FOR IMMEDIATE RELEASE

PER-SE TECHNOLOGIES ANNOUNCES ADJUSTMENT TO INCREASE CASH
CONSIDERATION UNDER MERGER AGREEMENT WITH NDCHEALTH
CORPORATION; TOTAL CONSIDERATION REMAINS \$19.50 PER SHARE

ALPHARETTA, GA. -- DECEMBER 28, 2005 -- Per-Se Technologies, Inc. (Nasdaq: PSTI) today announced that it has elected to exercise its right to increase the cash portion (with a corresponding decrease to the stock portion) of the merger consideration under the terms of its previously announced merger agreement with NDCHealth Corporation (NYSE: NDC). As a result of this election, upon the closing of the merger, each share of NDCHealth common stock will be converted into the right to receive \$14.05 in cash, plus a number of shares of Per-Se common stock equal to \$5.45 divided by an applicable price per share of Per-Se common stock. Unless Per-Se makes certain issuances of common stock prior to the closing, the applicable price per share of Per-Se common stock will be the average of the volume weighted sales prices per share of Per-Se common stock on the Nasdaq National Market for the 20 consecutive full trading days ending on the third trading day prior to, but not including, the closing date of the merger.

Each company will hold a special meeting of stockholders on January 5, 2006, to consider matters relating to the proposed merger. The merger remains subject to customary closing conditions, including requisite approvals by the stockholders of both companies. The parties expect to close the proposed merger transaction soon after the companies conduct their special meetings of stockholders and receive the requisite stockholder approvals.
