the Company and (iv) pay any transfer or similar tax if required. No adjustment is to be made on conversion for interest accrued hereon or for dividends on shares of Common Stock issued on conversion; PROVIDED, HOWEVER, that if the Note (other than any portion called for redemption) is surrendered for conversion after the Record Date for a payment of interest and on or before the Interest Payment Date, then, notwithstanding such conversion, the interest falling due to such Interest Payment Date will be paid to the Person in whose name the Note is registered at the close of business on such Record Date and any Note surrendered for conversion during the period from the close of business on any Record Date to the opening of business on the corresponding Interest Payment Date must be accompanied by payment of an amount equal to the interest payable on such Interest Payment Date. You may convert a portion of a Note if the portion is at least \$60,000 principal amount and an integral multiple of 12,000.

If the Company is a party to a consolidation or merger or a transfer, lease or other disposition of all or substantially all of its assets, the right to convert the Note into shares of Common Stock may be changed into a right to convert it into securities, cash or other assets of the Company or another Person.

The Indebtedness evidenced by this Note is subordinate to all Senior Indebtedness of the Company. To the extent and in the manner provided in the Note Purchase Agreement, Senior Indebtedness must be paid before any payment may be made to you. This Note is subject to the terms and conditions of the Note Purchase Agreement dated August 16, 2001 between the Company and Silver Oak Capital, L.L.C., as amended from time to time, and in the event of any inconsistency between this Note and the Note Purchase Agreement, the terms of the Note Purchase Agreement shall control. REGISTRATION RIGHTS AGREEMENT

This REGISTRATION RIGHTS AGREEMENT (this "Agreement") is made as of August 16, 2001, by and between Riddell Sports Inc., a Delaware corporation (the "Company"), and Silver Oak Capital, L.L.C., a Delaware limited liability corporation (the "Purchaser").

WHEREAS, pursuant to a Note Purchase Agreement, dated as of the date hereof (the "Purchase Agreement"), by and among the Company and the Purchaser, the Company is issuing to the Purchaser its 4.10% Convertible Subordinated Note due November 1, 2007 in the principal amount of \$7,500,000;

WHEREAS, the Note is convertible at any time in whole or in part into shares of the Company's Common Stock, par value \$0.01 per share (the "Common Stock");

WHEREAS, in order to induce the Purchaser to enter into the Purchase Agreement, the Company has agreed to provide the registration rights set forth in this Agreement.

NOW, THEREFORE, the parties to this Agreement hereby agree as follows:

1. CERTAIN DEFINITIONS.

(a) Capitalized terms used but not defined herein shall have the meanings given such terms in the Purchase Agreement.

(b) The term "Shares" shall refer to the shares of Common Stock of the Company issued or issuable on conversion of the Note.

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

(c) The term "Holder" or "Holders" shall refer to each of (i) the Purchaser, (ii) each successor or assignee of Purchaser's rights hereunder who has received such rights in accordance with the Purchase Agreement and (iii) each transferee or assignee of all or a portion of the Note or the Shares who has received such interest in accordance with the Purchase Agreement to the extent the Purchaser shall specify such person pursuant to this clause (iii) as a Holder.

(d) The term "Majority Holders" shall mean, as of any date of determination, Holders of not less than a majority of the Restricted Shares at such date.

(e) The term "Restricted Share" shall refer to each Share until the date on which such Share (i) has been registered under the Securities Act of 1933, as amended (the "Act") and disposed of pursuant to a registration statement, (ii) is distributed to the public pursuant to Rule 144 under the Act or is saleable pursuant to Rule 144(k) under the Act or (iii) is transferred otherwise in accordance with the Act such that the holder

thereof has shares of Common Stock that may be freely and publicly resold without registration or limitation.

2. DEMAND REGISTRATIONS.

(a) The Holders may at any time after the date hereof request (a "Demand") registration under the Securities Act (a "Demand Registration") of the offer and sale of the Restricted Shares, which Demand shall specify the number of Restricted Shares requested to be registered and the intended method of distribution; and the Company shall, as promptly as practicable following such Demand file with the Securities and Exchange Commission (the "Commission") and thereafter shall use its best efforts to cause to be declared effective a registration statement (a "Registration Statement") on an appropriate form under the Act, relating to the offer and sale of the Restricted Shares by the Holders in accordance with the method of distribution so specified; PROVIDED, that:

(i) Any Demand must be made by a Holder in writing on behalf of the Majority Holders;

(ii) The Company will not be obligated to effect more than three (3) Demand Registrations. A registration will not count as one of such three Demand Registrations until it has become effective and been maintained effective for the offer and sale of the Restricted Shares as hereinafter provided for a period of 270 days (or such shorter period as shall terminate at such time as all Shares included therein have been sold thereunder or such Shares cease to be Restricted Shares); and

(iii) If the intended method of distribution is an underwritten offering, (A) the Company will not be obligated to conduct or pay the expenses of more than two (2) roadshows relating to the offer of the Restricted Shares; (B) the Company will not be obligated to conduct or pay the expenses of any such roadshow unless there is included in such Registration Statement on behalf of the Holders and any other holders participating in such registration in accordance with Section 2(b), at least 500,000 shares of Common Stock (as adjusted to reflect any stock splits, combinations, recapitalizations, reclassifications or reorganizations affecting the Shares after the date hereof); and (C) the Company will have no obligation to conduct or pay expenses in connection with a roadshow relating to a Demand Registration for the offer of the Restricted Shares that occurs within 12 months after an earlier roadshow

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

that the Company has conducted and for which the Company has paid expenses and that relates to a Demand Registration for the offer of the Restricted Shares.

(b) The Company will give prompt notice to each Holder of Restricted Shares of a Demand under Section 2(a) and will include in such Demand Registration on a pro rata basis all Restricted Shares requested to be included on the part of the Holders. The Company will not include in any Demand Registration any securities which are not Restricted Shares without the prior written consent of the Holders of a majority of the

2

Restricted Shares requested to be included in such registration (such consent not to be unreasonably withheld) unless the Demand Registration takes the form of a firm commitment underwritten offering. If the Demand Registration takes the form of a firm commitment underwritten offering and the lead underwriter of the offering advises the Company that the total number of securities requested to be included in such offering exceeds the total number of securities which can be sold, there shall be included in such offering the amount of securities which in the opinion of the lead underwriter can be sold, and such securities shall be allocated (x) first to the holders of Restricted Shares and (y) next among the Company and such other holders of securities that have requested inclusion in such registration pro rata based upon the number of securities sought to be registered, or on such other basis as may be agreed upon among the Company, such lead underwriter and such other securityholders.

(c) The Company will give prompt notice to each Holder of Restricted Shares of any proposed registration (other than in connection with a registration on Form S-8 or S-4 or any successor or similar form) by the Company of its securities for its own account, and permit the Holders to request that such registration include the Restricted Shares of the Holders, except that, if the Registration takes the form of a firm commitment underwritten offering and the lead underwriter of the offering advises the Company that the total number of securities requested to be included in such offering exceeds the total number of securities which can be sold, there shall be included in such offering the amount of securities which in the opinion of the lead underwriter can be sold, and such securities shall be allocated (x) first to the Company and (y) next among the holders of Restricted Shares that have requested inclusion in such registration and such other securityholders who have exercised piggyback registration rights pro rata based upon the number of securities sought to be registered, or on such other basis as may be agreed upon among the Company, such underwriter, the Holders of Restricted Shares and such other securityholders.

(d) The Company will give prompt notice to each Holder of Restricted Shares of any proposed registration (other than in connection with a registration on Form S-8 or S-4 or any successor or similar form) by the Company of securities for the account of other securityholders exercising demand registration rights, and permit the Holders to request that such registration include the Restricted Shares of the Holders, except that, if the Registration takes the form of a firm commitment underwritten offering and the lead underwriter of the offering advises the Company that the total number of securities requested to be included in such offering exceeds the total number of securities which can be sold, there shall be included in such offering the amount of securities which in the opinion of the lead underwriter can be sold, and such securities shall be allocated (x) first to such other securityholders who have exercised demand registration rights and (y) next among the Company and the holders of Restricted Shares that have requested inclusion in such registration pro rata based upon the number of securities sought to be registered, or on such other basis as may be agreed upon among the Company, such

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

lead underwriter and the Holders of Restricted Shares.

(e) It is understood that, except to the extent provided in Section 2(i) or Section 7, nothing in this Agreement shall preclude the Company from filing any

3

registration statement for the sale of shares for its own account or for the account of any other securityholders, but that the filing of such registration statement shall not affect the obligations of the Company to effect a Demand Registration pursuant to a Demand under Section 2(a) and to otherwise comply with its obligations hereunder in respect of such Demand by the Holders.

(f) The Company will ensure that (i) the Registration Statement and any amendment thereto and any prospectus forming part thereof and any supplement thereto complies in all material respects with the Act and the rules and regulations thereunder, (ii) the Registration Statement and any amendment thereto does not, when it becomes effective, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading and (iii) the prospectus forming part of the Registration Statement, and any supplement to such prospectus, does not, at any time the same is used in connection therewith, include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, except that the Company shall have no responsibilities with respect to the adequacy of the information required to be provided to it pursuant to Section 3(1).

(g) If (i) the Registration Statement is not filed with the Commission on or prior to 30 days after a Demand made in accordance with Section 2(a), (ii) the Company has not responded to all of the questions ("Questions") posed by the Commission regarding the Registration Statement within 10 days of receipt of the Questions from the Commission, (iii) the Registration Statement is not declared effective within 120 days of the Demand, or (iv) after a Registration Statement is declared effective, such Registration Statement thereafter ceases to be effective or such Registration Statement or the related prospectus ceases to be usable (during a Blackout Period (as hereinafter defined in Section 3(i)) or otherwise) for its intended purpose for a period of more than 45 consecutive days (each such event referred to in clauses (i) through (iv), a "Registration Default"), then commencing on the day following the date on which such Registration Default occurs, the Company agrees to pay to each Holder of Restricted Shares, during the first 90-day period immediately following the occurrence of such Registration Default, liquidated damages by way of additional interest on the Note (the "Special Interest") in an amount equal to 0.50% per annum of the principal amount of the Note. The amount of Special Interest payable to each Holder shall increase by an additional 0.25% per annum during each 90-day period thereafter during which such Registration Default or any other Registration Default shall continue, but shall in no event exceed 1.00% per annum. A Registration Default shall cease, and Special Interest shall cease to be payable with respect to such Registration Default (1) upon the filing of the Registration Statement, in the case of clause (i) above, (2) upon receipt by the Commission of the responses to the Questions, in the case of clause (ii) above, (3) when the Registration Statement becomes effective or usable in the case of clauses (iii) and (iv) above. Notwithstanding the foregoing to the contrary, (I) the amount of Special Interest payable shall not increase because more than one Registration Default have occurred and are pending and (II) a Holder of Restricted Shares who is not entitled to the benefits of a Demand Registration (e.g., such Holder has not elected to include Restricted Shares in

such Registration Statement) shall not be entitled to Special Interest with respect to a Registration Default that pertains to a Registration Statement. All Special Interest shall be paid to Holders in the same manner and at the same time as payments of interest made pursuant to the Note.

(h) The Company shall not be required to include in the Registration Statement Restricted Shares of a Holder if such Holder fails to provide the information required to be provided by it, if any, pursuant to Section 3(1).

(i) The Company will not grant to any person the right to cause the Company to register any equity securities of the Company held by such person or enter into any other agreement, in either case if compliance by the Company on a timely basis with its obligations under this Agreement would constitute a breach of or default under any such other agreement.

3. REGISTRATION PROCEDURES. In connection with any Demand Registration, the Company will comply with the following provisions:

(a) The Company shall use its best efforts to keep the Registration Statement continuously effective in order to permit the prospectus forming part thereof to be usable by the Holders for a period of nine (9) months from the date such Registration Statement becomes effective or such shorter period that will terminate when all of the Shares covered by the Registration Statement have been sold pursuant to the Registration Statement or all Shares cease to be Restricted Shares; provided, that if the Company shall give any Suspension Notice (as such is defined herein in Section 3(c)) under Section 3(c)(ii) - (v), such nine month period shall be extended by the number of days during such period from and including the date of the giving of such Suspension Notice to and including the date when each seller of Common Stock covered by the applicable Registration Statement shall have received (x) the copies of the supplemental or amended prospectus contemplated by Section 3(i) (if an amended or supplemental prospectus is required) or (y) the Advice (if no amended or supplemental prospectus is required).

For purposes of this Section 3(a), the Company shall be deemed not to have used its best efforts to keep the Registration Statement effective during the requisite period if it voluntarily takes any action that would result in Holders of Shares covered thereby not being able to offer and sell such Shares pursuant to the Registration Statement during that period, unless such action is an event described in Section 3(c)(v) or Section 3(d) below or such action is required by applicable law or, to the extent required by applicable law, if it shall fail promptly to take such action as is reasonably necessary to permit such prospectus to once again be so usable.

(b) The Company shall furnish to each Holder included in the registration, prior to the filing thereof with the Commission, a copy of the Registration Statement and each amendment thereof and each supplement, if any, to the prospectus included therein and shall use its best efforts to reflect in each such document, when so filed with the Commission, such comments as such Holder reasonably may propose.

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

(c) The Company shall advise each Holder included in the registration and, if requested by a Holder, confirm such advice in writing (which advice pursuant to clauses (ii) (v) hereof shall be accompanied by an instruction (a "Suspension Notice") to suspend the use of any prospectus until the requisite changes have been made):

(i) when the Registration Statement and any amendment thereto has been filed with the Commission and when the Registration Statement or any post effective amendment thereto has become effective;

(ii) of any request by the Commission for amendments or supplements to the Registration Statement or the prospectus included therein or for additional information;

(iii) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or the initiation of any proceedings for that purpose;

(iv) of the receipt by the Company of any notification with respect to the suspension of the qualification of the shares of Common Stock for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; and

(v) of the happening of any event that represents a fundamental change in the information set forth or incorporated by reference in the Registration Statement or that otherwise requires the making of any changes in the Registration Statement or the prospectus or the filing of any reports under the Securities Exchange Act of 1934, as amended (the "Exchange Act") so that, as of such date, the statements therein are not misleading and do not omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

Each Holder agrees that, upon receipt of any Suspension Notice of the Company pursuant to paragraphs (ii) through (v) of Section 3(c) hereof, such Holder will discontinue disposition of such shares pursuant to the Registration Statement until such Holder's receipt of copies of the supplemental or amended prospectus contemplated by Section 3(i) hereof, or until advised in writing (the "Advice") by the Company that the use of the applicable prospectus may be resumed.

(d) The Company will use its reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of the Registration Statement at the earliest possible time.

(e) The Company will furnish to each Holder of Shares included within the coverage of the Registration Statement, without charge, copies of the Registration Statement and any post-effective amendment thereto, including financial statements and schedules, and, if a Holder so requests in writing, all exhibits (including those incorporated by reference) in such number as such Holder may reasonably request from time to time.

6

(f) The Company will deliver to each Holder of Shares included within the coverage of the Registration Statement, without charge, as many copies of the prospectus (including each preliminary prospectus) included in the Registration Statement and any amendment or supplement thereto as such Holder may reasonably request; and the Company consents to the use of the prospectus or any amendment or supplement thereto by each of the selling Holders of Common Stock in connection with the offering and sale of the Common Stock covered by

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

the prospectus or any amendment or supplement thereto.

(g) Prior to any public offering of Common Stock pursuant to the Registration Statement, the Company will use its best efforts to register or qualify or cooperate with the Holders and their respective counsel in connection with the registration or qualification of such securities for offer and sale under the securities or blue sky laws of such jurisdictions as such counsel reasonably requests in writing on behalf of such Holders and do any and all other acts or things necessary or advisable to enable the offer and sale in such jurisdictions of the shares of Common Stock covered by the Registration Statement; PROVIDED, HOWEVER, that the Company will not be required to qualify generally to do business in any jurisdiction where it is not then so qualified or to take any action which would subject it to general service of process or to taxation in any such jurisdiction where it is not then so subject.

(h) The Company will cooperate with each Holder to facilitate the timely preparation and delivery of certificates representing shares of Common Stock to be sold pursuant to the Registration Statement free of any restrictive legends and registered in such names as the Holder may request in writing prior to sales of Common Stock pursuant to the Registration Statement.

(i) Upon the occurrence of any event contemplated by paragraphs (ii) through (v) of Section 3(c) hereof during the period for which the Company is required to maintain an effective Registration Statement, the Company will prepare a post-effective amendment to the Registration Statement or a supplement to the related prospectus or file any other required document as soon as practicable so that, as thereafter delivered to purchasers of the Common Stock, the prospectus will not include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and will comply with the Act and the rules promulgated thereunder; PROVIDED HOWEVER THAT, if the Company determines in its reasonable good faith judgment that the filing of any such post-effective amendment or supplement or other document would interfere with any announced or imminent material financing, acquisition, disposition, corporate reorganization or other material transaction of a similar type involving the Company or would require the disclosure of information that is not then in the best interests of the Company to disclose, then the Company may, subject to the provisions of Section 2(g), delay such filing for such period as would terminate at the earliest time at which the Company determines that such disclosure could be made without unduly interfering with the interests of the Company. The period of any such delay is referred to herein as a "Blackout Period". In no event may any Blackout Period exceed 90 days from the date of the Suspension Notice, and the Company shall not be permitted to impose more than one

7

Blackout Period in any calendar year. The Company shall give prompt notice to the Holder of the termination of any Suspension Notice or Blackout Period.

(j) The Company will prepare and deliver in a timely manner, but in no event later than two business days prior to the consummation of a sale of shares of Common Stock certificates representing Restricted Shares to be sold and not bearing any restrictive legends.

(k) The Company will comply with all applicable rules and regulations of the Commission and will make generally available to its security holders as soon as practicable but in any event not later than eighteen (18) months after the effective date of the applicable Registration Statement an earnings statement satisfying the provisions of Section 11(a) of the Act or Rule

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

158 promulgated thereunder.

(l) The Company may require each Holder of Shares to be sold pursuant to the Registration Statement to furnish to the Company such information regarding such Holder, the shares of Common Stock beneficially owned by the Holder and the intended method of distribution of Shares as the Company may from time to time reasonably require for inclusion in the Registration Statement, and the Company may exclude from such registration the shares of Common Stock of any Holder that fails to furnish such information within a reasonable time after receiving such request.

(m) The Company shall enter into such customary agreements (including, if requested, an underwriting agreement in customary form) and take all such other action, if any, as Holders of a majority of the Shares being sold or the managing underwriters (if any) shall reasonably request in order to facilitate the disposition of the Shares pursuant to the Registration Statement; PROVIDED, HOWEVER, that the Company shall have no obligation to pay any discounts or underwriting commission attributable to Restricted Shares sold for the account of Holders, or any expenses of the underwriters other than those customarily reimbursed by sellers of securities, including (A) fees and expenses of filings and counsel in connection with the qualification of the Shares for offering and sale under state securities laws, (B) fees and expenses of filings and counsel incident to securing any required review by the National Association of Securities Dealers, Inc. of the terms of the underwriting and (C) other expenses in the event that the underwriting agreement is terminated after its execution but prior to closing of the sale thereunder. The Company agrees that, in connection with an underwritten registration, it will enter into an underwriting agreement in customary form that will contain applicable indemnification provisions similar to those contained in Section 5 hereof, providing for general indemnification by the Company of the underwriters and for indemnification by the Holders of the underwriters that is limited to losses derived from misstatements or omissions made in reliance upon and in conformity with written information furnished to the Company by such Holder expressly for use therein.

(n) The Company, if requested by Holders of a majority of the Shares being sold, or the managing underwriters (if any) in connection with the Registration Statement, shall use its best efforts to cause (i) its counsel to deliver an opinion relating to the Registration Statement and the Common Stock, in customary form addressed to such

8

Holders and the managing underwriters (if any), thereof as of the effective date of such Registration Statement and the closing of any underwriting; (ii) its officers to execute and deliver all customary documents and certificates requested by Holders of a majority of the Shares being sold or the managing underwriters (if any), including an underwriting agreement containing customary representations, agreements and indemnification on the part of the Company; and (iii) its independent public accountants to provide a comfort letter in customary form, subject to receipt of appropriate documentation as contemplated, and only if permitted, by Statement of Auditing Standards No. 72.

(o) The Company will use its best efforts to cause the shares of Common Stock covered by the Registration Statement to be listed on each securities exchange, if any, or NASDAQ on which similar securities issued by the Company are then listed, if so requested by Holders of a majority of shares of Common Stock covered by the Registration Statement, or by the managing underwriters (if any).

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

4. REGISTRATION EXPENSE. The Company will bear all expenses incurred in connection with the performance of its obligations under this Agreement, including without limitation filing fees, printing costs, and (subject to the provisions of Section 2(a)(iii)) the costs and expenses of a roadshow or other management presentations to investors relating to the Company, but not the underwriting commissions or discounts associated with the sale of Restricted Shares, and the Company will reimburse the Holders for the reasonable fees (not exceeding \$10,000), disbursements and expenses of counsel (and any local counsel as reasonably required) chosen by the Holders of a majority of the shares of Common Stock to be sold pursuant to a Registration Statement acting for the Holders in connection therewith.

5. INDEMNIFICATION.

(a) The Company shall indemnify and hold harmless each of the Holders of Common Stock to be included in such registration against any losses, claims, damages or liabilities, joint or several, to which such Holder may become subject under the Act, the Exchange Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement under which such shares of Common Stock were registered under the Act, or any preliminary, final or summary prospectus contained therein or furnished by the Company to any such Holder, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and the Company shall reimburse such Holder for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such action or claim as such expenses are incurred; PROVIDED, HOWEVER, that the Company shall not be liable to any such person in any such case to the extent that any such loss, claim, damage or liability (or actions in respect thereof) arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in the Registration Statement, or preliminary, final or summary prospectus, or amendment or supplement thereto, in

9

reliance upon and in conformity with written information furnished to the Company by, or on behalf of, such person expressly for use in connection therewith.

(b) Each Holder agrees, as a condition to including any shares of Common Stock in the Registration Statement filed pursuant to Section 2 hereof and to entering into any underwriting agreement with respect thereto, severally and not jointly, to (i) indemnify and hold harmless the Company and all other Holders against any losses, claims, damages or liabilities to which the Company or such other Holders may become subject under the Act, the Exchange Act, or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, or any preliminary, final or summary prospectus contained therein or furnished by the Company to any such Holder, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by such Holder expressly for use in connection therewith and (ii) reimburse the Company for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

any such action or claim as such expenses are incurred; PROVIDED, HOWEVER, that no such Holder shall be required to undertake liability to any person under this Section 5(b) for any amounts in excess of the dollar amount of the proceeds to be received by such Holder from the sale of such Holder's Common Stock pursuant to such registration.

(c) Promptly after receipt by an indemnified party under Sections 5(a) or 5(b) hereof written notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against an indemnifying party pursuant to the indemnification provisions of or contemplated by this Section 5, notify such indemnifying party in writing of the commencement of such action; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party other than under the indemnification provisions of or contemplated by Sections 5(a) or 5(b) hereof. In case any such action shall be brought against any indemnified party and it shall notify an indemnifying party of the commencement thereof, such indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party, and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, such indemnifying party shall not be liable to such indemnified party for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. Such indemnifying party shall not enter into any settlement with a party without obtaining an unconditional release of each indemnified party with respect to any and all claims against each indemnified party. An indemnified party shall not enter into any settlement without the consent of the indemnifying party which shall not be unreasonably withheld.

10

(d) Each party hereto agrees that, if for any reason the indemnification provisions contemplated by Sections 5(a) or 5(b) are unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative fault of such indemnifying party and indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by such indemnifying party or by such indemnified party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties hereto agree that it would not be just and equitable if contributions pursuant to this Section 5(d) were determined by pro rata allocation (even if the Holders or any agents or underwriters or all of them were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 5(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages, or liabilities (or actions in respect thereof) referred to above shall be deemed to include any legal or other fees or expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 5(d), no Holder shall

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

be required to contribute any amount in excess of the amount by which the dollar amount of the proceeds received by such Holder from the sale of any shares of Common Stock (after deducting any fees, discounts and commissions applicable thereto) exceeds the amount of any damages which such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission, and no underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Common Stock underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Holders' and any underwriters' obligations in this Section 5(d) to contribute shall be several in proportion to the principal amount of Common Stock registered or under-written, as the case may be, by them and not joint.

(e) The obligations of the Company under this Section 5 shall be in addition to any liability which the Company may otherwise have and shall extend, upon the same terms and conditions, to each officer, director and partner of each Holder, agent and underwriter and each person, if any, who controls any Holder, agent or underwriter within the meaning of the Act; and the obligations of the Holders and any underwriters contemplated by this Section 5 shall be in addition to any liability which the respective Holder or underwriter may otherwise have and shall extend, upon the same term and

conditions, to each officer and director of the Company and to each person, if any, who controls the Company within the meaning of the Act.

6. UNDERWRITTEN REGISTRATIONS. If any of the Restricted Shares covered by the Registration Statement are to be sold in an underwritten offering, the Company shall have the right to select the lead investment banker or lead manager that will administer the offering, subject to the consent of the Holders of a majority of such Restricted Shares included in such offering, which consent will not be unreasonably withheld, and the Holders of a majority of such Restricted Shares included in such offering will have the right to select one or more coinvestment bankers or co-lead managers to administer the offering, subject to consent of the Company, which consent will not be unreasonably withheld.

No person may participate in any underwritten registration hereunder unless such person (i) agrees to sell such person's Restricted Shares on the basis reasonably provided in any underwriting arrangements approved by the persons entitled hereunder to approve such arrangements and (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements.

7. HOLDBACK AGREEMENT. The Company agrees, if so requested by the managing underwriters of any underwritten offering, (i) not to effect any sale or distribution of its equity securities, or any securities convertible into or exchangeable or exercisable for such securities, during the seven days prior to and during the 90-day period beginning on the effective date of any underwritten Demand Registration (except as part of such underwritten registration or pursuant to registrations on Form S-4 or S-8 or any successor form) and (ii) to use its best efforts to cause each executive officer, director and any affiliate of the Company to agree not to effect any sale or distribution

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

(including sales pursuant to Rule 144) of any such securities during such period (except as part of such underwritten registration, if otherwise permitted), unless the underwriters managing the registered public offering otherwise agree.

8. MISCELLANEOUS.

(a) AMENDMENTS AND WAIVERS. The provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given, unless the Company has obtained the written consent of Holders of a majority of the Shares. Notwithstanding the foregoing, a waiver or consent to depart from the provisions hereof with respect to a matter that relates exclusively to the rights of the Holders whose Shares are being sold pursuant to the Registration Statement and that does not directly or indirectly affect the rights of other Holders may be given by Holders of a majority of the Shares being sold by such Holders pursuant to the Registration Statement.

(b) NOTICES. All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, first-class mail, telex, telecopier, or air courier guaranteeing overnight delivery: (i) if to a Holder, at the most

12

(c) SUCCESSORS AND ASSIGNS. This Agreement shall be binding upon and inure to the benefit of and be enforceable by the parties hereto and their respective successors and assigns.

(d) COUNTERPARTS. This Agreement may be executed in counterparts, each of which shall be deemed an original, but both of which together shall constitute one and the same instrument.

(e) GOVERNING LAW. This Agreement shall be governed by the laws of the State of New York (regardless of the laws that might otherwise govern under applicable principles of conflicts of law) as to all matters, including but not limited to matters of validity, construction, effect, performance and remedies.

(f) HEADINGS. The headings in this Agreement are for convenience of reference only and shall not limit or otherwise affect the meaning hereof.

(g) SEVERABILITY. The remedies provided herein are cumulative and not exclusive of any remedies provided by law. Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

and the parties hereto shall use their reasonable efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant or restriction. It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any of such term, provision, covenant or restriction that may be hereafter declared invalid, illegal, void or unenforceable.

(the "Purchaser").

Whereas, the Present Guarantors are the wholly-owned direct or indirect subsidiaries of Riddell Sports Inc., a Delaware corporation (the "Borrower").

Whereas, the Borrower has previously issued to the Purchaser a 4.10% Convertible Subordinated Note due November 1, 2004 in the aggregate principal amount of \$7.5 million (the "Existing Note").

Whereas, the Borrower has entered into a Note Purchase Agreement dated August 16, 2001 (the "Purchase Agreement") with the Purchaser providing for the Existing Note to be exchanged and discharged in full by the issuance of a new 4.10% Convertible Subordinated Note due November 1, 2007 (the "Note") in the aggregate principal amount of \$7.5 million to the Purchaser.

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

Whereas, in as an inducement to the Purchaser to purchase the Note, the Present Guarantors have agreed to issue this Subordinated Guaranty.

Whereas, Section 9.6 of the Purchase Agreement requires the Future Guarantors to be bound by this Subordinated Guaranty.

1. CERTAIN DEFINITIONS.

Section 1.01 Capitalized terms used but not defined herein shall have the meanings given such terms in the Purchase Agreement.

Section 1.02 The term "Holder" or "Holders" shall refer to each of (i) the Purchaser, (ii) each permitted successor or assignee of Purchaser's rights and (iii) each permitted transferee or assignee of all or a portion of the Note to the extent the Purchaser shall specify such person pursuant to this clause (iii) as a Holder.

2. THE GUARANTEE.

Each Guarantor hereby jointly and severally guarantees to each Holder and their respective successors and permitted assigns the prompt payment in full when due (whether at stated maturity, by acceleration, required repurchase or otherwise) of the principal of and interest on the Note held by each Holder and all other amounts from time to time owing to the Holders by the Borrower under the Purchase Agreement and under the Note, in each case strictly in accordance with the terms thereof (such obligations being herein collectively called the

"Guaranteed Obligations"). Each Guarantor hereby further jointly and severally agrees that if the Borrower shall fail to pay in full when due (whether at stated maturity, by acceleration, required repurchase or otherwise) any of the Guaranteed Obligations, such Guarantor will promptly pay the same, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

3. OBLIGATIONS UNCONDITIONAL.

The obligations of each Guarantor under Section 2 hereof are absolute and unconditional, irrespective of (i) the value, genuineness, validity, regularity or enforceability of the obligations of the Borrower under this Guaranty, the Purchase Agreement, the Note or any other agreement or instrument referred to herein or therein, (ii) any substitution, release or exchange of any other guarantee of or security for any of the Guaranteed Obligations (iii) the absence of any action to enforce the Purchase Agreement or the Note, (iv) any waiver or consent by the Holder with respect to any provisions of the Purchase Agreement or the Note, (v) any modification or amendment of, or supplement of, the Guaranty, Purchase Agreement, Note or any other agreements or instruments referred to herein or therein or (vi) the recovery of any judgment against the Borrower or any action to enforce such judgment, and, to the fullest extent permitted by applicable law, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor, it being the intent of this Section 3 that the obligations of the Guarantors hereunder shall be absolute and unconditional under any and all circumstances. Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or more of the following shall not impair the liability of any Guarantor hereunder, which shall remain absolute and unconditional as described above:

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

(A) at any time or from time to time, without notice to any Guarantor, the time for any performance of or compliance with any of the Guaranteed Obligations shall be extended, or such performance or compliance shall be waived;

(B) any of the acts mentioned in any of the provisions of this Guaranty, the Purchase Agreement or the Note or any other agreement or instrument referred to herein or therein shall be done or omitted; or

(C) the maturity of any of the Guaranteed Obligations shall be accelerated, or any of the Guaranteed Obligations shall be modified, supplemented or amended in any respect, or any right under this Guaranty, the Purchase Agreement or the Note or any other agreement or instrument referred to herein or therein shall be waived or any other guarantee of any of the Guaranteed Obligations or any security therefor shall be released or exchanged in whole or in part or otherwise dealt with.

Each Guarantor hereby expressly waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Borrower, protest, notices and all demands whatsoever, any requirement that any Holder exhaust any right, power or remedy or proceed against the Borrower under the Purchase Agreement or the Note or any other agreement or instrument referred to herein or therein, or against any other Person under any

2

other guarantee of, or security for, any of the Guaranteed Obligations and covenants that its Guaranteed Obligations will not be discharged except by complete performance by the Borrower or another Guarantor of such Guaranteed Obligations.

4. REINSTATEMENT.

The obligations of each Guarantor under this Guaranty shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of the Borrower in respect of the Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Guaranteed Obligations, whether as a result of any proceedings in bankruptcy or reorganization or otherwise.

5. SUBROGATION.

Each Guarantor hereby waives all rights of subrogation, contribution, reimbursement and indemnity and all other rights that such Guarantor would have against the Borrower at any time as a result of any payment in respect of its Guaranteed Obligations (whether contractual, under the Bankruptcy Code, or otherwise).

6. REMEDIES.

Each Guarantor agrees that, as between such Guarantor and the Holders, the obligations of the Borrower under the Purchase Agreement and the Note may be declared to be forthwith due and payable as provided in the Purchase Agreement (and shall be deemed to have become automatically due and payable in the circumstances provided in the Purchase Agreement) for purposes of the Guaranty notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically due and

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

payable) as against the Borrower and that, in the event of such declaration (or such obligations being deemed to have become automatically due and payable), such obligations (whether or not due and payable by the Company) shall forthwith become due and payable by such Guarantor for purposes of said Section 2 of the Guaranty.

7. INSTRUMENT FOR THE PAYMENT OF MONEY.

Each Guarantor hereby acknowledges that the guarantee in this Guaranty constitutes an instrument for the payment of money and consents and agrees that any Holder, at its sole option, in the event of a dispute by such Guarantor in the payment of any moneys due hereunder, shall have the right to bring motion-action under New York CPLR Section 3213.

8. CONTINUING GUARANTEE.

The guarantee in this Guaranty is a continuing guarantee, and shall apply to all Guaranteed Obligations whenever arising.

9. GENERAL LIMITATION ON GUARANTEE OBLIGATIONS.

In any action or proceeding involving any state corporate law, or any state or Federal bankruptcy, insolvency, reorganization, fraudulent conveyance, fraudulent transfer or other law

3

affecting the rights of creditors generally, if the obligations of any Guarantor under Section 2 hereof would otherwise be held or determined to be void, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under said Section 2, then, notwithstanding any other provision hereof to the contrary, the amount of such liability shall, without any further action by such Guarantor, any Holder or any other Person, be automatically limited and reduced to the highest amount that is valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding.

10. SUBORDINATION.

The obligations of each Guarantor under this Guaranty shall be junior and subordinated in right of payment to any Senior Indebtedness of such Guarantor in the same manner and to the same extent as the Note is subordinated to Senior Indebtedness of the Borrower, pursuant to Section 13 of the Purchase Agreement.

11. ANTI-LAYERING.

No Guarantor will, directly or indirectly, incur or suffer to exist any Indebtedness that is subordinate in right of payment to any Indebtedness of such Guarantor, unless such Indebtedness is PARI PASSU with or is subordinate in right of payment to such Guarantor's payment obligations under the Guaranty.

12. REQUIREMENTS.

Subject to the terms of the Purchase Agreement, this Guaranty may be amended, and the observance of any term hereof may be waived (either retroactively or prospectively), with (and only with) the written consent of the Majority Lenders.

Edgar Filing: RIDDELL SPORTS INC - Form 10-Q

13. SUCCESSORS AND ASSIGNS.

The guaranty provided in Section 2 hereof binds and inures to the benefit of the Holders and each of their respective successors and permitted assigns.

14. GOVERNING LAW.

This Guaranty shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of New York excluding choice-of-law principles of the law of such State that would require the application of the laws of a jurisdiction other than such State.

15. ASSIGNMENTS AND RESTRICTIONS ON TRANSFERS.

No Guarantor may assign any of its rights or obligations hereunder or under the Note without the prior consent of the Majority Lenders. The Purchaser and each Holder shall not transfer any of its rights under the Guaranty except to the same extent as permitted by Section 20.7 of the Purchase Agreement.
