CAUTIONARY STATEMENT REGARDING FORWARD LOOKING INFORMATION

The disclosure in this prospectus contains forward looking statements. Forward looking statements give our current expectations or forecasts of future events. You can identify these statements by the fact that they do not relate strictly to historical or current facts. These statements may include words such as "anticipate," "estimate," "expect," "project," "intend," "plan," "believe" and other words and terms of similar meaning in connection with any discussion of future operating or financial performance. Examples of forward looking statements in this prospectus include:

- management's current good faith estimates of the transactions expected to generate income; and
- our intended use of the proceeds from the future sale of common shares, preferred shares and warrants.

Any or all of our forward looking statements in this prospectus may turn out to be wrong. They can be affected by inaccurate assumptions we might make or by known or unknown risks and uncertainties. Many factors mentioned in our discussion in this prospectus will be important in determining future results. Consequently, no forward looking statement can be guaranteed. Actual future results may vary materially.

Factors that may cause our plans, expectations, future financial condition and results to change include, but are not limited to:

- changes in or failure to comply with applicable tax laws;
- the availability of capital to fund operations;
- the performance of multifamily housing and other real estate related investments;
- the ability to acquire new investments;

Edgar Filing: MUNICIPAL MORTGAGE & EQUITY LLC - Form S-3

- changes in accounting principles generally accepted in the United States;
- changes in demographic, general economic and business conditions, both nationally and in the regions in which we operate; and
- other risk factors described in the prospectus supplements.

We caution you not to place undue reliance on these forward looking statements, which reflect our management's view only as of the respective dates of this prospectus and the accompanying prospectus supplement, and we undertake no obligation to update publicly any such statements.

ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement that we filed with the Commission using a "shelf" registration process. Under this process, we may offer and sell any combination of common shares, preferred shares and warrants in one or more offerings for total proceeds of up to \$500,000,000. This prospectus provides you with a general description of the securities we may offer. Each time we offer to sell securities, we will provide a supplement to this prospectus that will contain specific information about the terms of that offering. The prospectus supplement may also add, update or change information contained in this prospectus. We encourage you to read this prospectus and the related prospectus supplement, as well as the information that is incorporated by reference herein, in their entirety. You should carefully consider the factors set forth under "Risk Factors" in the related prospectus supplement before making an investment decision to purchase any of our securities.

OUR COMPANY

We invest in, and earn asset management and other fees from, multifamily housing and other real estate financings. At September 30, 2004, we owned or managed a portfolio of debt and equity investments secured directly or indirectly by 2,217 properties that contained a total of 249,850 units and were located in 49 states, the District of Columbia, Puerto Rico and the U.S. Virgin Islands. We operate under the trade name "MMA Financial." Our operations consist of three business segments:

- An investing segment consisting of subsidiaries that hold investments producing primarily tax-exempt interest income. A significant portion of our investments are tax-exempt mortgage revenue bonds or interests in tax-exempt mortgage revenue bonds issued by state and local governments or their agencies or authorities to finance affordable multifamily housing developments. Multifamily housing developments, as well as the rents paid by the tenants, typically secure these investments. The investing segment also includes tax-exempt bonds issued by community development districts (CDD Bonds) to finance the development of infrastructure supporting single-family housing developments. These CDD Bonds are secured by specific payments or assessments pledged by the local improvement district that issues bonds. Lastly, the investing segment includes our equity investments in multifamily housing, which generate taxable dividend income.
- A mortgage banking segment consisting of subsidiaries that primarily generate taxable fee income by providing loan servicing, loan origination and other related services. The mortgage banking segment also generates spread income from borrowed funds and funding mortgages. Mortgage banking activities include the origination, investment in and servicing of

Edgar Filing: MUNICIPAL MORTGAGE & EQUITY LLC - Form S-3

investments in multifamily housing, both for our own account and on behalf of third parties.

- A tax credit segment consisting of subsidiaries that primarily generate taxable fee income by providing tax credit equity syndication and asset management services. As a syndicator, we acquire and sell interests in partnerships that receive low-income housing tax credits that can be distributed to investors, provide performance guarantees on certain tax credit funds and manage the low-income housing tax credit funds we have syndicated.

MuniMae is organized as a limited liability company. This structure allows it to combine the limited liability, governance and management characteristics of a corporation with the pass-through income features of a partnership. As a result, the tax-exempt income MuniMae derives from certain investments remains tax-exempt when MuniMae passes the income through to shareholders. We conduct most of the business of our mortgage banking and tax credit segments through corporate subsidiaries, which do not have the pass-through and other tax advantages of limited liability companies. Absent the impact of capital gains and losses, approximately 94% of our net income distributed to shareholders for the three years ended December 31, 2003 was tax-exempt.

We use our combination of real estate and tax-exempt investment expertise to select and manage our investments and to develop financing opportunities. Our senior management team, led by Michael L. Falcone,

1

President and Chief Executive Officer, has an average of nine years of experience with us and our affiliates, and an average of 21 years of experience in the real estate industry.

Our executive offices are located at 621 East Pratt Street, Suite 300, Baltimore, Maryland 21202 and our telephone number is (443) 263-2900. Our website is www.mmafin.com. We do not incorporate by reference the contents of our website into this prospectus.

RATIO OF EARNINGS TO COMBINED FIXED CHARGES AND PREFERRED STOCK DIVIDENDS

The following table sets forth our ratio of consolidated earnings to combined fixed charges and preferred stock dividends for the nine months ended September 30, 2004, and each of the years ended December 31, 2003, 2002, 2001, 2000 and 1999.

	NINE MONTHS ENDED SEPTEMBER 30, 2004	FISCAL YEAR ENDED DECEMBER 31,				
		2003	2002	2001	2000	1999
	(UNAUDITED)	-----	-----	-----	-----	-----
Ratio of earnings to combined fixed charges and preferred stock dividends(1)	1.118	1.894	1.625	1.572	1.683	3.7

(1) The ratio of earnings to combined fixed charges and preferred stock

Edgar Filing: MUNICIPAL MORTGAGE & EQUITY LLC - Form S-3

dividends was computed by dividing earnings by the total of fixed charges and preferred stock dividends. For this purpose, "earnings" consist of income from continuing operations before minority interests (that include equity in earnings of unconsolidated subsidiaries and partnerships only to the extent of dividends received) plus fixed charges (other than any interest that has been capitalized); "fixed charges" consist of interest expense (including amortization of loan costs) and interest that has been capitalized; and "preferred stock dividends" consist of the amount of pre-tax earnings that would be required to cover preferred share dividend requirements.

USE OF PROCEEDS

Unless otherwise described in the applicable prospectus supplement, we intend to add the net cash proceeds from the sale of securities in respect of which this prospectus is being delivered to our general corporate funds, which we may use to repay indebtedness or for other general corporate purposes, including new investments and working capital, funding the continued growth and development of our business and strategic acquisitions. Pending such uses, we may invest such net proceeds in short-term liquid investments. We will determine any specific allocation of the net proceeds of an offering of securities to a specific purpose at the time of such offering and will describe the allocations in the related prospectus supplement.

DESCRIPTION OF OUR COMMON SHARES

The following brief description of our common shares does not purport to be complete and is subject in all respects to applicable Delaware law and to the provisions of our Amended and Restated Certificate of Formation and Operating Agreement and By-laws, copies of which are exhibits to the registration statement of which this prospectus is a part.

GENERAL

Our Operating Agreement does not limit the number of common shares that our board of directors may cause us to issue. We had 35,015,253 common shares outstanding at November 3, 2004. We will pay distributions to holders of our common shares on a pro rata basis when declared by our board of directors out of funds legally available therefor. Distributions to the holders of common shares are subject to preferences on distributions on any preferred securities that we may issue in the future.

Holders of our common shares have no preemptive, conversion, sinking fund or cumulative voting rights. Our common shares are not redeemable, except pursuant to certain anti-takeover provisions we have adopted.

Our Operating Agreement and By-laws set forth the relationship of the shareholders to MuniMae and to one another and the manner in which we will conduct our operations, much like the articles and bylaws of a Delaware corporation or the partnership agreement of a Delaware general or limited partnership. While, as a limited liability company, we are not subject to the Delaware General Corporation Law, the Delaware Limited Liability Company Act permits a limited liability company agreement to provide, and our Operating Agreement and By-laws do provide, that the management of a limited liability company shall be conducted by a board of directors and officers designated by the board and that the holders of shares in such limited liability company (as is the case with the holders of our common shares) be afforded substantially all of the rights that are afforded holders of the common shares issued by a corporation organized under Delaware law. In all material respects, the

Edgar Filing: MUNICIPAL MORTGAGE & EQUITY LLC - Form S-3

fiduciary duties of our directors and officers and any duties of our shareholders and their affiliates are the same as those applicable under the Delaware law.

TRANSFER AGENT AND REGISTRAR

The specific terms of any series of preferred shares in respect of which this prospectus is being delivered will be described in the prospectus supplement relating to such preferred shares. (11) any other specific terms, preferences, rights, limitations or restrictions of the preferred shares.

Subject to the terms of our Operating Agreement, we may issue additional series of preferred shares at any time or from time to time, with such powers, preferences and relative, participating, optional or other special rights and qualifications, limitations or restrictions thereof, as our board of directors shall determine, all without further action of the shareholders.

VOTING RIGHTS

Edgar Filing: MUNICIPAL MORTGAGE & EQUITY LLC - Form S-3

Except as indicated in the applicable prospectus supplement, or except as expressly required by applicable law, the holders of any series of preferred shares will not be entitled to vote.

The terms and conditions, if any, on which the preferred shares are convertible into any other class of our securities will be set forth in the prospectus supplement relating thereto. Those terms will include the designation of the security into which the preferred shares are convertible, the conversion price, the conversion period, provisions as to whether conversion will be at our option or the option of the holder, the events requiring an adjustment of the conversion price and provisions affecting conversion in the event of the redemption of the preferred shares. In the case of conversion of the preferred shares into common shares or into any of our other securities for which there exists an established public trading market at the time of such

4

conversion, such terms may include provisions under which the amount of such security to be received by the holders of the preferred shares would be calculated according to the market price of such security as of a time stated in the prospectus supplement.

TRANSFER AGENT AND REGISTRAR

The transfer agent and registrar for the preferred shares will be named in the applicable prospectus supplement.

DESCRIPTION OF OUR WARRANTS

We may issue warrants for the purchase of our common shares, preferred shares or any combination thereof. Warrants may be issued independently, or together with any other securities offered by a prospectus supplement, and may be attached to or separate from such securities. Warrants may be issued under warrant agreements to be entered into between us and a warrant agent specified in the applicable prospectus supplement. - block transactions (which may involve crosses) in which a broker-dealer may sell all or a portion of the shares as agent but may position and resell all or a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its own account pursuant to the prospectus supplement;
- a special offering, an exchange distribution or a secondary distribution in accordance with applicable New York Stock Exchange or other stock exchange rules;
- ordinary brokerage transactions and transactions in which a broker-dealer solicits purchasers;
- sales "at the market" to or through a market maker or into an existing trading market, on an exchange or otherwise, for shares; and
- sales in other ways not involving market makers or established trading markets, including direct sales to purchasers.

If an underwriter or underwriters are utilized in the sale, we will execute an underwriting agreement with those underwriters at the time of sale to them and the names of the underwriters and the terms of the transaction will be set forth in the prospectus supplement, which will be used by the underwriters to make resales of the securities in respect of which this prospectus is delivered to the public.

If a dealer is utilized in the sale of the securities in respect of which this prospectus is delivered, we will sell those securities to the dealer, as principal. The dealer may then resell those securities to the public at varying prices to be determined by that dealer at the time of resale. The name of the dealer and the terms of the transaction will be set forth in the prospectus supplement.

Agents, underwriters, and dealers may be entitled under the relevant agreements to indemnification by us against certain liabilities, including liabilities under the Securities Act.

6

Underwriters, agents, dealers or their controlling persons may be customers of, engage in transactions with and perform services for us or our affiliates in the ordinary course of business.

Certain of the underwriters may use this prospectus and the prospectus supplement for offers and sales related to market-making transactions in the securities. These underwriters may act as principal or agent in these transactions, and the sales will be made at prices related to prevailing market prices at the time of sale.

(a) No director or officer of the Company shall be liable, responsible or accountable in damages or otherwise to the Company or any of the Shareholders for any act or omission performed or omitted by him or her, or for any decision, except in the case of fraudulent or illegal conduct of such person. For purposes of this Section 8.1, the fact that an action, omission to act or decision is taken on the advice of counsel for the Company shall be evidence of good faith and lack of fraudulent conduct.

(b) All Directors and officers of the Company shall be entitled to indemnification from the Company for any loss, damage or claim (including any reasonable attorney's fees incurred by such person in connection therewith) due to any act or omission made by him or her, except in the case of fraudulent or illegal conduct of such person; provided, that any indemnity shall be paid out of, and to the extent of, the assets of the Company only (or any insurance proceeds available therefor), and no Shareholder shall have any personal liability on account thereof.

ITEM 17. UNDERTAKINGS

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

II-2

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the

Edgar Filing: MUNICIPAL MORTGAGE & EQUITY LLC - Form S-3

registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at the time shall be deemed to be the initial bona fide offering thereof.

The undersigned registrant hereby undertakes to deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report, to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Securities Exchange Act of 1934; and, where interim financial information required to be presented by Article 3 of Regulation S-X is not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrants have been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrants of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrants will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

II-3
