Item 8.01 Other Events.

During the three months ended June 28, 2008, The Stanley Works (the Company) identified three businesses that met the requirements to be reported as held for sale and discontinued operations in accordance with Financial Accounting Standards Board (FASB) Statement No. 144, Accounting for the Impairment or Disposal of Long-Lived Assets (SFAS 144). These businesses include the CST/berger laser and measuring business and two other small businesses. In accordance with the provisions of SFAS 144, the results of these businesses are reported as discontinued operations, and the related assets and liabilities are reclassified as held for sale. The purpose of this filing is to present updated information from the Company's originally filed 2007 Annual Report on Form 10-K (the Form 10-K) solely to reflect these discontinued operations on a comparable basis for all years presented. No attempt has been made to update other matters in the Form 10-K. The above mentioned reclassification of these prior results to discontinued operations is consistent with such presentation in the Company's Quarterly Report on Form 10-Q for the second quarter of 2008. Items 6, 7, 8 and 15(a) and Exhibit 12 of the Form 10-K are set forth in Exhibits 99.1 through 99.5 hereto, respectively, and are incorporated by reference herein. The Company has not modified or updated any other disclosures in the Form 10-K. All other information in the Form 10-K remains unchanged.
