transaction platforms. On 18 November 2009 at 12:00 midnight, SCM had issued and outstanding 25,134,985 shares of common stock with a par value of USD 0.001 (**SCM Shares**). The SCM Shares are admitted to trading on the regulated market of the FSE (Prime Standard) (ticker symbol **SMY**) and listed on the NASDAQ (ticker symbol **SCMM**).

Bluehill ID and its direct and indirect subsidiaries (**Bluehill ID Group**) focus their business activities on the use and development of radio frequency identification (RFID) and other automated identification and access control technologies. The Bluehill ID Group serves its customers in diverse global markets spanning across the entire RFID and identification value chain. At present, Bluehill ID has issued and outstanding 32,023,797 Bluehill ID Shares. The Bluehill ID Shares are traded on the Open Market (*Freiverkehr*) at the FSE (ticker symbol **BUQ**).

On 20 September 2009, SCM and Bluehill ID signed a business combination agreement to combine their respective companies. On 20 October 2009, SCM and Bluehill ID agreed certain non-material amendments to the business combination agreement. In the business combination agreement, SCM agreed to offer New SCM Shares in exchange for all Bluehill ID Shares. If all shareholders of Bluehill ID accept the Offer and SCM acquires 100% of the currently issued and outstanding Bluehill ID Shares, immediately after the closing of the Offer, approximately 60% of the then outstanding shares of common stock in SCM will be held by the current SCM shareholders and approximately 40% of the then outstanding shares of common stock in SCM will be held by the current shareholders of Bluehill ID.

After the closing of the Offer, it is expected that the separate operative business divisions of the then combined group (SCM, Hirsch, Multicard, TagStar and Arygon) will continue to operate under separate brands. A new corporate design is expected to be developed for the combined group which will adequately represent the core activities of the combined group in the security and identity management areas, respectively.

Upon the closing of the Offer, the number of the members of SCM's board of directors is expected to be increased from seven to nine. Ayman S. Ashour, current chairman of the board of directors (*Verwaltungsrat*) and chief executive officer of Bluehill ID, is expected to become the executive chairman of SCM's board of directors. Two other current members of the board of directors of Bluehill ID (*Verwaltungsrat*) are also expected to become members of SCM's board of directors and one of the current members of SCM's board of directors is expected to resign from SCM's board of directors.

Two members of SCM's board of directors, among them SCM's current chief executive officer Felix Marx, are expected to become members of the board of directors (*Verwaltungsrat*) of Bluehill ID after the closing of the Offer. It is expected that for this purpose two of the currently four members of the board of directors (*Verwaltungsrat*) of Bluehill ID will be replaced.

If, after the closing of the Offer, SCM holds or acquires at least 90% of the share capital of Bluehill ID, SCM may consider a squeeze-out merger of Bluehill ID into a new Swiss special purpose vehicle wholly owned by SCM which would have the result that all shareholders of Bluehill ID who have not tendered their Bluehill ID Shares automatically lose their Bluehill ID Shares and receive an adequate compensation.

4.2 Consideration

SCM offers 0.52 New SCM Shares in exchange for each Tendered Share as consideration.

The average Xetra closing price of the SCM Shares during the ten trading days at the FSE prior to and including 18 September 2009 (the last trading day before the announcement of the Offer) was EUR 1.81 (rounded). the aggregate value of the consideration offered by SCM, assuming that all shareholders of Bluehill ID accept the Offer and SCM acquires 100% of the currently issued and outstanding Bluehill ID Shares, amounts to EUR 30,140,797.74;

the average market price of the consideration offered by SCM for each Tendered Share (0.52 New SCM Shares) exceeds the average market price of one Tendered Share by approximately 17.65%; and, therefore,

4.3 Beginning and ending of the Acceptance Period

The Acceptance Period begins one day after the publication of the Offer on the internet (<http://offer.scmmicro.com>) on 21 November 2009 and ends on 29 December 2009 at 12:00 midnight CET.

SCM reserves the right to extend the Acceptance Period with the consent of Bluehill ID.

Table of Contents

- 7 -

In the event that a third party launches a competing tender offer for the Bluehill ID Shares during the Acceptance Period that is materially more favourable to Bluehill ID and its shareholders than the Offer and the Acceptance Period expires prior to the acceptance period of the competing offer SCM may extend the Acceptance Period so that it ends at the same point in time as the offer period of the competing offer.

5. Execution of the Offer**5.1 Acceptance of the Offer**

Shareholders of Bluehill ID can only accept this Offer during the Acceptance Period and only by a written declaration to their Custodian Bank (**Acceptance Declaration**). The acceptance only becomes effective if the Tendered Shares are re-booked, upon request of the Custodian Bank, to ISIN CH0107281492 no later than 6:00 pm CET on the second banking day in Zurich, Switzerland, after expiration of the Acceptance Period.

By accepting the Offer, shareholders of Bluehill ID simultaneously declare that:

- (a) they instruct and authorise their Custodian Bank to have the Tendered Shares re-booked to ISIN CH0107281492 and to leave the Tendered Shares in their securities deposit account for the time being;
 - (b) they instruct and authorise their Custodian Bank to transfer the Tendered Shares to the securities deposit account no. KV 2236 at Clearstream Banking AG, Frankfurt am Main, Germany, or the securities deposit account no. 20.323.441 at SIX SIS AG, Zürich, Switzerland, of the central settlement agent and trustee VEM Aktienbank AG, Munich, Germany, (**Exchange Agent**) for exchange against the appropriate number of New SCM Shares after the expiration of the Acceptance Period if the conditions precedent of the Offer described in section 5.6 of this offer document are met or timely waived;
 - (c) they instruct and authorise the respective Custodian Banks and grant them power of attorney, with exemption from the prohibition on self-contracting pursuant to section 181 German Civil Code (*Bürgerliches Gesetzbuch BGB*), to undertake all actions necessary or expedient for processing the Offer in accordance with this offer document and to make and accept all required or expedient declarations in this context, in particular, the respective Custodian Banks are authorised to transfer title to the Tendered Shares to the Exchange Agent;
 - (d) they instruct and authorise the Exchange Agent and grant it power of attorney, with exemption from the prohibition on self-contracting pursuant to section 181 German Civil Code (*Bürgerliches Gesetzbuch BGB*), to undertake all actions necessary or expedient for processing the Offer in accordance with this offer document and to make and accept all required or expedient declarations in this context, in particular, the Exchange Agent is authorised to transfer title to the Tendered Shares to SCM in exchange for the appropriate number of New SCM Shares;
 - (e) they instruct and authorise Clearstream Banking AG, Frankfurt, Germany, and SIX SIS AG, Zurich, Switzerland, to timely forward either directly or through the Custodian Banks all information required for the announcement of the result of the Offer to the Exchange Agent and SCM;
 - (f) they hold sole title to the Tendered Shares and the Tendered Shares are clear and free from any encumbrances;
-

Table of Contents

- 8 -

(g) they are aware that their acceptance of the Offer refers to all Bluehill ID Shares located in their securities deposit account, unless their Acceptance Declaration sets out a different number of Tendered Shares.

The instructions, authorisations, orders, representations, warranties and power of attorney specified in lit. (a) through (g) are, in the interest of a smooth and rapid settlement of the Offer, granted irrevocably. They only lapse if one or more of the conditions precedent of the Offer described in section 5.6 of this offer document are not met and not timely waived.

5.2 Settlement of the Offer

The Tendered Shares remain initially in the securities deposit accounts of the tendering shareholders of Bluehill ID and are only re-booked to ISIN CH0107281492.

On 18 December 2009, SCM expects to hold a special meeting of its stockholders in order to seek the approval of the Offer and, specifically, the issuance of the New SCM Shares in connection with the Offer.

If such approval by SCM's stockholder is obtained and after the expiration of the Acceptance Period and if all other conditions precedent of the Offer described in section 5.6 of this offer document are met or timely waived, SCM will procure that an appropriate number of New SCM Shares is transferred into the securities deposit accounts of the Custodian Banks. Once this transfer is completed, SCM has fulfilled its obligation to render the consideration. The respective Custodian Banks are responsible for crediting the New SCM Shares to the securities deposit accounts of the respective accepting shareholders.

Due to the exchange ratio of 0.52 to 1, shareholders of Bluehill ID who accept the Offer will receive 0.52 New SCM Shares for each Tendered Share. No fractions of New SCM Shares will be transferred to the shareholders of Bluehill ID. The share consideration for the Tendered Shares will be rounded down to the next integer number of New SCM Shares.

In lieu of fractional New SCM Shares, shareholders of Bluehill ID who have tendered Bluehill ID Shares will receive cash compensation calculated on the basis of the Xetra closing price of the SCM Shares on 18 September 2009, i.e. on the last trading day prior to the announcement of the Offer, which amounted to EUR 1.88 per share in SCM.

The cash compensation will be paid by the Exchange Agent to the Custodian Banks simultaneously with the transfer of the New SCM Shares to the Custodian Banks. The respective Custodian Banks are responsible for crediting the cash compensation to the accounts of the respective accepting shareholders.

5.3 Legal consequences of acceptance of the Offer

By accepting the Offer, a shareholder of Bluehill ID concludes a share exchange contract with SCM which provides that the Tendered Shares are transferred by his Custodian Bank via the Exchange Agent to SCM against New SCM Shares as set out in this offer document and irrevocably declares the instructions, authorisations, orders, representations, warranties and power of attorney specified in lit. (a) through (g) of section 5.1 of this offer document.

5.4 Situation of shareholders of Bluehill ID who do not accept the Offer

Shareholders of Bluehill ID who do not intend to accept the Offer should be aware that a successful Offer will likely lead to a further decrease of the already relatively small

Table of Contents

- 9 -

number of Bluehill ID Shares traded at the FSE. The number of Bluehill ID Shares traded at the FSE could become so small that it could become impossible to execute sale or purchase orders in a timely manner or at appropriate stock exchange prices. If, after the closing of the Offer, SCM holds or acquires at least 90% of the share capital of Bluehill ID, SCM may consider a squeeze-out merger of Bluehill ID into a new Swiss special purpose vehicle wholly owned by SCM which would have the result that all shareholders of Bluehill ID who have not tendered their Bluehill ID Shares automatically lose their Bluehill ID Shares and receive an adequate compensation.

5.5 Fees for and costs of acceptance

SCM will bear the fees and costs charged by the Custodian Banks for the acceptance of the Offer up to an amount of EUR 2.50 for each securities deposit account.

5.6 Conditions precedent

The share exchange contracts which are concluded by the acceptance of this Offer are subject to the following conditions precedent:

- (a) at least 75% of all Bluehill ID Shares are tendered in accordance with the terms of the Offer by the shareholders of Bluehill ID;
- (b) approval of the Offer and, specifically, the issuance of the New SCM Shares in connection with the Offer by the stockholders of SCM in accordance with applicable law at the special meeting of SCM's stockholders which is currently scheduled to be held on 18 December 2009;
- (c) approval for the listing of the New SCM Shares that will be issued in connection with the Offer on NASDAQ; and
- (d) absence of the occurrence of an event that has or would have a material adverse effect on SCM and its subsidiaries, taken as a whole, or the Bluehill ID Group, taken as a whole.

With the exception of the offer conditions set out in lit. (b) and (c), SCM may entirely or partially waive any of the offer conditions at its sole discretion until the end of the working day prior to the expiration of the Acceptance Period. SCM will publish in accordance with section 15 (1) sentence 1 of the German Securities Trading Act (*Wertpapierhandelsgesetz - WpHG*) and on the internet page <http://offer.scmmicro.com> whether the conditions precedent have been met or waived.

5.7 Transaction bank

The execution and settlement of the Offer is handled by the Exchange Agent.

6. Miscellaneous information

3. Hintergrund der Transaktion

SCM ist ein Anbieter von Sicherheits- und Identifikationslösungen für den sichere Zugang, die sichere Identifizierung und den sicheren Austausch von Informationen. Gemeinsam mit ihrer Tochtergesellschaft Hirsch Electronics bietet SCM ein umfassendes Angebot an mit und ohne Kontakt funktionierenden und mobilen Chipkartenlesertechnologien, integrierten physischen und logischen Zugangskontrollsystemen sowie digitalen Identifikations- und Transaktionsplattformen an. Am 18. November 2009 um 24:00 Uhr hatte SCM 25.134.985 Stammaktien mit einem Nennwert von USD 0,001 je Aktie ausgegeben und ausstehend (**SCM-Aktien**). Die SCM-Aktien sind zum Regulierten Markt der FWB (Prime Standard) zugelassen (Börsenkürzel: **SMY**) und sind an der NASDAQ notiert (Börsenkürzel: **SCMM**).

Bluehill ID und ihre unmittelbaren und mittelbaren Tochtergesellschaften (**Bluehill ID Gruppe**) konzentrieren ihre geschäftlichen Aktivitäten auf den Einsatz und die Entwicklung von funkwellengestützter Identifikation (RFID) sowie anderer Technologien zur automatischen Identifizierung und Zugangskontrolle. Die Bluehill ID Gruppe bedient Kunden in mannigfaltigen internationalen Märkten über die gesamte RFID- und Identifizierungs-Wertschöpfungskette hinweg. Derzeit hat Bluehill 32.023.797 Bluehill-ID-Aktien ausgegeben und ausstehend. Die Bluehill-ID-Aktien werden im Freiverkehr an der FWB gehandelt (Börsenkürzel: **BUQ**).

Am 20. September 2009 unterzeichneten SCM und Bluehill ID ein Business Combination Agreement über die Zusammenführung ihrer Unternehmen. Am 20. Oktober 2009 vereinbarten SCM und Bluehill ID bestimmte unwesentliche Änderungen des Business Combination Agreement. In dem Business Combination Agreement hat sich SCM verpflichtet, Neue SCM-Aktien im Umtausch für sämtliche Bluehill-ID-Aktien anzubieten. Wenn alle Aktionäre der Bluehill ID das Angebot annehmen und SCM 100 % der gegenwärtig ausgegebenen und ausstehenden Bluehill-ID-Aktien erwirbt, werden unmittelbar nach dem Abschluss des Angebots die derzeitigen Aktionäre von SCM ca. 60 % der dann ausstehenden Stammaktien an SCM und die derzeitigen Aktionäre von Bluehill ID ca. 40 % der dann ausstehenden Stammaktien an SCM halten.

Nach Abschluss des Angebots werden die separaten operativen Geschäftsbereiche der zusammengeführten Gruppe (SCM, Hirsch, Multicard, TagStar und Arygon) voraussichtlich weiter unter unterschiedlichen Marken tätig sein. Für die zusammengeführte Gruppe wird voraussichtlich ein neues Unternehmens-Design entwickelt, das die Kernaktivitäten der zusammengeführten Gruppe im Bereich des Sicherheits- und Identitätsmanagements jeweils angemessen zum Ausdruck bringt.

Mit Abschluss des Angebots wird die Anzahl der Mitglieder im Board of Directors (Verwaltungsrat) von SCM voraussichtlich von sieben auf neun erhöht. Ayman S. Ashour, derzeitiger Verwaltungsratsvorsitzender und Chief Executive Officer der Bluehill ID, wird voraussichtlich neuer Executive Chairman des Board of Directors von SCM. Zwei weitere Mitglieder des Verwaltungsrats von Bluehill ID werden voraussichtlich ebenfalls Mitglieder des Board of Directors von SCM werden, und ein derzeitiges Mitglied des Board of Directors von SCM wird voraussichtlich aus dem Board of Directors von SCM ausscheiden.

Zwei Mitglieder des Board of Directors von SCM, unter ihnen der derzeitige Chief Executive Officer von SCM, Felix Marx, werden nach Abschluss des Angebots voraussichtlich Mitglieder des Verwaltungsrats der Bluehill ID werden. Zu diesem Zweck werden voraussichtlich zwei der gegenwärtig vier Mitglieder des Verwaltungsrats der Bluehill ID ersetzt werden.

Hält oder erwirbt SCM nach Abschluss des Angebots mindestens 90 % des Aktienkapitals der Bluehill ID, könnte SCM eine Abfindungsfusion der Bluehill ID mit einer neuen, zu 100 % von SCM gehaltenen schweizerische Zweckgesellschaft in Erwägung ziehen, die dazu führen würde, dass alle Aktionäre der Bluehill ID, die ihre Bluehill-ID-Aktien nicht angedient haben, ihre Bluehill-ID-Aktien automatisch verlieren und eine angemessene Abfindung erhalten.

4. Angebot

4.1 Gegenstand des Angebots

SCM bietet hiermit allen Aktionären der Bluehill ID an, ihre Bluehill-ID-Aktien (ISIN CH0031958629) gemäß den in dieser Angebotsunterlage enthaltenen Regelungen im Umtausch für Neue SCM-Aktien (ISIN US7840181033) zu erwerben.

4.2 Gegenleistung

SCM bietet 0,52 Neue SCM-Aktien im Umtausch für jede Angediente Aktie als Gegenleistung an.

Der durchschnittliche Xetra-Schlusskurs der SCM-Aktien während der zehn Handelstage an der FWB vor und einschließlich des 18. September 2009 (dem letzten Handelstag vor der Bekanntgabe des Angebots) betrug EUR 1,81 (gerundet). Der durchschnittliche Xetra-Schlusskurs der Bluehill-ID-Aktien während der zehn Handelstage an der FWB vor und einschließlich des 18. September 2009 betrug EUR 0,80 (gerundet). Auf Grundlage dieser Zehntages-Durchschnitts-Xetra-Schlusskurse

beträgt der Gesamtwert der von SCM angebotenen Gegenleistung unter der Annahme, dass alle Aktionäre der Bluehill ID das Angebot annehmen und SCM 100 % der derzeit ausgegebenen und ausstehenden Bluehill-ID-Aktien erwirbt, EUR 30.140.797,74,

übersteigt der durchschnittliche Marktpreis der von SCM für jede Angediente Aktie angebotenen Gegenleistung (0,52 Neue SCM-Aktien) den durchschnittlichen Marktpreis einer Angedienten Aktie um ca. 17,65 % und deshalb

erhalten die Aktionäre der Bluehill ID bei Annahme des Angebots eine Prämie von 17,65 %.

Der Xetra-Schlusskurs der SCM-Aktien am letzten Handelstag vor der Bekanntgabe des Angebots (18. September 2009) betrug EUR 1,88. Der Xetra-Schlusskurs der Bluehill-ID-Aktien am 18. September 2009 betrug EUR 0,80. Auf Grundlage dieser Xetra-Schlusskurse

beträgt der Gesamtwert der von SCM angebotenen Gegenleistung unter der Annahme, dass alle Aktionäre der Bluehill ID das Angebot annehmen und SCM 100 % derzeit ausgegebenen und ausstehenden Bluehill-ID-Aktien erwirbt, EUR 31.306.463,95,

übersteigt der Marktpreis der von SCM für jede Angediente Aktie angebotenen Gegenleistung (0,52 Neue SCM-Aktien) den Marktpreis einer Angedienten Aktie um ca. 22,20 % und deshalb

erhalten die Aktionäre der Bluehill ID bei Annahme des Angebots eine Prämie von 22,20 %.

4.3 Beginn und Ende der Annahmefrist

Die Annahmefrist beginnt einen Tag nach Veröffentlichung des Angebots im Internet (<http://offer.scmmicro.com>) am 21. November 2009 und endet am 29. Dezember 2009 um 24:00 Uhr MEZ.

SCM behält sich das Recht vor, die Annahmefrist mit Zustimmung der Bluehill ID zu verlängern.

Falls ein Dritter während der Annahmefrist ein konkurrierendes Übernahmeangebot für die Bluehill-ID-Aktien abgibt, das für Bluehill ID und ihre Aktionäre wesentlich vorteilhafter als das Angebot ist, und die Annahmefrist vor Ablauf der Annahmefrist des konkurrierenden Übernahmeangebots abläuft, kann SCM die Annahmefrist so verlängern, dass diese zum gleichen Zeitpunkt wie die Annahmefrist des konkurrierenden Übernahmeangebots endet.

5. Durchführung des Angebots

5.1 Annahme des Angebots

Aktionäre der Bluehill ID können dieses Angebot nur innerhalb der Annahmefrist und nur durch eine schriftliche Erklärung an ihre Depotbank (**Annahmeerklärung**) annehmen. Die Annahme wird nur wirksam, wenn die Angedienten Aktien auf Veranlassung der Depotbank bis spätestens 18:00 Uhr MEZ am zweiten Bankarbeitstag in Zürich, Schweiz, nach Ablauf der Annahmefrist in die ISIN CH0107281492 umgebucht werden.

Mit der Annahme des Angebots erklären Aktionäre der Bluehill ID zugleich, dass

- (a) sie ihre Depotbank anweisen und ermächtigen, die Angedienten Aktien in die ISIN CH0107281492 umbuchen zu lassen und die Angedienten Aktien zunächst in ihrem Depot zu belassen,
 - (b) sie ihre Depotbank anweisen und ermächtigen, die Angedienten Aktien auf das Depotkonto Nr. KV 2236 bei der Clearstream Banking AG, Frankfurt am Main, Deutschland, oder das Depotkonto Nr. 20.323.441 bei der SIX SIS AG, Zürich, Schweiz, der VEM Aktienbank AG, München, Deutschland, als zentraler Abwicklungsstelle und Treuhänder (**Umtauschtreuhänder**) im Umtausch für die entsprechende Anzahl Neuer SCM-Aktien zu übertragen, nachdem die Annahmefrist abgelaufen ist, falls die in Ziffer 5.6 dieser Angebotsunterlage beschriebenen aufschiebenden Bedingungen eintreten oder darauf fristgerecht verzichtet wird,
 - (c) sie ihre jeweiligen Depotbanken anweisen und ermächtigen sowie unter Befreiung vom Verbot von Insichgeschäften gemäß § 181 des deutschen Bürgerlichen Gesetzbuchs (BGB) bevollmächtigen, alle zur Durchführung des Angebots entsprechend dieser Angebotsunterlage notwendigen oder zweckmäßigen Handlungen vorzunehmen sowie alle notwendigen oder zweckmäßigen Erklärungen in diesem Zusammenhang abzugeben und entgegenzunehmen, insbesondere sind die jeweiligen Depotbanken ermächtigt, das Eigentum an den Angedienten Aktien auf den Umtauschtreuhänder zu übertragen,
 - (d) sie den Umtauschtreuhänder anweisen und ermächtigen sowie unter Befreiung vom Verbot von Insichgeschäften gemäß § 181 BGB bevollmächtigen, alle zur Durchführung des Angebots entsprechend dieser Angebotsunterlage notwendigen oder zweckmäßigen Handlungen vorzunehmen sowie alle notwendigen oder zweckmäßigen Erklärungen in diesem Zusammenhang abzugeben und entgegenzunehmen, insbesondere ist der Umtauschtreuhänder ermächtigt, das
-

Eigentum an den Angedienten Aktien im Umtausch für die angemessene Anzahl Neuer SCM-Aktien auf SCM zu übertragen,

- (e) sie die Clearstream Banking AG, Frankfurt am Main, Deutschland, und die SIX SIS AG, Zürich, Schweiz, anweisen und ermächtigen, alle für die Bekanntgabe des Ergebnisses des Angebots notwendigen Informationen rechtzeitig entweder direkt oder über die Depotbanken an den Umtauschtreuhänder und an SCM weiterzuleiten,
- (f) die Angedienten Aktien in ihrem alleinigen Eigentum stehen und die Angedienten Aktien frei von sämtlichen Belastungen sind,
- (g) ihnen bewusst ist, dass ihre Annahme des Angebots sich auf alle Bluehill-ID-Aktien bezieht, die sich in ihrem Depot befinden, wenn in ihrer Annahmeerklärung keine andere Anzahl von Angedienten Aktien angegeben ist.

Die in den Absätzen (a) bis (g) aufgeführten Weisungen, Ermächtigungen, Aufträge, Zusicherungen, Gewährleistungen und Vollmachten sind im Interesse einer reibungslosen und zügigen Abwicklung des Angebots unwiderruflich erklärt. Sie erlöschen nur, wenn eine oder mehrere der in Ziffer 5.6 dieser Angebotsunterlage beschriebenen aufschiebenden Bedingungen des Angebots nicht erfüllt werden und nicht fristgerecht darauf verzichtet wird.

5.2 Abwicklung des Angebots

Die Angedienten Aktien verbleiben zunächst in den Depots der anbietenden Bluehill ID-Aktionäre und werden nur in die ISIN CH0107281492 umgebucht.

SCM wird voraussichtlich am 18. Dezember 2009 eine außerordentliche Hauptversammlung abhalten, um die Zustimmung ihrer Aktionäre zum Angebot und insbesondere zur Ausgabe der Neuen SCM-Aktien im Zusammenhang mit dem Angebot einzuholen.

Wenn diese Zustimmung der Aktionäre eingeholt wurde und die Annahmefrist abgelaufen ist und vorausgesetzt, alle anderen in Ziffer 5.6 dieser Angebotsunterlage beschriebenen aufschiebenden Bedingungen des Angebots sind erfüllt oder es wurde fristgerecht auf sie verzichtet, wird SCM die Übertragung einer angemessenen Anzahl Neuer SCM-Aktien auf die Depotkonten der Depotbanken veranlassen. Sobald diese Übertragung abgeschlossen ist, hat SCM ihre Verpflichtung zur Erbringung der Gegenleistung erfüllt. Die jeweiligen Depotbanken sind dafür verantwortlich, die Neuen SCM-Aktien den Depotkonten der jeweiligen annehmenden Aktionäre gutzuschreiben.

Aufgrund des Umtauschverhältnisses von 0,52:1 erhalten Bluehill ID-Aktionäre, die das Angebot annehmen, 0,52 Neue SCM-Aktien für jede Angediente Aktie. An die Aktionäre der Bluehill ID werden keine Bruchteile Neuer SCM-Aktien übertragen. Das Aktienentgelt für die Angedienten Aktien wird auf die nächste ganze Zahl Neuer SCM-Aktien abgerundet.

Aktionäre der Bluehill ID, die Bluehill-ID-Aktien angedient haben, erhalten anstelle von Bruchteilen Neuer SCM-Aktien einen Barausgleich, der auf Grundlage des Xetra-Schlusskurses der SCM-Aktien am 18. September 2009, d. h. am letzten Handelstag vor der Bekanntgabe des Angebots, der EUR 1,88 je SCM-Aktie betrug, berechnet wird.

Der Barausgleich wird von dem Umtauschtreuhänder an die Depotbanken gleichzeitig mit der Übertragung der Neuen SCM-Aktien an die Depotbanken gezahlt. Die jeweiligen Depotbanken sind dafür verantwortlich, den

Barausgleich den Konten der jeweiligen annehmenden Aktionäre gutzuschreiben.

5.3 Rechtsfolgen der Annahme des Angebots

Mit der Annahme des Angebots schließt ein annehmender Aktionär von Bluehill ID mit SCM einen Aktienumtauschvertrag, der vorsieht, dass die Angedienten Aktien von seiner Depotbank über den Umtauschtreuhänder an SCM gegen Neue SCM-Aktien entsprechend dieser Angebotsunterlage übertragen werden, und erklärt unwiderruflich die in Ziffer 5.1 Absätzen (a) bis (g) aufgeführten Weisungen, Ermächtigungen, Aufträge, Zusicherungen, Gewährleistungen und Vollmachten.

5.4 Situation der Aktionäre der Bluehill ID, die das Angebot nicht annehmen

Aktionären der Bluehill ID, die das Angebot nicht anzunehmen beabsichtigen, sollte bewusst sein, dass ein erfolgreiches Angebot wahrscheinlich dazu führen wird, dass die bereits relativ geringe Anzahl der an der FWB gehandelten Bluehill-ID-Aktien weiter abnimmt. Die Anzahl der an der FWB gehandelten Bluehill-ID-Aktien könnte so gering werden, dass es unmöglich werden könnte, Verkaufs- oder Kaufaufträge innerhalb eines angemessenen Zeitraums oder zu angemessenen Börsenkursen auszuführen. Hält oder erwirbt SCM nach Abschluss des Angebots mindestens 90 % des Aktienkapitals der Bluehill ID, könnte SCM eine Abfindungsfusion der Bluehill ID mit einer neuen, zu 100 % von SCM gehaltenen schweizerische Zweckgesellschaft in Erwägung ziehen, die dazu führen würde, dass alle Aktionäre der Bluehill ID, die ihre Bluehill-ID-Aktien nicht angedient haben, ihre Bluehill-ID-Aktien automatisch verlieren und eine angemessene Abfindung erhalten.

5.5 Gebühren und Kosten der Annahme

SCM trägt die von den Depotbanken für die Annahme des Angebots berechneten Kosten und Gebühren bis zu einem Betrag von EUR 2,50 für jedes Depotkonto.

5.6 Aufschiebende Bedingungen

Die Aktienumtauschverträge, die durch die Annahme dieses Angebots zustande kommen, stehen unter folgenden aufschiebenden Bedingungen:

- (a) von den Aktionären der Bluehill ID werden mindestens 75 % aller Bluehill-ID-Aktien wie in dem Angebot vorgesehen angedient,
- (b) Zustimmung zum Angebot und insbesondere zur Ausgabe der Neuen SCM-Aktien im Zusammenhang mit dem Angebot durch die Aktionäre von SCM im Einklang mit dem anwendbaren Recht auf der außerordentlichen Hauptversammlung der Aktionäre von SCM, die gegenwärtig für den 18. Dezember 2009 geplant ist;
- (c) Zustimmung zur Notierung der Neuen SCM-Aktien, die im Zusammenhang mit dem Angebot ausgegeben werden, an der NASDAQ und
- (d) dem Nichteintritt eines Ereignisses, das einen wesentlichen nachteiligen Einfluss auf SCM und ihre Tochtergesellschaften in ihrer Gesamtheit oder die Bluehill ID Gruppe in ihrer Gesamtheit hat oder haben würde.

Mit Ausnahme der Angebotsbedingungen gemäß lit. (b) und (c) kann SCM bis zum Ende des Werktags vor Ablauf der Annahmefrist nach ihrem alleinigen Ermessen ganz oder teilweise auf jede der Angebotsbedingungen verzichten.

SCM wird gemäß § 15 Abs. 1 Satz 1 des Wertpapierhandelsgesetzes (WpHG) und auf der Internetseite <http://offer.scmmicro.com> veröffentlichen, ob die aufschiebenden Bedingungen eingetreten sind oder ob auf sie

verzichtet wurde.

3. Background of the transaction

transaction platforms. On 18 November 2009 at 12:00 midnight, SCM had issued and outstanding 25,134,985 shares of common stock with a par value of USD 0.001 (**SCM Shares**). The SCM Shares are admitted to trading on the regulated market of the FSE (Prime Standard) (ticker symbol **SMY**) and listed on the NASDAQ (ticker symbol **SCMM**).

Bluehill ID and its direct and indirect subsidiaries (**Bluehill ID Group**) focus their business activities on the use and development of radio frequency identification (RFID) and other automated identification and access control technologies. The Bluehill ID Group serves its customers in diverse global markets spanning across the entire RFID and identification value chain. At present, Bluehill ID has issued and outstanding 32,023,797 Bluehill ID Shares. The Bluehill ID Shares are traded on the Open Market (*Freiverkehr*) at the FSE (ticker symbol **BUQ**).

On 20 September 2009, SCM and Bluehill ID signed a business combination agreement to combine their respective companies. On 20 October 2009, SCM and Bluehill ID agreed certain non-material amendments to the business combination agreement. In the business combination agreement, SCM agreed to offer New SCM Shares in exchange for all Bluehill ID Shares. If all shareholders of Bluehill ID accept the Offer and SCM acquires 100% of the currently issued and outstanding Bluehill ID Shares, immediately after the closing of the Offer, approximately 60% of the then outstanding shares of common stock in SCM will be held by the current SCM shareholders and approximately 40% of the then outstanding shares of common stock in SCM will be held by the current shareholders of Bluehill ID.

After the closing of the Offer, it is expected that the separate operative business divisions of the then combined group (SCM, Hirsch, Multicard, TagStar and Arygon) will continue to operate under separate brands. A new corporate design is expected to be developed for the combined group which will adequately represent the core activities of the combined group in the security and identity management areas, respectively.

Upon the closing of the Offer, the number of the members of SCM's board of directors is expected to be increased from seven to nine. Ayman S. Ashour, current chairman of the board of directors (*Verwaltungsrat*) and chief executive officer of Bluehill ID, is expected to become the executive chairman of SCM's board of directors. Two other current members of the board of directors of Bluehill ID (*Verwaltungsrat*) are also expected to become members of SCM's board of directors and one of the current members of SCM's board of directors is expected to resign from SCM's board of directors.

Two members of SCM's board of directors, among them SCM's current chief executive officer Felix Marx, are expected to become members of the board of directors (*Verwaltungsrat*) of Bluehill ID after the closing of the Offer. It is expected that for this purpose two of the currently four members of the board of directors (*Verwaltungsrat*) of Bluehill ID will be replaced.

If, after the closing of the Offer, SCM holds or acquires at least 90% of the share capital of Bluehill ID, SCM may consider a squeeze-out merger of Bluehill ID into a new Swiss special purpose vehicle wholly owned by SCM which would have the result that all shareholders of Bluehill ID who have not tendered their Bluehill ID Shares automatically lose their Bluehill ID Shares and receive an adequate compensation.

4.3 Beginning and ending of the Acceptance Period

The Acceptance Period begins one day after the publication of the Offer on the internet (<http://offer.scmmicro.com>) on 21 November 2009 and ends on 29 December 2009 at 12:00 midnight CET.

SCM reserves the right to extend the Acceptance Period with the consent of Bluehill ID.

In the event that a third party launches a competing tender offer for the Bluehill ID Shares during the Acceptance Period that is materially more favourable to Bluehill ID and its shareholders than the Offer and the Acceptance Period expires prior to the acceptance period of the competing offer SCM may extend the Acceptance Period so that it ends at the same point in time as the offer period of the competing offer.

5. Execution of the Offer**5.1 Acceptance of the Offer**

Shareholders of Bluehill ID can only accept this Offer during the Acceptance Period and only by a written declaration to their Custodian Bank (**Acceptance Declaration**). The acceptance only becomes effective if the Tendered Shares are re-booked, upon request of the Custodian Bank, to ISIN CH0107281492 no later than 6:00 pm CET on the second banking day in Zurich, Switzerland, after expiration of the Acceptance Period.

By accepting the Offer, shareholders of Bluehill ID simultaneously declare that:

- (a) they instruct and authorise their Custodian Bank to have the Tendered Shares re-booked to ISIN CH0107281492 and to leave the Tendered Shares in their securities deposit account for the time being;
 - (b) they instruct and authorise their Custodian Bank to transfer the Tendered Shares to the securities deposit account no. KV 2236 at Clearstream Banking AG, Frankfurt am Main, Germany, or the securities deposit account no. 20.323.441 at SIX SIS AG, Zürich, Switzerland, of the central settlement agent and trustee VEM Aktienbank AG, Munich, Germany, (**Exchange Agent**) for exchange against the appropriate number of New SCM Shares after the expiration of the Acceptance Period if the conditions precedent of the Offer described in section 5.6 of this offer document are met or timely waived;
 - (c) they instruct and authorise the respective Custodian Banks and grant them power of attorney, with exemption from the prohibition on self-contracting pursuant to section 181 German Civil Code (*Bürgerliches Gesetzbuch BGB*), to undertake all actions necessary or expedient for processing the Offer in accordance with this offer document and to make and accept all required or expedient declarations in this context, in particular, the respective Custodian Banks are authorised to transfer title to the Tendered Shares to the Exchange Agent;
 - (d) they instruct and authorise the Exchange Agent and grant it power of attorney, with exemption from the prohibition on self-contracting pursuant to section 181 German Civil Code (*Bürgerliches Gesetzbuch BGB*), to undertake all actions necessary or expedient for processing the Offer in accordance with this offer document and to make and accept all required or expedient declarations in this context, in particular, the Exchange Agent is authorised to transfer title to the Tendered Shares to SCM in exchange for the appropriate number of New SCM Shares;
 - (e) they instruct and authorise Clearstream Banking AG, Frankfurt, Germany, and SIX SIS AG, Zurich, Switzerland, to timely forward either directly or through the Custodian Banks all information required for the announcement of the result of the Offer to the Exchange Agent and SCM;
 - (f) they hold sole title to the Tendered Shares and the Tendered Shares are clear and free from any encumbrances;
-

(g) they are aware that their acceptance of the Offer refers to all Bluehill ID Shares located in their securities deposit account, unless their Acceptance Declaration sets out a different number of Tendered Shares.

The instructions, authorisations, orders, representations, warranties and power of attorney specified in lit.

(a) through (g) are, in the interest of a smooth and rapid settlement of the Offer, granted irrevocably. They only lapse if one or more of the conditions precedent of the Offer described in section 5.6 of this offer document are not met and not timely waived.

5.2 Settlement of the Offer

The Tendered Shares remain initially in the securities deposit accounts of the tendering shareholders of Bluehill ID and are only re-booked to ISIN CH0107281492.

On 18 December 2009, SCM expects to hold a special meeting of its stockholders in order to seek the approval of the Offer and, specifically, the issuance of the New SCM Shares in connection with the Offer.

If such approval by SCM's stockholder is obtained and after the expiration of the Acceptance Period and if all other conditions precedent of the Offer described in section 5.6 of this offer document are met or timely waived, SCM will procure that an appropriate number of New SCM Shares is transferred into the securities deposit accounts of the Custodian Banks. Once this transfer is completed, SCM has fulfilled its obligation to render the consideration. The respective Custodian Banks are responsible for crediting the New SCM Shares to the securities deposit accounts of the respective accepting shareholders.

Due to the exchange ration of 0.52 to 1, shareholders of Bluehill ID who accept the Offer will receive 0.52 New SCM Shares for each Tendered Share. No fractions of New SCM Shares will be transferred to the shareholders of Bluehill ID. The share consideration for the Tendered Shares will be rounded down to the next integer number of New SCM Shares.

In lieu of fractional New SCM Shares, shareholders of Bluehill ID who have tendered Bluehill ID Shares will receive cash compensation calculated on the basis of the Xetra closing price of the SCM Shares on 18 September 2009, i.e. on the last trading day prior to the announcement of the Offer, which amounted to EUR 1.88 per share in SCM.

The cash compensation will be paid by the Exchange Agent to the Custodian Banks simultaneously with the transfer of the New SCM Shares to the Custodian Banks. The respective Custodian Banks are responsible for crediting the cash compensation to the accounts of the respective accepting shareholders.

5.3 Legal consequences of acceptance of the Offer

By accepting the Offer, a shareholder of Bluehill ID concludes a share exchange contract with SCM which provides that the Tendered Shares are transferred by his Custodian Bank via the Exchange Agent to SCM against New SCM Shares as set out in this offer document and irrevocably declares the instructions, authorisations, orders, representations, warranties and power of attorney specified in lit. (a) through (g) of section 5.1 of this offer document.

5.4 Situation of shareholders of Bluehill ID who do not accept the Offer

Shareholders of Bluehill ID who do not intend to accept the Offer should be aware that a successful Offer will likely lead to a further decrease of the already relatively small

number of Bluehill ID Shares traded at the FSE. The number of Bluehill ID Shares traded at the FSE could become so small that it could become impossible to execute sale or purchase orders in a timely manner or at appropriate stock exchange prices. If, after the closing of the Offer, SCM holds or acquires at least 90% of the share capital of Bluehill ID, SCM may consider a squeeze-out merger of Bluehill ID into a new Swiss special purpose vehicle wholly owned by SCM which would have the result that all shareholders of Bluehill ID who have not tendered their Bluehill ID Shares automatically lose their Bluehill ID Shares and receive an adequate compensation.

5.5 Fees for and costs of acceptance

SCM will bear the fees and costs charged by the Custodian Banks for the acceptance of the Offer up to an amount of EUR 2.50 for each securities deposit account.

5.6 Conditions precedent

The share exchange contracts which are concluded by the acceptance of this Offer are subject to the following conditions precedent:

- (a) at least 75% of all Bluehill ID Shares are tendered in accordance with the terms of the Offer by the shareholders of Bluehill ID;
- (b) approval of the Offer and, specifically, the issuance of the New SCM Shares in connection with the Offer by the stockholders of SCM in accordance with applicable law at the special meeting of SCM's stockholders which is currently scheduled to be held on 18 December 2009;
- (c) approval for the listing of the New SCM Shares that will be issued in connection with the Offer on NASDAQ; and
- (d) absence of the occurrence of an event that has or would have a material adverse effect on SCM and its subsidiaries, taken as a whole, or the Bluehill ID Group, taken as a whole.

With the exception of the offer conditions set out in lit. (b) and (c), SCM may entirely or partially waive any of the offer conditions at its sole discretion until the end of the working day prior to the expiration of the Acceptance Period.

SCM will publish in accordance with section 15 (1) sentence 1 of the German Securities Trading Act (*Wertpapierhandelsgesetz - WpHG*) and on the internet page <http://offer.scmmicro.com> whether the conditions precedent have been met or waived.

5.7 Transaction bank

The execution and settlement of the Offer is handled by the Exchange Agent.
