If the transaction is not undertaken in accordance with the results in the valuation report, why?	:	-

Forward Looking Statements

This document contains forward-looking statements which involve a number of uncertainties. These include in particular the ability of the Company to close on its announced acquisition of shares of Global Iletisim and to realise the synergies between the companies that are described herein, which may be affected by, among other things: Obtaining approval of the transaction and our ability to manage technical differences between their systems and our own (both those differences that are known and those that we may yet discover) and to successfully integrate these systems, as well as other risks cited in the Risk Factors contained in our Annual Report on Form 20-F filed with the U.S. Securities and Exchange Commission. Turkcell does not undertake any obligation to update or revise forward looking statements, whether as a result of new information, future events or otherwise.
