PROXY STATEMENT FOR THE
2004 ANNUAL MEETING OF STOCKHOLDERS

GENERAL INFORMATION

The board of directors of PCTEL, Inc. is soliciting proxies for the 2004 Annual Meeting of Stockholders. This proxy statement contains important information for you to consider when deciding how to vote on the matters brought before the meeting. Please read it carefully.

Our board of directors has set April 19, 2004 as the record date for the meeting. Stockholders who owned our common stock at the close of business on April 19, 2004 are entitled to vote at and attend the meeting, with each share entitled to one vote. There were 20,890,862 shares of our common stock outstanding on the record date. On the record date, the closing price of our common stock on The Nasdaq National Stock Market was \$12.69 per share.

This proxy statement is being mailed on or about April 29, 2004 to stockholders entitled to vote at the meeting.

In this proxy statement:

- "We" and "PCTEL" mean PCTEL, Inc.
- If you hold shares in "street name," it means that your shares are held in an account at a brokerage firm and the stock certificates and record ownership are not in your name.
- "NASD" means the National Association of Securities Dealers.
- "SEC" means the Securities and Exchange Commission.

Edgar Filing: PC TEL INC - Form DEF 14A

- "Beneficial ownership" of stock is defined under various SEC rules in different ways for different purposes, but it generally means that, although you (or the person or entity in question) do not hold the shares of record in your name, you do have investment or voting control (and/or an economic or "pecuniary" interest) in the shares through an agreement, relationship or the like.

QUESTIONS AND ANSWERS

Q: WHEN AND WHERE IS THE STOCKHOLDER MEETING?

A: Our annual meeting of stockholders is being held on Thursday, June 3, 2004 at 10:00 a.m. at our headquarters, located at 8725 West Higgins Road, Suite 400, Chicago, Illinois 60631.

Q: WHY AM I RECEIVING THIS PROXY STATEMENT AND PROXY CARD?

A: You are receiving this proxy statement and the accompanying proxy card because you owned shares of our common stock on the record date. This proxy statement describes issues on which we would like you, as a stockholder, to vote. It also gives you information on these issues so that you can make an informed decision. The proxy card is used for voting.

Q: WHAT IS THE EFFECT OF SIGNING AND RETURNING MY PROXY CARD?

A: When you sign and return the proxy card, you appoint Martin H. Singer and John Schoen as your representatives at the meeting. Mr. Singer is our Chief Executive Officer and Chairman of the Board and Mr. Schoen is our Chief Operating Officer and Chief Financial Officer. Messrs. Singer and Schoen will vote your shares at the meeting as you have instructed them on the proxy card. This way, your shares will be voted whether or not you attend the annual meeting. Even if you plan to attend the meeting, it is a good idea to complete, sign and return your proxy card or vote via the Internet or telephone in advance of the meeting just in case your plans change. You can vote in person at the meeting even if you have already sent in your proxy card.

If an issue comes up for a vote at the meeting that is not described in this proxy statement, Messrs. Singer and Schoen will vote your shares, under your proxy, in their discretion.

If you do not indicate on the proxy card how you want your votes cast, the proxies (as your representatives) will vote your shares FOR each of the proposals.

Q: WHAT AM I VOTING ON?

A: You are being asked to vote on the following two proposals:

- the election of two directors whose terms will expire at the 2007 annual stockholders' meeting; and
- the ratification of the appointment of PricewaterhouseCoopers LLP as our independent public accountants for the fiscal year ending December 31, 2004.

Q: HOW DO I VOTE?

A: There are four methods by which you may vote. Please see the detailed instructions provided on your proxy card for more information on each method.

Edgar Filing: PC TEL INC - Form DEF 14A

- Place your vote by telephone;
- Place your vote via the Internet;
- Mail in your completed, signed and dated proxy card; or
- Vote in person by attending our annual meeting.

Q: WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

A: It means that you have multiple accounts with the transfer agent and/or with stockbrokers. Please sign and return all proxy cards to ensure that all of your shares are voted.

Q: WHAT IF I CHANGE MY MIND AFTER I RETURN MY PROXY CARD?

A: You may revoke your proxy (that is, cancel it) and change your vote at any time prior to the voting at the annual meeting by providing written notice to our Corporate Secretary at the following address: 8725 West Higgins Road, Suite 400, Chicago, Illinois 60631, Attn: John Schoen.

You may also do this by:

- Signing another proxy card with a later date;
- Voting in person at the meeting; or
- Voting via the Internet or by telephone on a date after the date on your proxy card (your latest proxy is counted).

Q: WILL MY SHARES BE VOTED IF I DO NOT SIGN AND RETURN MY PROXY CARD?

A: If your shares are held in street name, your brokerage firm may either vote your shares on "routine matters" (such as the election of directors) or leave your shares unvoted. Your brokerage firm may not vote on "non-routine matters."

Q: HOW MANY VOTES MAY BE CAST AT THE MEETING?

A: As of the record date, 20,890,862 shares of common stock were outstanding. Each outstanding share of common stock entitles the holder of such share to one vote on all matters covered in this proxy statement. Therefore, there are a maximum of 20,890,862 votes that may be cast at the meeting.

Q: WHAT IS A "QUORUM"?

A: A "quorum" is the number of shares that must be present, in person or by proxy, in order for business to be transacted at the meeting. The required quorum for the annual meeting is a majority of the shares outstanding on the record date. There must be a quorum present for the meeting to be held. All completed and signed proxy cards, Internet votes, telephone votes and votes cast by those stockholders who attend the annual meeting in person, whether representing a vote FOR, AGAINST, WITHHELD, ABSTAIN, or a broker non-vote, will be counted toward the quorum.

Q: HOW ARE ABSTENTIONS COUNTED?

A: If you return a proxy card that indicates an abstention from voting in all

Edgar Filing: PC TEL INC - Form DEF 14A

matters, the shares represented will be counted as present for the purpose of determining a quorum, but they will not be voted on any matter at the annual meeting.

Q: WHAT IS A "BROKER NON-VOTE?"

A: Under the rules that govern brokers who have record ownership of shares that are held in "street name" for their clients (who are the beneficial owners of the shares), brokers have the discretion to vote such shares on routine matters, but not on non-routine matters. Thus, if the proposals to be acted upon at the meeting include both routine and non-routine matters, the broker may turn in a proxy card for uninstructed shares that votes "FOR" routine matters, but expressly states that the broker is NOT voting on the non-routine matters. The vote with respect to the non-routine matter in this case is referred to as a "broker non-vote."

Q: HOW ARE BROKER NON-VOTES COUNTED?

A: Broker non-votes are counted for the purpose of determining the presence or absence of a quorum, but are not counted for determining the number of votes cast for or against a proposal.

Q: WHAT IS THE REQUIRED VOTE FOR EACH OF THE PROPOSALS TO PASS?

A: - The two director nominees receiving the highest number of votes, in person or by proxy, will be elected as directors.

- For the proposal to approve the appointment of our independent auditors, the required vote is the affirmative (i.e. "FOR") vote of a majority of the votes cast.

The votes cast on a particular proposal include votes FOR, AGAINST and ABSTAIN, but do not include broker non-votes.

Q: WHO IS SOLICITING MY VOTE?

A: We are making and will bear the entire cost of this proxy solicitation, including the preparation, assembly, printing and mailing of proxy materials. We may reimburse brokerage firms and other custodians for their reasonable out-of-pocket expenses for forwarding these proxy materials to you. We expect our transfer agent, Wells Fargo Bank, MN N.A., to tabulate the proxies and to act as the inspector of the election. In addition to this solicitation by mail, proxies may be solicited by our directors, officers and other employees by telephone, the Internet or fax, in person or otherwise. None of these persons will receive any additional compensation for assisting in the solicitation.

We shall provide without charge to each stockholder solicited by these proxy solicitation materials a copy of our Annual Report on Form 10-K, together with the financial statements and financial statement schedules required to be filed with the Annual Report, upon written request sent to PCTEL, Inc., 8725 West Higgins Road, Suite 400, Chicago, Illinois 60631, Attn: John Schoen, Chief Financial Officer.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS AND NOMINATIONS FOR 2005 ANNUAL MEETING

Stockholders are entitled to present proposals for action and director nominations at the 2005 annual meeting of stockholders only if they comply with the applicable requirements of the proxy rules established by the Securities Exchange Commission and the applicable provisions of our bylaws. Stockholders must ensure that such proposals and nominations are received by our Corporate

Edgar Filing: PC TEL INC - Form DEF 14A

Secretary at the following address: 8725 West Higgins Road, Suite 400, Chicago, Illinois 60631, Attn: John Schoen, on or prior to the deadline for receiving such proposals and nominations.

Proposals for the 2005 annual meeting of stockholders that are intended to be considered for inclusion in the proxy statement and form of proxy relating to such meeting must be received no later than December 30, 2004, as required by Rule 14a-8 under the Securities Exchange Act of 1934 (the "Exchange Act") and the provisions of our bylaws.

If a stockholder intends to submit a proposal or director nomination for consideration at our 2005 annual meeting of stockholders but that may not be included in the proxy statement and form of proxy relating to

3

such meeting, the stockholder must comply with the requirements of our bylaws. Our bylaws contain an advance notice provision that requires stockholders to submit a written notice containing certain information not less than 120 days prior to the date of our proxy statement for the previous year's annual meeting of stockholders. For purposes of the 2005 annual meeting of stockholders, this means that such proposals or nominations must also be received by December 30, 2004. A copy of the relevant bylaw provision is available upon written request to our Corporate Secretary at the address provided above.

The attached proxy card grants the proxy holders discretionary authority to vote on any business raised at the annual meeting. If you fail to comply with the advance notice provisions set forth above in submitting a proposal or nomination for the 2005 annual meeting of stockholders, the proxy holders will be allowed to use their discretionary voting authority if such proposal or nomination is raised at that meeting.

Jackman and John Sheehan, whose terms will expire at our 2006 annual stockholders' meeting; two Class II directors, Richard C. Alberding and Carl A. Thomsen, whose terms are expiring at this 2004 annual stockholders' meeting; and three Class III directors, Richard D. Gitlin, Giacomo Marini and Martin H. Singer, whose terms will expire at our 2005 annual stockholders' meeting. At each annual meeting of stockholders, directors are elected for a term of three years to succeed those directors whose terms expire on the annual meeting dates.

NOMINEES

The nominees for election at the annual stockholders' meeting as Class II directors are Richard C. Alberding and Carl A. Thomsen. If elected, Messrs. Alberding and Thomsen will serve as directors, and their terms shall expire at the annual stockholders' meeting in 2007.

The proxy holders may not vote the proxies for a greater number of persons than the number of nominees named. Unless otherwise instructed, the proxy holders will vote the proxies received by them for our two Class II director nominees. In the event that either of our nominees is unable or declines to serve as a director at the time of the annual meeting, the proxies will be voted for any nominee who shall be designated by the present board of directors to fill the vacancy. We are not aware that either of our nominees will be unable or will decline to serve as a director.

VOTE REQUIRED AND BOARD OF DIRECTORS' RECOMMENDATION

IF A QUORUM IS PRESENT AND VOTING, THE TWO NOMINEES RECEIVING THE HIGHEST NUMBER OF VOTES WILL BE ELECTED TO THE BOARD OF DIRECTORS. ABSTENTIONS AND "BROKER NON-VOTES" ARE NOT COUNTED IN THE ELECTION OF DIRECTORS. The board of directors has unanimously approved the director nominees and recommends that stockholders vote "FOR" the election of the director nominees listed above.

Each new non-employee director is automatically granted an option to purchase 15,000 shares on the date on which such person first becomes a director. These initial grants vest over a period of three years, with one-third of the number of shares granted vesting on each anniversary of the date of grant, provided that the optionee continues to serve as a director on these dates. Furthermore, each non-employee director is automatically granted an additional option to purchase 10,000 shares of common stock on January 1 of each year, provided that he or she has served on the board of directors for at least six months. These subsequent grants vest fully on the first anniversary of the date of grant, provided that the optionee continues to serve as a director on such date. Under the terms of our 1998 Director Option Plan, the exercise price of options granted to non-employee directors must be 100% of the fair market value of our common stock on the last trading day preceding the date of grant.

DIRECTOR NOMINATION PROCESS

Stockholders desiring to recommend a candidate for election to the board of directors should send their recommendation in writing to the attention of our Corporate Secretary, at our offices located at 8725 West Higgins Road, Suite 400, Chicago, Illinois 60631. This written recommendation must include the information and materials required by our bylaws as well as the candidate's name, home and business contact information, detailed biographical data, relevant qualifications, a signed letter from the candidate confirming willingness to serve, information regarding any relationships between the candidate and PCTEL within the last three years and evidence of the required ownership of our common stock by the recommending stockholder. A copy of the relevant bylaw provision is available upon written request to our Corporate Secretary at the address provided above.

In accordance with the advance notice provision in our bylaws, director nominations to be considered at the next annual meeting of stockholders must be received not less than 120 days prior to the date of our proxy statement for the previous year's annual meeting of stockholders. Stockholders who wish to communicate directly with our independent directors may do so by sending an e-mail message to Varda Goldman, our vice president and general counsel, at general_counsel@pctel.com. Ms. Goldman monitors these communications, consults with Brian Jackman, our current lead independent director, and provides a summary of all received messages to the board of directors at its regularly scheduled meetings. Where the nature of the communication warrants, Ms. Goldman may determine to obtain more immediate attention of the appropriate committee or independent director of the board of directors, of independent advisors or of our management. Ms. Goldman may decide in her judgment whether a response to any stockholder communication is necessary.

ATTENDANCE AT THE ANNUAL MEETING OF THE STOCKHOLDERS

All directors are welcome to attend the annual meeting of stockholders and it is expected that our lead independent director will be in attendance at every annual meeting of stockholders. At the 2003 annual meeting of stockholders, Martin H. Singer was the only director in attendance.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During fiscal 2003, none of the members of the compensation committee were officers or employees of PCTEL while they served as members of the compensation committee. PROPOSAL #2

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Our audit committee has appointed PricewaterhouseCoopers LLP, independent auditors, to audit our financial statements for the fiscal year ending December 31, 2004. This appointment is being presented to our stockholders for ratification at the meeting.

TRANSITION FROM ARTHUR ANDERSEN LLP TO PRICEWATERHOUSECOOPERS LLP

The audit committee of our board of directors annually considers and determines the selection of our independent public accountants. On May 9, 2002, our audit committee, in consultation with our board of directors, decided to terminate the engagement of Arthur Andersen LLP as our independent auditors.

The report of Arthur Andersen LLP on our financial statements for our fiscal year ended December 31, 2001 contained no adverse opinion or disclaimer of opinion, nor were the reports qualified or modified as to uncertainty, audit scope, or accounting principles.

In connection with the audits performed by Arthur Andersen LLP for fiscal 2001 and during the period from January 1, 2002 through May 9, 2002, there were no disagreements with Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope of procedure, which disagreements, if not resolved to the satisfaction of Arthur Andersen LLP,

Edgar Filing: PC TEL INC - Form DEF 14A

would have caused it to make reference to the subject matter of the disagreement in its reports, and there have been no reportable events as listed in Item 304(a)(1)(v) of Regulation S-K.

Effective May 17, 2002, we retained PricewaterhouseCoopers LLP to perform the annual audit of our financial statements for the fiscal year ended December 31, 2002. During the period from January 1, 2002 through May 17, 2002, neither we nor anyone acting on our behalf consulted with PricewaterhouseCoopers LLP regarding the application of accounting principles to a specified transaction, either completed or proposed, or the type of the audit opinion that might be rendered on our financial statements, nor did we (or anyone acting on our behalf) consult with PricewaterhouseCoopers LLP regarding any other matter that was the subject of a disagreement (as defined in paragraph 304(a)(1)(iv) and the related instructions to Item 304 of Regulation S-K) or a reportable event (as described in paragraph 304(a)(1)(v) of Item 304 of Regulation S-K).

Before selecting PricewaterhouseCoopers LLP as our independent auditors for fiscal year 2004, our audit committee carefully considered the firm's qualifications as independent auditors. This included a review of the qualifications of the engagement team, the quality control procedures the firm has established and its reputation for integrity and competence in the fields of accounting and auditing. The audit committee's review also included matters required to be considered under the SEC's rules on auditor independence, including the nature and extent of non-audit services, to ensure that PricewaterhouseCoopers LLP's independence will not be impaired. The audit committee expressed its satisfaction with PricewaterhouseCoopers LLP in all of these respects.

PricewaterhouseCoopers LLP has been conducting independent audits of our financial statements since May 2002. Representatives of PricewaterhouseCoopers LLP are expected to be present at the 2004 annual meeting of stockholders. They will have the opportunity to address the audience at the meeting, and will be available to answer appropriate questions from stockholders.

PRE-APPROVAL OF INDEPENDENT AUDITOR SERVICES AND FEES

Our audit committee reviewed and pre-approved all audit and non-audit fees for services provided by PricewaterhouseCoopers LLP and has determined that the firm's provision of such services to us during fiscal 2003 is compatible with and did not impair PricewaterhouseCoopers LLP's independence. It is the practice of the audit committee to consider and approve in advance all auditing and non-auditing services provided to us by our independent auditors in accordance with the applicable requirements of the Securities and Exchange Commission.

VOTE REQUIRED AND RECOMMENDATION

Stockholder ratification of the selection of PricewaterhouseCoopers LLP as our independent auditors is not required by our bylaws or other applicable legal requirement. However, our board of directors is submitting the selection of PricewaterhouseCoopers LLP to our stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, our audit committee will reconsider whether or not to retain PricewaterhouseCoopers LLP as our independent auditors. Even if the selection is ratified, our audit committee, at its discretion, may direct the appointment of a different firm to act as our independent auditors at any time during the year if it determines that such a change would be in our best interests and in the best interests of our stockholders.

The affirmative vote of the holders of a majority of the shares of our common stock present or represented by proxy and entitled to vote at the annual meeting will be required to approve this proposal. OUR BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE RATIFICATION OF PRICEWATERHOUSECOOPERS LLP AS OUR INDEPENDENT AUDITORS.

OPTION GRANTS DURING LAST FISCAL YEAR

The following table shows information regarding stock options granted to the named executive officers during fiscal year 2003. Potential realizable values with respect to such options are computed by:

- Multiplying the number of shares of common stock underlying each option by the exercise price,
- Assuming that the total stock value derived from that calculation compounds at the annual 5% or 10% rate shown in the table for the entire ten-year term of the option, and
- Subtracting from that result the total option exercise price.

The 5% and 10% annual return rate is based on the rules of the SEC and do not reflect projections or estimates of future stock price growth. Actual gains, if any, on stock option exercises will be dependent on the future performance of our common stock.

The percentage of total options is based on an aggregate of 1,844,300 options granted by us to our employees, directors and consultants, including the named executive officers, during fiscal 2003. We did not grant any options under

Edgar Filing: PC TEL INC - Form DEF 14A

our 2001 Nonstatutory Stock Option Plan in fiscal 2003. The 1,844,300 shares of common stock subject to options granted in fiscal 2003 does not include 67,356 shares of common stock awarded to our employees and directors, including the named executive officers, pursuant to restricted stock grants made in fiscal 2003. See the summary compensation table on page 16 for a discussion of the restricted stock awards that were made to our named executive officers.

The per share exercise price of stock option grants is equal to the closing sales price of our common stock as reported by The Nasdaq National Market on the date of grant.

AGGREGATE OPTION EXERCISES DURING LAST FISCAL YEAR AND FISCAL YEAR-END OPTION VALUES

The following table presents information regarding the named executive officers concerning option exercises for fiscal 2003 and exercisable and unexercisable options held by such individuals as of December 31, 2003. The "Value Realized" on option exercises is equal to the difference between the closing sales price of our common stock as reported by The Nasdaq National Market on the date of exercise less the option exercise price. The "Value of Unexercised In-the-Money Options at December 31, 2003" is based on a price of \$10.75 closing sales price of our common stock on December 31, 2003 as reported by The Nasdaq National Market, minus the weighted average per share exercise price of options held by such named executive officer, multiplied by the aggregate number of shares underlying the unexercised options held by such officer. The option exercise information in the table does not include the 50,000 shares of common stock awarded to one of our named executive officers in fiscal 2003. Please see the summary compensation table on page 16 for more information regarding the restricted stock awards made to named executive officers in fiscal 2003.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The following is a description of the transactions or series of similar transactions that we have entered into since January 1, 2003 in which the amount exceeds \$60,000, and in which any director, executive officer, nominee for election as a director, holder of more than 5% of our common stock, or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest, other than the change in control arrangements and employment agreements with the named executive officers that are described under "Employment Agreements and Change in Control Arrangements" on page 21.

DEFERRED COMPENSATION PLAN

Effective as of January 20, 2003, the board of directors approved the terms of two deferred compensation plans for our management. The plans will be administered by the compensation committee or as otherwise determined by our board of directors. The principal purpose of the plans is to permit our officers and director-level employees to defer current income and create a long-term compensation benefit that supports our management retention objectives.

The first plan permits the deferral of cash compensation, including salary, bonus and commission payments, and it provides that up to 50% of a participant's salary and all of a participant's bonus or commission payments may be deferred. The minimum annual contribution under the cash deferred compensation plan has been set at \$1,500. Under this plan, we have committed to a matching contribution equal to 4% of the cash compensation deferred pursuant to the plan, with such contribution vesting as to one-third of the total amount each year so that the matching contribution vests fully after three years (subject to the participant's continued employment with us).

The second plan permits the deferral of compensation earned as a result of gains realized pursuant to equity awards, including stock options and restricted stock. All contributions to this plan will be made in shares of our common stock, and participants must specify the amounts to be contributed at least six months before the date on which the stock is to be contributed. This plan does not provide for matching contributions.

EMPLOYMENT AGREEMENT WITH MARTIN SINGER

In July 2003, we entered into an amended and restated employment agreement with Martin Singer, our chief executive officer and chairman of the board. See the section below titled "Employment Agreements and Change in Control Arrangements" for a detailed description of the benefits of such agreement.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our executive officers and directors and persons who own more than ten percent of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC and the National Association of Securities Dealers, Inc. Executive officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file. Based solely on our review of the copies of such forms received by us, or written representations from certain reporting persons, we believe that during fiscal 2003 all executive officers and directors complied with all applicable filing requirements.

EMPLOYMENT AGREEMENTS AND CHANGE IN CONTROL ARRANGEMENTS

MANAGEMENT RETENTION AGREEMENTS

In March 2000, our board of directors authorized the implementation of a management retention program with members of our management and certain other key employees. Upon the involuntary termination of such individual's employment within 12 months following a change of control transaction, such executive officers and key employees will receive the following benefits:

- Chief Executive Officer: cash severance equal to (i) 200% of annual compensation plus (ii) 100% of targeted bonus compensation and 12 months of continued health benefits;
- Vice-Presidents: cash severance equal to (i) 150% of annual compensation plus (ii) 100% of targeted bonus compensation and 12 months of continued health benefits;
- Director-level and other key employees: cash severance equal to (i) 75% of annual compensation plus (ii) 100% of targeted bonus compensation and 12 months of continued health benefits.

In addition, the vesting with respect to all equity awards held by the participants in our management retention program will accelerate so such equity awards shall become fully vested. To date, the participants in the program at the director level or below have not been designated. Each of our named executive officers has entered into a management retention agreement.

EMPLOYMENT AGREEMENTS

In addition to our standard form of confidentiality agreement prohibiting the disclosure of any of our confidential or proprietary information and providing that, upon termination, the former employee will not solicit our employees, we have executed employment agreements with the following named executive officers:

Martin H. Singer. In October 2001, Martin H. Singer became our chief executive officer and chairman of the board and we entered into an employment agreement with Dr. Singer. In July 2003, we entered into an amended five-year term employment agreement with Dr. Singer, pursuant to which we have agreed to pay Dr. Singer an initial annual base compensation of \$385,000. Under the terms of the amended agreement, Dr. Singer is entitled to receive two annual bonuses. The first annual bonus, first paid in 2004, is equal to an amount up to 100% of Dr. Singer's then-current base salary, based on Dr. Singer's individual performance and the attainment of specified corporate objectives. The second annual bonus, first payable in 2005, is equal to an amount to be determined based on the attainment of individual and corporate objectives measured over a rolling two-year period; the maximum bonus payable to Dr. Singer in any two-year period is \$200,000. In addition, we granted to Dr. Singer (i) stock options to purchase 100,000 shares of our common stock at a purchase price of \$11.60, with all of the shares subject to such stock option vesting ratably on a monthly basis over four years, and (ii) 50,000 shares of restricted common stock with our repurchase right lapsing with respect to all of such restricted shares on August 1, 2008, subject to Dr. Singer's continued employment with PCTEL on that date.

The agreement further provides that in the event Dr. Singer's employment is involuntarily terminated by PCTEL (other than for cause, death or disability) or voluntarily by Dr. Singer for good reason (other than following a change of

Edgar Filing: PC TEL INC - Form DEF 14A

control where the benefits to be received under such scenario are governed by the management retention agreements described above), Dr. Singer will receive 24 months continued salary, 100% of targeted bonus compensation (excluding the second annual bonus described above) for the fiscal year in which such termination occurs, up to 18 months continued health benefits and accelerated vesting with respect to his equity awards for the number of shares that would have vested, or been released from our repurchase right, had Dr. Singer continued his employment with us for an additional 12 months following his termination date.

In September 2003, we entered into an addendum to Dr. Singer's amended employment agreement, which provides that at any time prior to July 1, 2008, Dr. Singer may require us to obtain, at our expense, an individual health care policy for the benefit of Dr. Singer and his immediate family. As long as Dr. Singer

21

remains employed by us, we will pay for his health care coverage. If Dr. Singer elects to have us obtain an individual health care policy and satisfies the five-year term of his employment agreement (which five-year term shall be deemed fulfilled if Dr. Singer's employment with PCTEL is terminated without cause or due to death or disability), Dr. Singer will be responsible following his employment termination for payment of premiums under the policy until he reaches age 62. Thereafter, we will be responsible for payment of such premiums until Dr. Singer and his wife reach age 65. Upon Dr. Singer and his wife reaching age 65, our obligation to pay the premiums necessary to maintain the policy will terminate and we will instead be obligated to pay the premiums necessary to maintain a Medicare supplemental policy for the remainder of the lives of Dr. Singer and his wife.

John Schoen. In November 2001, John Schoen joined us as our chief financial officer, chief operating officer and secretary. Mr. Schoen's "at-will" employment agreement sets forth his annual salary and targeted bonus compensation, which is subject to certain milestones. Such employment agreement also provides that in the event Mr. Schoen's employment is involuntarily terminated other than for cause (other than following a change of control where the benefits to be received under such scenario are governed by the management retention agreements referenced above), Mr. Schoen will receive 12 months continued salary, up to 12 months continued health benefits and continued vesting with respect to his equity awards for the 12 months following his termination date.

Jeffrey A. Miller. In November 2001, Jeffrey A. Miller joined us as our vice president, engineering and development. Mr. Miller's "at-will" employment agreement sets forth his annual salary and targeted bonus compensation, which is subject to certain milestones. Such employment agreement also provides that in the event Mr. Miller's employment is involuntarily terminated other than for cause (other than following a change of control where the benefits to be received under such scenario are governed by the management retention agreements referenced above), Mr. Miller will receive 12 months continued salary, up to 12 months continued health benefits and continued vesting with respect to his equity awards for the 12 months following his termination date.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

Notwithstanding any statement to the contrary in any of our previous or future filings with the SEC, this report of the audit committee of the board of

Edgar Filing: PC TEL INC - Form DEF 14A

directors shall not be deemed "filed" with the SEC or "soliciting material" under the Exchange Act, and shall not be incorporated by reference into any such filings.

The audit committee of our board of directors was formed in March 2000 and consists of Carl Thomsen, Richard Alberding and Giacomo Marini, each of whom meets the Nasdaq independence and experience requirements. The audit committee operates under a written charter. During the 2003 fiscal year, the audit committee reviewed its charter and determined that certain amendments would be appropriate in consideration of the provisions of the Sarbanes-Oxley Act and related rules of the SEC and the National Association of Securities Dealers. Upon the recommendation of the audit committee, the board of directors adopted the original charter for the audit committee in August 1999, and approved the latest amended and restated charter for the audit committee in November 2003, a copy of which is attached to this proxy statement as Appendix A.

The purpose of the audit committee is to review the procedures of management for the design, implementation and maintenance of a comprehensive system of internal and disclosure controls and procedures focused on the accuracy of our financial statements and the integrity of our financial reporting systems. The audit committee provides our board of directors with the results of the committee's examinations and recommendations and reports to the board of directors as the committee may deem necessary to make the board aware of significant financial matters that require the board's attention.

The audit committee does not conduct auditing reviews or procedures. The audit committee relies on management's representation that our financial statements have been prepared accurately and in conformity with United States generally accepted accounting principles and on the representations of the independent auditors included in such auditors' report on our financial statements. The audit committee has also adopted a written policy that is intended to encourage our employees to bring to the attention of management and the audit committee any complaints regarding the integrity of our internal financial controls or the accuracy or completeness of financial or other information related to our financial statements.

The audit committee reviews reports and provides guidance to our independent auditors with respect to their annual audit and approves in advance all audit and non-audit services provided by our independent auditors in accordance with applicable regulatory requirements. In connection with the standards for independence of external auditors promulgated by the SEC, during the 2004 fiscal year, the audit committee will consider, in advance of the provision of any non-audit services by our independent auditors, whether the provision of such services is compatible with maintaining the independence of the external auditors.

In accordance with its responsibilities, the audit committee has reviewed and discussed with management the audited financial statements for the year ended December 31, 2003. PricewaterhouseCoopers LLP issued their unqualified report dated February 2, 2004 on our financial statements. The audit committee has also discussed with PricewaterhouseCoopers LLP the matters required to be discussed by SAS No. 61, Communication with Audit Committees. The audit committee has received the written disclosures and the letter from PricewaterhouseCoopers LLP required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and has discussed with PricewaterhouseCoopers LLP its independence, including whether PricewaterhouseCoopers LLP's provision of non-audit services is compatible with its independence.

Edgar Filing: PC TEL INC - Form DEF 14A

Based on these reviews and discussions, the audit committee recommended to our board of directors that our audited financial statements for the year ended December 31, 2003 be included in our Annual Report on Form 10-K for the fiscal year then ended.

Respectfully submitted by:

THE AUDIT COMMITTEE

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

Notwithstanding any statement to the contrary in any of our previous or future filings with the SEC, this report of the compensation committee of the board of directors shall not be deemed "filed" with the SEC or "soliciting material" under the Exchange Act, and shall not be incorporated by reference into any such filings.

The compensation committee of our board of directors was formed in March 2000 and currently consists of Richard Alberding, John Sheehan and Brian Jackman. Recommendations concerning the compensation of our chief executive officer are made to the board of directors by the compensation committee. Decisions concerning the compensation of all of our other executive officers are made by the compensation committee and may be reviewed periodically by the full board of directors (excluding any interested director).

The original charter of the compensation committee was adopted by the board of directors in August 1999 and was subsequently amended in October 2002. During the 2003 fiscal year, the compensation committee reviewed its charter and determined that certain additional amendments would be appropriate in consideration of the provisions of the Sarbanes-Oxley Act and related rules of the SEC and the National Association of Securities Dealers. Upon the recommendation of the compensation committee, in February 2004, the board of directors approved an amended and restated charter for the compensation committee.

RESPONSIBILITIES OF THE COMMITTEE

Acting on behalf of the board of directors, the compensation committee's responsibilities include the following:

- Reviewing the performance of the chief executive officer and our other executive officers;
- Recommending to the board of directors the total compensation package for the chief executive officer and determining the compensation for the other executive officers;
- Reviewing the compensation philosophy for our employees, including the chief executive officer and other executive officers; and
- Administering our employee stock option and employee stock purchase plans, including determining eligibility and the number and type of options to be granted and the terms of such grants.

COMPENSATION PHILOSOPHY

Our philosophy in setting compensation policies for executive officers is to maximize stockholder value over time. The primary goal of our executive compensation program is, therefore, to closely align the interests of the executive officers with those of our stockholders. To achieve this goal, we attempt to offer compensation opportunities that give us the ability to attract and retain executives whose skills are critical to our long-term success, motivate individuals to perform at their highest level, and reward outstanding achievement. In addition, we attempt to maintain a significant portion of each executive's total compensation at risk and tied to our achievement of financial, organizational and management performance goals, thus encouraging executives to manage from the perspective of owners with an equity stake in us. To achieve these goals, the compensation committee has established an executive compensation program primarily consisting of cash compensation, stock options, restricted stock grants and other compensation and benefit programs generally available to other employees. In January 2003, the compensation committee recommended and the board of directors approved the implementation of a deferred compensation plan for the benefit of our officers and key managers.

EXECUTIVE OFFICER COMPENSATION

The cash component of total compensation, which consists of base salary and bonus, is designed to compensate executives competitively within the industry and marketplace. The compensation committee, on an annual basis, reviews and recommends to the board of directors the base salary and bonus (with associated milestones) for the chief executive officer and reviews and approves the base salaries and target bonuses (with associated milestones) for our other executives. Our executives' compensation in fiscal 2003 was established by the compensation committee based upon each executive's scope of job responsibilities, level of experience,

25

past performance, contribution to our business, and data on prevailing compensation levels in relevant markets for executive talent. Regarding the latter measure, certain companies included in the peer group index of the stock performance graph are also included in surveys reviewed by the compensation committee in reviewing salary levels for our chief executive officer and other executive officers.

In addition to base salary, we pay annual bonuses to our executive officers. These annual bonuses are intended to provide a direct link between management compensation and the achievement of corporate and individual objectives. The amount of bonus is determined based upon an executive's achievement of certain milestones, which are approved by the board of directors for our chief executive officer and reviewed by the board of directors for our other executive officers.

We provide long-term incentives through the grant of restricted stock and stock options under our stock option plans, particularly our 1997 Stock Plan and our 1998 Employee Stock Purchase Plan. The purpose of our 1997 Stock Plan is to attract and retain the best employee talent available and to create a direct link between compensation and our long-term performance. The compensation committee believes that stock and options directly motivate an executive to maximize long-term stockholder value. The stock and options also utilize vesting periods to encourage key executives to continue in our employment. All stock options granted to executive officers to date have been granted at the fair market value of our common stock on the date of grant. The board considers each stock and option grant subjectively, considering factors such as the individual performance of the executive officer and the anticipated contribution of the executive officer to the attainment of our long-term strategic performance goals. Because the receipt of value by an executive officer under a stock option

Edgar Filing: PC TEL INC - Form DEF 14A

is dependent upon an increase in the price of our common stock, this portion of the executive's compensation is directly aligned with an increase in stockholder value. Generally, restricted stock and/or stock options are granted to an executive officer in conjunction with the executive officer's acceptance of employment. When determining the number of shares of stock or the number of stock options to be awarded to an executive officer, the compensation committee considers the individual's current contribution to our performance, the executive officer's anticipated contribution in meeting our long-term strategic performance goals, and comparisons to formal and informal surveys of executive stock and option grants made by other peer companies. The compensation committee also reviews stock and option levels for executive officers at the beginning of each fiscal year in light of long-term strategic and performance objectives and each executive's current and anticipated contributions to our future performance.

2003 CHIEF EXECUTIVE OFFICER COMPENSATION

The compensation committee reviews the chief executive officer's compensation using the same criteria and policies as are employed for the other executive officers. The compensation committee based its compensation recommendations for fiscal 2003 on a variety of factors, including the scope and responsibility of the chief executive officer and comparisons of chief executive officer compensation levels for companies of similar size and maturity. The compensation committee also focused on our performance during fiscal 2002 in setting the compensation for fiscal 2003. In 2003, we entered into a five-year amended employment agreement with our chief executive officer which included, among other things, an increase in his base salary, additional stock option grants and restricted stock awards, a new, additional annual bonus first payable in 2005, the amount of which will be determined based on the achievement of corporate and individual objectives measured over a two-year period, and additional health care benefits to be provided to our chief executive officer and his family during and following the course of his employment with PCTEL.

The compensation of Dr. Singer for fiscal year 2003, as our current chief executive officer and chairman of the board, included \$367,500 in base salary, a \$302,281 bonus, the grant of options to purchase up to 160,000 shares of our common stock and a restricted stock grant of 50,000 shares of common stock. Dr. Singer also received additional compensation in the aggregate amount of \$46,906, which included a car allowance, health insurance and life insurance benefits, matching contributions from us in connection with his participation in our executive deferred compensation plan and our 401(k) plan, and various perquisites.

26

QUALIFYING COMPENSATION

In general, it is our policy to qualify, to the maximum extent possible, our executives' compensation for deductibility under applicable tax laws. The compensation committee has considered the potential impact of Section 162(m) of the Internal Revenue Code on the compensation paid to our executive officers. None of the executive officers named in the proxy statement were compensated over \$1.0 million in 2003.
