Item 1.01. Entry Into a Material Definitive Agreement.

On August 14, 2008, Lime Energy Co. (the Company or Lime) entered into an AR Note Issuance Agreement (Note Agreement), Second Amended and Restated Revolving Line of Credit Notes and a Security Agreement with Richard Kiphart and Advanced Biotherapy, Inc. (the Notes) totaling \$16,000,000. Among other things, the Note Agreement increased Mr. Kiphart s commitment under his Note to \$14,500,000 from \$9,500,000. Advanced Biotherapy s Note remains at \$1,500,000. The amendments also granted Mr. Kiphart and Advanced Biotherapy a security interest in all of the Company s assets, subordinate to any Senior Lender, and modified the provision that permits the noteholder s to convert the notes if they are not repaid on or before the maturity date (March 31, 2009) to fix the conversion price at \$7.93 per share.

The Notes continue to bear interest at 17% per annum, with 12% payable in cash and the remaining 5% to be capitalized and added to the principal balance on the Notes. The Notes also require the payment of an unused funds fee of 4% per annum on the unused portion of the Notes. The Company may borrow any amount, at any time during the term of the Note as long as it is not in default at the time of the advance, provided that the total advances under the Notes, net of repayments, may not exceed \$11 million. If the Company terminates the Notes before their scheduled maturity it will be required to pay a termination fee based on a formula that is approximately equal to approximately \$1,500 for each day remaining before the scheduled maturity.

Events of default include:

- i) failure to pay interest or unused funds fees within 10 days of written demand;
- ii) failure to pay outstanding principal and accrued interest thereon on the maturity date;
- iii) failure to pay termination fees on the termination date;
- iv) the Company makes an assignment for the benefit of creditors or admits in writing its inability to pay its debts generally as they become due; or an order, judgment or decree is entered adjudicating the Company bankrupt or insolvent; or any order for relief with respect to the Company is entered under the Federal Bankruptcy Code; or the Company petitions or applies to any tribunal for the appointment of a custodian, trustee, receiver or liquidator of the Company, or of any substantial part of the assets of the Company, or commences any proceeding relating to the Company under bankruptcy reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction; or any such petition or application is filed, or any such proceeding is commenced, against the Company and such petition, application or proceeding is not dismissed within sixty (60) days; or
- v) the Company sell substantially all of its assets.

Edgar Filing: LIME ENERGY CO. - Form 8-K

Proceeds from the increased availability under the Notes will be used to fund the Company's working capital needs and for other general corporate purposes.

Mr. Kiphart is the chairman of the Company's board of directors and is its largest individual stockholder. Mr. Kiphart is also the chairman of the board of Advanced Biotherapy, Inc., and owns the majority of the common stock of Advanced Biotherapy. Mr. David Valentine, one of Lime Energy's directors, is also a director and stockholder of Advanced Biotherapy.

The description of the Notes is not intended to be complete and is qualified in its entirety by the complete text of the Notes, the Note Issuance Agreement and the Security Agreement, which are attached as exhibits 10.1, 10.2, 10.3 and 10.4, respectively, to this report and are incorporated herein by reference.
