Special Subjects:

This is an announcement as per the letter sent by Istanbul Stock Exchange inquiring about various local news on media regarding Turkcell's participation to Pakistani Telecom's privatization pre-bidding meetings for the 26% stake with management rights.

As we announced on March 7, 2005, Turkcell, in order to evaluate potential investment opportunities in the telecommunications sector, through its subsidiary Turkcell Uluslararası Yatırım Holding (Turkcell), submitted a pre-qualification application to the privatization process which was a pre-condition for receiving the related tender documents. Turkcell has passed the prequalification stage, however as the management's evaluation process is still continuing, no decisions have been reached regarding the bidding, yet.

In case any material developments occur with regards to this subject, Turkcell will make necessary announcement according to the Circular VIII, No: 39 of the Capital Markets Board regulations.

We hereby confirm that the above-mentioned explanations are furnished as per the provisions of the Communiqué Serial no VIII/39, that they reflect all information we have gathered so far, that they are in accordance with our corporate documents, that we have used all endeavors to collect the complete and true related information and that we assume the responsibility for this disclosure.
