ITEM 2. ACQUISITION OR DISPOSITION OF ASSETS

On April 14, 2003 Escalade, Inc.'s ("Escalade") wholly owned subsidiary Martin Yale Industries, Inc. ("Martin Yale") successfully completed a tender offer for Schleicher & Co., International AG ("Schleicher"). After the tender offer, Martin Yale owns 97.2% or 2,784,603 shares of Schleicher. The acquisition of shares was for cash and the cost of the acquisition was \$12,486,092.

Schleicher, a Germany company, has office and manufacturing facilities in Germany and sales/distribution facilities in France, England and the United States. The assets of Schleicher include accounts receivable; inventory; and property, plant and equipment used in the manufacture and distribution of data shredders. Escalade intends to maintain Schleicher's current locations and will use the property, plant and equipment to manufacture Schleicher's current product line. Escalade believes the business combination of Martin Yale and Schleicher has significant synergies that have immediate benefits to both companies.

Schleicher shares were acquired through direct purchases on the German stock market, privately negotiated transactions and the tender offer. Cash for the acquisition was obtained from the Company's long-term financing agreement with Bank One Indiana, N.A.

This amendment to Escalade's Current Report on Form 8-K filed with the Securities and Exchange Commission on April 29, 2003, is submitted to include the financial statements and pro forma financial information required by Item 7, which were impracticable to provide at the time the Form 8-K was initially filed.
