The following is an advertisement of Comcast:

Comcast + Time Warner Cable: because Together is better for more people.
Together, a faster, more reliable broadband network.

As a leader in high-speed Internet, Comcast has increased speeds 13 times in the last 5 years. We're investing billions in new, next-generation technologies, and through the transaction with Time Warner Cable, we'll create a stronger, more reliable and more secure broadband network for millions of new customers.

Together, diverse programming for more audiences.

Comcast is focused on creating a positive environment for independent programmers. We carry more than 160 independent networks and are committed to supporting 10 new cable channels, most minority owned. Through the transaction with Time Warner Cable, independent voices will be able to reach new audiences across the country.

Together, Net Neutrality protection for more Americans.

Comcast is the only Internet service provider in America legally bound by Net Neutrality rules, ensuring an open Internet and protecting customer privacy. Through the transaction with Time Warner Cable, we'll bring Net Neutrality protection to millions of new customers across the country.

Together, Internet access for more low-income families.

Comcast's Internet Essentials(SM) program is the nation's largest and most comprehensive broadband adoption program for low-income people, having helped over one million Americans. Through the transaction with Time Warner Cable, Comcast will bring the power of the Internet to many more low-income families at home.
