**LAMAR ADVERTISING COMPANY
PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 25, 2006**

General Information

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of Lamar Advertising Company for use at the Annual Meeting of Stockholders to be held at the offices of Lamar Advertising Company, 5551 Corporate Boulevard, Baton Rouge, Louisiana, at 10:00 a.m. on Thursday, May 25, 2006, and at any adjournments of the Annual Meeting.

We are mailing this proxy statement, along with our annual report to stockholders for the fiscal year ended December 31, 2005, to our stockholders on or about April 26, 2006. Our annual report to stockholders includes a copy of our annual report on Form 10-K for the fiscal year ended December 31, 2005 as filed with the Securities and Exchange Commission (the "SEC"), except for certain exhibits.

Record Date, Voting Rights and Outstanding Shares

The Board of Directors has fixed April 3, 2006 as the record date for determining holders of our capital stock who are entitled to vote at the Annual Meeting.

We have two classes of common stock and one class of preferred stock issued and outstanding: Class A Common Stock, \$.001 par value per share, Class B Common Stock, \$.001 par value per share, and Series AA Preferred Stock, \$.001 par value per share. We refer to our Class A Common Stock and our Class B Common Stock collectively as our common stock.

With respect to the matters submitted for vote at the Annual Meeting, each share of Class A Common Stock is entitled to one vote, each share of Class B Common Stock is entitled to ten votes, and each share of Series AA Preferred Stock is entitled to one vote.

Our Class A Common Stock, Class B Common Stock and Series AA Preferred Stock will vote as a single class on the matters submitted at the Annual Meeting. On April 3, 2006, there were outstanding and entitled to vote 88,229,697 shares of Class A Common Stock, 15,647,865 shares of Class B Common Stock, and 5,719.49 shares of Series AA Preferred Stock.

The presence at the Annual Meeting, in person or by proxy, of the holders of one-third of the votes represented by the Class A Common Stock, the Class B Common Stock, and the Series AA Preferred Stock issued and outstanding on April 3, 2006 will constitute a quorum for the transaction of business. Proxies submitted by brokers that do not indicate a vote for the proposal because the brokers do not have discretionary voting authority and have not received instructions from the beneficial owners on how to vote on the proposal are called "broker non-votes." We will count broker non-votes, votes withheld, and abstentions as being present at the Annual Meeting in determining whether a quorum exists for the transaction of business at the Annual Meeting.

Stockholders who do not attend the Annual Meeting in person may submit proxy cards by mail. Proxy cards in the enclosed form, if received in time for voting and not revoked, will be voted at the Annual Meeting according to the instructions on the proxy cards. If no instructions are indicated, the shares represented by the proxy will be voted:

FOR the election of the Director nominees named herein;

FOR the amendments to the 1996 Equity Incentive Plan; and

Table of Contents

In accordance with the judgment of the proxy holders as to any other matter that may be properly brought before the Annual Meeting or any adjournments of the Annual Meeting.

We will not count shares that abstain from voting on a particular matter or shares represented by broker non-votes as votes cast on that matter. Accordingly, abstentions and broker non-votes will have no effect on the outcome of voting on matters to be voted on at the Annual Meeting that require the affirmative vote of a certain percentage or a plurality of the votes cast on a matter.

Voting of Proxies

You may vote by mail or in person at the Annual Meeting. To vote by mail, please sign, date, and complete the enclosed proxy card and return it in the enclosed self-addressed envelope. If you hold your shares through a bank, broker or other nominee, it will give you separate instructions for voting your shares.

Revocability of Proxies

Any stockholder giving a proxy has the power to revoke it at any time before it is exercised. You may revoke the proxy by filing an instrument of revocation or a duly executed proxy bearing a later date with our Secretary at our principal executive offices, 5551 Corporate Boulevard, Baton Rouge, Louisiana 70808. You may also revoke your proxy by attending the Annual Meeting and voting in person. If you do not revoke your proxy, we will vote the proxy at the Annual Meeting in accordance with the instructions indicated on your proxy card.

Householding of Annual Meeting Materials

Some banks, brokers, and other nominee record holders may be householding our proxy statements and annual reports. This means that only one copy of our proxy statement and annual report to stockholders may have been sent to multiple stockholders in your household. We will promptly deliver a separate copy of either document to you if you call (225) 926-1000 or write us at our principal executive offices at 5551 Corporate Boulevard, Baton Rouge, Louisiana 70808, Attention: Secretary. If you want to receive separate copies of the proxy statement or annual report to stockholders in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker or other nominee record holder, or you may contact us at the above address and telephone number.

Director Candidates

The process followed by the Nominating and Governance Committee to identify and evaluate director candidates includes requesting Board members and others to submit recommendations, meeting from time to time to evaluate biographical information and background materials relating to potential candidates, and interviewing (with Board members) selected candidates.

In considering whether to recommend any candidate for inclusion in the Board's slate of director nominees, the Nominating and Governance Committee will evaluate the candidate against the standards and qualifications set out in the Company's Corporate Governance Guidelines, including, among others:

the extent to which the candidate's skills, experience, and perspective adds to the range of talent appropriate for the Board and whether such attributes are relevant to our industry;

the candidate's ability to dedicate the time and resources sufficient for the diligent performance of Board duties;

whether the candidate meets the independence requirements under applicable Nasdaq National Market listing standards; and

the extent to which the candidate holds any position that would conflict with responsibilities to the Company. The Committee believes that the backgrounds and qualifications of the directors, considered as a group, should provide a significant composite mix of experience, knowledge, and abilities that will allow the Board to fulfill its responsibilities.

Stockholders may recommend candidates for the Nominating and Governance Committee to consider as potential director nominees by submitting names, biographical information, and background materials to the Nominating and Governance Committee, c/o General Counsel, Lamar Advertising Company, 5551 Corporate Boulevard, Baton Rouge, Louisiana 70808. The Nominating and Governance Committee will consider a recommendation only if appropriate biographical information and background material is provided on a timely basis as further described in the Committee's charter. See Board and Committee Meetings-Committee Charters. Assuming that appropriate biographical and background material is provided for candidates recommended by stockholders, the Nominating and Governance Committee will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by Board members. The Committee will also consider whether to nominate any person nominated by a stockholder in accordance with the provisions of the Company's bylaws relating to stockholder nominations as described in Deadline for Stockholder

Proposals and Director Nominations below. To date, no stockholder has recommended a candidate for director nominee to the Nominating and Governance Committee or to the Board of Directors.

Communications From Stockholders

The Board will give appropriate attention to written communications submitted by stockholders, and will respond if and as appropriate. Absent unusual circumstances or as contemplated by committee charters, the Chairman of the Audit Committee will, with the assistance of our General Counsel, (1) be primarily responsible for monitoring communications from stockholders and (2) provide copies or summaries of such communications to the other directors as he considers appropriate. Communications specifically addressed to a particular director will be forwarded to that director.

Communications will be forwarded to all directors if they relate to substantive matters and include suggestions or comments that the Chairman of the Audit Committee considers to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to personal grievances and matters as to which we tend to receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to the Board should address such communications to the Chairman of the Audit Committee, c/o General Counsel, Lamar Advertising Company, 5551 Corporate Boulevard, Baton Rouge, Louisiana 70808.

Compensation Committee Report on Executive Compensation

This report is submitted by the Compensation Committee and addresses the executive compensation policies for fiscal year 2005.

Our executive compensation policy is designed to attract, retain, and reward executive officers who contribute to our long-term success by maintaining a competitive salary structure and aligning individual compensation with the achievement of corporate and individual performance objectives. The Compensation Committee determines the executive compensation for each year. The Company's cash compensation package for executive officers consists of base salary and annual bonuses. From time to time the Company also provides equity incentive grants to its executives as a means to drive long-term performance. All of our employees, including the executive officers, are at-will, and no employee has a severance arrangement with the Company.

Executive Officer Compensation

The Committee has determined that executive officer base salaries and cash bonuses should be based on industry averages for comparable positions, as well as on individual and corporate performance.

Base Salary. The Chief Executive Officer recommended that the Committee set each executive officer's fiscal 2005 base salary at the same level as that executive officer's fiscal 2004 base salary, which was \$550,000 for the Chief Executive Officer, \$425,000 for the Chief Operating Officer, and \$425,000 for the Chief Financial Officer. The Committee evaluated the Chief Executive Officer's recommendations, taking into account each officer's tenure in his position, the Committee's subjective assessment of individual performance, the Company's overall performance during the prior year, overall competitive market conditions, and base salaries within a media industry peer group. The Committee did not apply a strict formula but instead considered these factors together without giving any specific weight to any individual factor. The Committee approved the Chief Executive Officer's recommendations, setting the base salary for each executive officer at approximately 60 to 70% of each executive officer's total potential compensation. These levels of compensation were comparable to a media industry peer group.

Annual Bonuses. After the completion of each fiscal year, the Chief Executive Officer proposes to the Committee the size of annual bonuses. In setting annual bonuses, the Committee takes into account the Company's overall performance for that year and each officer's individual performance. The Committee gauged the Company's overall performance based on several key indicators, including the growth in net revenues and cash flows, and also considered the current financial and economic environment in making its assessment. In 2005, the Committee approved cash bonuses of \$300,000 to the Chief Executive Officer, \$175,000 to the Chief Operating Officer, and \$175,000 to the Chief Financial Officer, which amounts are equal to each executive officer's fiscal 2004 bonus.

Deferred Compensation. The Company maintains a nonqualified deferred compensation plan in which our executive officers (including the Chief Executive Officer) are eligible to participate. The Committee reviews and approves the amounts to be contributed to the executive officers, and in fiscal year 2005, the Company contributed \$57,500 on behalf of the Chief Executive Officer, \$50,000 on behalf of the Chief Operating Officer, and \$50,000 on behalf of the Chief Financial Officer. Contributions to the plan are held in a grantor trust and invested in certain mutual funds, as may be directed by participants. Earnings and losses are credited on these contributions based upon investment returns.

Stock Options. From time to time executive officer compensation also includes awards of options to purchase Class A Common Stock. The purpose of the equity incentive program is to provide incentives to the Company's executive officers to manage with a view toward maximizing long-term shareholder value. The Company did not grant any options to the executive officers in 2005.

Deduction Limit for Executive Compensation

Section 162(m) of the Internal Revenue Code precludes the Company from deducting certain forms of non-performance-based compensation paid to its Chief Executive Officer and its four other most highly compensated

Table of Contents

officers that exceed one million dollars. The Committee believes that, in some circumstances, factors other than tax deductibility are more important in determining the forms and levels of executive compensation most appropriate and in the best interests of the Company and its shareholders. Given our industry and business, as well as the competitive market for outstanding executives, we believe that it is important for the Committee to preserve flexibility to design compensation programs consistent with its executive compensation philosophy, even if some executive compensation is not fully deductible. Accordingly, the Committee may from time to time approve elements of compensation for certain executives that are not fully deductible.

The 1996 Equity Incentive Plan limits the number of shares underlying equity awards that may be granted to any individual in a calendar year, so that these awards should be deductible. The plan also contains shareholder-approved general business criteria so that the Committee may grant other forms of cash and equity compensation (such as performance-based compensation and performance shares) that should be fully deductible. Certain amendments to the Plan are being submitted to stockholders at the Annual Meeting to increase the Committee's flexibility to make performance-based awards of this type. At this time, the Company believes that any amounts awarded under these programs should be fully tax deductible.

**PROPOSAL 2: PROPOSAL TO APPROVE AN AMENDMENT
TO THE COMPANY'S 1996 EQUITY INCENTIVE PLAN**

The Board of Directors approved, subject to stockholder approval, and now submits for stockholder approval amendments to the Company's 1996 Equity Incentive Plan (we refer to the plan as amended as the Plan). The following summary of the Plan's principal features is qualified in its entirety by reference to the full text of the Plan, which is included with this proxy statement as Appendix A.

General

The Plan is designed to provide us flexibility in awarding cash and equity incentives by providing for different types of incentives that may be awarded. The purpose of the Plan is to attract and retain directors, key employees, and consultants of the Company and our eligible affiliated companies, to provide an incentive for participants to achieve long-range performance goals, and to enable participants to contribute to our long-term growth.

The Company adopted the original plan in July 1996. At that time, 2,000,000 shares of Class A common stock were initially reserved for issuance. The number of shares reserved for issuance under the plan increased to 3,000,000 shares as a result of a 3-for-2 stock split effected in February 1998, and further increased to 4,000,000 shares in 1999, 5,000,000 shares in 2000, 8,000,000 shares in 2002, and 10,000,000 shares in 2004 as a result of stockholder approvals of amendments to the plan at the Annual Meetings of Stockholders held in those years. The number of shares reserved for issuance under the Plan includes shares subject to options already granted and shares issued pursuant to options already exercised.

Summary of Amendments

In February 2006, our Board of Directors voted to amend the plan, subject to stockholder approval, to accomplish the following:

to specify the manner in which performance-based compensation can be granted;

to provide for the issuance of performance-based cash bonuses of up to \$10 million in the aggregate, with a \$2 million maximum cash award issuable to any one individual in any calendar year;

to raise the limit on certain stock grants to any individual in any calendar year from 300,000 shares to 350,000 shares; and

to extend the Company's ability to issue incentive stock options (or ISOs) pursuant to Section 422 of the Internal Revenue Code of 1986, as amended (the Code).

The Plan as amended does not vary from the previous version of the plan in any other material respect.

We are asking for stockholder approval of the amendments to the Plan so that benefits paid under the Plan can continue to qualify for tax deductions under Section 162(m) of the Code. Section 162(m) generally limits the corporate tax deduction for compensation paid to executive officers that is not performance based to \$1 million per executive officer. Performance based compensation meeting certain requirements is not counted against the \$1 million limit and remains fully deductible for tax purposes. Stockholder approval of the general performance measures specified in the Plan and the maximum amounts that may be awarded under the Plan, even without stockholder approval of specific targeted levels of performance, will qualify the incentive awards under the Plan as performance based compensation. We expect the amendments to allow full tax deductibility of any performance based awards granted under the Plan for the next five years, at which point Section 162(m) will require further stockholder approval of the Plan.

We are also asking for stockholder approval of the amendments to the Plan so that ISOs may be granted for ten years from the date on which the Plan is approved by stockholders for purposes of Section 422 of the Code. The amendment would allow us to continue to grant ISOs until at least May 25, 2016. In addition, this ten year period

Table of Contents

would recommence upon any future approval of the Plan or an amendment to the Plan by our stockholders that constitutes approval for the purposes of Section 422 of the Code (e.g., approval of an amendment to increase the number of shares available for issuance under the Plan).

Approval of these amendments is also required by the rules of the Nasdaq National Market.

The Board of Directors believes that it is important for Company to benefit from the favorable tax treatment under Section 162(m) and for employee participants in the Plan to have the opportunity to benefit from the favorable tax treatment described below. The Company believes that the proposed amendments are necessary and appropriate to enable it to attract and retain the quality of employees whose services are considered important to its future progress, including employees of companies we acquire. The Company also believes that participation in the Plan as amended will provide employees with an incentive to remain employees of the Company.

Administration

Awards under the Plan can be granted to employees, consultants, and directors of the Company as well as employees and consultants of our eligible subsidiaries who are capable of contributing significantly to the Company's successful performance. The Compensation Committee administers the Plan, selects the participants, and establishes the terms and conditions of each award granted under the Plan, including the number of shares underlying options or other equity rights, the exercise price of such options or equity rights, and the time(s) at which such options or equity rights become exercisable.

Subject to certain limitations, the Compensation Committee may delegate to one or more executive officers of the Company the power to make awards (and all determinations relating to such awards) to participants who are not subject to Section 16 of the Securities Exchange Act of 1934 or covered employees for purposes of Section 162(m) of the Internal Revenue Code. The Compensation Committee has authorized the Chief Financial Officer to grant options to purchase shares of Class A common stock to those participants.

Eligibility

As of March 15, 2006, approximately 3,000 employees of the Company and its affiliates, including the Company's three executive officers and its seven directors, were eligible to participate in the Plan. As of that date, approximately 250 participants had outstanding awards under the Plan. The closing price of the Company's Class A common stock as reported on the Nasdaq National Market on that date was \$52.55.

Types of Awards

The Plan allows the Compensation Committee to grant the following types of cash and equity-based awards:

incentive stock options for the purchase of shares of Class A common stock (the exercise prices of which must be at least equal to 100% of the fair market value of the shares underlying the options on the date of grant, and the terms of which may not exceed ten years);

nonstatutory stock options for the purchase of shares of Class A common stock;

restricted shares of Class A common stock;

unrestricted shares of Class A common stock;

stock appreciation rights;

restricted stock units;

performance awards (payable in cash, restricted stock, and unrestricted stock);

performance-based compensation (payable in cash, restricted stock, and unrestricted stock); and

other stock-based awards, such as convertible stock.

In granting performance awards and performance-based compensation to participants, the Compensation Committee establishes the performance goals (i.e., performance measures corresponding to a designated period) that must be attained in order for a participant to earn the award. Performance goals may be particular to a participant or

-22-

Table of Contents

may be based on the performance of one of the Company's divisions, departments, lines of business, subsidiaries or other business units. Performance measures include, among others, various measures of sales, revenues, assets, expenses, EBITDA, return on equity, return on investment, return on capital, return on assets, operating ratios, market share, cash flow, stock price, stockholder returns, acquisition activity, and financing transactions.

Other Terms of Awards

The Plan provides other basic terms that govern cash and equity-based awards, such as the following.

Limits on Individual Grants. The Plan limits the number of shares underlying equity awards and the amount of cash that may be granted to a single individual in any calendar year to 350,000 shares and \$2 million, respectively. The Plan imposes this limitation in part to comply with Section 162(m) of the Code.

Tax Withholding. The Company reserves the right to withhold amounts from awards to satisfy any withholding and other tax obligations.

Amendment of an Award. The Compensation Committee has authority to amend, modify, and terminate any outstanding award. The participant's consent will be required, except for certain modifications of options or except where the Compensation Committee determines that the action would not materially and adversely affect the participant.

Transferability. Subject to the Code's restrictions on the transfer of ISOs, the Compensation Committee has discretion to allow specific awards to be transferred upon such terms and conditions as the Compensation Committee deems appropriate.

Adjustments for Stock Splits, Dividends, Mergers, and Similar Actions. In the event of a stock split, certain dividends, mergers, and similar actions, the Plan provides for adjustments to the number of shares underlying equity awards, the exercise price of equity awards, and the amount of cash awards in order to preserve the benefits intended to be provided by the Plan.

Change in Control. In the event of a change in control of the Company, the Compensation Committee has the power to preserve the rights of participants by, among other things, accelerating the vesting of, cashing-out or adjusting outstanding awards, or causing an acquiror to assume or substitute rights for any outstanding awards. The Plan provides the Compensation Committee with the authority to define a change in control for these purposes.

Termination. The Compensation Committee has discretion to determine how termination of a participant's employment or engagement affects an award.

Plan Activity

As of March 15, 2006, options to purchase an aggregate of 8,791,546 shares of Class A common stock had been granted under the Plan, of which options to purchase 571,759 shares had been cancelled and options to purchase 4,769,917 shares had been exercised. As of that date, 1,780,213 shares remained available for the granting of awards under the Plan. Assuming stockholder approval of the amendment of the Plan, an aggregate of \$10 million will be available for performance-based cash awards as well.

No awards other than option grants have been granted under the Plan to date. As previously disclosed in the current report on Form 8-K filed with the SEC on February 28, 2006 and amended on March 13, 2006, the Compensation Committee approved, subject to stockholder approval of the amendment to the prior plan, performance-based cash and equity bonus programs for the Company's executive officers and a non-executive officer for fiscal 2006. The unrestricted shares will not be counted against the number of shares reserved for awards under the Plan and the potential cash bonuses will not be counted against the amount reserved for awards under the Plan, if at all, until the unrestricted shares and cash are actually awarded upon the Compensation Committee's determination and certification that the relevant performance goals have been met.

Table of Contents

If any award expires, is terminated unexercised or is forfeited or settled in a manner that results in fewer shares outstanding than were originally awarded, the shares subject to such award, to the extent of such expiration, termination, forfeiture or decrease, shall again be available for award under the Plan.

As the amount of any awards under the Plan is within the Compensation Committee's discretion, total awards that may be granted for the current fiscal year are not determinable until completion of the year. The following table sets forth shares underlying awards granted under the Plan since its inception and through March 15, 2006:

Total Awards to Date Under the Plan

Name	Number of Shares of Class A Common Stock Underlying Options
Current Executive Officers:	
Kevin P. Reilly, Jr., Chief Executive Officer	122,500
Keith Istre, Chief Financial Officer	313,000
Sean E. Reilly, Chief Operating Officer	122,500
Current executive officers as a group (3 persons)	558,000
Current directors who are not executive officers as a group (6 persons)	110,000
Other company employees as a group (including current officers who are not executive officers)	8,123,546
Total Awards to Date	8,791,546

Of the nominees for election as director, Mr. Hamilton has received options to purchase a total of 30,000 shares, Mr. Mumblow has received options to purchase a total of 30,000 shares, Mr. Reifenheiser has received options to purchase a total of 30,000 shares, and Mr. Jelenic has received options to purchase a total of 20,000 shares. No equity awards have been granted to Anna Reilly or Wendell Reilly and awards to Kevin P. Reilly, Jr. are described in the table above. No person has received five percent of the options granted under the Plan.

Federal Income Tax Consequences Relating to Certain Awards

The following is only a summary of the tax consequences to participants receiving certain awards and does not purport to be complete.

Incentive Stock Options. An optionee does not realize taxable income upon the grant or exercise of an ISO under the 1996 Equity Incentive Plan. If no disposition of shares issued to an optionee pursuant to the exercise of an ISO is made by the optionee within two years from the date of grant or within one year from the date of exercise, then (a) upon sale of such shares, any amount realized in excess of the option price (the amount paid for the shares) is taxed to the optionee as a capital gain and any loss sustained will be a capital loss and (b) no deduction is allowed to the Company for Federal income tax purposes. The exercise of ISOs gives rise to an adjustment in computing alternative minimum taxable income that may result in alternative minimum tax liability for the optionee.

If shares of common stock acquired upon the exercise of an ISO are disposed of prior to the expiration of the two-year and one-year holding periods described above, a disqualifying disposition, then (a) the optionee realizes ordinary income in the year of disposition in an amount equal to the excess (if any) of the fair market value of the shares at exercise (or, if less, the amount realized on a sale of such shares) over the option price thereof and (b) the Company is entitled to deduct such amount. Any further gain realized is taxed as a capital gain and does not result in any deduction to the Company. A disqualifying disposition in the year of exercise will generally avoid the alternative minimum tax consequences of the exercise of an ISO.

Nonstatutory Stock Options. No income is realized by the optionee at the time a nonstatutory option is granted. Upon exercise, (a) ordinary income is realized by the optionee in an amount equal to the difference between the option price and the fair market value of the shares on the date of exercise and (b) the Company receives a tax deduction for the same amount. Upon disposition of the shares, appreciation or depreciation after the date of exercise is treated as a capital gain or loss and will not result in any deduction by the Company.

Table of Contents

Restricted Stock. Unless the recipient files an election to be taxed under Section 83(b) of the Code: (a) the recipient will not realize income upon the grant of restricted stock; (b) the recipient will realize ordinary income, and the Company will be entitled to a corresponding deduction, when the restrictions have been removed or expire; and (c) the amount of such ordinary income and deduction will be the fair market value of the restricted stock on the date the restrictions are removed or expire. If the recipient files an election to be taxed under Section 83(b) of the Code, the tax consequences to the recipient and the Company will be determined as of the date of the grant of the restricted stock rather than as of the date of the removal or expiration of the restrictions.

When the recipient disposes of restricted stock, the difference between the amount received upon such disposition and the fair market value of such shares on the date the recipient realizes ordinary income will be treated as a capital gain or loss, long-term or short-term, based upon how long the shares are held.

Unrestricted Stock. With respect to awards of unrestricted stock: (a) the recipient will realize ordinary income, and the Company will be entitled to a corresponding deduction upon the grant of the unrestricted stock and (b) the amount of such ordinary income and deduction will be the fair market value of such unrestricted stock on the date of grant.

When the recipient disposes of unrestricted stock, the difference between the amount received upon such disposition and the fair market value of such shares on the date the recipient realizes ordinary income will be treated as a capital gain or loss, long-term or short-term, based upon how long the shares are held.

Required Vote

The affirmative vote of a majority of the total votes properly cast on this proposal will constitute the approval of the proposed amendment to the Plan. Abstentions and broker non-votes will not be treated as votes cast for the purpose of determining the outcome of the vote on this proposal.

The Board of Directors recommends a vote FOR this Proposal.

Other Matters

The Board of Directors is unaware of any business to be conducted at the Annual Meeting of Stockholders other than the matters described in the Notice to Stockholders. If other business is properly presented for consideration at the Annual Meeting, the enclosed proxy authorizes the persons named therein to vote the shares in their discretion on that matter.

Deadline For Stockholder Proposals and Director Nominations

In order for a stockholder proposal to be considered for inclusion in our proxy materials for the 2007 Annual Meeting of Stockholders, we must receive it no later than December 27, 2006 at the following address: 5551 Corporate Boulevard, Baton Rouge, Louisiana 70808, Attention: Secretary.

In addition, our bylaws require a stockholder who wishes to bring business before an annual meeting or propose director nominations at an annual meeting to give advance written notice to the Secretary as described in the bylaws. To be timely for the 2007 Annual Meeting of Stockholders, proposals must be received by not later than the close of business on March 12, 2007.

Expenses Of Solicitation

We will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and others of forwarding solicitation material to beneficial owners of common stock. In addition to the use of mails, proxies may be solicited by our officers and any regular employees in person or by telephone. We expect that the costs incurred in the solicitation of proxies will be nominal.

APPENDIX A

LAMAR ADVERTISING COMPANY
1996 EQUITY INCENTIVE PLAN
(as amended through February 2006)

1. Purpose

The purpose of the Lamar Advertising Company 1996 Equity Incentive Plan (the Plan) is to attract and retain directors, key employees and consultants of the Company and its Affiliates, to provide an incentive for them to achieve long-range performance goals, and to enable them to participate in the long-term growth of the Company by granting Awards with respect to the Company's Class A Common Stock (the Common Stock). Certain capitalized terms used herein are defined in Section 9 below.

2. Administration

The Plan shall be administered by the Committee. The Committee shall select the Participants to receive Awards and shall determine the terms and conditions of the Awards. The Committee shall have authority to adopt, alter and repeal such administrative rules, guidelines and practices governing the operation of the Plan as it shall from time to time consider advisable, and to interpret the provisions of the Plan. The Committee's decisions shall be final and binding. To the extent permitted by applicable law, the Committee may delegate to one or more executive officers of the Company the power to make Awards to Participants who are not Reporting Persons or Covered Employees and all determinations under the Plan with respect thereto, provided that the Committee shall fix the maximum amount of such Awards for all such Participants and a maximum for any one Participant. In its absolute discretion, the Board may at any time and from time to time exercise any and all rights and duties of the Committee under this Plan except with respect to matters which under Rule 16b-3 or Section 162(m) of the Internal Revenue Code (the Code), or any regulations or rules issued thereunder, are required to be determined in the sole discretion of the Committee. In this regard, to the extent that the guidelines pursuant to Section 162(m) are applicable, not only will the Committee consist solely of two or more outside directors but said Committee shall be required to certify that any Performance Goals and/or other material terms associated with any Award have been satisfied prior to the payment of any Award.

3. Eligibility

All directors, employees and consultants of the Company or any Affiliate capable of contributing significantly to the successful performance of the Company, other than a person who has irrevocably elected not to be eligible, are eligible to be Participants in the Plan. Incentive Stock Options may be granted only to persons eligible to receive such Options under the Code.

4. Stock/Cash Available for Awards

(a) **Amount.** Subject to adjustment under subsection (b), Awards may be made under the Plan for up to 10,000,000 shares of Common Stock or cash bonuses up to \$10,000,000. If any Award expires or is terminated unexercised or is forfeited or settled in a manner that results in fewer shares outstanding than were awarded, the shares subject to such Award, to the extent of such expiration, termination, forfeiture or decrease, shall again be available for award under the Plan. To the extent required by Section 162(m) of the Code if, after grant of an Option, the price of shares subject to such Option is reduced, the transaction shall be treated as a cancellation of the Option and a grant of a new Option. Common Stock issued through the assumption or substitution of outstanding grants from an acquired company shall not reduce the shares available for Awards under the Plan. Shares issued under the Plan may consist in whole or in part of authorized but unissued shares or treasury shares.

(b) **Adjustment.** In the event that the Committee determines that any stock dividend, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination, exchange of shares or other transaction affects the Common Stock such that an adjustment is required in order to preserve the benefits intended to be provided by the Plan, then the Committee (subject in the case of Incentive Stock Options to any limitation required under the Code) shall equitably adjust any or all of (i) the number and kind of shares in

Table of Contents

respect of which Awards may be made under the Plan, (ii) the number and kind of shares subject to outstanding Awards and (iii) the exercise price with respect to any of the foregoing, and if considered appropriate, the Committee may make provision for a cash bonus with respect to an outstanding Award, provided that the number of shares subject to any Award shall always be a whole number.

(c) **Limit on Individual Grants.** The maximum number of shares of Common Stock subject to Options and Stock Appreciation Rights that may be granted to any Participant in the aggregate in any calendar year shall not exceed 350,000 shares and the maximum number of shares of Common Stock that may be granted as Restricted Stock, Unrestricted Stock Awards, Restricted Stock Units with respect to which Performance Goals apply under Section 7 below, to any Participant in the aggregate in any calendar year shall not exceed 350,000, subject to adjustment under subsection (b). The maximum cash Award that may be issued to any Participant in any calendar year shall be \$2,000,000.

5. Stock Options

(a) **Grant of Options.** Subject to the provisions of the Plan, the Committee may grant options (Options) to purchase shares of Common Stock (i) complying with the requirements of Section 422 of the Code or any successor provision and any regulations thereunder (Incentive Stock Options) and (ii) not intended to comply with such requirements (Nonstatutory Stock Options). The Committee shall determine the number of shares subject to each Option and the exercise price therefor, which shall not be less than 100% of the Fair Market Value of the Common Stock on the date of grant with respect to Incentive Stock Options. Nonstatutory Stock Options may be granted at such prices as the Committee may determine. No Incentive Stock Options may be granted hereunder more than ten years after the last date on which the Plan was approved for purposes of Section 422 of the Code.

(b) **Terms and Conditions.** Each Option shall be exercisable at such times and subject to such terms and conditions as the Committee may specify in the applicable grant or thereafter. The Committee may impose such conditions with respect to the exercise of Options, including conditions relating to applicable federal or state securities laws, as it considers necessary or advisable. To the extent required by Section 162(m) of the Code if, after grant of an Option, the price of shares subject to such Option is reduced, the transaction shall be treated as a cancellation of the Option and a grant of a new Option.

(c) **Payment.** No shares shall be delivered pursuant to any exercise of an Option until payment in full of the exercise price therefor is received by the Company. Such payment may be made in whole or in part in cash or, to the extent permitted by the Committee at or after the grant of the Option, by delivery of a note or other commitment satisfactory to the Committee or shares of Common Stock owned by the optionee, including Restricted Stock, Restricted Stock Units or by retaining shares otherwise issuable pursuant to the Option, in each case valued at their Fair Market Value on the date of delivery or retention, or such other lawful consideration as the Committee may determine.

(d) **Unexercised Options and Other Rights.** To the extent that (i) a Stock Option expires or is otherwise terminated without being exercised, or (ii) any shares of Stock subject to any other Award granted hereunder are forfeited, such shares shall again be available for issuance in connection with future awards under the Plan. If any shares of Stock have been pledged as collateral for indebtedness incurred by a Participant in connection with the exercise of a Stock Option and such shares are returned to the Company in satisfaction of such indebtedness, such shares shall again be available for issuance in connection with future awards under the Plan. To the extent that a share is subject to an outstanding Option, Stock Appreciation Right or other stock-based Award, such share shall reduce the share authorization by one share of stock. Notwithstanding the foregoing, Awards that are expired, cancelled, forfeited or otherwise returned to the Company cannot be recounted for purposes of Section 162(m) of the Code and the Committee shall consider such limitation when regranting such Awards.

6. Stock Appreciation Rights

(a) **Grant of SARs.** Subject to the provisions of the Plan, the Committee may grant rights to receive any excess in value of shares of Common Stock over the exercise price (Stock Appreciation Rights or SARs) in tandem with an Option (at or after the award of the Option), or alone and unrelated to an Option. SARs in tandem with an Option shall terminate to the extent that the related Option is exercised, and the related Option shall

Table of Contents

terminate to the extent that the tandem SARs are exercised. The Committee shall determine at the time of grant or thereafter whether SARs are settled in cash, Common Stock or other securities of the Company, Awards or other property, and may define the manner of determining the excess in value of the shares of Common Stock.

(b) **Exercise Price.** The Committee shall fix the exercise price of each SAR or specify the manner in which the price shall be determined. An SAR granted in tandem with an Option shall have an exercise price not less than the exercise price of the related Option. SARs granted alone and unrelated to an Option may be granted at such exercise prices as the Committee may determine.

(c) **Treatment of Dividend Rights.** No SAR shall include a right to dividends between the date of grant and date of exercise in the absence of a separate agreement in compliance with the requirements of Section 409A of the Code.

7. Stock Awards

(a) **Grant of Restricted or Unrestricted Stock.** Subject to the provisions of the Plan, the Committee may grant shares of Common Stock subject to forfeiture (Restricted Stock) and determine the duration of the period (the Restricted Period) during which, and the conditions under which, the shares may be forfeited to the Company and the other terms and conditions of such Awards. Shares of Restricted Stock may be issued for no cash consideration, such minimum consideration as may be required by applicable law or such other consideration as the Committee may determine. Shares of Restricted Stock may not be sold, assigned, transferred, pledged or otherwise encumbered, except as permitted by the Committee or the applicable Restricted Stock Agreement during the Restricted Period. Shares of Restricted Stock shall be evidenced in such manner as the Committee may determine. Any certificates issued in respect of shares of Restricted Stock shall be registered in the name of the Participant and unless otherwise determined by the Committee, deposited by the Participant, together with a stock power endorsed in blank, with the Company. At the expiration of the Restricted Period, the Company shall deliver such certificates to the Participant or if the Participant has died, to the Participant's Designated Beneficiary. The Committee also may make Awards of shares of Common Stock that are not subject to restrictions or forfeiture, on such terms and conditions as the Committee may determine from time to time (Unrestricted Stock).

(b) **Performance Awards.** The Committee may grant Performance Awards to eligible individuals. The value of such Performance Awards may be linked to the market value, book value, net profits or other measure of the value of Common Stock or other specific performance criteria determined appropriate by the Committee, or may be based upon the appreciation in the market value, book value, net profits or other measure of the value of a specified number of shares of Common Stock over a fixed period or periods determined by the Committee.

(c) **Performance-Based Compensation.** The Committee may establish Performance Goals for the granting of Restricted Stock, Unrestricted Stock, Restricted Stock Unit Awards, the lapse of risk of forfeiture of Restricted Stock, cash incentives or other Performance Award. The achievement of the Performance Goals shall be determined by the Committee. Shares of Restricted Stock or Unrestricted Stock may be issued for no cash consideration, such minimum consideration as may be required by applicable law or such other consideration as the Committee may determine. If the Committee determines at the time an Award is granted to a Participant that such Participant is, or may be as of the end of the tax year for which the Company would claim a tax deduction in connection with such Award, a Covered Employee, then the Committee may provide that the Participant's right to receive cash, shares, or other property pursuant to such Award shall be subject to the satisfaction of Performance Goals during a performance period, which for these purposes means the period of service designated by the Committee applicable to an Award. Notwithstanding the attainment of Performance Goals by a Covered Employee, the Committee shall have the right to reduce (but not to increase) the amount payable at a given level of performance to take into account additional factors that the Committee may deem relevant. The Committee shall have the power to impose such other restrictions on Awards as it deems necessary or appropriate to ensure that such Awards satisfy all requirements for performance-based compensation within the meaning of Section 162(m) of the Code. In this regard, any performance criterion based on performance over time will be determined by reference to a period of at least one year.

(c) **Other Stock Based Awards.** The Committee shall have the right to grant such Awards based upon the Common Stock having terms and conditions as the Board may determine, including, without limitation, the grant of

Table of Contents

shares based upon certain conditions, the grant of securities convertible into Common Stock, the grant of warrants to purchase Common Stock or grant Restricted Stock Units.

8. General Provisions Applicable to Awards

(a) **Documentation.** Each Award under the Plan shall be evidenced by a writing delivered to the Participant or agreement executed by the Participant specifying the terms and conditions thereof and containing such other terms and conditions not inconsistent with the provisions of the Plan as the Committee considers necessary or advisable to achieve the purposes of the Plan or to comply with applicable tax and regulatory laws and accounting principles.

(b) **Committee Discretion.** Each type of Award may be made alone, in addition to or in relation to any other Award. The terms of each type of Award need not be identical, and the Committee need not treat Participants uniformly. Except as otherwise provided by the Plan or a particular Award, any determination with respect to an Award may be made by the Committee at the time of grant or at any time thereafter.

(c) **Dividends and Cash Awards.** In the discretion of the Committee, any Award under the Plan may provide the Participant with (i) dividends or dividend equivalents payable (in cash or in the form of Awards under the Plan) currently or deferred with or without interest and (ii) cash payments in lieu of or in addition to an Award.

(d) **Termination of Employment.** The Committee shall determine the effect on an Award of the disability, death, retirement or other termination of employment of a Participant and the extent to which, and the period during which, the Participant's legal representative, guardian or Designated Beneficiary may receive payment of an Award or exercise rights thereunder.

(e) **Change in Control.** In order to preserve a Participant's rights under an Award in the event of a change in control of the Company (as defined by the Committee), the Committee in its discretion may, at the time an Award is made or at any time thereafter, take one or more of the following actions: (i) provide for the acceleration of any time period relating to the exercise or payment of the Award, (ii) provide for payment to the Participant of cash or other property with a Fair Market Value equal to the amount that would have been received upon the exercise or payment of the Award had the Award been exercised or paid upon the change in control, (iii) adjust the terms of the Award in a manner determined by the Committee to reflect the change in control, (iv) cause the Award to be assumed, or new rights substituted therefor, by another entity, or (v) make such other provision as the Committee may consider equitable to Participants and in the best interests of the Company.

(f) **Transferability.** In the discretion of the Committee, any Award may be made transferable upon such terms and conditions and to such extent as the Committee determines, provided that Incentive Stock Options may be transferable only to the extent permitted by the Code. The Committee may in its discretion waive any restriction on transferability.

(g) **Loans.** The Committee may authorize the making of loans or cash payments to Participants in connection with the grant or exercise any Award under the Plan, which loans may be secured by any security, including Common Stock, underlying or related to such Award (provided that the loan shall not exceed the Fair Market Value of the security subject to such Award), and which may be forgiven upon such terms and conditions as the Committee may establish at the time of such loan or at any time thereafter.

(h) **Withholding Taxes.** The Participant shall pay to the Company, or make provision satisfactory to the Committee for payment of, any taxes required by law to be withheld in respect of Awards under the Plan no later than the date of the event creating the tax liability. The Company and its Affiliates may, to the extent permitted by law, deduct any such tax obligations from any payment of any kind otherwise due to the Participant hereunder or otherwise. In the Committee's discretion, the minimum tax obligations required by law to be withheld in respect of Awards may be paid in whole or in part in shares of Common Stock, including shares retained from the Award creating the tax obligation, valued at their Fair Market Value on the date of delivery.
