Form of Performance Share Award Agreement

---

**Table of Contents****Section 1 Registrant's Business and Operations****Item 1.01 Entry into a Material Definitive Agreement.**

On March 23, 2006, the Compensation Committee (the Committee) of the Board of Directors of Lear Corporation (Lear or the Company) approved performance objectives for 2006 annual incentive awards for Lear's named executive officers consistent with the parameters established by the Company's Annual Incentive Compensation Plan and based on target awards (expressed as a percentage of the participant's annual base salary), as follows:

Named Executive Officer	Bonus Target
Robert E. Rossiter Chairman and Chief Executive Officer	150%
James H. Vandenberghe Vice Chairman and Interim Chief Financial Officer	100%
Douglas G. DelGrosso President and Chief Operating Officer	100%
Daniel A. Ninivaggi Senior Vice President, Secretary and General Counsel	60%

The performance objectives for fiscal 2006 incentive awards are based 50% on whether Lear's free cash flow reaches the applicable thresholds set by the Committee and 50% upon whether Lear's operating income, excluding restructuring and other special charges, reaches the applicable thresholds set by the Committee. The actual awards can vary from 0% to 140% of the target opportunity based on whether the thresholds are met and, if met, by how much the thresholds are exceeded.

On March 23, 2006, the Committee also approved performance share awards to certain members of Lear's management under the terms of the Lear Corporation Long-Term Stock Incentive Plan for the three-year period ending December 31, 2008. The following performance share awards to the named executive officers of Lear were approved:

Named Executive Officer	Performance Share Award Grants
Robert E. Rossiter	19,421
James H. Vandenberghe	8,166
Douglas G. DelGrosso	8,166
Daniel A. Ninivaggi	4,414

The number of performance shares actually earned will depend on the attainment of certain levels (threshold, target or superior) of two equally-weighted performance measures during the three-year period ending December 31, 2008: (i) improvement on return on invested capital and (ii) relative return to shareholders compared to companies within the S&P 500 Index.

**Table of Contents**

If any of the levels of performance are attained, performance shares will be paid out in shares of the Company's common stock on a one-for-one basis after the end of the performance period. Attainment of the threshold level will result in a payout at 50% of the targeted level; attainment of the target level will result in a payout at 100% of the targeted level; and attainment of the superior level will result in a payout at 150% of the targeted level. In the alternative, the executives may earn a pro rata amount of performance shares in each year of the performance period to the extent such performance objectives are attained in any single year of the performance period. This alternative calculation will be applied if an executive would earn more performance shares thereby than by measuring performance over the three-year period. A summary of the performance objectives for the 2006-2008 performance share awards follows:

Improvement on Return on Invested Capital:

Threshold: 3% per year average improvement

Target: 5% per year average improvement

Superior: 7% per year average improvement

Relative Return to Shareholders:

Threshold: Lear is ranked above the 42nd percentile.

Target: Lear is ranked above the 57th percentile.

Superior: Lear is ranked above the 85th percentile.

The foregoing summary of the terms of the 2006-2008 performance share awards is qualified in its entirety by reference to the form of 2006-2008 performance share award agreement, which is attached hereto as Exhibit 10.1 and incorporated by reference herein.
