SUMMARY

This summary highlights information contained elsewhere in this prospectus. This summary may not contain all of the information that may be important to you in making your investment decision. You should read this entire prospectus and the information incorporated by reference in this prospectus, including the financial data and related notes and section entitled “Risk Factors,” before making an investment decision. As used in this prospectus, the terms “we,” “us” and “Cooper-Standard” all refer to Cooper-Standard Automotive Inc., its subsidiaries on a consolidated basis and

Cooper-Standard Holdings Inc., its parent, unless the context requires otherwise.

We are a leading global manufacturer of body sealing, fluid handling, and noise, vibration, and harshness control (“NVH”) components, systems, subsystems, and modules, primarily for use in passenger vehicles and light trucks for global original equipment manufacturers (“OEMs”) and replacement markets. We conduct substantially all of our activities through our subsidiaries.

We believe that we are the largest global producer of body sealing systems, the largest North American producer in the NVH control business, and the second largest global producer of the types of fluid handling products that we manufacture. Approximately 80% of our sales in 2006 were to OEMs including Ford, General Motors, DaimlerChrysler, Audi, BMW, Fiat, Honda, Jaguar, Mercedes Benz, Porsche, PSA Peugeot Citroën, Renault/Nissan, Toyota, Volkswagen, and Volvo. The remaining 20% of our 2006 sales were primarily to Tier I and Tier II suppliers. In 2006, our products were found in all of the 20 top-selling models in North America and in 16 of the 20 top-selling models in Europe.

We operate in 53 manufacturing locations and nine design, engineering, and administrative locations in 15 countries around the world. Our net sales have grown from \$1.6 billion for the year ended December 31, 2002, to \$2.2 billion for the year ended December 31, 2006.

You should carefully consider all the information in this prospectus prior to exchanging your outstanding notes. In particular, we urge you to consider carefully the factors set forth under the heading “Risk Factors.”

Cooper-Standard Automotive Inc. is an Ohio corporation. Our principal executive offices are located at 39550 Orchard Hill Place Drive, Novi, Michigan 48375. Our telephone number is (248) 596-5900. We also maintain a website at www.cooperstandard.com, which is not a part of this prospectus.

Risk Factors

You should carefully consider the “Risk Factors” included under Item 1A of our Annual Report on Form 10-K for the fiscal year ended December 31, 2006, filed with the SEC on April 2, 2007, which is incorporated by reference in this prospectus. The risks and uncertainties we describe are not the only ones we face. Additional risks and uncertainties that we are unaware of, or that we currently deem immaterial, also may become important factors that affect us. If any of these risks were to occur, our business, financial condition or results of operations could be materially and adversely affected. DESCRIPTION OF OTHER INDEBTEDNESS

Senior Credit Facilities

The senior credit facilities are provided by a syndicate of banks and other financial institutions led by Deutsche Bank Trust Company Americas, as administrative agent, Deutsche Bank Securities Inc., as joint lead arranger and joint bookrunner, Lehman Commercial Paper Inc., as syndication agent, Lehman Brothers Inc., as joint lead arranger and joint bookrunner, and Goldman Sachs Credit Partners L.P., UBS Securities LLC, and The Bank of Nova Scotia, each as a co-documentation agent.

The senior credit facilities provide senior secured financing consisting of:

- Term Loan A facility to our Canadian subsidiary, Cooper-Standard Automotive Canada Limited (the “Canadian Borrower”) in Canadian dollars with a maturity in 2010 and a loan balance of approximately U.S. \$42.2 million as of December 31, 2006;
- Term Loan B facility to the Canadian Borrower in U.S. dollars with a maturity in 2011 and a loan balance of \$82.7 million as of December 31, 2006;
- Term Loan C facility to us in U.S. dollars with a maturity in 2011 and a loan balance of \$176.3 million as of December 31, 2006;
- Term Loan D facility to us structured in two tranches with a maturity in 2011, with \$190 million borrowed in U.S. dollars and €20.7 million borrowed in Euros; and
- \$125 million of revolving credit facilities with a maturity in 2010, \$25 million of which is available to the Canadian Borrower in U.S. or Canadian dollars;

In addition, upon the occurrence of certain events, we or the Canadian Borrower may request additional term loan facilities and/or an increase to the existing term loan facilities in an amount not to exceed \$150 million in the aggregate, subject to receipt of commitments by existing term loan lenders or other financing institutions and certain other conditions.

The Term Loan A, Term Loan B and Term Loan C facilities were entered into on December 23, 2004 in connection with the Acquisition. Cooper-Standard Automotive Inc. is the borrower under the Term Loan C facility and the U.S. dollar denominated revolving credit facility. The Canadian Borrower is borrower under the Term Loan A facility, the Term Loan B facility, and the multicurrency revolving credit facility. The Term Loan A facility and a portion of the multicurrency revolving facility are obligations of the Canadian Borrower in Canadian dollars. The multicurrency revolving credit facility includes \$5 million available for letters of credit and the U.S. dollar denominated revolving credit facility includes \$40 million available for letters of credit. The U.S. dollar denominated revolving credit facility also provides for \$20 million available for borrowings on same-day notice, referred to as the swingline loans. Undrawn amounts under the multicurrency revolving credit facility and the U.S. dollar denominated revolving credit facility are available on a revolving credit basis for general corporate purposes of the applicable borrower and its subsidiaries.

On February 6, 2006, in conjunction with the closing of the FHS acquisition, we entered into an amendment to the senior credit facilities which established a Term Loan D facility, with a notional amount of \$215 million. The Term Loan D facility was structured in two tranches, with \$190 million borrowed in US dollars and €20.7 million borrowed in Euros.

Interest Rate and Fees

Borrowings under the senior credit facilities denominated in U.S. dollars bear interest at a rate equal to an applicable margin plus, at our or the Canadian Borrower's option, as applicable, either (a) a base rate determined by reference to the higher of (1) the prime rate of Deutsche Bank Trust Company Americas (or another bank of recognized standing reasonably selected by the administrative agent) and (2) the federal funds rate plus 0.5% or (b) LIBOR rate determined by reference to the costs of funds for deposits in U.S. dollars for the interest period relevant to such borrowing adjusted for certain additional costs. Borrowings under the senior credit facilities denominated in Canadian

dollars bear interest at a rate equal to an applicable margin plus, at the Canadian Borrower's option, either (a) an adjusted Canadian prime rate determined by reference to the higher of (1) the prime rate of Deutsche Bank AG, Canada Branch for commercial loans made in Canada in Canadian dollars and (2) the average rate per annum for Canadian dollar bankers' acceptances having a term of 30 days that appears on Reuters Screen CDOR Page plus 0.75% or (b) bankers' acceptances rate determined by reference to the average discount rate on bankers' acceptances as quoted on Reuters Screen CDOR Page or as quoted by certain Canadian reference lenders.

In addition to paying interest on outstanding principal under the senior credit facilities, we are required to pay a commitment fee to the lenders under the revolving credit facilities in respect of the unutilized commitments thereunder at a rate equal to 0.50% per annum. We also pay customary letter of credit fees.

Prepayments

The senior credit facilities require us to prepay outstanding term loans, subject to certain exceptions, with:

- 50% (which percentage will be reduced to 25% if our leverage ratio is less than 3.25 to 1.00 and to 0% if our leverage ratio is less than 2.50 to 1.00) of our excess cash flow for each fiscal year beginning with the fiscal year ending December 31, 2005;
- 100% of the net cash proceeds of asset sales and casualty and condemnation events, in each case if we do not reinvest those proceeds in assets to be used in our business within 360 days following the date of receipt of the net cash proceeds subject to certain limitations; and
- 100% of the net proceeds of any incurrence of debt other than debt permitted under the senior credit facilities, subject to certain exceptions.

We may voluntarily repay outstanding loans under the senior credit facilities, other than advances maintained as bankers' acceptances, at any time without premium or penalty, other than customary "breakage" costs with respect to certain eurocurrency or LIBOR loans.

Edgar Filing: Cooper-Standard Automotive OH, LLC - Form POS AM

“Comparable Treasury Issue” means the United States Treasury security selected by the Quotation Agent as having a maturity comparable to the remaining term of the Senior Notes from the redemption date to December 15, 2008, in the case of Senior Notes and comparable to the remaining term of the Senior Subordinated Notes from the redemption

date to December 15, 2009, in the case of Senior Subordinated Notes, that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of a maturity most nearly equal to December 15, 2008 or December 15, 2009, as applicable.

“Comparable Treasury Price” means, with respect to any redemption date, if clause (ii) of the Adjusted Treasury Rate is applicable, the average of three, or such lesser number as is obtained by the applicable Trustee, Reference Treasury Dealer Quotations for such redemption date.

“Quotation Agent” means the Reference Treasury Dealer selected by the applicable Trustee after consultation with the Company.

“Reference Treasury Dealer” means Deutsche Bank and its successors and assigns and two other nationally recognized investment banking firms selected by the Company that are primary U.S. government securities dealers.

- (1) at least 65% of such aggregate principal amount of Notes of the applicable series (which includes Additional Notes of the applicable series, if any) remains outstanding immediately after the occurrence of each such redemption (other than Notes of the applicable series held, directly or indirectly, by the Company or its Affiliates); and
- (2) each such redemption occurs within 90 days after the date of the related Equity Offering.

Selection and Notice of Redemption

If the Company is redeeming less than all the Notes of any series at any time, the applicable Trustee will select Notes of such series on a pro rata basis to the extent practicable.

The Company will redeem Notes of \$1,000 or less in whole and not in part. The Company will cause notices of redemption to be mailed by first-class mail at least 30 but not more than 60 days before the redemption date to each applicable Noteholder to be redeemed at its registered address.

If any note is to be redeemed in part only, the notice of redemption that relates to that note will state the portion of the principal amount thereof to be redeemed. The Company will issue a new note of the same series in a principal amount equal to the unredeemed portion of the original note in the name of the Noteholder upon cancellation of the original note. Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest will cease to accrue on Notes or portions of them called for redemption.

Guaranties

The Guarantors jointly and severally guarantee the Company's obligations under the Senior Indenture and the Senior Notes on a senior basis and the Company's obligations under the Subordinated Indenture and the Senior Subordinated Notes on a senior subordinated basis. The

17

Table of Contents

obligations of each Guarantor under its Guaranties are limited as necessary to prevent those Guaranties from constituting a fraudulent conveyance under applicable law.

Each Guarantor that makes a payment under a Guaranty will be entitled, upon payment in full of all guaranteed obligations under the applicable Indenture, to a contribution from each other Guarantor guaranteeing the related Notes in an amount equal to such other Guarantor's pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

Since Parent is a holding company with no significant operations, Parent Guaranties provide little, if any, additional credit support for the Notes and investors should not rely on the Parent Guaranties in evaluating the investment in the Notes.

If a Guaranty were rendered voidable, it could be subordinated by a court to all other indebtedness (including guarantees and other contingent liabilities) of the applicable Guarantor, and, depending on the amount of such indebtedness, a Guarantor's liability on its Guaranty could be reduced to zero.

Pursuant to each Indenture, (A) a Guarantor may consolidate with, merge with or into, or transfer all or substantially all its assets to any other Person to the extent described below under “—Certain Covenants—Merger and Consolidation” and (B) the Capital Stock of a Subsidiary Guarantor may be sold or otherwise disposed of to another Person to the extent described below under “—Certain Covenants—Limitation on Sales of Assets and Subsidiary Stock;” provided, however, that, in the case of a consolidation, merger or transfer of all or substantially all the assets of such Guarantor, if such other Person is not the Company or a Guarantor, such Guarantor's obligations under the applicable Guaranty must be expressly assumed by such other Person, except that such assumption will not be required in the case of:

- (1) the sale or other disposition (including by way of consolidation or merger) of a Subsidiary Guarantor, including the sale or disposition of Capital Stock of a Subsidiary Guarantor, following which such Subsidiary Guarantor is no longer a Subsidiary; or

(2) the sale or disposition of all or substantially all the assets of a Subsidiary Guarantor; in each case other than to the Company or an Affiliate of the Company and as permitted by the applicable Indenture. Upon any sale or disposition described in clause (1) or (2) above, the obligor on the related Subsidiary Guaranty will be released from its obligations thereunder.

The Subsidiary Guaranty of a Subsidiary Guarantor also will be released under an Indenture:

- (1) upon the designation of such Subsidiary Guarantor as an Unrestricted Subsidiary thereunder;
- (2) at such time as such Subsidiary Guarantor does not have any Indebtedness outstanding that would have required such Subsidiary Guarantor to enter into a Guaranty Agreement pursuant to the covenant described under “—Certain Covenants—Future Guarantors;” or
- (3) if the Company exercises its legal defeasance option or its covenant defeasance option as described under “—Defeasance” or if its obligations under the applicable Indenture are discharged in accordance with the terms of such Indenture.

If at any time following the Issue Date, Parent is no longer Guaranteeing any Indebtedness of the Company (other than the applicable series of Notes) or any of the Restricted Subsidiaries, the applicable Parent Guaranty will be released upon presentation to the applicable Trustee of an Officers’ Certificate to the effect that no such Guarantees exist or are contemplated at such time. If Parent thereafter shall enter into any Guarantee of any Indebtedness of the Company or any of its Restricted Subsidiaries, Parent shall execute and deliver to the applicable Trustee, at the same time such other Guarantee is provided, a Guaranty Agreement pursuant to which Parent will Guarantee payment of the applicable series of Notes on the same terms and conditions as those set forth in the applicable Indenture. In addition, if the Company exercises its legal defeasance option or its covenant defeasance option as described under “—Defeasance” under an Indenture or if its obligations thereunder are discharged in accordance with the terms thereof, the applicable Parent Guarantee will be released.

Ranking

Senior Notes

The indebtedness evidenced by the Senior Notes (a) is unsecured senior Indebtedness of the Company, (b) ranks pari passu in right of payment with all existing and future senior Indebtedness of the Company, and (c) is senior in right of payment to all existing and future Subordinated Obligations (as used in respect of the Senior Notes) of the Company. The Senior Notes are also effectively subordinated to all secured Indebtedness and other liabilities (including trade payables) of the Company to the extent of the value of the assets securing such Indebtedness, and to all Indebtedness of its Subsidiaries (other than the Subsidiary Guarantors).

Each Guaranty in respect of Senior Notes is unsecured senior Indebtedness of the applicable Guarantor, ranks pari passu in right of payment with all existing and future senior Indebtedness of such Guarantor and is senior in right of payment to all existing and future Subordinated Obligations (as used in respect of the Senior Notes) of such Guarantor. Such Guaranty is also effectively subordinated to all secured Indebtedness of such Guarantor to the extent of the value of the assets securing such Indebtedness, and to all Indebtedness and other liabilities (including trade payables) of the Subsidiaries of each Subsidiary (other than the Subsidiary Guarantors).

Senior Subordinated Notes

The Indebtedness evidenced by the Senior Subordinated Notes is unsecured Senior Subordinated Indebtedness of the Company, is subordinated in right of payment, as set forth in the Subordinated Indenture, to the prior payment in full in cash or Temporary Cash Investments when due of all existing and future Senior Indebtedness of the Company, including the Company's Obligations under the Senior Notes and the Credit Agreement, ranks *pari passu* in right of payment with all existing and future Senior Subordinated Indebtedness of the Company, and is senior in right of payment to all existing and future Subordinated Obligations (as used in respect of the Senior Subordinated Notes) of the Company. The Senior Subordinated Notes are also effectively subordinated to any secured Indebtedness of the Company to the extent of the value of the assets securing such Indebtedness, and to all Indebtedness and other liabilities (including trade payables) of the Company's Subsidiaries (other than the Subsidiary Guarantors).

Each Guaranty in respect of Senior Subordinated Notes (a) is unsecured Senior Subordinated Indebtedness of the applicable Guarantor, (b) is subordinated in right of payment, as set forth in the Subordinated Indenture, to the payment when due of all existing and future Senior Indebtedness of such Person, including such Guarantor's obligations under its Guaranty of the Senior Notes and such Guarantor's guarantee Obligations in respect of the Credit Agreement, (c) ranks *pari passu* in right of payment with all existing and future Senior Subordinated Indebtedness of such Guarantor and (d) is senior in right of payment to all existing and future Subordinated Obligations of such Guarantor. Each Guaranty is also effectively subordinated to any secured Indebtedness of such Guarantor to the extent of the value of the assets securing such Indebtedness, and to all Indebtedness and other liabilities (including trade payables) of the Subsidiaries of each Subsidiary (other than the Subsidiary Guarantors).

However, the Subordinated Indenture provides that payment from the money or the proceeds of U.S. Government Obligations held in any defeasance trust described under “—Defeasance” below is not subordinated to any Senior Indebtedness or subject to the restrictions described herein, so long as the deposit of money or U.S. Government Obligations into such trust was made in accordance with the provisions of the Subordinated Indenture described under “—Defeasance” below, and did not violate the subordination provisions of the Subordinated Indenture at the time such deposit was made.

Each Series of Notes

A substantial part of the operations of the Company are conducted through its Subsidiaries. Claims of creditors of such Subsidiaries, including trade creditors, and claims of preferred shareholders

19

Table of Contents

(if any) of such Subsidiaries have priority with respect to the assets and earnings of such Subsidiaries over the claims of creditors of the Company, including holders of the applicable Notes, unless such Subsidiary is a Subsidiary Guarantor with respect to the applicable Notes. Currently, only the Company's U.S. Subsidiaries are Subsidiary Guarantors. The Notes of each series, therefore, are effectively subordinated to creditors (including trade creditors) and preferred shareholders (if any) of Subsidiaries of the Company (other than the Subsidiary Guarantors with respect to the applicable series of Notes). Certain of the operations of a Subsidiary Guarantor may be conducted through Subsidiaries thereof that are not also Subsidiary Guarantors. Claims of creditors of such Subsidiaries, including trade creditors, and claims of preferred shareholders (if any) of such Subsidiaries have priority with respect to the assets and earnings of such Subsidiaries over the claims of creditors of such Subsidiary Guarantor, including claims under its Subsidiary Guaranties of each series of Notes. Such Subsidiary Guaranty, therefore, is effectively subordinated to

creditors (including trade creditors) and preferred shareholders (if any) of such Subsidiaries. Although each Indenture limits the incurrence of Indebtedness (including preferred stock) by certain of the Company's Subsidiaries, such limitation is subject to a number of significant qualifications.

As of December 31, 2006, (i) the Senior Notes were (a) effectively subordinated to \$525 million of secured Indebtedness and (b) senior in right of payment to approximately \$330.5 million of subordinated Indebtedness and (ii) the Senior Subordinated Notes were subordinated to approximately \$725 million of Senior Indebtedness. In addition, as of December 31, 2006, the Company had an additional \$125 million of unused capacity under its Credit Agreement, all of which would have been effectively senior to the Senior Notes and senior to the Senior Subordinated Notes. As of December 31, 2006, on an actual basis, the Company's Subsidiaries that are not Subsidiary Guarantors had approximately \$8 million of indebtedness, excluding intercompany obligations, plus other liabilities, including trade payables, that would have been structurally senior to the notes.

Payment of Senior Subordinated Notes

The payment of Obligations on, or relating to, the Senior Subordinated Notes is subordinated to the prior payment in full in cash or Temporary Cash Investments of all Senior Indebtedness of the Company, including any Senior Indebtedness Incurred after the Issue Date.

The Company is not permitted to pay Obligations on, or relating to, the Senior Subordinated Notes or make any deposit pursuant to the provisions described under "—Defeasance" below with respect to the Senior Subordinated Notes and may not purchase, redeem or otherwise retire or acquire for cash or property any Senior Subordinated Notes (collectively, "pay the Senior Subordinated Notes") if: any Obligation on any Designated Senior Indebtedness of the Company is not paid in full in cash when due (a "Payment Default") unless the Payment Default has been cured or waived. Regardless of the foregoing, the Company is permitted to make the applicable payment in respect of the Senior Subordinated Notes if the Company and the Subordinated Note Trustee receive written notice approving such payment from the Representatives of all Designated Senior Indebtedness with respect to which the Payment Default has occurred and is continuing.

During the continuance of any default (other than a Payment Default) with respect to any Designated Senior Indebtedness of the Company pursuant to which the maturity thereof may be accelerated without further notice (except such notice as may be required to effect such acceleration) or the expiration of any applicable grace periods, the Company is not permitted to pay the Senior Subordinated Notes for a period (a "Payment Blockage Period") commencing upon the receipt by the Subordinated Note Trustee (with a copy to the Company) of written notice (a "Blockage Notice") of such default from the Representative of such Designated Senior Indebtedness specifying an election to effect a Payment Blockage Period and ending 179 days thereafter. The Payment Blockage Period will end earlier if such Payment Blockage Period is terminated:

- (1) by written notice to the Subordinated Note Trustee and the Company from the Person or Persons who gave such Blockage Notice; or
- (2) because the default giving rise to such Blockage Notice is cured, waived or otherwise no longer continuing.

20

Table of Contents

Notwithstanding the provisions described in the preceding paragraph (but subject to the subordination provisions in

the immediately succeeding paragraph), unless the holders of any Designated Senior Indebtedness or the Representative of any Designated Senior Indebtedness have accelerated the maturity of such Designated Senior Indebtedness or a Payment Default has occurred and is continuing, the Company is permitted to resume paying the Senior Subordinated Notes after the end of such Payment Blockage Period. The Senior Subordinated Notes shall not be subject to more than one Payment Blockage Period in any consecutive 360-day period irrespective of the number of non-Payment Defaults with respect to Designated Senior Indebtedness of the Company during such period. For purposes of this paragraph, no non-Payment Default that existed or was continuing on the date of the commencement of any Payment Blockage Period with respect to any Designated Senior Indebtedness and that was the basis for the initiation of such Payment Blockage Period shall be, or be made, the basis of the commencement of a subsequent Payment Blockage Period by the Representative of such Designated Senior Indebtedness unless such default shall have been cured or waived for a period of not less than 90 consecutive days (it being acknowledged that any subsequent action, or any breach of any financial covenants for a period commencing after the date of delivery of such initial Blockage Notice that in either case would give rise to a default pursuant to any provisions under which a default previously existed or was continuing shall constitute a new default for this purpose).

Upon any payment or distribution of the assets of the Company upon a total or partial liquidation or dissolution, reorganization, bankruptcy or insolvency of or similar proceeding relating to the Company or its property:

- (1) the holders of Senior Indebtedness of the Company will be entitled to receive payment in full in cash of such Senior Indebtedness before the holders of the Senior Subordinated Notes are entitled to receive any payment or distribution of any kind or character with respect to any Obligations on, or relating to, the Senior Subordinated Notes;
- (2) until the Senior Indebtedness of the Company is paid in full in cash, any payment or distribution to which holders of the Senior Subordinated Notes would be entitled but for the subordination provisions of the Subordinated Indenture will be made to holders of such Senior Indebtedness as their interests may appear, except that holders of Senior Subordinated Notes may receive Permitted Junior Securities; and
- (3) if a payment or distribution is made to holders of the Senior Subordinated Notes that, due to the subordination provisions, should not have been made to them, such Noteholders are required to hold it in trust for the holders of Senior Indebtedness of the Company and pay it over to them as their interests may appear.

The subordination and payment blockage provisions described above will not prevent a Default from occurring under the Subordinated Indenture upon the failure of the Company to pay interest or principal with respect to the Senior Subordinated Notes when due by their terms. If payment of the Senior Subordinated Notes is accelerated because of an Event of Default, the Company or the Subordinated Note Trustee must promptly notify the holders of Designated Senior Indebtedness of the Company or the Representative of such Designated Senior Indebtedness of the acceleration; provided that any failure to give such notice shall have no effect whatsoever on the subordination provisions described herein.

A Guarantor's obligations under its Guaranty related to the Senior Subordinated Notes, are senior subordinated obligations. As such, the rights of holders of Senior Subordinated Notes to receive payment by a Guarantor pursuant to its Guaranty related to the Senior Subordinated Notes are subordinated in right of payment to the rights of holders of Senior Indebtedness of such Guarantor. The terms of the subordination and payment blockage provisions described above with respect to the Company's Obligations under the Senior Subordinated Notes apply equally to a Guarantor and the Obligations of such Guarantor under its Guaranty related to the Senior Subordinated Notes.

By reason of the subordination provisions contained in the Subordinated Indenture, in the event of a liquidation or insolvency proceeding, creditors of the Company or a Guarantor who are holders

of Senior Indebtedness of the Company, or a Guarantor, as the case may be, may recover more, ratably, than the holders of Senior Subordinated Notes.

The terms of the subordination provisions described above do not apply to payments from money or the proceeds of U.S. Government Obligations held in trust by the Subordinated Note Trustee for the payment of principal of and interest on the Senior Subordinated Notes pursuant to the provisions described under “—Defeasance,” so long as the deposit of money or U.S. Government Obligations into such trust was made in accordance with the provisions of the Senior Subordinated Indenture described under “—Defeasance” below, and did not violate the subordination provisions of the Senior Subordinated Indenture at the time such deposit was made.

Change of Control

Under each Indenture, upon the occurrence of any of the following events (each a “Change of Control”), unless the Company has exercised its right to redeem all of the outstanding Notes of the applicable series as described under “—Optional Redemption,” each holder of Notes of the applicable series shall have the right to require that the Company repurchase such Noteholder’s Notes of such series at a purchase price in cash equal to 101% of the principal amount thereof on the date of purchase plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of the applicable Noteholders of record on the relevant record date to receive interest due on the relevant interest payment date):

- (1) any “person” (as such term is used in Sections 13(d) and 14(d) of the Exchange Act), other than one or more Permitted Holders, is or becomes the “beneficial owner” (as defined in Rules 13d-3 and 13d-5 under the Exchange Act, except that for purposes of this clause (1) such person shall be deemed to have “beneficial ownership” of all shares that any such person has the right to acquire, whether such right is exercisable immediately or only after the passage of time), directly or indirectly, of a majority of the total voting power of the Voting Stock of the Company or of Parent;
- (2) the adoption of a plan relating to the liquidation or dissolution of the Company; or
- (3) the merger or consolidation of Parent or the Company with or into another Person or the merger of another Person with or into Parent or the Company, or the sale of all or substantially all the assets of Parent or the Company (determined on a consolidated basis) to another Person other than (A) a transaction in which the survivor or transferee is a Person that is controlled by the Permitted Holders or (B) a transaction following which (i) in the case of a merger or consolidation transaction, holders of securities that represented 100% of the Voting Stock of Parent or the Company immediately prior to such transaction (or other securities into which such securities are converted as part of such merger or consolidation transaction) own directly or indirectly at least a majority of the voting power of the Voting Stock of the surviving Person in such merger or consolidation transaction immediately after such transaction and in substantially the same proportion as before the transaction and (ii) in the case of a sale of assets transaction, each transferee becomes an obligor in respect of the Notes and a Subsidiary of the transferor of such assets.

Within 30 days following any Change of Control, the Company will mail a notice to each applicable Noteholder with a copy to each applicable Trustee (the “Change of Control Offer”) stating:

- (1)

that a Change of Control has occurred and that such Noteholder has the right to require the Company to purchase such Noteholder's Notes that will remain outstanding after giving effect to any redemption of Notes that the Company has elected to make as described under "—Optional Redemption" at a purchase price in cash equal to 101% of the principal amount thereof on the date of purchase, plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of applicable Noteholders of record on the relevant record date to receive interest on the relevant interest payment date);

- (2) the circumstances and relevant facts regarding such Change of Control (including information with respect to pro forma historical income, cash flow and capitalization, in each case after giving effect to such Change of Control);

22

Table of Contents

- (3) the purchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed); and
- (4) the instructions, as determined by the Company, consistent with the covenant described hereunder, that a Noteholder must follow in order to have its Notes of the applicable series purchased.

The Company will not be required to make a Change of Control Offer following a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indentures applicable to a Change of Control Offer made by the Company and purchases all Notes of the applicable series validly tendered and not withdrawn under such Change of Control Offer.

The Company will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with any repurchase of Notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with the provisions of the covenant described hereunder, the Company will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the covenant described hereunder by virtue of its compliance with such securities laws or regulations.

The Change of Control purchase feature of the Notes may in certain circumstances make more difficult or discourage a sale or takeover of Parent or the Company and, thus, the removal of incumbent management. The Change of Control purchase feature is a result of negotiations among Parent, the Company and the Initial Purchasers. Neither Parent nor the Company have any present intention to engage in a transaction involving a Change of Control, although it is possible that Parent and the Company could decide to do so in the future. Subject to the limitations discussed below, Parent or the Company could, in the future, enter into certain transactions, including acquisitions, refinancings or other recapitalizations, that would not constitute a Change of Control under either Indenture, but that could increase the amount of Indebtedness outstanding at such time or otherwise affect the Company's capital structure or credit ratings. Restrictions on the Company's ability to Incur additional Indebtedness are contained in the covenants described under "—Certain Covenants— Limitation on Indebtedness." Such restrictions can only be waived with the consent of the holders of a majority in principal amount of the applicable series of Notes then outstanding. Except for the limitations contained in such covenants, however, neither Indenture contains any covenants or provisions that may afford the holders of Notes issued thereunder protection in the event of a highly leveraged transaction.

The Credit Agreement prohibits the Company from purchasing any Notes and also provides that the occurrence of certain change of control events with respect to Parent or the Company would constitute a default thereunder.

The Senior Indenture provides that in the event a Change of Control occurs at a time when the Company is prohibited from purchasing Senior Notes, the Company may seek the consent of its lenders to purchase the Senior Notes or may attempt to refinance the borrowings that contain such prohibition. If such a consent is not obtained or borrowings repaid, the Company will remain prohibited from purchasing the Senior Notes. In such case, the Company's failure to offer to purchase the Senior Notes after any applicable notice and lapse of time would constitute a Default under the Senior Indenture, which would, in turn, constitute a default under the Credit Agreement.

The Subordinated Indenture provides that in the event a Change of Control occurs at a time when the Company is prohibited by the terms of any Senior Indebtedness from purchasing Senior Subordinated Notes, then prior to the mailing of the notice to holders of Senior Subordinated Notes but in any event within 30 days following any Change of Control, the Company undertakes to (1) repay in full all Obligations, and terminate all commitments, under the Credit Facilities and all other Senior Indebtedness, the terms of which require repayment and/or termination of commitments upon a Change of Control or offer to repay in full all Obligations, and terminate all commitments, under the Credit Facilities and all other such Senior Indebtedness and to repay the Obligations owed

23

Table of Contents

to (and terminate all commitments of) each lender which has accepted such offer or (2) obtain the requisite consents under the agreements governing such Senior Indebtedness to permit the repurchase of the Senior Subordinated Notes. If such a consent is not obtained or borrowings repaid, the Company will remain prohibited from purchasing the Senior Subordinated Notes. In such case, the Company's failure to comply with the foregoing undertakings, after appropriate notice and lapse of time would result in a Default under the Subordinated Indenture, which would, in turn, constitute a default under the Credit Agreement. In such circumstances, the subordination provisions in the Subordinated Indenture would likely restrict payment to the holders of Senior Subordinated Notes.

Future indebtedness that the Company may incur may contain prohibitions on the occurrence of certain events that would constitute a Change of Control or require the repurchase of such indebtedness upon a Change of Control. Moreover, the exercise by Noteholders of their right to require the Company to repurchase its Notes of either series could cause a default under such indebtedness, even if the Change of Control itself does not, due to the financial effect of such repurchase on the Company. Finally, the Company's ability to pay cash to the Noteholders following the occurrence of a Change of Control may be limited by the Company's then existing financial resources. There can be no assurance that sufficient funds will be available when necessary to make any required repurchases.

The definition of "Change of Control" includes a disposition of all or substantially all of the assets of the Company to any Person. Although there is a limited body of case law interpreting the phrase "substantially all," there is no precise established definition of the phrase under applicable law. Accordingly, in certain circumstances there may be a degree of uncertainty as to whether a particular transaction would involve a disposition of "all or substantially all" of the assets of the Company. As a result, it may be unclear as to whether a Change of Control has occurred and whether a Noteholder may require the Company to make an offer to repurchase the Notes as described above.

The provisions under each Indenture relative to the Company's obligation to make an offer to repurchase the applicable Notes as a result of a Change of Control may be waived or modified with the written consent of the holders of a majority in principal amount of the Notes of the applicable series.

Certain Covenants

Each of the Indentures contains covenants including, among others, the following:

Limitation on Indebtedness

(a) The Company will not, and will not permit any Restricted Subsidiary to, Incur, directly or indirectly, any Indebtedness; provided, however, that the Company and its Subsidiary Guarantors will be entitled to Incur Indebtedness if, on the date of such Incurrence and after giving effect thereto on a pro forma basis, the Consolidated Coverage Ratio exceeds 2.0 to 1.

(b) Notwithstanding the foregoing paragraph (a), the Company and the Restricted Subsidiaries will be entitled to Incur any or all of the following Indebtedness:

- (1) Indebtedness Incurred by the Company and any Restricted Subsidiaries pursuant to Credit Facilities; provided, however, that immediately after giving effect to any such Incurrence, the aggregate principal amount of all Indebtedness Incurred under this clause (1) and then outstanding does not exceed the greater of (x) \$575.0 million less the sum of (i) all principal payments with respect to such Indebtedness pursuant to paragraph (a)(3)(A) of the covenant described under “—Limitation on Sales of Assets and Subsidiary Stock” and (ii) the aggregate principal amount of Indebtedness under Permitted Securitizations and (y) the sum of (i) 85% of (A) the consolidated book value of the accounts receivable of the Company and the Restricted Subsidiaries less (B) the aggregate principal amount of Indebtedness under Permitted Securitizations with respect to any SPE Subsidiary that is a consolidated entity in accordance with GAAP and (ii) 60% of the consolidated book value of the inventories of the Company and the Restricted Subsidiaries;

24

- (2) Indebtedness owed to and held by the Company or a Restricted Subsidiary; provided, however, that (A) any subsequent issuance or transfer of any Capital Stock which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any subsequent transfer of such Indebtedness (other than to the Company or a Restricted Subsidiary) shall be deemed, in each case, to constitute the Incurrence of such Indebtedness by the obligor thereon, (B) if the Company is the obligor on such Indebtedness and a Subsidiary Guarantor is not the obligee thereon, such Indebtedness is expressly subordinated to the prior payment in full in cash of all obligations with respect to the applicable Notes, and (C) if a Subsidiary Guarantor is the obligor on such Indebtedness and a Subsidiary Guarantor is not the obligee thereon, such Indebtedness is expressly subordinated to the prior payment in full in cash of all obligations of such Subsidiary Guarantor with respect to its Subsidiary Guaranty related to such series of Notes;
- (3) the Senior Notes, the Senior Subordinated Notes and the Exchange Notes (other than any Additional Notes);
- (4) Indebtedness outstanding on the Issue Date (other than Indebtedness described in clause (1), (2) or (3) of this covenant);
- (5) Indebtedness of a Restricted Subsidiary Incurred and outstanding on or prior to the date on which such Subsidiary was acquired by the Company (other than Indebtedness Incurred in connection with, or to provide all or any portion of the funds or credit support utilized to consummate, the transaction or series of related transactions pursuant to which such

Subsidiary became a Subsidiary or was acquired by the Company); provided, however, that on the date of such acquisition and after giving pro forma effect thereto, either (a) the Consolidated Coverage Ratio would not be less than immediately prior to such transactions or (b) the Company would have been entitled to Incur at least \$1.00 of additional Indebtedness pursuant to paragraph (a) of this covenant;

- (6) Refinancing Indebtedness in respect of Indebtedness Incurred pursuant to paragraph (a) under “—Limitation on Indebtedness” or pursuant to clause (3), (4) or (5) or this clause (6); provided, however, that to the extent such Refinancing Indebtedness directly or indirectly Refinances Indebtedness of a Subsidiary Incurred pursuant to clause (5), such Refinancing Indebtedness shall be Incurred only by such Subsidiary;
- (7) Hedging Obligations that are incurred in the ordinary course of business (and not for speculative purposes) (1) consists of Interest Rate Agreements (2) for the purpose of fixing or hedging currency exchange rate risk with respect to any currency exchanges or (3) for the purpose of fixing or hedging commodity price risk with respect to any commodity purchases;
- (8) the Incurrence of Indebtedness in respect of workers’ compensation claims, payment obligations in connection with health or other types of social security benefits, unemployment or other insurance or self-insurance obligations, reclamation, statutory obligations, bankers’ acceptances, performance, surety or similar bonds and letters of credit or completion or performance guarantees or other similar obligations, in each case in the ordinary course of business;
- (9) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business; provided, however, that such Indebtedness is extinguished within five Business Days of its Incurrence;
- (10) Indebtedness consisting of the Subsidiary Guaranty of a Subsidiary Guarantor and any Guarantee by a Subsidiary Guarantor of Indebtedness Incurred in accordance with the provisions of the applicable Indenture;
- (11) Indebtedness (including Capital Lease Obligations) Incurred by the Company or any of its Restricted Subsidiaries to finance the purchase, lease or improvement of property (real or personal) or equipment (whether through the direct purchase of assets or the Capital Stock

of any Person owning such assets (but no other material assets)) and Refinancing Indebtedness in respect thereof in an aggregate principal amount which, when added together with the amount of all other Indebtedness then outstanding and Incurred pursuant to this clause (11), does not exceed 5% of Consolidated Net Tangible Assets;

- (12) Indebtedness Incurred by Foreign Subsidiaries in an aggregate principal amount (or accreted value, as applicable) at any time outstanding, not to exceed \$50.0 million;
 - (13) Permitted Securitizations; and
 - (14) Indebtedness of the Company or of any of the Subsidiary Guarantors in an aggregate principal amount which, when taken together with all other Indebtedness of the Company and its Subsidiary Guarantors outstanding on the date of such Incurrence (other than Indebtedness permitted by clauses (1) through (13) above or paragraph (a)) does not exceed \$40.0 million.
- (c) Notwithstanding the foregoing, neither the Company nor any Subsidiary Guarantor will Incur any Indebtedness pursuant to the foregoing paragraph (b) if the proceeds thereof are used, directly or indirectly, to Refinance (1) any Subordinated Obligations of the Company or any Subsidiary Guarantor unless such Indebtedness shall be

subordinated to the applicable series of Notes or the applicable Subsidiary Guaranty to at least the same extent as such Subordinated Obligations or (2) under the Subordinated Indenture only, any Senior Subordinated Indebtedness (other than the Senior Subordinated Notes) unless such Indebtedness shall be Senior Subordinated Indebtedness or shall be subordinated to both series of Notes, as applicable.

(d) For purposes of determining compliance with this covenant:

- (1) any Indebtedness outstanding under the Credit Agreement on the date of the Indentures after the application of the net proceeds from the sale of the Notes will be treated as Incurred on the Issue Date under clause (1) of paragraph (b) above;
- (2) in the event that an item of Indebtedness (or any portion thereof) meets the criteria of more than one of the types of Indebtedness described in clauses (a) and (b) above, the Company, in its sole discretion, will classify such item of Indebtedness (or any portion thereof) at the time of Incurrence and will only be required to include the amount and type of such Indebtedness in one of the above clauses;
- (3) the Company will be entitled at the time of Incurrence to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described above, and with respect to any Indebtedness Incurred pursuant to any specific clause under paragraph (b) above, the Company may after such Indebtedness is Incurred reclassify all or a portion of such Indebtedness under a different clause of paragraph (b); and
- (4) Indebtedness Incurred under clauses (11), (12) or (14) of paragraph (b) of this covenant shall be reclassified automatically as having been incurred pursuant to paragraph (a) of this covenant if at any date after such Indebtedness is Incurred; such Indebtedness could have been Incurred under paragraph (a) of this covenant, but only to the extent such Indebtedness could have been so Incurred;

(e) For purposes of determining compliance with any U.S. dollar denominated restriction on the Incurrence of Indebtedness where the Indebtedness Incurred is denominated in a different currency, the amount of such Indebtedness will be the U.S. Dollar Equivalent determined on the date of the Incurrence of such Indebtedness; provided, however, that if any such Indebtedness denominated in a different currency is subject to a Currency Agreement with respect to U.S. dollars covering all principal, premium, if any, and interest payable on such Indebtedness, the amount of such Indebtedness expressed in U.S. dollars will be as provided in such Currency Agreement. If Refinancing Indebtedness is Incurred to refinance Indebtedness that is denominated in a non-U.S. currency, and such refinancing would cause the applicable U.S. dollar-dominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-dominated restriction shall be deemed not to have been exceeded so long as the

26

principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced; except to the extent that such U.S. Dollar Equivalent was determined based on a Currency Agreement, in which case the Refinancing Indebtedness will be determined in accordance with the preceding sentence. Notwithstanding any other provision of this covenant, the maximum amount of Indebtedness that the Company and the Subsidiary Guarantors may Incur pursuant to this covenant shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies.

Limitation on Layering (Subordinated Indenture Only)

The Subordinated Indenture provides that, notwithstanding anything to the contrary, the Company will not Incur any Indebtedness that is expressly subordinated in right of payment to any Senior Indebtedness of the Company, unless such Indebtedness so Incurred ranks pari passu in right of payment with, or is subordinated in right of payment to, the Senior Subordinated Notes. The Company will not permit any Subsidiary Guarantor to Incur any Indebtedness (other than intercompany indebtedness) that is expressly subordinated in right of payment to any Senior Indebtedness of such Subsidiary Guarantor, unless such Indebtedness so Incurred ranks pari passu in right of payment with such Subsidiary Guarantor's Subsidiary Guaranty of the Senior Subordinated Notes, or is subordinated in right of payment to such Subsidiary Guaranty. Indebtedness that is unsecured or secured by a junior Lien is not deemed to be subordinate or junior to secured Indebtedness merely because it is unsecured or secured by a junior Lien, and Indebtedness that is not guaranteed by a particular Person is not deemed to be subordinate or junior to Indebtedness that is so guaranteed merely because it is not so guaranteed.

Limitation on Liens (Senior Indenture Only)

The Senior Indenture provides that the Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, create or permit to exist any Lien (other than Permitted Liens) on any of its property or assets (including Capital Stock of any other Person), whether owned on the date of the Senior Indenture or thereafter acquired, securing any Indebtedness (the "Initial Lien"), unless contemporaneously therewith effective provision is made to secure the Senior Notes or, in respect of Liens on any Restricted Subsidiary's property or assets, any Subsidiary Guaranty of the Senior Notes of such Restricted Subsidiary, equally and ratably with (or on a senior basis to, in the case of Subordinated Obligations) such obligation for so long as such obligation is so secured by such Initial Lien. Any such Lien thereby created in favor of the Notes or any such Subsidiary Guaranty will be automatically and unconditionally released and discharged upon (i) the release and discharge of the Initial Lien to which it related or (ii) any sale, exchange or transfer (other than a transfer constituting a transfer of all or substantially all of the assets of the Company that is governed by the provisions of the covenant described under "—Merger and Consolidation" below) to any Person not an Affiliate of the Company of the property or assets secured by such Initial Lien, or of all of the Capital Stock held by the Company or any Restricted Subsidiary in, or all or substantially all the assets of, any Restricted Subsidiary creating such Initial Lien.

Limitation on Liens (Subordinated Indenture Only)

The Subordinated Indenture provides that the Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, create or permit to exist any Lien (other than Permitted Liens) on any of its property or assets (including Capital Stock of any other Person), whether owned on the date of the Subordinated Indenture or thereafter acquired, securing any Indebtedness of the Company or any Subsidiary Guarantor that by its terms is expressly subordinated in right of payment to or ranks pari passu in right of payment with the Senior Subordinated Notes or such Subsidiary Guarantor's Subsidiary Guaranty thereof (the "Initial Lien"), unless contemporaneously therewith effective provision is made to secure the Indebtedness due under the Senior Subordinated Notes or, in respect of Liens on any Restricted Subsidiary's property or assets, any Subsidiary Guaranty of such Restricted Subsidiary, equally and ratably with (or on a senior basis to, in the case of Subordinated Obligations) such obligation for so long as such obligation is so

secured by such Initial Lien. Any such Lien thereby created in favor of the Senior Subordinated Notes or any such Subsidiary Guaranty will be automatically and unconditionally released and discharged upon (i) the release and discharge of the Initial Lien to which it relates or (ii) any sale, exchange or transfer (other than a transfer constituting a transfer of all or substantially all of the assets of the Company that is governed by the provisions of the covenant described under “—Merger and Consolidation” below) to any Person not an Affiliate of the Company of the property or assets secured by such Initial Lien, or of all of the Capital Stock held by the Company or any Restricted Subsidiary in, or all or substantially all the assets of, any Restricted Subsidiary creating such Initial Lien.

Limitation on Restricted Payments

(a) The Company will not, and will not permit any Restricted Subsidiary, directly or indirectly, to make a Restricted Payment if at the time the Company or such Restricted Subsidiary makes such Restricted Payment:

- (1) a Default shall have occurred and be continuing (or would result therefrom);
- (2) the Company is not entitled to Incur an additional \$1.00 of Indebtedness pursuant to paragraph (a) of the covenant described under “—Limitation on Indebtedness;” or
- (3) the aggregate amount of such Restricted Payment and all other Restricted Payments since the Issue Date (except as specifically excluded in paragraph (b) of this covenant) would exceed the sum of (without duplication):
 - (A) 50% of the Consolidated Net Income accrued during the period (treated as one accounting period) from January 1, 2005 to the end of the most recent fiscal quarter ended for which internal financial statements are available prior to the date of such Restricted Payment (or, in case such Consolidated Net Income shall be a deficit, minus 100% of such deficit); plus
 - (B) the sum of (x) 100% of the aggregate Net Cash Proceeds received by the Company from the issuance or sale of its Capital Stock (other than Disqualified Stock or Excluded Contributions) subsequent to the Issue Date (other than an issuance or sale to a Subsidiary of the Company and other than an issuance or sale to an employee stock ownership plan or to a trust established by the Company or any of its Subsidiaries for the benefit of their employees), (y) 100% of the Fair Market Value of property constituting Additional Assets or Temporary Cash Investments received (including by way of merger) by the Company or a Restricted Subsidiary subsequent to the Issue Date in exchange for, or as a capital contribution in respect of, Capital Stock (other than Disqualified Stock) of the Company (other than any such property received from a Subsidiary of the Company); provided that if the Fair Market Value of any Additional Assets exceeds \$25.0 million such Fair Market Value shall be confirmed by an Independent Qualified Party and (z) 100% of any cash capital contribution received by the Company from its shareholders subsequent to the Issue Date; plus
 - (C) the amount by which Indebtedness of the Company is reduced on the Company’s consolidated balance sheet upon the conversion or exchange subsequent to the Issue Date of any Indebtedness of the Company or any Restricted Subsidiary convertible or exchangeable for Capital Stock (other than Disqualified Stock) of the Company (less the amount of any cash, or the fair value of any other property, distributed by the Company upon such conversion or exchange); provided, however, that the foregoing amount shall not exceed the Net Cash Proceeds received by the Company or any Restricted Subsidiary from the sale of such Indebtedness (excluding Net Cash Proceeds from sales to a Subsidiary of the Company or to an employee stock ownership plan or to a trust established by the Company or any of its Subsidiaries for the benefit of their employees); plus

Table of Contents

(D) an amount equal to the sum of (i) 100% of the cash and Fair Market Value of property other than cash received by the Company or any Restricted Subsidiary from repurchases, repayments or redemptions of Investments (other than Permitted Investments) made by the Company or any Restricted Subsidiary in any Person, and (ii) to the extent such Person is an Unrestricted Subsidiary, the Fair Market Value of the Company's and its Restricted Subsidiaries' Investment in such Unrestricted Subsidiary at the time such Unrestricted Subsidiary is designated a Restricted Subsidiary; or is merged into or consolidated or amalgamated with or into, or transfers or conveys its assets to, the Company or a Restricted Subsidiary of the Company;

(b) The preceding provisions will not prohibit:

- (1) any Restricted Payment made out of the Net Cash Proceeds of the substantially concurrent sale of, or made by exchange for, Capital Stock of the Company (other than Disqualified Stock and other than Capital Stock issued or sold to a Subsidiary of the Company or an employee stock ownership plan or to a trust established by the Company or any of its Subsidiaries for the benefit of their employees) or a substantially concurrent cash capital contribution received by the Company from its shareholders; provided, however, that (A) such Restricted Payment shall be excluded in the calculation of the amount of Restricted Payments and (B) the Net Cash Proceeds from such sale or such cash capital contribution (to the extent so used for such Restricted Payment) shall be excluded from the calculation of amounts under clause (3)(B) of paragraph (a) above;
- (2) any purchase, repurchase, redemption, defeasance or other acquisition or retirement for value of Subordinated Obligations of the Company or a Restricted Subsidiary made by exchange for, or out of the proceeds of the substantially concurrent Incurrence of, Indebtedness of such Person which is permitted to be Incurred pursuant to the covenant described under “—Limitation on Indebtedness” and, solely in the Subordinated Indenture, the covenant described under “—Limitation on Layering (Subordinated Indenture Only);” provided, however, that such purchase, repurchase, redemption, defeasance or other acquisition or retirement for value shall be excluded in the calculation of the amount of Restricted Payments;
- (3) dividends paid within 60 days after the date of declaration thereof if at such date of declaration such dividend would have complied with this covenant; provided, however, that such dividend shall be included in the calculation of the amount of Restricted Payments;
- (4) (x) the purchase, redemption or other acquisition of shares of Capital Stock of the Company or any of its Subsidiaries from employees, former employees, directors, former directors, consultants or former consultants of the Company or any of its Subsidiaries (or permitted transferees of such employees, former employees, directors, former directors, consultants or former consultants), pursuant to the terms of (i) agreements (including employment agreements) or (ii) plans (or amendments thereto) approved by the Board of Directors of the Company, in each case, under which such individuals purchase or sell or are granted the option to purchase or sell, shares of such Capital Stock and (y) dividends to Parent to be used by Parent to execute the transactions described in clause (x); provided, however, that the aggregate amount of such Restricted Payments (excluding amounts representing cancellation of Indebtedness) shall not exceed the sum of (A) \$3.0 million in any fiscal year, provided that any amount not so used in any fiscal year may be used in the next fiscal year and that the aggregate amount used pursuant to this clause (A) shall not exceed \$15.0 million, (B) the Net Cash Proceeds from the sale of Capital Stock to members of management, consultants, former

consultants or directors of the Company and its Subsidiaries that occurs after the Issue Date (to the extent the Net Cash Proceeds from the sale of such Capital Stock have not otherwise been applied to the payment of Restricted Payments by virtue of clause (3)(B) of paragraph (a) above) and (C) the cash proceeds of any “key man” life insurance policies that are used to make such repurchases; provided further, however, that (x) such repurchases and other acquisitions shall be excluded in the

- calculation of the amount of Restricted Payments and (y) the Net Cash Proceeds from such sale and pursuant to this clause (4) shall be excluded from the calculation of amounts under clause (3)(B) of paragraph (a) above; provided further, however, that notwithstanding anything to the contrary, the amount of such Restricted Payments made to James McElya may be up to \$5.0 million both in any single fiscal year and in the aggregate;
- (5) the declaration and payments of dividends on Disqualified Stock and Preferred Stock of Restricted Subsidiaries that are not Subsidiary Guarantors issued pursuant to the covenant described under “—Limitation on Indebtedness;” provided, however, that at the time of payment of such dividend, no Default shall have occurred and be continuing (or result therefrom); provided further, however, that such dividends shall be excluded in the calculation of the amount of Restricted Payments to the extent they are deducted in calculating Consolidated Net Income;
 - (6) repurchases of Capital Stock deemed to occur upon exercise of stock options if such Capital Stock represents a portion of the exercise price of such options; provided, however, that such Restricted Payments shall be excluded in the calculation of the amount of Restricted Payments;
 - (7) cash payments in lieu of the issuance of fractional shares in connection with the exercise of warrants, options or other securities convertible into or exchangeable for Capital Stock of the Company; provided, however, that any such cash payment shall not be for the purpose of evading the limitation of the covenant described under this subheading; provided further, however, that such payments shall be excluded in the calculation of the amount of Restricted Payments;
 - (8) in the event of a Change of Control, and if no Default shall have occurred and be continuing, the payment, purchase, redemption, defeasance or other acquisition or retirement of Subordinated Obligations (with respect to each series of Notes) of the Company or any Subsidiary Guarantor, in each case, at a purchase price not greater than 101% of the principal amount of such Subordinated Obligations, plus any accrued and unpaid interest thereon; provided, however, that prior to such payment, purchase, redemption, defeasance or other acquisition or retirement, the Company (or a third party to the extent permitted by the applicable Indenture) has made a Change of Control Offer with respect to the applicable Notes as a result of such Change of Control and has repurchased all such Notes validly tendered and not withdrawn in connection with such Change of Control Offer; provided further, however, each Indenture shall provide that such payments, purchases, redemptions, defeasances or other acquisitions or retirements shall be included in the calculation of the amount of Restricted Payments;
 - (9) payments of intercompany Indebtedness, the Incurrence of which was permitted under clause (2) of paragraph (b) of the covenant described under “—Limitation on Indebtedness;” provided, however, that such payments shall be excluded in the calculation of the amount of Restricted

Payments;

Limitation on Sales of Assets and Subsidiary Stock

(a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, consummate any Asset Disposition (in one or more related transactions), unless:

- (1) the Company or such Restricted Subsidiary receives consideration at the time of such Asset Disposition at least equal to the Fair Market Value (including as to the value of all non-cash consideration) of the shares and assets subject to such Asset Disposition;
- (2) at least 75% of the consideration thereof received by the Company or such Restricted Subsidiary is in the form of cash or cash equivalents; and
- (3) an amount equal to 100% of the Net Available Cash from such Asset Disposition is applied by the Company (or such Restricted Subsidiary, as the case may be):

Indebtedness of the Company designated by the Company, or (y) under the Subordinated Indenture, to holders of other Senior Subordinated Indebtedness of the Company designated by the Company) within one year from the later of the date of such Asset Disposition or receipt of such Net Available Cash pursuant to and subject to the conditions contained in the applicable Indenture;

provided, however, that in connection with any prepayment, repayment or purchase of Indebtedness pursuant to clause (A) or (C) above, the Company or such Restricted Subsidiary shall permanently retire such Indebtedness and shall cause the related loan commitment (if any) to be permanently reduced in an amount equal to the principal amount so prepaid, repaid or purchased.

Any Net Proceeds from Asset Sales that are not applied or invested as provided in the first paragraph of this covenant within one year from the later of the date of such Asset Disposition or the receipt of such Net Available Cash, shall be used for the purpose contemplated in clause (a)(3)(C) of such paragraph. Notwithstanding the foregoing provisions of this covenant, the Company and the Restricted Subsidiaries will not be required to apply any Net Available Cash in accordance with this covenant except to the extent that the aggregate Net Available Cash from all Asset Dispositions which is not otherwise applied in accordance with this covenant exceeds \$20.0 million. Pending application of Net Available Cash pursuant to this covenant, such Net Available Cash may be invested in Temporary Cash Investments

or applied to temporarily reduce revolving credit indebtedness.

For the purposes of this covenant, the following are deemed to be cash or cash equivalents:

- (1) Temporary Cash Investments;
 - (2) the assumption or discharge of Indebtedness of the Company (other than obligations in respect of Disqualified Stock of the Company) or any Restricted Subsidiary (other than obligations in respect of Disqualified Stock or Preferred Stock of a Subsidiary Guarantor) and the release of the Company or such Restricted Subsidiary from all liability on such Indebtedness other than, in each case, Indebtedness constituting Subordinated Obligations, in connection with such Asset Disposition;
 - (3) securities received by the Company or any Restricted Subsidiary from the transferee that are promptly converted by the Company or such Restricted Subsidiary into cash, to the extent of cash received in that conversion within 90 days of the receipt of such securities; and
 - (4) any Additional Assets (so long as such Additional Assets are acquired for Fair Market Value in connection with the transaction giving rise to such Asset Disposition; provided, however, that the determination of Fair Market Value must be based on an opinion or appraisal issued by an Independent Qualified Party if such Fair Market Value exceeds \$25.0 million), which Additional Assets shall be deemed to have been acquired pursuant to clause (3) (B) of the first paragraph of this covenant in connection with such Asset Disposition.
- (b) Under the Senior Indenture, in the event of an Asset Disposition that requires the purchase of Senior Notes (and other Senior Indebtedness of the Company) pursuant to clause (a)(3)(C) above, the Company will purchase Senior Notes tendered pursuant to an offer by the Company for the Senior Notes (and such other Senior Indebtedness) at a purchase price of 100% of their principal amount (or, in the event such other Senior Indebtedness of the Company was issued with significant original issue discount, 100% of the accreted value thereof) without premium, plus accrued but unpaid interest (or, in respect of such other Senior Indebtedness of the Company, such lesser price, if any, as may be provided for by the terms of such Senior Indebtedness) in accordance with the procedures (including prorating in the event of oversubscription) set forth in the Senior Indenture. If the aggregate purchase price of the securities tendered exceeds the Net Available Cash allotted to their purchase, the Company will select the securities to be purchased on a pro rata basis but in round denominations, which in the case of the Notes will be denominations of \$1,000 principal amount or multiples thereof. The Company shall not be required to make such an offer to purchase Senior Notes (and other Senior Indebtedness of the Company) pursuant to this covenant if the Net Available Cash

available therefor is less than \$20.0 million (which lesser amount shall be carried forward for purposes of determining whether such an offer is required with respect to the Net Available Cash from any subsequent Asset Disposition). Upon completion of such an offer to purchase, Net Available Cash will be deemed to be reduced by the aggregate amount of such offer.

Under the Subordinated Indenture, in the event of an Asset Disposition that requires the purchase of Senior Subordinated Notes (and other Senior Subordinated Indebtedness of the Company) pursuant to clause (a)(3)(C) above, the Company will purchase Senior Subordinated Notes tendered pursuant to an offer by the Company for the Notes (and such other Senior Subordinated Indebtedness) at a purchase price of 100% of their principal amount (or, in the event such other Senior Subordinated Indebtedness of the Company was issued with significant original issue

discount, 100% of the accreted value thereof) without premium, plus accrued but unpaid interest (or, in respect of such other Senior Subordinated Indebtedness of the Company, such lesser price, if any, as may be provided for by the terms of such Senior Subordinated Indebtedness) in accordance with the procedures (including prorating in the event of oversubscription) set forth in the Subordinated Indenture. If the aggregate purchase price of the securities tendered exceeds the Net Available Cash allotted to their purchase, the Company will select the securities to be purchased on a pro rata basis but in round denominations, which in the case of the Senior Subordinated Notes will be denominations of \$1,000 principal amount or multiples thereof. The Company shall not be required to make such an offer to purchase Senior Subordinated Notes (and other Senior Subordinated Indebtedness of the Company) pursuant to this covenant if the Net Available Cash available therefor is less than \$20.0 million (which lesser amount shall be carried forward for purposes of determining whether such an offer is required with respect to the Net Available Cash from any subsequent Asset Disposition). Upon completion of such an offer to purchase, Net Available Cash will be deemed to be reduced by the aggregate amount of such offer.

(c) The Company will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this covenant. To the extent that the provisions of any securities laws or regulations conflict with provisions of this covenant, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this covenant by virtue of its compliance with such securities laws or regulations.

Limitation on Affiliate Transactions

(a) The Company will not, and will not permit any Restricted Subsidiary to, enter into or permit to exist any transaction or series of related transactions (including the purchase, sale, lease or exchange of any property, employee compensation arrangements or the rendering of any service) with, or for the benefit of, any Affiliate of the Company (an "Affiliate Transaction") involving aggregate consideration in excess of \$1.0 million, either directly or indirectly, unless:

- (1) the terms of the Affiliate Transaction are no less favorable to the Company or such Restricted Subsidiary, taken as a whole, than those that could be obtained at the time of the Affiliate Transaction in arm's-length dealings with a Person who is not an Affiliate;
- (2) if such Affiliate Transaction involves an amount in excess of \$10.0 million, the terms of the Affiliate Transaction are set forth in writing and a majority of the non-employee directors of the Company disinterested with respect to such Affiliate Transaction have determined in good faith that the criteria set forth in clause (1) are satisfied and have approved the relevant Affiliate Transaction as evidenced by a resolution of the Board of Directors of the Company; and
- (3) if such Affiliate Transaction involves an amount in excess of \$25.0 million, the Board of Directors of the Company shall also have received a written opinion from an Independent Qualified Party to the effect that such Affiliate Transaction is fair, from a financial standpoint, to the Company and its Restricted Subsidiaries or is not less favorable to the Company and its Restricted Subsidiaries than could reasonably be expected to be obtained at the time in an arm's-length transaction with a Person who was not an Affiliate.

- (2) any payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, employee benefit plans, stock options and stock ownership plans in the ordinary course of business or consistent with past practice;
- (3) loans or advances to employees in the ordinary course of business in accordance with the past practices of the Company or its Restricted Subsidiaries, but in any event not to exceed \$5.0 million in the aggregate outstanding at any one time;
- (4) the payment of reasonable fees to, and indemnity provided on behalf of, directors, officers, employees and consultants of the Company and its Restricted Subsidiaries who are not employees of the Company or its Restricted Subsidiaries in the ordinary course of business;
- (5) any transaction with the Company, a Restricted Subsidiary or joint venture or similar entity which would constitute an Affiliate Transaction solely because the Company or a Restricted Subsidiary owns an equity interest in or otherwise controls such Restricted Subsidiary, joint venture or similar entity;
- (6) payment to Cypress Group L.L.C. and GS Capital Partners 2000, L.P. and any of their respective Affiliates of (x) monitoring or management, consulting, advisory or similar fees in an aggregate amount not to exceed \$4.0 million in any fiscal year (plus reasonable out-of-pocket expenses incurred in connection therewith) and (y) fees in respect of financial advisory, financing, underwriting or placement services or in respect of other investment banking activities with respect to any completed transaction, including any acquisitions or divestitures, which payments do not exceed 1.5% of the value of such completed transaction (including, without limitation, fees paid in connection with the 2004 Transactions) and have been approved as evidenced by a resolution of the Board of Directors of the Company;
- (7) the issuance or sale of any Capital Stock (other than Disqualified Stock) of the Company and the granting and performance of registration rights;
- (8) pledges of Capital Stock of Unrestricted Subsidiaries for the benefit of lenders of Unrestricted Subsidiaries; and
- (9) any agreement as in effect on the Issue Date and described in the offering memorandum, dated December 16, 2004 relating to the notes, or any renewals or extensions of any such agreement (so long as such renewals or extensions, taken as a whole, are not less favorable to the Company or the Restricted Subsidiaries) and the transactions evidenced thereby.

Limitation on Line of Business

The Company will not, and will not permit any Restricted Subsidiary to, engage in any business other than a Related Business.

Merger and Consolidation

(a) The Company will not consolidate with or merge with or into, or convey, transfer or lease, in one transaction or a series of related transactions, directly or indirectly, all or substantially all its assets to, any Person, unless:

- (1) the resulting, surviving or transferee Person (the “Successor Company”) shall be a Person organized and existing under the laws of the United States of America, any State thereof or the District of Columbia and the Successor Company (if not the Company) shall expressly assume, by an indenture supplemental thereto, executed and delivered to the applicable Trustee, in form satisfactory to the applicable Trustee, all the obligations of the Company under the applicable Notes and the applicable Indenture;

Table of Contents

- (2) immediately after giving pro forma effect to such transaction (and treating any Indebtedness which becomes an obligation of the Successor Company or any Subsidiary as a result of such transaction as having been Incurred by such Successor Company or such Subsidiary at the time of such transaction), no Default shall have occurred and be continuing;
- (3) immediately after giving pro forma effect to such transaction, either (a) the Successor Company would be able to Incur an additional \$1.00 of Indebtedness pursuant to paragraph (a) of the covenant described under “—Limitation on Indebtedness” or (b) the Consolidated Coverage Ratio for the Successor Company would not be less than immediately prior to such transaction; and
- (4) the Company shall have delivered to the applicable Trustee an Officers’ Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with the applicable Indenture.

provided, however, that clauses (2) and (3) will not be applicable to (A) a Restricted Subsidiary consolidating with, merging into or transferring all or part of its properties and assets to the Company (so long as no Capital Stock of the Company or the Successor Company (if not the Company) is distributed to any Person) or (B) the Company merging with an Affiliate of the Company solely for the purpose and with the sole effect of reincorporating the Company in another jurisdiction.

For purposes of this covenant, the sale, lease, conveyance, assignment, transfer or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of the Company, which properties and assets, if held by the Company instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Company on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Company.

The Successor Company will be the successor to the Company and shall succeed to, and be substituted for, and may exercise every right and power of, the Company under the applicable Indenture, and the predecessor Company, except in the case of a lease, shall be released from the obligation to pay the principal of and interest on the applicable Notes.

(b) The Company will not permit any Subsidiary Guarantor to consolidate with or merge with or into, or convey, transfer or lease, in one transaction or a series of transactions, all or substantially all of its assets to any Person unless:

- (1) except in the case of a Subsidiary Guarantor (x) that has been disposed of in its entirety to another Person (other than to the Company or an Affiliate of the Company), whether through a merger, consolidation or sale of Capital Stock or assets or (y) that, as a result of the disposition of all or a portion of its Capital Stock, ceases to be a Subsidiary, the resulting, surviving or transferee Person (if not such Subsidiary) shall be a Person organized and existing under the laws of the jurisdiction under which such Subsidiary was organized or under the laws of the United States of America, or any State thereof or the District of Columbia, and such Person shall expressly assume, by a Guaranty Agreement, in a form satisfactory to the applicable Trustee, all the obligations of such Subsidiary, if any, under its applicable Subsidiary Guaranty and the applicable Indenture;
- (2) immediately after giving effect to such transaction or transactions on a pro forma basis (and treating any Indebtedness which becomes an obligation of the resulting, surviving or transferee Person as a result of such transaction as having been issued by such Person at the time of such transaction), no Default shall have occurred and be continuing; and
- (3)

the Company delivers to the applicable Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such Guaranty Agreement, if any, complies with the applicable Indenture.

(c) Pursuant to each Indenture, so long as the applicable Parent Guaranty is in effect, Parent will covenant not to merge with or into, or convey, transfer or lease, in one transaction or a series of transactions, all or substantially all of its assets to any Person unless:

37

Table of Contents

- (1) the resulting, surviving or transferee Person (if not Parent) shall be a Person organized and existing under the laws of the jurisdiction under which Parent was organized or under the laws of the United States of America, or any State thereof or the District of Columbia, and such Person shall expressly assume all the obligations of Parent, if any, under the applicable Parent Guaranty; and
- (2) the Company delivers to the applicable Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such Guaranty Agreement, if any, complies with the applicable Indenture.

Future Guarantors

The Company will cause each domestic Restricted Subsidiary that Guarantees the Credit Facilities, to at the same time, execute and deliver to the applicable Trustee a Guaranty Agreement pursuant to which such Restricted Subsidiary will Guarantee payment of the applicable series of Notes on the same terms and conditions as those set forth in the applicable Indenture.

SEC Reports

Whether or not the Company is subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, the Company will file with the SEC (subject to the next sentence) and provide the Trustees and Noteholders with such annual and other reports as are specified in Sections 13 and 15(d) of the Exchange Act and applicable to a U.S. corporation subject to such Sections, such reports to be so filed and provided at the times specified for the filings of such reports under such Sections and containing, in all material respects, all the information, audit reports and exhibits required for such reports. If at any time, the Company is not subject to the periodic reporting requirements of the Exchange Act for any reason, the Company will nevertheless continue filing the reports specified in the preceding sentence with the SEC within the time periods required unless the SEC will not accept such a filing. The Company agrees that it will not take any action for the purpose of causing the SEC not to accept any such filings. If, notwithstanding the foregoing, the SEC will not accept such filings for any reason, the Company will post the reports specified in the preceding sentence on its website within the time periods that would apply if the Company were required to file those reports with the SEC. Notwithstanding the foregoing, the Company may satisfy such requirements by filing with the SEC the registration statement of which this prospectus is a part or a shelf registration statement covering resales of the outstanding notes, to the extent that any such registration statement contains substantially the same information as would be required to be filed by the Company if it were subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, and by providing the Trustees and Noteholders with such registration statement (and any amendments thereto) promptly following the filing thereof.

In addition, in the event that:

(a) the rules and regulations of the SEC permit a parent entity to report at such parent entity's level on a consolidated basis and

(b) such parent entity is not engaged in any business in any material respect other than incidental to its ownership of the capital stock of the Company,

such consolidated reporting by such parent entity in a manner consistent with that described in this covenant for the Company will satisfy this covenant.

At any time that any of the Company's Subsidiaries are Unrestricted Subsidiaries, then the quarterly and annual financial information required by the preceding paragraph will include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, and in "Management's Discussion and Analysis of Financial Condition and Results of Operations," of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Company.

In addition, the Company will furnish to the Noteholders and to prospective investors, upon the requests of such Noteholders, any information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act so long as the Notes are not freely transferable under the Securities Act.

Defaults

The following events are defined in each Indenture as an Event of Default with respect to the applicable series of Notes:

- (1) a default in the payment of interest on the Notes of such series when due, continued for 30 days;
- (2) a default in the payment of principal of any Note of such series when due at its Stated Maturity, upon optional redemption, upon required purchase, upon declaration of acceleration or otherwise;
- (3) the failure by the Company or Parent to comply with its obligations under "—Certain Covenants — Merger and Consolidation" above;
- (4) the failure by the Company to comply for 30 days after notice with any of its obligations in the covenants described above under "Change of Control" (other than a failure to purchase Notes validly tendered) or under "—Certain Covenants" under "—Limitation on Indebtedness," "—Limitation on Restricted Payments," "—Limitation on Restrictions on Distributions from Restricted Subsidiaries," "—Limitation on Sales of Assets and Subsidiary Stock" (other than a failure to purchase Notes validly tendered), "—Limitation on Affiliate Transactions," "—Limitation on Line of Business," "—Future Guarantors," or "—SEC Reports;"
- (5) the failure by the Company or any Significant Subsidiary to comply for 60 days after notice with its other agreements contained in the applicable Indenture;
- (6) Indebtedness of the Company, any Significant Subsidiary (other than Indebtedness owing to the Company or any Restricted Subsidiary) is not paid within any applicable grace period after

its final stated maturity or is accelerated, or in the case of a Permitted Securitization, terminated (except voluntary termination), by the holders thereof because of a default and the total amount of such Indebtedness unpaid or accelerated, or terminated in the case of a Permitted Securitization, exceeds \$17.5 million (the “cross acceleration provision”);

- (7) certain events of bankruptcy, insolvency or reorganization of Parent (so long as the Parent Guaranty is in effect), the Company or any Significant Subsidiary (the “bankruptcy provisions”);
- (8) any judgment or decree for the payment of money in excess of \$17.5 million (net of any amounts that are covered by insurance or bonded, treating any deductibles, self-insurance or retention as not so covered) is entered against the Company or any Significant Subsidiary, remains outstanding for a period of 60 consecutive days following such judgment and is not discharged, waived or stayed (the “judgment default provision”); or
- (9) the Parent Guaranty or any Subsidiary Guaranty of any Significant Subsidiary with respect to the applicable Notes ceases to be in full force and effect (other than in accordance with the terms of such Parent Guaranty or Subsidiary Guaranty) or Parent or a Subsidiary Guarantor denies or disaffirms its obligations under the Parent Guaranty or its Subsidiary Guaranty.

However, with respect to either Indenture, as the case may be, a Default under clauses (4) and (5) will not constitute an Event of Default thereunder until the applicable Trustee or the holders of 25% in principal amount of the outstanding Notes of the applicable series notify the Company of the Default and the Company does not cure such Default within the time specified after receipt of such notice.

If an Event of Default occurs and is continuing, the applicable Trustee or the holders of at least 25% in principal amount of the outstanding Notes of the applicable series may declare the principal of

and accrued but unpaid interest on all the applicable Notes to be due and payable by notice in writing to the Company and (if applicable) the Trustee specifying the respective Event of Default and that it is a “notice of acceleration” (the “Acceleration Notice”). Upon proper delivery of such Acceleration Notice, such principal and interest shall be due and payable immediately; provided, however, that so long as any Designated Senior Indebtedness remains outstanding, no such acceleration shall be effective until the earlier of (1) five Business Days after the receipt by the Company and the Representative of the Designated Senior Indebtedness of such Acceleration Notice and (2) the day on which any Designated Senior Indebtedness is accelerated. If an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Company occurs and is continuing, the principal of and interest on all the Notes will ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustees or any Noteholders. Under certain circumstances, the holders of a majority in principal amount of the outstanding Notes of a series may rescind any such acceleration with respect to the Notes of such series and its consequences.

Subject to the provisions of the applicable Indenture relating to the duties of the applicable Trustee, in case an Event of Default occurs and is continuing, the applicable Trustee will be under no obligation to exercise any of the rights or powers under the applicable Indenture at the request or direction of any of the holders of the applicable Notes unless such holders have offered to the applicable Trustee reasonable indemnity or security against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium (if any) or interest when due, no holder of Notes of a series may pursue any remedy with respect to the applicable Indenture or such Notes unless:

- (1) such Noteholder has previously given the applicable Trustee notice that an Event of Default is continuing;
- (2) holders of at least 25% in principal amount of the outstanding applicable Notes have requested the applicable Trustee to pursue the remedy;
- (3) such Noteholders have offered the applicable Trustee reasonable security or indemnity against any loss, liability or expense;
- (4) the applicable Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and
- (5) holders of a majority in principal amount of the outstanding applicable Notes have not given the applicable Trustee a direction inconsistent with such request within such 60-day period.

Subject to certain restrictions, the holders of a majority in principal amount of the outstanding Notes of the applicable series are given the right to direct the time, method and place of conducting any proceeding for any remedy available to the applicable Trustee or of exercising any trust or power conferred on the applicable Trustee. The applicable Trustee, however, may refuse to follow any direction that conflicts with law or the applicable Indenture or that the applicable Trustee determines is unduly prejudicial to the rights of any other Noteholder or that would involve the applicable Trustee in personal liability.

If a Default occurs, is continuing and is known to the applicable Trustee, the applicable Trustee must mail to each applicable Noteholder notice of the Default within 90 days after it occurs. Except in the case of a Default in the payment of principal or interest on any related Note, the applicable Trustee may withhold notice if and so long as a committee of its Trust Officers in good faith determines that withholding notice is not opposed to the interest of the applicable Noteholders. In addition, the Company is required to deliver to the applicable Trustee, within 120 days after the end of each fiscal year, a certificate indicating whether the signers thereof know of any Default that occurred during the previous year. The Company is required to deliver to the applicable Trustee, within 30 days after the occurrence thereof, written notice of any event which would constitute certain Defaults, their status and what action the Company is taking or propose to take in respect thereof.

Amendments and Waivers

Subject to certain exceptions, each Indenture may be amended with the consent of the holders of a majority in principal amount of the Notes issued thereunder and then outstanding (including consents obtained in connection with a tender offer or exchange for such Notes) and any past default or compliance with any provisions may also be waived with the consent of the holders of a majority in principal amount of the Notes issued thereunder and then outstanding (including consents obtained in connection with a tender offer or exchange for such Notes). However, without the consent of each holder of an outstanding applicable Note affected thereby, an amendment or waiver may not (with respect to any applicable Notes held by a non-consenting applicable Noteholder), among other things:

- (1) reduce the amount of such Notes whose holders must consent to an amendment;
- (2) reduce the rate of or extend the time for payment of interest on any such Note;
- (3) reduce the principal of or change the Stated Maturity of any such Note;
- (4) reduce the amount payable upon the redemption of any such Note or change the time at which any such Note may be redeemed as described under “—Optional Redemption” above;
- (5) make any such Note payable in money other than that stated in such Note;

- (6) impair the right of any applicable Noteholder to receive payment of principal of and interest on such Noteholder's Notes of such series on or after the due dates therefor or to institute suit for the enforcement of any payment on or with respect to such Noteholder's Notes of such series;
- (7) make any change in the amendment provisions which require each applicable Noteholder's consent or in the waiver provisions;
- (8) make any change in the ranking or priority of any such Note that would adversely affect the applicable Noteholders; or
- (9) make any change in, or release other than in accordance with the applicable Indenture, any related Subsidiary Guaranty of a Significant Subsidiary that would adversely affect the applicable Noteholders.

Notwithstanding the preceding, the Company, the Guarantors and the applicable Trustee may amend each Indenture without the consent of any Noteholder:

- (1) to cure any ambiguity, omission, defect, mistake or inconsistency;
- (2) to provide for the assumption by a successor corporation of the obligations of Parent, the Company, or any Subsidiary Guarantor under such Indenture;
- (3) to provide for uncertificated Notes of the applicable series in addition to or in place of certificated Notes of the applicable series (provided that the uncertificated Notes of the applicable series are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Notes of the applicable series are described in Section 163(f)(2)(B) of the Code);
- (4) to add Guarantees with respect to the applicable Notes, including any Subsidiary Guaranties, or to secure the applicable Notes;
- (5) to add to the covenants of the Company or a Subsidiary Guarantor for the benefit of the applicable Noteholders or to surrender any right or power conferred upon the Company or a Subsidiary Guarantor;
- (6) to make any change that does not adversely affect the rights of any applicable Noteholder;
- (7) to comply with any requirement of the SEC in connection with the qualification of such Indenture under the Trust Indenture Act; or

41

Table of Contents

- (8) to make any amendment to the provisions of the Indenture relating to the transfer and legending of the applicable Notes; provided, however, that (a) compliance with such Indenture as so amended would not result in such Notes being transferred in violation of the Securities Act or any other applicable securities law and (b) such amendment does not materially and adversely affect the rights of the applicable Noteholders to transfer the applicable Notes.

However, no amendment to or waiver of the subordination provisions of the Subordinated Indenture (or the component definitions used therein) may be made without the consent of the holders of Senior Indebtedness of the Company and the Guarantors (or their Representative).

The consent of the applicable Noteholders is not necessary under an Indenture to approve the particular form of any proposed amendment. It is sufficient if such consent approves the substance of the proposed amendment.

After an amendment under an Indenture becomes effective, the Company is required to mail to the applicable Noteholders a notice briefly describing such amendment. However, the failure to give such notice to all applicable

Noteholders, or any defect therein, will not impair or affect the validity of the amendment.

Neither the Company nor any Affiliate of the Company may, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Noteholder for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of an Indenture or the Notes unless such consideration is offered to all applicable Noteholders and is paid to all applicable Noteholders that so consent, waive or agree to amend in the time frame set forth in solicitation documents relating to such consent, waiver or agreement.

Satisfaction and Discharge

When the Company (1) delivers to the applicable Trustee all outstanding applicable Notes for cancellation or (2) all outstanding applicable Notes have become due and payable, whether at maturity or on a redemption date as a result of the mailing of notice of redemption, and, in the case of clause (2), the Company irrevocably deposits with the applicable Trustee funds sufficient to pay at maturity or upon redemption all outstanding applicable Notes, including interest thereon to maturity or such redemption date, and if in either case the Company pays all other sums payable under the applicable Indenture by it, then the applicable Indenture shall, subject to certain exceptions, cease to be of further effect.

Defeasance

Each Indenture provides that at any time, the Company may terminate all of its obligations under the applicable Notes and the applicable Indenture (“legal defeasance”), except for certain obligations, including those respecting the defeasance trust and obligations to register the transfer or exchange of the applicable Notes, to replace mutilated, destroyed, lost or stolen Notes of the applicable series and to maintain a registrar and paying agent in respect of such Notes.

In addition, under each Indenture, at any time the Company may terminate its obligations under “—Change of Control” and under the covenants described under “—Certain Covenants” (other than the covenant described under “—Merger and Consolidation”), the operation of the cross acceleration provision, the bankruptcy provisions with respect to Parent and Significant Subsidiaries and the judgment default provision described under “—Defaults” above and the limitations contained in clause (3) of the first paragraph under “—Certain Covenants—Merger and Consolidation” above (“covenant defeasance”).

The Company may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option. If the Company exercises its legal defeasance option under an Indenture, payment of the applicable Notes may not be accelerated because of an Event of Default with respect thereto. If the Company exercises its covenant defeasance option under an Indenture, payment of the

42

Table of Contents

applicable Notes may not be accelerated because of an Event of Default specified in clause (4), (6), (7) (with respect only to Parent and Significant Subsidiaries) (8) or (9) under “—Defaults” above or because of the failure of the Company to comply with clause (3) of the first paragraph under “—Certain Covenants—Merger and Consolidation” above. If the Company exercises its legal defeasance option or its covenant defeasance option under an Indenture, each Guarantor will be released from all of its obligations with respect to the related Guaranty.

In order to exercise either of the Company's defeasance options, it must irrevocably deposit in trust (the "defeasance trust") with the applicable Trustee money or U.S. Government Obligations for the payment of principal and interest on the applicable Notes to redemption or maturity, as the case may be, and must comply with certain other conditions, including delivery to the applicable Trustee of an Opinion of Counsel to the effect that applicable Noteholders will not recognize income, gain or loss for Federal income tax purposes as a result of such deposit and defeasance and will be subject to Federal income tax on the same amounts and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred (and, in the case of legal defeasance only, such Opinion of Counsel must be based on a ruling of the Internal Revenue Service or other change in applicable Federal income tax law).

Concerning the Trustee

Wilmington Trust Company is the Trustee under each of the Indentures and has been appointed as registrar and paying agent with regard to the Notes.

Each Indenture contains certain limitations on the rights of the applicable Trustee, should it become a creditor of the Company, to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The Trustee will be permitted to engage in other transactions; provided, however, if it acquires any conflicting interest it must either eliminate such conflict within 90 days, apply to the SEC for permission to continue or resign.

The holders of a majority in principal amount of the outstanding Notes under an Indenture will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the applicable Trustee, subject to certain exceptions. If an Event of Default occurs (and is not cured), the applicable Trustee will be required, in the exercise of its power, to use the degree of care of a prudent man in the conduct of his own affairs. Subject to such provisions, the applicable Trustee will be under no obligation to exercise any of its rights or powers under the applicable Indenture at the request of any applicable Noteholder, unless such Noteholder shall have offered to the applicable Trustee security and indemnity satisfactory to it against any loss, liability or expense and then only to the extent required by the terms of the applicable Indenture.

No Personal Liability of Directors, Officers, Employees and Stockholders

No director, officer, employee, incorporator or stockholder of the Company or any Guarantor will have any liability for any obligations of the Company or any Guarantor under the Notes, any Guaranty or Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Noteholder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. Such waiver and release may not be effective to waive liabilities under the U.S. Federal securities laws, and it is the view of the SEC that such a waiver is against public policy.

Governing Law

The Indentures and the Notes are governed by, and construed in accordance with, the laws of the State of New York.

- (1) if the Company or any Restricted Subsidiary has Incurred any Indebtedness since the beginning of such period that remains outstanding or if the transaction giving rise to the need to calculate the Consolidated Coverage Ratio is an Incurrence of Indebtedness, or both, EBITDA and Consolidated Interest Expense for such period shall be calculated after giving effect on a pro forma basis to such Indebtedness as if such Indebtedness had been Incurred on the first day of such period;
- (2) if the Company or any Restricted Subsidiary has repaid, repurchased, defeased or otherwise discharged any Indebtedness since the beginning of such period or if any Indebtedness is to be repaid, repurchased, defeased or otherwise discharged (in each case other than Indebtedness Incurred under any revolving credit facility unless such Indebtedness has been permanently repaid and has not been replaced) on the date of the transaction giving rise to the need to calculate the Consolidated Coverage Ratio, EBITDA and Consolidated Interest Expense for such period shall be calculated on a pro forma basis as if such discharge had occurred on the first day of such period and as if the Company or such Restricted Subsidiary had not earned the interest income actually earned during such period in respect of cash or Temporary Cash Investments used to repay, repurchase, defease or otherwise discharge such Indebtedness;
- (3) if since the beginning of such period the Company or any Restricted Subsidiary shall have made any Asset Disposition, EBITDA for such period shall be reduced by an amount equal to EBITDA (if positive) directly attributable to the assets which are the subject of such Asset Disposition for such period, or increased by an amount equal to EBITDA (if negative), directly attributable thereto for such period and Consolidated Interest Expense for such period shall be reduced by an amount equal to the Consolidated Interest Expense directly attributable to any Indebtedness of the Company or any Restricted Subsidiary repaid, repurchased,

deceased or otherwise discharged with respect to the Company and its continuing Restricted Subsidiaries in connection with such Asset Disposition for such period (or, if the Capital Stock of any Restricted Subsidiary is sold, the Consolidated Interest Expense for such period directly attributable to the Indebtedness of such Restricted Subsidiary to the extent the Company and its continuing Restricted Subsidiaries are no longer liable for such Indebtedness after such sale);

For purposes of this definition, whenever pro forma effect is to be given to an acquisition of assets, the amount of income or earnings relating thereto and the amount of Consolidated Interest Expense associated with any Indebtedness Incurred in connection therewith, the pro forma calculations shall be determined in good faith by a responsible financial or accounting officer of the

46

Table of Contents

Company. If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of determination had been the applicable rate for the entire period (taking into account any Interest Rate Agreement applicable to such Indebtedness if such Interest Rate Agreement has a remaining term in excess of 12 months). Interest on a Capital Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Company to be the rate of interest implicit in such Capital Lease Obligation in accordance with GAAP. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurodollar interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Company may designate.

If any Indebtedness has been incurred under a revolving credit facility or revolving advances with respect to any Permitted Securitization and is being given pro forma effect, the interest on such Indebtedness shall be calculated based on the average daily balance of such Indebtedness for the four fiscal quarters subject to the pro forma calculation.

- (7) dividends accrued in respect of all Disqualified Stock of the Company and all Preferred Stock of any Restricted Subsidiary that is not a Subsidiary Guarantor, in each case held by Persons other than the Company or a Restricted Subsidiary (other than dividends payable solely in Capital Stock (other than Disqualified Stock) of the Company); provided, however, that such dividends will be multiplied by a fraction the numerator of which is one and the denominator of which is one minus the effective combined tax rate of the issuer of such Preferred Stock (expressed as a decimal) for such period (as estimated by the chief financial officer of the Company in good faith);
- (8) interest incurred in connection with Investments in discontinued operations;
- (9) interest actually paid by the Company or any Restricted Subsidiary under any Guarantee of any Indebtedness of any Person other than the Company or any Restricted Subsidiary;

- (11) commissions, discounts, yield and other fees and charges incurred in connection with Permitted Securitizations during such period which are payable to any Person other than the Company or a Subsidiary Guarantor and that are comparable to or in the nature of interest under any Permitted Securitization, including losses on the sale of assets relating to any receivables securitization transaction accounted for as a "true sale" (other than any one time financing fees paid upon entering into any Permitted Securitization);

 - (4) the Company's equity in a net loss of any such Restricted Subsidiary for such period except to the extent such loss has been funded with cash from the Company or any Subsidiary Guarantor;
 - (5) any gain (or loss) realized upon the sale or other disposition of any assets of the Company, its consolidated Subsidiaries or any other Person (including pursuant to any sale-and-leaseback arrangement) which is not sold or otherwise disposed of in the ordinary course of business and any gain (or loss) realized upon the sale or other disposition of any Capital Stock of any Person;

in each case, for such period. Notwithstanding the foregoing, for the purposes of the covenant described under “—Certain Covenants—Limitation on Restricted Payments” only, there shall be excluded from Consolidated Net Income any repurchases, repayments or redemptions of Investments, proceeds realized on the sale of Investments or return of capital to the Company or a Restricted Subsidiary to the extent such repurchases, repayments, redemptions, proceeds or returns increase the amount of Restricted Payments permitted under such covenant pursuant to clause (a)(3)(D) thereof.

- (3) if since the beginning of such Four Quarter Period the Company or any Restricted Subsidiary shall have made any Asset Disposition, EBITDA for such Four Quarter Period shall be reduced by an amount equal to EBITDA (if positive) directly attributable to the assets which are the subject of such Asset Disposition for such Four Quarter Period, or increased by an amount equal to EBITDA (if negative), directly attributable thereto for such Four Quarter Period;

BOOK ENTRY; DELIVERY AND FORM

The certificates representing the exchange notes are issued in fully registered form without interest coupons.

Each issue of exchange notes are represented by a global note in definitive, fully registered form without interest coupons. The global notes have been deposited with the applicable trustee as custodian for DTC and registered in the name of a nominee of DTC.

Except in the limited circumstances described below, owners of beneficial interests in global notes are not be entitled to receive physical delivery of certificated notes. Transfers of beneficial interests in the global notes are subject to the applicable rules and procedures of DTC and its direct or indirect participants, which rules and procedures may change from time to time.

The Global Notes

We understand that pursuant to procedures established by DTC (i) upon the issuance of the global notes, DTC or its custodian has credited, on its internal system, the principal amount at maturity of the individual beneficial interests represented by such global notes to the respective accounts of persons who have accounts with such depository and (ii) ownership of beneficial interests in the global notes is shown on, and the transfer of such ownership will be effected only through, records maintained by DTC or its nominee (with respect to interests of participants) and the records of participants (with respect to interests of persons other than participants). Ownership of beneficial interests in the global notes is limited to persons who have accounts with DTC (“participants”) or persons who hold interests through participants. Holders may hold their interests in the global notes directly through DTC if they are participants in such system, or indirectly through organizations that are participants in such system.

So long as DTC, or its nominee, is the registered owner or holder of the exchange notes, DTC or such nominee, as the case may be, will be considered the sole owner or holder of the exchange notes represented by such global notes for all purposes under the applicable Indenture. No beneficial owner of an interest in the global notes will be able to transfer that interest except in accordance with DTC’s procedures, in addition to those provided for under the applicable Indenture with respect to the applicable exchange notes.

Payments of the principal of, premium, if any, and interest on, the global notes will be made to DTC or its nominee, as the case may be, as the registered owner thereof. None of our company, any Trustee or any paying agent will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in the global notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interest.

We expect that DTC or its nominee, upon receipt of any payment of principal, premium, if any, and interest on any global notes, will credit participants’ accounts with payments in amounts proportionate to their respective beneficial interests in the principal amount of such global notes as shown on the records of DTC or its nominee. We also expect that payments by participants to owners of beneficial interests in the global notes held through such participants will be governed by standing instructions and customary practice, as is now the case with securities held for the accounts of customers registered in the names of nominees for such customers. Such payments will be the responsibility of such participants.

Transfers between participants in DTC will be effected in the ordinary way through DTC’s same-day funds system in accordance with DTC rules and will be settled in same day funds.

DTC has advised us that it will take any action permitted to be taken by a holder of exchange notes (including the presentation of exchange notes for exchange as described below) only at the direction of one or more participants to whose account the DTC interests in the global notes are credited and only in respect of such portion of the aggregate principal amount of Notes as to which such participant or participants has or have given such direction. However, if there is an event of default under the applicable indenture, DTC will exchange the global notes for certificated

securities.

Certificated securities shall be issued in exchange for beneficial interests in the global notes (i) if DTC is at any time unwilling or unable to continue as a depository for the global notes and a successor depository is not appointed by us within 90 days, (ii) in case of an event of default under the indentures governing the notes as described above or (iii) the Company, in its sole discretion, notifies the Trustee in writing that it elects to cause the issuance of definitive securities.

The holder of a non-global note may transfer such note, subject to compliance with the provisions of the applicable legend, by surrendering it at the office or agency maintained by us for such purpose in The City and State of New York, which initially will be the office of the applicable trustee in such location. Upon the transfer, change or replacement of any note bearing a legend, or upon specific request for removal of a legend on a note, we will deliver only notes that bear such legend, or will refuse to remove such legend, as the case may be, unless there is delivered to us such satisfactory evidence, which may include an opinion of counsel, as may reasonably be required by us that neither such legend nor any restrictions on transfer set forth therein are required to ensure compliance with the provisions of the Securities Act. Before any note in non-global form may be transferred to a person who takes delivery in the form of an interest in any global note, the transferor will be required to provide the applicable trustee with a Restricted Global Note Certificate or a Regulation S Global Note Certificate (each as described in the indentures), as the case may be. Upon transfer or partial redemption of any note, new certificates may be obtained from the applicable trustee. Notwithstanding any statement herein, we and the trustees reserve the right to impose such transfer, certification, exchange or other requirements, and to require such restrictive legends on certificates evidencing notes, as they may determine are necessary to ensure compliance with the securities laws of the United States and any State therein and any other applicable laws or as DTC may require.

MATERIAL UNITED STATES FEDERAL INCOME TAX CONSEQUENCES

THIS SUMMARY IS OF A GENERAL NATURE AND IS INCLUDED HEREIN SOLELY FOR INFORMATION PURPOSES. THIS SUMMARY IS NOT INTENDED TO BE, AND SHOULD NOT BE, CONSTRUED TO BE LEGAL OR TAX ADVICE. NO REPRESENTATION WITH RESPECT TO THE CONSEQUENCES TO ANY PARTICULAR HOLDER OF THE NOTES IS MADE. HOLDERS SHOULD CONSULT THEIR OWN ADVISORS WITH RESPECT TO THEIR PARTICULAR CIRCUMSTANCES.

The following is a summary of certain United States federal income tax consequences of the ownership of notes as of the date hereof.

Except where noted, this summary deals only with notes that are held as capital assets, and does not represent a detailed description of the United States federal income tax consequences applicable to you if you are subject to special treatment under the United States federal income tax laws, including if you are:

- a dealer in securities or currencies;
- a financial institution;
- a regulated investment company;
- a real estate investment trust;
- a tax-exempt organization;
- an insurance company;
- a person holding the notes as part of a hedging, integrated, conversion or constructive sale transaction or a straddle;
- a trader in securities that has elected the mark-to-market method of accounting for your securities;
- a person liable for alternative minimum tax;
- a person who is an investor in a pass-through entity;
- a person whose “functional currency” is not the U.S. dollar;
- a “controlled foreign corporation”;
- a “passive foreign investment company”; or
- a United States expatriate

This summary is based upon provisions of the Internal Revenue Code of 1986, as amended (the “Code”), and regulations, rulings and judicial decisions as of the date hereof. Those authorities may be changed, perhaps retroactively, so as to result in United States federal income tax consequences different from those summarized below. This summary does not represent a detailed description of the United States federal income tax consequences to you in light of your particular circumstances.

If a partnership holds notes, the tax treatment of a partner will generally depend upon the status of the partner and the activities of the partnership. If you are a partner of a partnership holding notes, you should consult your tax advisors.

If you are considering the purchase of notes, you should consult your own tax advisors concerning the particular United States federal income tax consequences to you of the ownership of the notes, as well as the consequences to you arising under the laws of any other taxing jurisdiction.

Consequences to United States Holders

The following is a summary of certain United States federal income tax consequences that will apply to you if you are a United States Holder of notes.

70

Table of Contents

Certain consequences to “Non-United States Holders” of notes, which are beneficial owners of notes (other than partnerships) who are not United States Holders, are described under “—Consequences to Non-United States Holders” below.

“United States Holder” means a beneficial owner of a note that is for United States federal income tax purposes:

- an individual citizen or resident of the United States;
- a corporation (or any other entity treated as a corporation for United States federal income tax purposes) created or organized in or under the laws of the United States, any state thereof or the District of Columbia;
- an estate the income of which is subject to United States federal income taxation regardless of its source; or
- a trust if it (1) is subject to the primary supervision of a court within the United States and one or more United States persons have the authority to control all substantial decisions of the trust or (2) has a valid election in effect under applicable United States Treasury regulations to be treated as a United States person.

Payments of Interest

Interest on a note will generally be taxable to you as ordinary income at the time it is paid or accrued in accordance with your method of accounting for tax purposes.

Market Discount

If you purchase a note for an amount that is less than its principal amount, the amount of the difference will be treated as “market discount” for United States federal income tax purposes, unless that difference is less than a specified de minimis amount. Under the market discount rules, you will be required to treat any payment, other than stated interest, on, or any gain on the sale, exchange, retirement or other disposition of, a note as ordinary income to the extent of the market discount that you have not previously included in income and are treated as having accrued on the note at the time of its payment or disposition.

In addition, you may be required to defer, until the maturity of the note or its earlier disposition in a taxable transaction, the deduction of all or a portion of the interest expense on any indebtedness attributable to the note. You may elect, on a bond-by-bond basis, to deduct the deferred interest expense in a tax year prior to the year of disposition. You should consult your own tax advisors before making this election.

Any market discount will be considered to accrue ratably during the period from the date of acquisition to the maturity date of the note, unless you elect to accrue on a constant interest method. You may elect to include market discount in income currently as it accrues, on either a ratably or constant interest method, in which case the rule described above regarding deferral of interest deductions will not apply.

Amortizable Bond Premium

If you purchase a note for an amount in excess of its principal amount, you will be considered to have purchased the note at a “premium”. You generally may elect to amortize the premium over the remaining term of the note on a constant yield method as an offset to interest when includible in income under your regular accounting method. If you do not elect to amortize bond premium, that premium will decrease the gain or increase the loss you would otherwise recognize on disposition of the note.

Sale, Exchange and Retirement of Notes

Your tax basis in a note will, in general, be your cost for that note, increased by market discount that you previously included in income, and reduced by any amortized premium and any cash

71

Table of Contents

payments on the note other than stated interest. Upon the sale, exchange, retirement or other disposition of a note, you will recognize gain or loss equal to the difference between the amount you realize upon the sale, exchange, retirement or other disposition (less an amount equal to any accrued interest that you did not previously include in income, which will be taxable as interest income) and the tax basis of the note. Except as described above with respect to market discount, that gain or loss will be capital gain or loss. Capital gains of individuals derived in respect of capital assets held for more than one year are eligible for reduced rates of taxation. The deductibility of capital losses is subject to limitations.

Consequences to Non-United States Holders

The following is a summary of certain United States federal income and estate tax consequences that will apply to you if you are a Non-United States Holder of notes.

United States Federal Withholding Tax

The 30% United States federal withholding tax will not apply to any payment of principal and, under the “portfolio interest rule,” interest on the notes, provided that:

- interest paid on the notes is not effectively connected with your conduct of a trade or business in the United States;
- you do not actually (or constructively) own 10% or more of the total combined voting power of all classes of our voting stock within the meaning of the Code and applicable United States Treasury regulations;
- you are not a controlled foreign corporation that is related to us through stock ownership;
- you are not a bank whose receipt of interest on the notes is described in section 881(c)(3)(A) of the Code; and
- either (a) you provide your name and address on an IRS Form W-8BEN (or other applicable form), and certify, under penalties of perjury, that you are not a United States person as defined under the Code or (b) you hold your notes through certain foreign intermediaries and satisfy the certification requirements of applicable United States Treasury regulations.

Special certification rules apply to Non-United States Holders that are pass-through entities rather than corporations or individuals.

If you cannot satisfy the requirements described above, payments of interest made to you will be subject to the 30% United States federal withholding tax, unless you provide us with a properly executed:

- IRS Form W-8BEN (or other applicable form) claiming an exemption from or reduction in withholding under the benefit of an applicable income tax treaty; or
- IRS Form W-8ECI (or other applicable form) stating that interest paid on the notes is not subject to withholding tax because it is effectively connected with your conduct of a trade or business in the United States (as discussed below under “United States Federal Income Tax”).

The 30% United States federal withholding tax generally will not apply to any gain that you realize on the sale, exchange, retirement or other disposition of a note.

United States Federal Income Tax

If you are engaged in a trade or business in the United States and interest on the notes is effectively connected with the conduct of that trade or business (and, if required by an applicable income tax treaty, is attributable to a United States permanent establishment), then you will be subject to United States federal income tax on that interest on a net income basis (although you will be exempt from the 30% United States federal withholding tax, provided you furnish us with a

72

Table of Contents

properly executed IRS Form W-8ECI as discussed above under “United States Federal Withholding Tax”) in the same manner as if you were a United States person as defined under the Code. In addition, if you are a foreign corporation, you may be subject to a branch profits tax equal to 30% (or lower applicable income tax treaty rate) of such interest, subject to adjustments.

Any gain realized on the disposition of a note generally will not be subject to United States federal income tax unless:

- the gain is effectively connected with your conduct of a trade or business in the United States (and, if required by an applicable income tax treaty, is attributable to a United States permanent establishment); or
- you are an individual who is present in the United States for 183 days or more in the taxable year of that disposition, and certain other conditions are met.

United States Federal Estate Tax

Your estate will not be subject to United States federal estate tax on notes beneficially owned by you at the time of your death, provided that any interest payment to you on the notes would be eligible for exemption from the 30% United States federal withholding tax under the “portfolio interest rule” described above under “United States Federal Withholding Tax,” without regard to the statement requirement described in the fifth bullet point of that section.

Information Reporting and Backup Withholding

United States Holders

In general, information reporting requirements will apply to certain payments of principal, interest and premium paid on notes and to the proceeds of sale of a note made to you (unless you are an exempt recipient such as a corporation). A backup withholding tax may apply to such payments if you fail to provide a taxpayer identification number or a certification of exempt status, or if you fail to report in full dividend and interest income.

Any amounts withheld under the backup withholding rules will be allowed as a refund or a credit against your United States federal income tax liability provided the required information is furnished to the IRS.

Non-United States Holders

Generally, we must report to the IRS and to you the amount of interest on the notes paid to you and the amount of tax, if any, withheld with respect to those payments. Copies of the information returns reporting such interest payments and any withholding may also be made available to the tax authorities in the country in which you reside under the provisions of an applicable income tax treaty.

In general, you will not be subject to backup withholding with respect to payments on the notes that we make to you provided that we do not have actual knowledge or reason to know that you are a United States person, as defined under the Code, and we have received from you the statement described above in the fifth bullet point under “United States Federal Withholding Tax.”

In addition, no information reporting or backup withholding will be required regarding the proceeds of the sale of a note made within the United States or conducted through certain United States-related financial intermediaries, if the payor receives the statement described above and does not have actual knowledge or reason to know that you are a United States person, as defined under the Code, or you otherwise establish an exemption.

Any amounts withheld under the backup withholding rules will be allowed as a refund or a credit against your United States federal income tax liability provided the required information is furnished to the IRS.

CERTAIN ERISA CONSIDERATIONS

The following is a summary of certain considerations associated with the purchase of the exchange notes by employee benefit plans that are subject to Title I of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), plans, individual retirement accounts and other arrangements that are subject to Section 4975 of the Code or provisions under any federal, state, local, non-U.S. or other laws, rules or regulations that are similar to such provisions of ERISA or the Code (collectively, “Similar Laws”), and entities whose underlying assets are considered to include “plan assets” (within the meaning of ERISA) of such plans, accounts and arrangements (each, a “Plan”).

General Fiduciary Matters

ERISA and the Code impose certain duties on persons who are fiduciaries of a Plan subject to Title I of ERISA or Section 4975 of the Code (an “ERISA Plan”) and prohibit certain transactions involving the assets of an ERISA Plan and its fiduciaries or other interested parties. Under ERISA and the Code, any person who exercises any discretionary

authority or control over the administration of such an ERISA Plan or the management or disposition of the assets of such an ERISA Plan, or who renders investment advice for a fee or other compensation to such an ERISA Plan, is generally considered to be a fiduciary of the ERISA Plan.

In considering an investment in the exchange notes of a portion of the assets of any Plan, a fiduciary should determine whether the investment is in accordance with the documents and instruments governing the Plan and the applicable provisions of ERISA, the Code or any Similar Law relating to a fiduciary's duties to the Plan including, without limitation, the prudence, diversification, delegation of control and prohibited transaction provisions of ERISA, the Code and any other applicable Similar Laws.

Prohibited Transaction Issues

Section 406 of ERISA and Section 4975 of the Code prohibit ERISA Plans from engaging in specified transactions involving "plan assets" with persons or entities who are "parties in interest," within the meaning of ERISA, or "disqualified persons," within the meaning of Section 4975 of the Code, unless an exemption is available. A party in interest or disqualified person who engages in a non-exempt prohibited transaction may be subject to excise taxes and other penalties and liabilities under ERISA and the Code. In addition, the fiduciary of the ERISA Plan that engages in such a non-exempt prohibited transaction may be subject to penalties and liabilities under ERISA and the Code. The acquisition and/or holding of exchange notes by an ERISA Plan with respect to which we or the initial purchasers of the outstanding notes are considered a party in interest or disqualified person may constitute or result in a direct or indirect prohibited transaction under Section 406 of ERISA and/or Section 4975 of the Code, unless the investment is acquired and is held in accordance with an applicable statutory, class or individual prohibited transaction exemption. In this regard, the United States Department of Labor has issued prohibited transaction class exemptions ("PTCEs") that may apply to the acquisition and holding of the exchange notes. These class exemptions include, without limitation, PTCE 84-14, respecting transactions determined by independent qualified professional asset managers, PTCE 90-1, respecting insurance company pooled separate accounts, PTCE 91-38, respecting bank collective investment funds, PTCE 95-60, respecting life insurance company general accounts and PTCE 96-23, respecting transactions determined by in-house asset managers, although there can be no assurance that all the conditions of any such exemption will be satisfied.

Because of the foregoing, the exchange notes should not be purchased or held by any person investing "plan assets" of any Plan, unless such purchase and holding (and the exchange of outstanding notes for exchange notes) will not constitute a non-exempt prohibited transaction under ERISA and the Code or similar violation of any applicable Similar Laws.

Representation

Accordingly, by acceptance of an exchange note, each purchaser and subsequent transferee will be deemed to have represented and warranted that either (i) no portion of the assets used by such

74

Table of Contents

purchaser or transferee to acquire and hold the exchange notes constitutes assets of any Plan or (ii) the purchase and holding of the outstanding notes or the exchange notes (and the exchange of outstanding notes for exchange notes) by such purchaser or transferee will not constitute a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or any similar violation under any applicable Similar Laws.

The foregoing discussion is general in nature and is not intended to be all-inclusive. Due to the complexity of these rules and the penalties that may be imposed upon persons involved in non-exempt prohibited transactions, it is particularly important that fiduciaries or other persons considering purchasing the outstanding notes or the exchange notes (and holding or disposing the outstanding notes or the exchange notes) on behalf of, or with the assets of, any Plan, consult with their counsel regarding the potential applicability of ERISA, Section 4975 of the Code and any Similar Laws to such transactions and whether an exemption would be applicable to the purchase and holding and disposition of the outstanding notes or the exchange notes (and the exchange of outstanding notes for exchange notes).

Item 14. Indemnification of Directors and Officers.

Ohio. Cooper-Standard Automotive Inc. (the “Company”) and CSA Services Inc. are Ohio corporations. Section 1701.13 of the Ohio Revised Code (the “ORC”) grants each corporation organized thereunder the power to indemnify any person who is or was a director, officer, employee, or agent of the corporation, or is or was serving at the request of the corporation as a director, trustee, officer, employee, member, manager, or agent of another corporation, domestic or foreign, nonprofit or for profit, a limited liability company, or a partnership, joint venture, trust, or other enterprise, against expenses, including attorney’s fees, judgments, fines, and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit, or proceeding, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, if he had no reasonable cause to believe his conduct was unlawful. In any particular instance, upon determination that the applicable standard of conduct has been met, indemnification may be made by a corporation. Such determination must be made by a court, by a majority of disinterested directors, by independent counsel (in certain limited cases) or by the shareholders of the corporation.

The ORC requires that a corporation indemnify a present or former director or officer of a corporation against certain expenses if the person has been successful, on the merits or otherwise, in defense of any action, suit or proceeding or in defense of any issue therein. In addition, the ORC permits the advancement of expenses relating to the defense of any proceeding to directors, officers, other employees and agents, if the person agrees to reasonably cooperate with the corporation concerning such proceeding and commits to repay the corporation for the advances made for such expenses in the event that such person is ultimately determined not to be entitled to indemnification therefor.

The ORC provides that the indemnification provisions contained in the ORC are not exclusive of any other right that a person seeking indemnification may have or later acquire under any provision of the corporation’s articles or regulations, under any other agreement, by any vote of shareholders or disinterested directors or otherwise. In addition, the ORC provides that a corporation may maintain insurance or similar protection, at its expense, to protect itself and any director, officer, employee or agent of the corporation against any expense, liability or loss arising in connection with their service to the corporation. This insurance may provide benefits regardless of whether the corporation has the power to indemnify a particular person under the ORC.

Cooper-Standard Automotive OH, LLC is an Ohio limited liability company. The ORC provides that limited liability companies have substantially the same authority to indemnify its managers, officers, employees or agents as a corporation has under the ORC to indemnify its directors, officers, employees or agents.

Table of Contents

Delaware. Cooper-Standard Holdings Inc., NISCO Holding Company, StanTech, Inc. and Sterling Investments Company are Delaware corporations. Section 145 of the Delaware General Corporation Law (the “DGCL”) grants each corporation organized thereunder the power to indemnify any person who is or was a director, officer, employee or agent of a corporation or enterprise, against expenses, including attorneys’ fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the corporation, by reason of being or having been in any such capacity, if he acted in good faith in a manner reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. Section 102(b)(7) of the DGCL enables a corporation in its certificate of incorporation or an amendment thereto to eliminate or limit the personal liability of a director to the corporation or its stockholders for monetary damages for violations of the directors’ fiduciary duty of care, except (i) for any breach of the director’s duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the DGCL (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions) or (iv) for any transaction from which a director derived an improper personal benefit.

Cooper-Standard Automotive Fluid Systems Mexico Holding LLC is a Delaware limited liability company. Section 18108 of the Delaware Limited Liability Company Act empowers a Delaware limited liability company to indemnify and hold harmless any member or manager or other person from and against any and all claims and demands whatsoever.

Texas. North American Rubber, Incorporated is a Texas corporation. Article 2.021 of the Texas Business Corporation Act (“TBCA”) permits a Texas corporation to indemnify any present or former director, officer, employee or agent of the corporation against judgments, penalties, fines, settlements and reasonable expenses incurred in connection with a proceeding in which any such person was, is or is threatened to be, made a party by reason of holding such office or position. However, such reimbursement of reasonable expenses is limited to those actually incurred where (a) a person is found liable on the basis that a personal benefit was improperly received or (b) the person is found liable in a derivative suit brought on behalf of the corporation and the person was not liable for willful or intentional misconduct. Under the TBCA, a director or officer must be indemnified in cases in which he is wholly successful on the merits or in the defense of the proceedings. The TBCA authorizes corporations to maintain insurance to cover indemnification expenses on behalf of any person who is or was a director, officer, agent or employee of the corporation or was serving at the request of the corporation, regardless of whether the corporation would have the power to indemnify such person against liability under Article 2.021 of the TBCA.

Michigan. Westborn Service Center, Inc. is a Michigan corporation. Under the Michigan Business Corporation Act, a corporation is permitted to indemnify any person who was, is or is threatened to be made a party to any proceeding, other than an action, suit or proceeding by or in the right of the corporation, by reason of the fact that he or she was serving as a director, officer, employee or agent of the corporation or serving, at the request of the corporation, as a director, officer, partner, trustee, employee or agent of another corporation, whether domestic or foreign, partnership, joint venture, trust or other enterprise, against expenses, including attorneys fees, and judgments, penalties, fines and amounts paid in settlement that are actually and reasonably incurred by him or her in connection with the proceeding if the indemnified person acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the corporation or its shareholders, and, with respect to a criminal action or proceeding, if he or she had no reasonable cause to believe his or her conduct was unlawful. Similar provisions apply to actions brought by or in the right of the corporation, except that no indemnification may be made without judicial approval with respect to a claim, issue, or matter in which the person acting in an indemnified capacity has been found liable to the

corporation. Where an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify that person against the expenses the officer or director has actually and reasonably incurred.

II-2

Table of Contents

The provisions concerning indemnification and advancement of expenses are not exclusive of other rights to which a person seeking indemnification or advancement of expenses may be entitled under a corporation's articles of incorporation, its bylaws or a contractual arrangement. In addition, the Michigan Business Corporation Act authorizes a corporation to purchase and maintain insurance on behalf of any person who is or was serving in an indemnified capacity against any liability asserted against him and incurred by him in any such capacity, arising out of his status as such, regardless of whether the corporation would otherwise have the power to indemnify him.

North Carolina. Cooper-Standard Automotive NC L.L.C. is a North Carolina limited liability company. The Company will indemnify or agree to indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending, or completed action, suit, or proceeding whether civil, criminal, administrative, or investigative, other than an action by or in the right of the Company, by reason of the fact that he is or was a director, officer, employee, or agent of the Company, or is or was serving at the request of the Company as a director, trustee, officer, employee, member, manager, or agent of another corporation, domestic or foreign, nonprofit or for profit, a limited liability company, or a partnership, joint venture, trust or other enterprise, against expenses, including attorney's fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit, or proceeding, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company and, with respect to any criminal action or proceeding, if he had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement or conviction, or on a plea of nolo contendere or its equivalent, will not, of itself, create a presumption that the person did not act in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company and, with respect to any criminal action or proceeding, he had reasonable cause to believe his conduct was unlawful.

The Company will indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending, or completed action or suit by or in the right of the Company to procure a judgment in its favor, by reason of the fact that he is or was a director, officer, employee, or agent of the Company, or is or was serving at the request of the Company as a director, trustee, officer, employee, member, manager, or agent of another corporation, domestic or foreign, nonprofit or for profit, a limited liability company, or a partnership, joint venture, trust, or other enterprise, against expenses, including attorney's fees, actually and reasonably incurred by him in connection with the defense or settlement of such action or suit, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company, except that no indemnification shall be made in respect of any of the following:

Item 15. Recent Sales of Unregistered Securities

During the three years preceding the filing of this post-effective amendment to the registration statement, the registrants have not sold their securities without registration under the Securities Act of 1933, except as provided below:

In 2004, in connection with the purchase by Cooper-Standard Holdings Inc. of Cooper-Standard Automotive Inc. and certain other subsidiaries of Cooper Tire & Rubber Company and Cooper Tyre & Rubber Company UK Limited (the "Acquisition"), one of our sponsors, The Cypress Group L.L.C. and its affiliates contributed \$159 million to Cooper-Standard Holdings Inc. in exchange for 1,590,000 shares of common stock (approximately 49.1% of the equity) of Cooper-Standard Holdings Inc. This transaction was undertaken in reliance on the exemptions from registration provided by Section 4(2) of the Securities Act.

Edgar Filing: Cooper-Standard Automotive OH, LLC - Form POS AM

In 2004, in connection with the Acquisition, our other sponsor, GS Capital Partners, L.P., and its affiliates contributed \$159 million to Cooper-Standard Holdings Inc. in exchange for 1,590,000 shares of common stock (approximately 49.1% of the equity) of Cooper-Standard Holdings Inc. This transaction was undertaken in reliance on the exemptions from registration provided by Section 4(2) of the Securities Act.

During 2004, 2005 and 2006 Cooper-Standard Holdings Inc. sold an aggregate of 58,100 shares to its executive officers and directors and a limited number of senior employees for an aggregate purchase price of \$5,810,000 (excluding the sale in 2005 of 3,000 shares to one executive officer for a purchase price of \$300,000, which shares were repurchased later in 2005 upon the termination of employment of the executive officer for the same purchase price). These issuances were exempt from registration under the Securities Act pursuant to Section 4(2) thereof because they did not involve a public offering as the shares were offered and sold only to executive officers and directors and a small group of senior employees.

In 2004, in reliance on the exemption from registration provided by Section 4(2) and Rule 144A of the Securities Act, Cooper-Standard Automotive Inc., a wholly-owned subsidiary of Cooper-Standard Holdings, Inc. sold \$200,000,000 principal amount of its 7% Senior Notes due 2012 and \$350,000,000 principal amount of its 8 3/8% Senior Subordinated Notes due 2014 to Deutsche Bank

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

(2) that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities that time shall be deemed to be the initial bona fide offering thereof; and

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
