INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
The Seagram 401(k) Plan - UNI Employees

We have audited the accompanying statements of net assets available for

Edgar Filing: VIVENDI UNIVERSAL - Form 11-K

benefits of The Seagram 401(k) Plan - UNI Employees (the "Plan") as of December 31, 2000 and 1999, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2000 and 1999, and the changes in net assets available for benefits for the years then ended in conformity with generally accepted accounting principles.

NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies followed in the preparation of the financial statements of The Seagram 401 (k) Plan - UNI Employees (the "Plan") conform with generally accepted accounting principles. The more significant accounting policies are:

Basis of Accounting

The accompanying financial statements of the Plan are maintained on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation

The assets are held in trust by Bank of New York (Trustee) in the Joseph E. Seagram & Sons, Inc. Master Trust Agreement (Master Trust), which also includes assets of the 401(k) plans of the Company's affiliates, Universal Studios, Inc. and Spencer Gifts, Inc. Effective July 1, 1999, the assets of the PolyGram Holding, Inc. Deferred Savings and Investment Plan for Employees were added to the Master Trust. The

Edgar Filing: VIVENDI UNIVERSAL - Form 11-K

related investment income and appreciation in fair value represents allocations to the Plan based upon the ratio of the Plan's assets to total Master Trust Assets.

On December 8, 2000, The Seagram Company Ltd. (parent of Joseph E. Seagram & Sons, Inc.), Vivendi and Canal Plus S.A. completed a series of transactions pursuant to which the three companies combined into Vivendi Universal. Upon the completion of the merger transactions, shareholders of The Seagram Company Ltd. (other than those exercising dissenters' rights), including the Trustee on behalf of the Plan, received, for each common share of The Seagram Company Ltd. held, 0.80 Vivendi Universal ADSs or a combination of 0.80 non-voting exchangeable shares of Vivendi Universal's Canadian subsidiary, Vivendi Universal Exchangeco, and an equal number of voting rights in Vivendi Universal.

Investment securities are recorded and valued as follows:

United States government obligations at fair value based on the current market yields; temporary investments in short-term investment funds at cost which in the normal course approximates market value; securities representing units of other funds at net asset value; the Vivendi Universal ADSs at the closing price reported on the composite tape of the New York Stock Exchange on the valuation date.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Security Transactions

Security transactions are accounted for on a trade date basis with the average cost basis used for determining the cost of investments sold. Interest income is recorded on an accrual basis. Income on securities purchased under agreements to resell is accounted for at the repurchase rate. Changes in discount on coupons detached from United States Treasury Bonds are reflected as unrealized appreciation.

2. DESCRIPTION OF THE PLAN

The Plan is a defined contribution plan originally established as the UNI Distribution Corp. Employees Savings Plan ("UNI Plan") and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Effective January 1, 1997, the UNI Plan was amended and continued in the form of the Retirement Savings and Investment Plan for Employees of Joseph E. Seagram & Sons, Inc. and Affiliates (the "Seagram Plan"). The name of the UNI Plan was changed to the Retirement Savings and Investment Plan for Employees of Joseph E. Seagram & Sons, Inc. and Affiliates - UNI Employees (the "Plan"). Effective January 1, 1999, the name of the Retirement Savings and Investment Plan for Employees of Joseph E. Seagram & Sons, Inc. and Affiliates - UNI Employees was changed to The Seagram 401(k) Plan - UNI Employees. To simplify plan administration, the Plan was amended in the form of the Seagram Plan, including certain modifications to the terms, to accommodate the benefits provisions solely applicable to eligible employees of UMG Manufacturing and Logistics, Inc. ("UNI"). Notwithstanding the adoption

Edgar Filing: VIVENDI UNIVERSAL - Form 11-K

of the form of the Seagram Plan, the Plan has continued its existence as a separate plan. Plan assets are solely available for the benefit of and used to satisfy the liabilities incurred on behalf of employees of the Plan.

The Plan covers certain employees of UNI and certain of its United States subsidiaries (collectively, the "Participating Companies"), excluding persons who are members of a labor union, guild or other collective bargaining unit unless the employee is salaried and paid in whole or in part by UNI. In addition, interns must complete one year of service before they are eligible to participate in the Plan.

The Plan provides benefits to participants based upon amounts voluntarily contributed to a participant's account by the participant and amounts contributed under certain circumstances, by the Participating Companies (see Note 4). Under the Plan, a participant is not provided with any fixed benefit. The ultimate benefit to be received by the participant depends on the amounts contributed, the investment results and other adjustments, and the participant's vested interest at termination of employment (see Note 5).

With respect to each participant, contributions are allocated among four accounts specified in the Plan: pre-tax account, company match account, after-tax account and rollover account (the

"Accounts"). Such contributions are invested as designated by the participants in one or more of the investment funds referred to in Note 3, and are accumulated and invested in the Master Trust. Plan assets are solely available for the benefit of and used to satisfy the liabilities incurred on behalf of employees covered by the Plan. The Plan is administered by the Joseph E. Seagram & Sons, Inc. (the "Company") through an Administrative Committee appointed by the Board of Directors of the Company.

3. INVESTMENT PROGRAM

During the years ended December 31, 2000 and 1999, the Plan was comprised of ten and nine investment funds, respectively: (i) the Money Market Fund investing primarily in the State Street Yield Enhanced STIF Fund managed by State Street Bank and Trust Company; (ii) the Stable Income Fund investing in the La Salle Income Plus Fund managed by LaSalle National Trust, N.A.; (iii) the Bond Fund investing in PIMCO Total Return Fund; (iv) the S&P 500 Index Fund investing in the Vanguard Employee Benefit Index Fund (which replaced the S&P 500 Flagship Fund, Series C on April 1, 2000), managed by Vanguard; (v) the Managed Equity Fund investing in Vanguard Value Index Fund (which replaced the Lazard Equity Portfolio on April 1, 2000) managed by Vanguard; (vi) the Growth Equity Fund investing in Brandywine Fund, Inc. managed by Friess Associates (up to February 1, 1999) ; on December 1, 1999 the Growth Fund was reestablished investing in Vanguard Institutional Index Fund managed by Vanguard ; (vii) the Seagram Stock Fund investing primarily in The Seagram Company Ltd.

common shares prior to December 8, 2000 and primarily in Vivendi Universal ADSs beginning December 8, 2000; (viii) the Dreyfus Small Company Value Fund investing in the Dreyfus Small Company Value Fund managed by Dreyfus and (ix) the MSDW International Fund investing in MSDW International Equity Fund managed by Morgan Stanley. On March 1, 2000, the Global Technology Fund investing in the RCM Global Technology Fund managed by Dresdner was added to the investment funds. The investments are administered by the Investment Committee appointed by the Board of Directors of the Company.

On December 8, 2000, The Seagram Company Ltd. (parent of Joseph E. Seagram & Sons, Inc.), Vivendi and Canal Plus S.A. completed a series of transactions pursuant to which the three companies combined into Vivendi Universal. Upon the completion of the merger transactions, shareholders of The Seagram Company Ltd. (other than those exercising dissenters' rights), including the Trustee on behalf of the Plan, received, for each common share of The Seagram Company Ltd. held, 0.80 Vivendi Universal ADSs or a combination of 0.80 non-voting exchangeable shares of Vivendi Universal's Canadian subsidiary, Vivendi Universal Exchangeco, and an equal number of voting rights in Vivendi Universal.

4. CONTRIBUTIONS

Non-highly compensated employees, as defined by the Plan, may elect to contribute to their pre-tax accounts on a pre-tax basis ("Pre-Tax Contributions) and/or to their after-tax accounts on an after-tax basis ("After-Tax Contributions") through payroll deductions of 1% to 14% (in the aggregate)

6

12

4. CONTRIBUTIONS (Continued)

(up to 17% effective January 1, 1999) of their annual salary (as defined in the Plan), in multiples of 1%, in any combination. Highly-compensated employees, as defined, may elect to contribute from 1% to 10% of their annual salary on a pre-tax basis and from 1% to 10% of their annual salary on an after-tax basis; provided, the aggregate percentage of the contributions does not exceed 10% (effective January 1, 1999, the aggregate percentage of pre-tax and after-tax contribution is 17% with a 10% limit of their pre-tax account) of their annual salary. Pre-tax Contributions and After-Tax Contributions are subject to limitations imposed by federal laws for qualified retirement plans.

The Plan provides for mandatory matching contributions by the Participating Companies payable to the participants' company match accounts. The Participating Companies, except as herein noted, contribute on behalf of the participants 40% of the participants' contributions not exceeding 5% of their salary. Effective January 1, 1999, the Participating Companies matching contribution was increased to 60% of the first 6% of the Participants' Pre-Tax and After-Tax Contributions. The Participating Companies matching contributions are subject to limitations imposed by federal laws for qualified retirement plans.

The Plan will accept into participants' rollover Accounts cash received by participants from a qualified plan within the time prescribed by

Edgar Filing: VIVENDI UNIVERSAL - Form 11-K

applicable law ("Rollover Contributions").

The Participating Companies may make discretionary contributions in an amount to be determined by the Participating Companies. The Participating Companies have not made discretionary contributions since the inception of the Plan.

5. VESTING

A participant in the Plan always has a fully vested interest in the value of his or her contributions and rollover accounts. He or she has a non-forfeitable right to the value of his or her company match account upon the attainment of age 60, disability (as defined in the Plan) or death. Upon termination of employment for any other reason, a participant vests in the funds held in his or her company match account in accordance with the following vesting schedule:

Years of Service -----	Vested Percentage -----
Less than 1	0%
At least 1, but less than 2	20%
At least 2, but less than 3	40%
At least 3, but less than 4	60%
At least 4, but less than 5	80%
5 or more	100%

Upon termination of employment for reasons other than the attainment of age 60, disability or death of a participant who was not fully vested in his or her company match account, the nonvested portion

NOTES TO FINANCIAL STATEMENTS

5. VESTING (continued)

of the participant's company match account shall be forfeited. Any amount forfeited shall be applied to reduce the Participating Companies' contributions. Any amount forfeited shall be restored if the participant is re-employed by a Participating Company before incurring a five year break in service and if the participant repays to the Plan (within five years after his or her reemployment commencement date) an amount in cash equal to the full amount distributed to him or her from the Plan on account of termination of employment, excluding amounts from the after-tax and rollover accounts at the participant's election.

The nonvested interest of terminated participants serves to reduce Participating Company contributions in the accordance with the terms of the Plan. The Participating Companies used \$1,227 in forfeitures to offset their contributions during the year ended December 31, 2000.

6. DISTRIBUTIONS

Upon termination of employment, after the attainment of age 60 or for reason of disability or death, the participant or his or her

Edgar Filing: VIVENDI UNIVERSAL - Form 11-K

beneficiary shall receive the value of his or her Accounts. However, if the termination of employment is for reasons other than the attainment of age 60, disability or death, the participant shall receive only the value of the vested funds in his or her Accounts (See Note 5). Benefits are recorded when paid.

In accordance with the procedures established by the Administrative Committee and the terms of the Plan, certain terminated employees may elect to defer final distribution from the Plan. Upon such election, the amount in such participants' vested interest in the Plan is entitled to continue to receive investment income and is held by the Trustee until the date of distribution as elected by the participants.

Prior to termination of employment, the participant may withdraw amounts from the participant's Accounts in accordance with the provisions of the Plan.

7. LOANS TO PARTICIPANTS

A participant may apply for loans up to the lesser of \$50,000 or 50% of the value of the vested portion of the participant's Accounts. The minimum loan amount is \$1,000. The maximum repayment terms are 5 years for general purpose loans and 25 years for principal residence loans, except that primary residence loans requested after December 31, 1999 will have a maximum repayment term of fifteen years. Applications for loans must be approved by the Administrative Committee. The amounts borrowed are transferred from the investment funds in which the participant's Accounts are currently invested. Repayments and interest thereon are credited to the participant's current investment funds through payroll deductions made each pay period. The interest rate for loans is based on the prime rate on the first business day of the month in which the loan is made plus one percentage point.

8

14

THE SEAGRAM 401(k) PLAN - UNI EMPLOYEES NOTES TO FINANCIAL STATEMENTS

8. TAX STATUS OF PLAN

The Internal Revenue Service has ruled by a letter dated April 20, 2000 that the Plan is qualified under Section 401(a) of the Internal Revenue Code, as amended. So long as the Plan continues to be so qualified, it is not subject to Federal income taxes.

Participants are not currently subject to income tax on the Participating Companies' contributions to the Plan or on income earned by the Plan. Benefits distributed to participants or to their beneficiaries may be taxable to them. The tax treatment of the value of such benefits depends on the event giving rise to the distribution and the method of distribution selected.

9. RELATED PARTY TRANSACTIONS

Some of the Plan expenses including trustee, custodial, and certain recordkeeping fees, are paid by the Company, and personnel and facilities of the Company are used by the Plan at no charge.

10. TERMINATION OF THE PLAN

Edgar Filing: VIVENDI UNIVERSAL - Form 11-K

The Board of Directors of the Company may terminate the Plan at any time. In the case of termination, the rights of participants to their accounts shall be vested as of the date of termination.

11. ASSETS HELD IN TRUST

The assets of the Plan are invested in the Master Trust held by the Trustee where the assets of other related employee benefit plans of affiliates are invested on a commingled basis.
