On June 6, 2003 The Chubb Corporation announced that its Board of Directors elected Robert C. Cox to the position of Executive Vice President of Chubb & Son and head of Chubb Specialty Insurance (CSI), succeeding Ralph E. Jones III, who has accepted a position as president and chief executive officer of Arch Insurance Group, a division of Arch Capital Group Ltd. A managing director of Chubb & Son, Mr. Cox has been chief operating officer of CSI since 2001. Before that, he served as worldwide manager of Chubb's financial institutions specialty business. He joined Chubb in 1981 as an underwriting trainee in San Francisco after graduating with a bachelor of science degree in business management/finance from San Jose State University.

Bob Cox is a world-class underwriter and manager with broad experience in running CSI's executive protection and financial institutions businesses, said John D. Finnegan, President and Chief Executive Officer. We are grateful to Ralph Jones for leading the successful integration of Chubb's executive protection business when we acquired Executive Risk Inc., and we wish him well in his new position.

Separately, Chubb announced that its preliminary estimate for after-tax catastrophe losses in the two months ended May 31, 2003 is \$49 million (\$0.28 per share). In the three months ended June 30, 2002, catastrophe losses were \$7.0 million after-tax (\$0.04 per share). Chubb also announced that it expects to record in the second quarter an after-tax charge of \$17 million (\$0.10 per share) as a result of a recent adverse arbitration decision rendered against an insurance pool in which Chubb was formerly a 5.5% participant. The decision related to a fire loss that occurred in 1995 and involved property damage and business interruption.
