Item 3.02

Unregistered Sales of Equity Securities.

On April 6, 2012, Miller Energy Resources, Inc. sold 100,000 shares of its Series A Redeemable Preferred Stock to 20 accredited and/or institutional investors and issued those investors Series PPA warrants to purchase 1,000,000 shares of common stock in a private offering exempt from registration under the Securities Act of 1933, as amended, in reliance on exemptions provided by Section 4(2) and Regulation D of that act. We received gross proceeds of \$10,000,000. We did not pay a finder's fee of \$84,000 to Dimirak Securities Corporation, a broker-dealer and member of FINRA. Mr. Boruff, our Chief Executive Officer, is a director and 49% owner of Dimirak Securities Corporation. We are using the funds for general working capital.

The designations, rights and preferences of the Series A Redeemable Preferred Stock include:

.
the shares have a stated value of \$100.00 per share and a liquidation preference equal to the stated value,

.
the shares are not entitled to any voting rights and are not convertible into any other security,

.
the holders are entitled to receive annual cumulative dividends at the rate of 10% per annum, payable annually in arrears on each dividend date, beginning on May 1, 2013;

.
the shares of Series A Redeemable Preferred Stock may be redeemed at any time at our option. If the shares are redeemed prior to 180 days from the date of issuance, the redemption price will be \$110 per share and if the shares are redeemed after the date that is 180 days from the date of issuance, the redemption price will be \$115 per share.

The Series PPA warrants are exercisable for three years from the issuance date at an exercise price of \$5.28 per share. The terms of the Series PPA warrants provide that the number of shares issuable upon the exercise of the warrants, as well as the exercise price of the warrants, is subject to proportional adjustment in the event of stock splits, stock dividends, recapitalizations and similar corporate events. Unless the shares of common stock issuable upon exercise of the warrants are included in a registration statement filed by us with the SEC on or before September 1, 2012, the warrants may be exercised on a cashless basis.

The shares of Series A Redeemable Preferred Stock will be mandatorily redeemable by us within 30 days following the refinancing and repayment of our credit facility with Guggenheim Corporate Funding, LLC, as Administrative Agent, Arranger and Lender and Citibank, N.A. and Bristol Investment Fund as lenders. If the Series A Redeemable Preferred Stock is not redeemed by us within 30 days of the repayment of the Guggenheim Credit Facility, the purchasers of the shares in this offering will receive, as liquidated damages and not as a penalty, a reduction in the exercise price of the Series PPA warrants from \$5.28 per share to \$3.00 per share.

The foregoing descriptions of the designations, rights and preferences of the Series A Redeemable Preferred Stock and the Series PPA warrants are qualified in its entirety by reference to the documents which are filed herewith as Exhibit 3.9 and 4.14.
