PROXY STATEMENT
OF
PARKE BANCORP, INC.

WASHINGTON TOWNSHIP, NEW JERSEY 08080

ANNUAL MEETING OF SHAREHOLDERS
APRIL 23, 2013

GENERAL

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Parke Bancorp, Inc., the bank holding company for Parke Bank, a New Jersey chartered commercial bank, to be used at the Annual Meeting of Shareholders to be held at the Terra Nova restaurant, 590 Delsea Drive, Washington Township, New Jersey, on April 23, 2013, at 10:00 a.m. The accompanying Notice of Annual Meeting and this Proxy Statement are being first mailed to shareholders on or about March 22, 2013.

At the Annual Meeting, shareholders will consider and vote upon (i) the election of four directors of the Company; (ii) the ratification of the appointment of McGladrey LLP as the Company's independent auditor for the fiscal year ending December 31, 2013; (iii) an advisory (non-binding) proposal regarding executive compensation; and (iv) a non-binding advisory proposal regarding the frequency with which shareholders should vote on the Company's executive compensation.

The Board of Directors knows of no additional matters that will be presented for consideration at the Annual Meeting. Execution of a proxy, however, confers on the designated proxy holder the discretionary authority to vote the shares represented by such proxy in accordance with their best judgment on such other business, if any, that may properly come before the Annual Meeting or any adjournment thereof.

VOTING AND PROXY PROCEDURES

Who Can Vote at the Annual Meeting

You are only entitled to vote at the Annual Meeting if our records show that you held shares of our common stock, \$.10 par value (the "Common Stock"), as of the close of business on March 14, 2013 (the "Record Date"). If your shares are held by a broker or other intermediary, you can only vote your shares at the Annual Meeting if you have a properly executed proxy from the record holder of your shares (or their designee). As of the Record Date, a total of 5,383,893 shares of Common Stock were outstanding. Each share of Common Stock has one vote on each matter presented.

Voting by Proxy

The Board of Directors is sending you this Proxy Statement for the purpose of requesting that you allow your shares of Common Stock to be represented at the Annual Meeting by the persons named in the enclosed Proxy Card. All shares of Common Stock represented at the Annual Meeting by properly executed and dated proxies will be voted according to the instructions indicated on the Proxy Card. If you sign, date and return the Proxy Card without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors. The Board of Directors recommends a vote

“FOR” its nominees for director, “FOR” the ratification of the appointment of McGladrey LLP as our independent auditors, “FOR” the advisory proposal regarding executive compensation and “FOR” the option that the say on pay proposal be considered every three years.

If any matters not described in this Proxy Statement are properly presented at the Annual Meeting, the persons named in the Proxy Card will vote your shares as determined by a majority of the Board of Directors. If the Annual Meeting is postponed or adjourned, your Common Stock may be voted by the persons named in the Proxy Card on the new Annual Meeting dates as well, unless you have revoked your proxy. The Company does not know of any other matters to be presented at the Annual Meeting.

You may revoke your proxy at any time before the vote is taken at the Annual Meeting. To revoke your proxy you must advise the Company’s Secretary in writing before your Common Stock has been voted at the Annual Meeting, deliver a later-dated proxy, or attend the Annual Meeting and vote your shares in person. Attendance at the Annual Meeting will not in itself revoke your proxy.

If you hold your Common Stock in “street name,” you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. Your broker, bank or other nominee may allow you to deliver your voting instructions via the telephone or the Internet. Please see the instruction form provided by your broker, bank or other nominee that accompanies this Proxy Statement. Please note that pursuant to the rules that guide how brokers vote your stock, your brokerage firm or other nominee may not vote your shares with respect to Proposals I, III or IV without specific instructions from you as to how to vote because neither of these Proposals are considered “routine” matters under the applicable rules.

Vote Required

The Annual Meeting can only transact business if a majority of the outstanding shares of Common Stock entitled to vote is represented at the Annual Meeting. If you return a valid proxy or attend the Annual Meeting in person, your shares will be counted for purposes of determining whether there is a quorum even if you abstain or withhold your vote or do not vote your shares at the Annual Meeting. Broker non-votes will be counted for purposes of determining the existence of a quorum. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not have discretionary voting power with respect to the agenda item and has not received voting instructions from the beneficial owner.

In voting on the election of directors, you may vote in favor of the nominees or withhold votes as to any or all nominees. There is no cumulative voting in the election of directors. Directors must be elected by a plurality of the votes cast at the Annual Meeting. This means that the nominees receiving the greatest number of votes will be elected. Votes that are withheld and broker non-votes will have no effect on the outcome of the election.

In voting to ratify the appointment of McGladrey LLP as our independent auditors or the proposal regarding executive compensation, you may vote in favor of the proposal, against the proposal or abstain from voting. To be approved, these proposals require the affirmative vote of a majority of the votes cast at the Annual Meeting. Broker non-votes and abstentions will not be counted as votes cast and will have no effect on the voting on these proposals. With respect to Proposal IV (the frequency vote), stockholders may vote to consider a say on pay proposal every one year, every two years or every three years, or may abstain from voting. This Proposal will be decided by a plurality of the votes cast without regard to broker non-votes or proxies marked “ABSTAIN” as to that matter.

Persons and groups beneficially owning more than 5% of the Common Stock are required to file certain reports regarding their ownership with the Securities and Exchange Commission. The Board of Directors has adopted a written compensation committee charter for the Compensation Committee which is available on the Investor Relations page of the Company's web site, www.parkebank.com.

Audit Committee. The Audit Committee is responsible for overseeing the accounting and financial reporting processes and the audits of the financial statements of the Company. The Committee is comprised of Directors Choate, Dalton, Dobson, and Sheppard. The Committee met 5 times in fiscal year 2012. The Board of Directors has adopted a written audit committee charter for the Audit Committee is available on the Investor Relations page of the Company's web site, www.parkebank.com.

Audit Committee Financial Expert. The Board of Directors has determined that Fred G. Choate is an Audit Committee "financial expert" as that term is defined in Item 407(d)(5) of Regulation S-K of the Securities and Exchange Commission. Mr. Choate would be considered an independent director, under the rules of The Nasdaq Stock Market including the specific independence requirements for audit committee members.

Shareholder Communications

The Board of Directors does not have a formal process for shareholders to send communications to the Board. In view of the infrequency of shareholder communications to the Board of Directors, the Board does not believe that a formal process is necessary. Written communications received by the Company from shareholders are shared with the full Board no later than the next regularly scheduled Board meeting. The Board encourages, but does not require, directors to attend the annual meeting of shareholders. All of the Board's members attended the 2012 annual meeting of shareholders.

Board Leadership Structure and Role in the Risk Management Process

Director Vito Pantilione serves as Chief Executive Officer of the Company and Director Celestino R. Pennoni serves as Chairman of the Board. The Board of Directors has determined that the separation of the offices of Chairman of the Board and Chief Executive Officer and President enhances Board independence and oversight. Moreover, the separation of the Chairman of the Board and Chief Executive Officer and President allows the Chief Executive Officer and President to better focus on his growing responsibilities of running the Company, enhancing shareholder value and expanding and strengthening our franchise while allowing the Chairman of the Board to lead the Board in its fundamental role of providing advice to and independent oversight of management.

We face a number of risks, including credit risk, interest rate risk, liquidity risk, operational risk, strategic risk and reputation risk. Management is responsible for the day-to-day management of the risks the Company faces, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate

and functioning as designed. To do this, the Chairman of the Board meets regularly with management to discuss strategy and risks facing the Company. Senior management attends the Board meetings and is available to address any questions or concerns raised by the Board on risk management and any other matters. The Chairman of the Board and independent members of the Board work together to provide strong, independent oversight of the Company's management and affairs through its Audit, Loan and Asset/Liability committees and, when necessary, special meetings of independent directors.

EXECUTIVE COMPENSATION

Effective January 30, 2009, we became a participant in the United States Treasury Department's Capital Purchase Program ("CPP") under the Emergency Economic Stabilization Act of 2008 ("EESA"). Under EESA and Treasury Department rules, this requires us to comply with certain limits and restrictions concerning executive compensation throughout the time the Treasury Department holds an interest in our shares. In November 2012, the Treasury Department sold all of the shares of preferred stock we had issued to the Treasury Department to third parties, thereby ending our requirement to continue to adhere to these limitations and restrictions.

Nonqualified Deferred Compensation. The Bank implemented a Supplemental Executive Retirement Plan (“SERP”) effective January 1, 2003. Vito S. Pantilione, President is a participant in the SERP. Under the SERP, retirement benefits are payable to such participant commencing upon retirement after attainment of age 60 at the rate of 50% of their highest base salary paid while an employee of the Bank for the remainder of their life. If such retirement benefit payments are made for less than ten years, a survivor benefit will continue to be paid for the balance of such ten year period. Such benefits are in addition to any social security benefits. Upon a change of control of the Bank prior to the date of retirement of a participant, all benefits shall be deemed earned and non-forfeitable as if such participant had attained his or her retirement date at age 60. A participant may elect to retire after age 55 and such benefits payable shall be actuarially reduced to reflect the earlier payment commencement date. If a participant dies prior to age 60 while employed by the Bank, a survivor benefit will be paid equal to 100% of the participant’s highest salary for one year and 50% of such salary for four additional years. Benefits under the plan may be paid in the form of a lump-sum on an actuarially equivalent basis. At December 31, 2012, the Bank had a total accrued liability of \$3,160,000 with respect to benefits payable under the SERP. Benefits under the SERP will be a tax deductible expense to the Bank at the time that actual benefit payments are made. The Bank has invested in various life insurance agreements (commonly known as BOLI, for bank-owned life insurance) with policy proceeds payable to the Bank in the event of the death of plan participants. Such insurance proceeds and earnings related to such investments are anticipated to exceed any plan costs related to benefit payments.

Potential Payments Upon Termination or Change-in-Control. As described below, certain of the Named Executive Officers are parties to various agreements that provide for payments in connection with any termination of their employment. The following table shows the payments that would be made to the Named Executive Officers at, following or in connection with any termination of their employment in the specified circumstances as of the last business day of the last fiscal year.

- (3) These payments represent a maximum lump sum payment to the Named Executive upon termination of their contract.
- (4) The disability payment includes insurance disability as well as Company compensation on an annual basis for the remainder of the named executive's term of employment contract (minimum of 2 years up to a maximum of 3 years).
- (5) Death benefits represent total life insurance payments that would be paid out to the named executive's heirs.

Employment Agreements. The Bank has entered into an employment agreement with Mr. Pantilione. Mr. Pantilione's base salary under the employment agreement for the year ended December 31, 2012 was \$424,000. Mr. Pantilione's employment agreement has a term of three years that is automatically extended for one year on January 1st of each year, unless notice of termination of the automatic extension is given in accordance with the terms of the employment agreement. The employment agreement may be terminated by the Bank for "cause" as defined in the agreement. If the Bank terminates Mr. Pantilione's employment without just cause, he will be entitled to a continuation of his salary from the date of termination through the remaining term of the agreement. The employment agreement contains a provision stating that after Mr. Pantilione's employment is terminated in connection with any change in control, he will be paid a lump sum amount equal to the balance of the annual compensation due under the agreement plus an amount equal to 3.0 times the highest rate of bonus awarded to him during the three years prior to such termination. If payment had been made under the agreement as of December 31, 2012, the payment to Mr. Pantilione would have equaled approximately \$1,800,000. The employment agreement also grants the right of the employee, within six months following a termination without cause or a voluntary termination by the employee for good reason, to require the Company to repurchase all of the employee's shares of Common Stock, warrants and options of the Company then owned by the employee at the closing price of such stock on the business day immediately preceding the date of notice of the employee's exercise of this right. The employment agreement also grants the right of the employee, within six months following a termination without cause or a voluntary termination by the employee for good reason, to require the Company to repurchase all of the employee's shares of Common Stock, warrants and options of the Company then owned by the employee at the closing price of such stock on the business day immediately preceding the date of notice of the employee's exercise of this right. The employment agreement also contains an agreement not to compete with the Bank which restricts certain post-employment activities of the employee within the Counties of

Gloucester, Camden, Salem or Cumberland, New Jersey, for two years following termination of employment with the Bank.

12

Change in Control Severance Agreements. The Company has implemented Management Change in Control Agreements with certain of its named executive officers (Elizabeth Milavsky, Executive). Such severance benefits associated with termination of employment following a change in control will equal two and one-half times the most recent salary and bonus payment, not to exceed the tax deductible amounts under Section 280G of the Code.

Director Pennoni has 24,244 options at an exercise price of \$10.39 per share and 16,836 options at an exercise price of \$11.28 per share.

For the year ended December 31, 2012, the chairman and each other non-employee director received board fees of \$43,400 and \$107,325, respectively. Retainers of \$31,000, \$17,500, and \$46,325 were paid to the chairman, audit committee chairman, and each other non-employee director, respectively, regardless of attendance. Additionally, fees were paid in connection with attendance of committee meetings for all non-employee directors. For the fiscal year ended December 31, 2012, board fees totaled \$143,250. Currently, each Company Director also serves as a Bank Director. Directors' fees are paid by the Bank; there are no additional fees paid by the Company.

RELATED PARTY TRANSACTIONS

In the normal course of its business as a financial institution, the Bank has granted loans to its officers, directors and their affiliates. The terms of these related party loans, including interest rates, collateral and repayment terms, are similar to those prevailing for comparable transactions with other customers and do not involve more than a normal risk of collectability or other unfavorable features. At December 31, 2012, the aggregate outstanding principal balance of all such related party loans was \$16.6 million. Loans totaling \$7.9 million that are guaranteed by one of its Board members, Ray H. Tresch, are greater than 90 days delinquent and are no longer accruing interest. These loans were granted to a former Board member, Thomas Hedenberg, for the purpose of financing residential and commercial real estate developments. The collateral securing these loans have been reappraised and the values exceed the outstanding loan balances.

The Company purchased in 2012 employee benefits such as medical insurance, life insurance and disability insurance from an insurance agency owned by one of its Board members, Jeffrey H. Kripitz, which amounted to \$493,000. Mr. Kripitz has beneficial ownership of 300,724 shares, or 5.57% of the Company's outstanding shares.

The Company contracted with one of its former Board members, Thomas Hedenberg, to perform general contracting services and to perform other real estate related services. The cost of these services amounted to \$224,000 in 2012. Mr. Hedenberg has beneficial ownership of 37,149 shares, or 0.69% of the Company's outstanding shares.

PROPOSAL II -- RATIFICATION OF APPOINTMENT OF AUDITORS

The Board of Directors of the Company has appointed McGladrey LLP as the Company's independent auditor for the fiscal year ending December 31, 2013, subject to ratification by the Company's shareholders. A representative of McGladrey LLP is expected to be present at the Annual Meeting and available to respond to appropriate questions, and he will have the opportunity to make a statement if he so desires.

Audit Fees. The aggregate fees billed by McGladrey LLP for professional services rendered for the audit of the Company's annual consolidated financial statements and for the review of the consolidated financial statements included in the Company's Quarterly Reports on Form 10-Q for the fiscal years ended December 31, 2012 and 2011, were \$133,118 and \$146,363, respectively.

Audit Related Fees. The aggregate fees billed by McGladrey LLP for audit and related services for the years ended December 31, 2012 and 2011, were \$0 and \$3,705, respectively.

Tax Fees. The aggregate fees billed by McGladrey LLP for professional services rendered for tax compliance, tax advice or tax planning for the years ended December 31, 2012 and 2011 were \$16,750 and \$16,720, respectively.

All Other Fees. The aggregate fees billed by McGladrey LLP for all other services for the years ended December 31, 2012 and 2011 were \$0 for both years.

The Audit Committee has not established pre-approval procedures and instead specifically approves each service prior to the engagement of the auditor for all audit and non-audit services. It is the Audit Committee's policy to pre-approve all audit and non-audit services prior to the engagement of the Company's independent auditor to perform any service. All of the services listed above for 2012 and 2011 were approved by either the Company's or the Bank's Audit Committee prior to the service being rendered. There were no services that were not recognized to be non-audit services at the time of engagement that were approved after the fact.

Ratification of the appointment of the independent auditor requires the affirmative vote of a majority of the votes cast, in person or by proxy, by the shareholders of the Company at the Annual Meeting. The Board of Directors recommends that shareholders vote "FOR" the ratification of the appointment of McGladrey LLP as the Company's independent auditor for the 2013 fiscal year.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee's main responsibilities include establishing and reviewing the Company's internal controls and operating procedures to ensure compliance by the Company with all applicable laws, regulations, generally accepted accounting standards and customary operating procedures and practices. The Audit Committee also monitors the results of examinations by the Company's independent auditor. During the year ended December 31, 2012, this committee met 5 times.

For the fiscal year ended December 31, 2012, the Audit Committee: (i) reviewed and discussed the Company's audited consolidated financial statements with management, (ii) discussed with the Company's independent auditor, McGladrey LLP, all matters required to be discussed under Statement on Auditing Standards No. 61 as adopted by the Public Company Accounting Oversight Board in Rule 3200T, and (iii) received from McGladrey LLP disclosures regarding McGladrey LLP's independence as required by applicable requirements of the Public Company Accounting Oversight Board and discussed with McGladrey LLP its independence. Based on the foregoing review and discussions, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2012.

PROPOSAL III – ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Company has included a non-binding advisory vote on the compensation of the Company's named executive officers at its annual meeting since 2009. This proposal, commonly referred to as a "say on pay" proposal was required in accordance with the requirements of the American Recovery and Reinvestment Act of 2009 during the period in which any obligation arising from the Company's participation in the TARP Capital Purchase Program remains outstanding. At the 2012 Annual Meeting of Shareholders, the shareholders approved the advisory vote on the Company's executive compensation policies and practices as disclosed in the proxy materials by more than 85% of the shares voting on the matter.

During 2012, the United States Treasury sold all of the shares of preferred stock issued by the Company pursuant to the TARP Capital Purchase Program and, as such, the Company is no longer subject to this specific requirement. However, Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act") and the regulations of the Securities and Exchange Commission thereunder provide that for smaller reporting companies, such as the Company, for the first annual meeting of shareholders on or after January 21, 2013 and not less than once every three years thereafter the Company must include a "say on pay" proposal for shareholders to vote to approve the compensation of the Company's named executive officers, as disclosed in its proxy statement pursuant to Item 402 of Regulation S-K of the Securities and Exchange Commission.

This proposal gives the Company's shareholders the opportunity to endorse or not endorse the Company's executive pay program and policies, as disclosed in this Proxy Statement, through the following resolution:

"Resolved, that the compensation paid to the Company's Named Executive Officers as disclosed pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion in this Proxy Statement is hereby approved."

As provided in the Dodd-Frank Act, this vote will not be binding on the Board of Directors and may not be construed as overruling a decision by the Board, creating or implying any change to the fiduciary duties of the Board or any additional fiduciary duty by the Board or restricting or limiting the ability of shareholders to make proposals for inclusion in proxy materials related to executive compensation. The Compensation Committee, however, may take into account the outcome of the vote when considering future executive compensation arrangements.

In voting to approve the above resolution, shareholders may vote for the resolution, against the resolution or abstain from voting. This matter will be decided by the affirmative vote of a majority of the votes cast at the Annual Meeting. On this matter, abstentions will have no effect on the voting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" APPROVAL OF THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.

PROPOSAL IV – ADVISORY VOTE ON THE FREQUENCY
OF ADVISORY VOTES ON EXECUTIVE COMPENSATION

Section 951 of the Dodd-Frank Act and the regulations of the Securities and Exchange Commission thereunder require for smaller reporting companies such as the Company that at the first annual meeting of shareholders held on or after January 21, 2013 and not less frequently than once every six years thereafter the Company must include a separate resolution subject to shareholder vote to determine whether the non-binding shareholder vote on executive compensation that is the subject of Proposal III should occur every one, two or three years.

The Board of Directors welcomes the views of shareholders on executive compensation matters. The Board of Directors, however, does not believe that it is necessary to have the non-binding vote on executive compensation occur every year. The Board believes that a vote once every three years will allow stockholders the time needed to properly assess the impact of changes made in the Company's executive compensation program in response to shareholder votes on executive compensation. The Board of Directors also notes that it incurs costs to have an additional item on the agenda. In the interests of saving costs, the Board recommends that the non-binding vote on executive compensation occur only once every three years.

As provided in the Dodd-Frank Act, this vote will not be binding on the Board of Directors and may not be construed as overruling a decision by the Board, creating or implying any change to the fiduciary duties of the Board or any additional fiduciary duty by the Board or restricting or limiting the ability of shareholders to make proposals for inclusion in proxy materials related to executive compensation.

In voting on the frequency of the non-binding say-on-pay resolution, shareholders may vote to have the vote occur every one, two or three years or abstain from voting. The option which receives the most votes from shareholders will be deemed to be the option selected by shareholders. On this matter, abstentions and broker non-votes will have no effect on the outcome.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE TO HAVE THE NON-BINDING VOTE ON EXECUTIVE COMPENSATION OCCUR EVERY THREE YEARS.

SHAREHOLDER PROPOSALS

In order to be considered for inclusion in the Company's proxy materials for the annual meeting of shareholders to be held in 2014, all shareholder proposals must be received at the executive office of the Company at 601 Delsea Drive, Washington Township, New Jersey 08080 by November 22, 2013. Shareholder proposals must meet other applicable criteria as set forth in the bylaws in order to be considered for inclusion in the proxy materials.

Shareholder proposals that are not included in the Company's proxy statement for the 2014 annual meeting will only be considered at such meeting if the shareholder submits notice of the proposal to the Company at the above address by February 22, 2014. Shareholder proposals must meet other applicable criteria as set forth in the bylaws in order to be considered at the 2014 annual meeting.
