SOME QUESTIONS AND ANSWERS

WHAT AM I BEING ASKED TO VOTE ON?

You are being asked to vote on:

(1) the election of seven directors to serve until the next meeting of shareholders and until their successors have been elected and qualified (the affirmative vote of a plurality of the outstanding shares entitled to vote thereon is required to elect each nominee for election as directors);

(2) ratify the selection of KPMG LLP as our independent public accountants for the year ending December 31, 2002 (the affirmative vote of a majority of the shares represented at the meeting and entitled to vote thereon is required to ratify this proposal);

(3) To consider such other business as may properly come before the meeting.

HOW DOES THE BOARD OF DIRECTORS RECOMMEND THAT I VOTE ON THE PROPOSALS?

The Board recommends a vote FOR each of its nominees for election as directors and FOR ratification of the Board's selection of KPMG LLP as our auditors.

WHO IS ENTITLED TO VOTE?

You are entitled to vote if you were the owner of shares of our common stock at the close of business on May 17, 2002, the record date for voting. This includes (1) shares held on that date

4

directly by you as the shareholder of record and (2) shares held on that date for your account as beneficial owner by a broker, bank or other nominee.

WHAT IS THE DIFFERENCE BETWEEN HOLDING SHARES AS A SHAREHOLDER OF RECORD AND AS A BENEFICIAL OWNER?

If the shares are registered directly in your name on the records maintained by our transfer agent, American Stock Transfer & Trust Company, you are the shareholder of record of those shares and we are sending the proxy materials directly to you. As the shareholder of record, you are entitled to vote these shares in person at the meeting or to designate a proxy to vote for you. We have enclosed a proxy card to permit you to instruct the proxy holder on how to vote your shares. If your shares are held in a brokerage account or by a bank or other nominee, those shares are registered on the records maintained by the transfer agent in the name of the broker, bank or other nominee. The broker, bank or other nominee shares held like that are frequently referred to as being held in "street name." If your shares are held in street name, the broker, bank or other nominee is the holder of record and will get the proxy materials from us in sufficient quantities to pass on a set to you. You, as the beneficial owner, have the right to direct the broker, bank or other nominee on how to vote and you are invited to attend the meeting if you want to. Nevertheless, if you do attend, you will be entitled to vote only if the record holder of these shares appoints you as its proxy. Your broker, bank or other nominee has enclosed a voting instruction card so that you can give instructions on how to vote your shares.

Edgar Filing: SYNERGY TECHNOLOGIES CORP - Form PRE 14A

HOW DO I VOTE?

Shareholders may vote their shares at the Annual Meeting either in person or by proxy. Since many shareholders may be unable to attend the meeting in person, we send to all shareholders of record cards that permit them to designate proxies to represent them at the meeting and to direct the designated proxies on how to vote. Brokers, banks and nominees also send cards to beneficial owners to permit them to provide instructions as to how they wish their shares to be voted.

HOW DO I VOTE BY MAIL?

Shareholders of record who wish to vote by mail should complete the enclosed proxy card to indicate their voting instructions and then sign, date and mail the proxy card in the postage-paid envelope provided. Beneficial owners may direct their vote by mail by completing, signing and returning the voting instruction card provided by their broker, bank or nominee.

HOW DO I VOTE AT THE ANNUAL MEETING?

We will pass out ballot papers to any shareholder of record who wants to vote in person at the Annual Meeting rather than by proxy. If you hold your shares through a broker, bank or nominee, you must obtain a proxy from that institution to enable you to vote in person at the meeting.

5

WHOM AM I DESIGNATING AS MY PROXY?

You will be designating Marc Cernovitch, our Vice President, and Kelly Warrack, our Secretary/Treasurer, as proxies to vote your shares in accordance with your instructions. Alternatively, a shareholder has the right to appoint a person to attend and act for him on his behalf at the Meeting other than the persons named in the enclosed Instrument of Proxy. To exercise this right, a shareholder shall strike out the names of the persons named in the Instrument of Proxy and insert the name of his nominee in the blank space provided, or complete another Instrument of Proxy. The completed Instrument of Proxy should be deposited with its registrar and transfer agent, American Stock Transfer & Trust Company, at 59 Maiden Lane, New York, NY 10038, fax to (718) 921-8145, or with the offices of the Company at 1689 Hawthorne Drive, Conroe, Texas 77301-3284, fax to (936) 788-8221, at least 72 hours before the time of the Meeting or any adjournment thereof, excluding Saturdays, Sundays and holidays.

HOW WILL MY PROXY VOTE MY SHARE?

The designated proxies will vote according to your instructions as indicated on the proxy card. If you sign your proxy card but do not indicate voting instructions on one or more of the business matters listed, the proxies will vote all uninstructed shares in accordance with the recommendations of the Board.

MAY I REVOKE MY PROXY?

You may revoke or amend your proxy, in addition to revocation in any other manner permitted by law, in any one of the following ways:

(1) By attending the Annual Shareholders Meeting in person, revoking your proxy at that time and either voting the shares yourself or appointing a new person to act as your proxy; or

Edgar Filing: SYNERGY TECHNOLOGIES CORP - Form PRE 14A

(2) By signing a Proxy bearing a later date and forwarding it to the company at the address of its offices located at 1689 Hawthorne Drive, Conroe, Texas 77301-3284. Any such new proxy must be received by the Company by July 17, 2002; or

(3) By sending a letter to the company at its offices located at 1689 Hawthorne Drive, Conroe, Texas 77301-3284 signed by each of the registered shareholders indicating the shareholder's intention to revoke or amend the proxy. If you intend to amend the proxy, please advise us as to the exact amendments you wish to make. Letters intended to revoke or amend a proxy must be received by the Company by July 17, 2002.

HOW MANY SHARES CAN VOTE?

As of the record date, we had 39,119,395 issued and outstanding shares of common stock available to vote at the meeting. The holders of these shares are each entitled to one vote for each share held.

6

HOW MANY SHARES NEED TO BE REPRESENTED FOR THE MEETING TO CONDUCT BUSINESS?

The meeting can conduct business only if the holders of a majority of the shares outstanding on the record date are present at the meeting in person or by proxy. Both abstentions and broker non-votes are counted as present for the purpose of determining the presence of a quorum. Abstentions are also counted as shares present and entitled to be voted. Broker non-votes, however, are not counted as shares present and entitled to be voted with respect to the matter on which the broker has expressly not voted. Generally, a broker will not vote shares that it holds for a beneficial owner for or against a particular proposal if (1) the broker has not received voting instructions from the beneficial owner and (2) under the rules applicable to the broker it is not allowed to vote on the particular proposal without voting instructions.

HOW MANY VOTES ARE NEEDED FOR MATTERS TO BE ADOPTED AT THE MEETING?

The matters to be voted on will be declared adopted if they receive the affirmative vote of a majority of the shares present or represented at the meeting.

IS CUMULATIVE VOTING ALLOWED IN THE ELECTION OF DIRECTORS?

No. Each share is entitled to one vote in the election of directors as on every other matter.

WHO WILL COUNT THE VOTES?

Your Corporate Secretary or an inspector appointed specifically for the Meeting will count the votes unless a shareholder present at the meeting requests count by inspectors of election, in which event the Chairman of the meeting will appoint two inspectors, who may but need not be shareholders, to effect the count.

WHERE CAN I FIND THE VOTING RESULTS OF THE MEETING?

The Chairman will announce the results of the meeting. In addition, we will publish them on our web site - www.synergytechnologies.com - and in our report on Form 10-QSB for the quarter ended September 30, 2002 that we expect to file with the SEC by November 14, 2002.

WHO WILL BEAR THE COST OF SOLICITING VOTES FOR THE MEETING?

Edgar Filing: SYNERGY TECHNOLOGIES CORP - Form PRE 14A

The Company will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. In addition to mailing these proxy materials, our directors and officers, who will not receive any additional compensation for their soliciting activities, may seek to contact shareholders by telephone or other electronic means. We will also reimburse brokers, and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses incurred by them in forwarding proxy materials to shareholders.

7

MAY I PROPOSE ACTIONS FOR CONSIDERATION AT FUTURE SHAREHOLDER MEETINGS, INCLUDING DIRECTOR NOMINATIONS?

You may submit proposals for consideration at future shareholder meetings, including director nominations.

PROPOSALS:

In order for a shareholder proposal to be considered for inclusion in the proxy statement for our next year's Annual Meeting, our Corporate Secretary must receive the written proposal by no later than March 31, 2003. Any such proposal will need to comply with SEC regulations regarding the inclusion of shareholder proposals in company-sponsored proxy materials. You may also move the adoption of proposed resolutions from the floor at the Annual Meeting, but then you should not expect proxies to vote in favor of it.

NOMINATIONS OF DIRECTOR CANDIDATES:

You may suggest director candidates for consideration by our Board. Any such suggestion should be addressed to our Corporate Secretary. You may also make a director nomination from the floor at the Annual Meeting, but then you should not expect proxies to be voted in favor of your nominee.

ITEM OF BUSINESS NO. 1 ELECTION OF DIRECTORS

The Board has nominated each of the persons named below and it is the intention of the persons named in the enclosed proxy to vote FOR the election of all the nominees named below. INFORMATION REGARDING THE BOARD AND COMMITTEES THEREOF

Board of Directors Meetings.

The Board of Directors held nine formal directors meetings during 2001 (one of which was the annual meeting of directors). In addition, the Board took twenty formal actions by unanimous written consent. The directors were, however,

Edgar Filing: SYNERGY TECHNOLOGIES CORP - Form PRE 14A

in frequent touch with one another and with management by telephone. The Board has two committees, the Audit Committee and the Governance and Compensation Committee. Each director attended at least 75% of all Board meetings held.

Audit Committee.

The Audit Committee of the Board of Directors reviews and discusses with the Company's auditors and management Synergy's audited financial statements and whether the auditors' performance of non-audit related duties is compatible with maintaining proper independence. Two of three members of the Audit Committee, James E. Nielson and James Shone, do not have vested interests in the Company either through financial, family or other material ties to management, which would hamper or influence their ability to evaluate objectively the propriety of management's accounting, internal control and reporting practices. Although the third member of the Audit Committee, Duane Baumert, indirectly received compensation of \$138,674 in 2001 from the Company for consulting services rendered through an entity he controls, which entity will receive compensation in 2002, the Company's Board of Directors has determined Mr. Baumert's appointment is necessary to comply with the three-member Audit Committee requirement and is in the best interests of the Company and its shareholders. The Company's Board of Directors determined that Mr. Baumert would not be hampered or influenced in his ability to evaluate objectively the propriety of management's accounting, internal control, and reporting practices. The Audit Committee has adopted a written charter, a copy of which has been filed within the last three years. The Audit Committee held four meetings in 2001, and each of the Audit Committee members attended at least 75% of such meetings.

Set forth below is a copy of the Report of the Audit Committee to the Board of Directors:

12

SYNERGY TECHNOLOGIES CORPORATION AUDIT COMMITTEE REPORT MARCH 28, 2002

This disclosure statement is being provided to inform our shareholders of the Audit Committee's oversight with respect to the financial reporting of Synergy Technologies Corporation ("Company"). The Board of Directors adopted a written charter for the Audit Committee on March 16, 2001.

The Audit Committee of the Company's Board of Directors has thoroughly reviewed and discussed the audited financial statements and the footnotes thereto with the Company's management and independent auditors. Based on these discussions, the Audit Committee believes the Company's financial statements are fairly presented in conformity with Generally Accepted Accounting Principles (GAAP) in all material respects. The Audit Committee has not been apprised of any misstatements or omissions in the financial statements. In addition, the Audit Committee discussed with the independent auditors the matters required to be discussed by Statement of Auditing Standards No. 61, COMMUNICATION WITH AUDIT COMMITTEES, that included the auditor's judgment as to the quality of the Company's financial statements, any changes in accounting policy, and sensitive accounting estimates.

The Audit Committee discussed with the Company's auditors, KPMG LLP, the independence of such auditors from the Company and its management, and received the written disclosures concerning the auditors' independence as required by the Independence Standards Board Standard No. 1, INDEPENDENCE

Edgar Filing: SYNERGY TECHNOLOGIES CORP - Form PRE 14A

DISCUSSIONS WITH AUDIT COMMITTEES, to be made by its auditors to the Company. Two of three members of the Audit Committee, James E. Nielson and James Shone, do not have vested interests in the Company either through financial, family or other material ties to management, which would hamper or influence their ability to evaluate objectively the propriety of management's accounting, internal control and reporting practices. Although the third member of the Audit Committee, Duane Baumert, indirectly received compensation of \$138,674 in 2001 from the Company for consulting services rendered through an entity he controls, which entity will receive compensation in 2002, the Company's Board of Directors has determined Mr. Baumert's appointment is necessary to comply with the three-member Audit Committee requirement and is in the best interests of the Company and its shareholders. The Company's Board of Directors determined that Mr. Baumert would not be hampered or influenced in his ability to evaluate objectively the propriety of management's accounting, internal control, and reporting practices.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended 31 December 2001 for filing with the Securities and Exchange Commission.

Compensation Committee.

During 2001, the Compensation Committee consisted of Messrs. Barry Coffey (Chairman), Jim Nielson and Duane Baumert. The Compensation Committee reviews and determines the compensation of the Company's executive officers and recommends the granting of awards to eligible employees pursuant to the Company's 2002 Stock Option Plan. During 2001, the Compensation Committee did not meet at all. The Board made all decisions regarding the compensation of the directors and executive officers during 2001 without input from that Committee.

COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and any other persons who own 10% or more of our common stock, to file with the SEC initial reports of ownership and reports of changes in ownership of our stock. Such persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. To our knowledge, based solely on review of the copies of such reports furnished to us and written representations that no other reports were required during the year ended on December 31, 2001, all such Section 16(a) filing requirements were met.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS.

On January 3, 2002, we entered into a settlement agreement with John Gradek, our former Chief Executive Officer, which extinguished a lawsuit filed by Mr. Gradek against us on February 27, 2001. In that suit, Mr. Gradek claimed that Synergy breached its employment agreement with him by terminating him without cause and asserted that Synergy owed him his monthly salary of \$10,000 for 32 months plus paid vacation days and attorney fees of up to \$80,000. Pursuant to the settlement agreement, we agreed to (i) pay to Mr. Gradek the sum of \$100,000 in two installments of \$50,000 each, the first on or before February 1, 2002 which sum was paid and the second by May 1, 2002, and (ii) issue to Mr. Gradek 150,000 shares of common

stock. In addition, each party released the other from all actions or claims with respect to Mr. Gradek's employment with Synergy.

On October 19, 2000, we issued a three-year promissory note in the principal amount of \$1,000,000 in favor of Stone Canyon Resources, Inc., a former affiliate of Synergy by virtue of common officers, directors and shareholders, in settlement of the terms of a certain Share Exchange Agreement, previously filed with, and described in, past filings made by Synergy with the Securities and Exchange Commission. We issued the promissory note to Stone Canyon to settle what Stone Canyon alleged was a breach of the Share Exchange Agreement resulting from our inability to develop certain oil and gas producing properties. On February 9, 2001, Stone Canyon converted the promissory note into shares of common stock at the price of \$1.00 per share.

On July 1, 2001, Synergy entered into a Management and Consulting Agreement with Huntingtown Associates LLC wholly owned by Mr. Duane Baumert, a member of our Board of Directors. Edgar Filing: SYNERGY TECHNOLOGIES CORP - Form PRE 14A

days up to a maximum of 120 days during 2002 to provide assistance with the development of product licensing, business and patent strategies, business plan development and certain other matters. The agreement provides that during 2001 we would compensate Huntingtown Associates at the rate of \$1,500 per day payable in stock options valued at 33% of the higher of \$1 or the average market price for our common stock during the month in which the services were rendered. During 2002, we have agreed to compensate Huntingtown Associates at the rate of \$1,500 per day payable \$350 in cash and the balance (\$1,150) in stock options valued at 33% of the higher of \$1 or the average market price for our common stock during the month in which the services were rendered. We have agreed to register the common stock issued to Huntingtown Associates pursuant to the agreement for public resale under the Securities Act of 1933. During the fiscal year ended December 31, 2001, we incurred \$138,674 consulting services and reimbursement of actual expenses pursuant to the agreement in favor of Huntingtown Associates LLC for, \$25,631 of which remained outstanding at December 31, 2001. Thus far during 2002, we have not incurred any charges for consulting fees or expenses to Huntingtown Associates. Mr. Duane Baumert is the sole proprietor of Huntingtown Associates. At March 31, 2001, we owed Huntingtown Associates \$25,631 in respect of the fees payable to him during 2001.

On January 14, 2000, James Nielson and the Wood River Trust entered into a Financing and Security Agreement with Synergy whereby the parties loaned Synergy \$300,000, of which \$125,000 is attributable to Mr. Nielson.
