Item 12. Results of Operations and Financial Condition.

On February 5, 2004 Brightpoint, Inc. (the "Company") issued a press release to report its financial results for the three-months and fiscal year ended December 31, 2003. A copy of the press release is attached hereto as

## Edgar Filing: BRIGHTPOINT INC - Form 8-K

Exhibit 99.1, which is incorporated herein by reference.

As noted in the press release, in addition to the Generally Accepted Accounting Principles ("GAAP") results provided in the press release, the Company has provided Earnings Before Interest, Taxes, Depreciation and Amortization ("EBITDA"), a non-GAAP financial measure and a reconciliation of this non-GAAP financial measure to the most comparable GAAP measure. As noted more fully in the press release, the Company has provided EBITDA in the press release because it provides management with an indicator of how much cash the Company generates, excluding any changes in working capital. Since the Company had experienced negative cash flow and high debt in prior periods, this has become an important measurement for management. Management also reviews and utilizes the entire statement of cash flows to evaluate cash flow performance. The non-GAAP financial measure EBITDA does not replace the presentation of the Company's GAAP financial results.
