-

ITEM 1.01 Entry into a Material Definitive Agreement

On December 19, 2008, the Company renewed its loan agreement, effective December 31, 2008, with The Frost National Bank. Under the loan agreement, as renewed and amended, the Company is permitted to draw up to \$50.0 million on a revolving line of credit. Prior to December 31, 2009, interest is paid quarterly at Wall Street Journal Prime and the line of credit matures December 31, 2009. If a balance exists at December 31, 2009, the principal balance converts to a term facility payable quarterly over five years and interest is paid quarterly at the election of the Registrant at Wall Street Journal Prime plus 50 basis points or LIBOR plus 250 basis points. The line of credit is unsecured for an outstanding balance equal to or under \$25.0 million and secured by the stock of a subsidiary bank should the balance exceed \$25.0 million. Among other provisions in the credit agreement, the Company must satisfy certain financial covenants during the term of the loan agreement, including without limitation, covenants that require the Company to maintain certain capital, tangible net worth, loan loss reserve, non-performing asset and cash flow coverage ratio. In addition, the credit agreement contains certain operational covenants, that among others, restricts the payment of dividends above 55% of consolidated net income, limits the incurrence of debt (excluding any amounts acquired in an acquisition) and prohibits the disposal of assets except in the ordinary course of business. Since 1995, the Company has declared dividends as a percentage of its consolidated net income in a range of 37% (low) in 1995 to 53% (high) in 2006. Through the nine months ended September 30, 2008, the Company has declared dividends equal to 53% of its consolidated net income. There have been no borrowings under the loan agreement during 2008.

ITEM 9.01 Financial Statements and Exhibits

(d) Exhibits
