Item 7.01 Regulation FD Disclosure.

Novy Investments Limited, an affiliate of TNK-BP International Limited from whom we purchased an oilfield services business in 2009 (TNK-BP), has informed us that they have sold all of the shares we issued to them in consideration for that acquisition at a weighted average price of \$17.47.

Under the terms of our agreement with TNK-BP, we are obligated to pay TNK-BP the difference between this sales price and \$19.50 per share. We expect to pay TNK-BP approximately \$47 million in cash on or about November 30 in final satisfaction of this obligation. Because we had recorded a liability as of September 30, 2010 for this obligation exceeding this amount, we expect to recognize a gain of approximately \$15 million in connection with this settlement.
