INDEPENDENT AUDITORS' REPORT

The Administrative Committee of the
Team, Inc. Salary Deferral Plan and Trust:

We have audited the accompanying statements of net assets available for plan benefits of Team, Inc. Salary Deferral Plan and Trust (the Plan) as of December 31, 2002 and 2001 and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2002. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require the we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of the Plan as of December 31, 2002 and 2001 and the changes in net assets available for plan benefits for the year ended December 31, 2002 in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule G, part III - schedule of nonexempt transactions for the year ended December 31, 2002 and the supplemental schedule H, Line 4i - schedule of assets (held at end of year) as of December 31, 2002 are presented for the purpose of additional analysis and are not a required part of the basic financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, are fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

TEAM, INC. SALARY DEFERRAL PLAN AND TRUST

Notes to Financial Statements

December 31, 2002 and 2001

(1) DESCRIPTION OF THE PLAN

The following description of the Team, Inc. Salary Deferral Plan and Trust (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) GENERAL

The Plan is a defined contribution plan established October 1, 1984 to cover all eligible employees of Team, Inc. (the Company). Employees become eligible to participate in the Plan upon completion of three months of service. The Plan is administered by the administrative committee appointed by the board of directors of the Company (the Committee). Wells Fargo NA, (the Trustee) is the trustee of the Plan and Wells Fargo Retirement Plan Services is the recordkeeper. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

(b) CONTRIBUTIONS

Each year, participants may contribute from 1% to 25% of their pre-tax annual eligible pay, as defined in the Plan. The Company makes a matching contribution of 50% of the participant's contribution, up to a limit of 4% of eligible pay. Additional amounts may be contributed at the discretion of the Company's board of directors. For the year ended December 31, 2002, no additional discretionary contributions were made. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Beginning January 1, 2002, participants age 50 and older as of December 31, 2002 are permitted to make elective catch-up deferrals in accordance with Section 414(v) of the Internal Revenue Code of 1986, as amended (IRC). Contributions are subject to certain IRC limitations.

(c) PARTICIPANT ACCOUNTS

Individual accounts are maintained for each plan participant. Each participant's account is credited with the participant's contribution and company matching contribution, and an allocation of the Company's discretionary contribution, if elected, and the Plan's earnings or losses net of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) INVESTMENTS

Edgar Filing: TEAM INC - Form 11-K

Participants may direct the investment of their contributions into sixteen mutual funds and/or Company common stock. Contributions can be invested on a percentage allocation basis in any increment of 1%. Company contributions are allocated on the same basis as the participant has elected to allocate their contributions.

TEAM, INC. SALARY DEFERRAL PLAN AND TRUST

Notes to Financial Statements

December 31, 2002 and 2001

(e) VESTING AND FORFEITED ACCOUNTS

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contributions plus actual earnings thereon is based on continuous years of service as follows:

YEARS OF SERVICE	PERCENTAGE OF COMPANY EMPLOYER CONTRIBUTION THAT BECOMES VESTED
Less than one year	0%
One year	20%
Two years	40%
Three years	60%
Four years	80%
Five years or more	100%

Forfeited balances of terminated participants are used to reduce future Company contributions. At December 31, 2002 and 2001, forfeited non-vested accounts totaled approximately \$63,000 and \$44,000, respectively.

(f) PARTICIPANT LOANS

Participants may borrow from their fund accounts up to a maximum of \$50,000, less the participant's highest outstanding loan balance during the preceding 12 months, or 50% of their vested account balance, whichever is less. The minimum loan amount is \$1,000. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined quarterly by the Trustee. All loans must generally be repaid within five years, except where a loan is used to purchase a principal residence. The maximum number of outstanding loans allowed per participant is three.

(g) PAYMENT OF BENEFITS

On termination of service due to death, total disability or retirement, a participant may elect to receive the balance in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account. Benefits are

Edgar Filing: TEAM INC - Form 11-K

payable either in a lump-sum amount or in monthly, quarterly, semiannual, or annual installments.

(h) TERMINATION OF THE PLAN

Although it has not expressed any intent to do so, the Company may discontinue contributions at any time or terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, participants will become 100% vested in their accounts and the assets will be valued and each participant will be entitled to distributions for the balance of his or her account.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

(b) USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein. Actual results could differ from those estimates.

(c) RISKS AND UNCERTAINTIES

The Plan provides for investment in mutual funds and Company common stock. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term.

(d) INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Quoted market prices are used to value the mutual funds and Company common stock. Participant loans are valued at cost which approximates fair value.

Realized gains (losses) on the sale of investments and unrealized appreciation (depreciation) in fair value of investments are shown as net appreciation (depreciation) in fair value of common stock and mutual funds in the statement of changes in net assets available for plan benefits.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Edgar Filing: TEAM INC - Form 11-K

(e) EXPENSES

Loan processing fees are charged to the accounts of the participants who have elected to take loans from their accounts. All other administrative expenses of the Plan are paid by the Company, as provided in the plan document.

(f) PAYMENT OF BENEFITS

Benefit payments to participants are recorded upon distribution. At December 31, 2002 and 2001, all amounts allocated to accounts of persons who have elected to withdraw from the Plan have been paid.

TEAM, INC. SALARY DEFERRAL PLAN AND TRUST

Notes to Financial Statements

December 31, 2002 and 2001

(6) FEDERAL INCOME TAX STATUS

The Plan obtained its latest determination letter on March 26, 2002, in which the Internal Revenue Service stated that the Plan qualifies under Section 401(a) of the IRC and that the trust created thereunder is exempt from Federal income taxes under Section 501(a) of the IRC. The Plan has been amended since receiving the determination letter; however, the plan administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan is qualified, and the related trust is tax exempt.

(7) NONEXEMPT TRANSACTION

As reported on Schedule I, during the year ended December 31, 2002, certain Plan contributions and loan repayments were not remitted to the trust within the time frame specified by the Department of Labor Regulation 29 CFR 2510.3-102, thus constituting a nonexempt transaction between the Plan and the Company. The Company provided to the Plan additional contributions of earnings to participants of \$650 to correct these oversights.

(8) PARTY-IN-INTEREST TRANSACTIONS

The Plan engages in investment transactions with funds managed by the Trustee, a party-in-interest with respect to the Plan. These transactions are covered by an exemption from the "prohibited transaction" provisions of ERISA and IRC. The Plan also has investments in the Company's common stock.
