**Item 1.01. Entry into a Material Definitive Agreement.**

On February 10, 2009, the Registrant's wholly-owned subsidiary, TimePayment Corp. (the Borrower) entered into an amended secured revolving line of credit (the Facility) with Sovereign Bank, as agent (the Agent) and the lenders thereunder (the Lenders). The Facility was originally entered into in August 2007. It was amended and restated in July 2008 in order to increase the total commitment of the Lenders from \$30 million to \$60 million.

In connection with the most recent amendment, the total commitment of the Lenders was further increased from \$60 million to \$85 million, through the addition of one Lender and the increased commitment of another. Availability under the Facility remains subject to a borrowing base that is calculated with respect to eligible receivables. Under the amendment, the interest rate payable by the Borrower under the Facility for Base Rate loans was increased from the Base Rate (defined in the Facility to mean the prime rate made available by the Agent from time to time) to the Base Rate plus 1.75%. The interest rate on LIBOR loans was increased from LIBOR plus 2.75% to LIBOR plus 3.75%. In either case, the interest rate will not be below five percent. The Registrant was in compliance with the covenants of the Facility at the time of the February 10 amendment.

The other material terms of the Facility remain the same, including the borrowing base calculation, the maturity date of August 10, 2010, and the other affirmative and negative covenants applicable to the Registrant and the Borrower (including financial covenants). The Facility is guaranteed by the Registrant and by Leasecomm Corporation (Leasecomm), also a wholly-owned subsidiary of the Registrant. The Facility and related guarantees are secured by a first priority security interest in the assets of the Borrower, the Registrant and Leasecomm, including the equity interest of the Registrant in both the Borrower and Leasecomm.

The foregoing description of the Facility is a summary only, and is qualified in its entirety by reference to the Amended and Restated Credit Agreement between the parties attached to the Registrant's Form 8-K filed on July 15, 2008 and the amendments thereto described in this report.

On February 13, 2009, the Registrant issued a press release announcing the amendment to the Facility. A copy of that press release is attached to this report as Exhibit 99.1.
