Item 5. Other Events.

DATATRAK International, Inc. (the Company) has entered into a 12 month consulting arrangement with Neal G. Feagans. Mr. Feagans activities include assisting and advising the Company on various aspects of its investor relations program. Effective April 21, 2003, the Company issued 30,000 restricted common shares to Mr. Feagans as consideration for his consulting services. The common shares were issued directly by the Company to Mr. Feagans in a transaction exempt from registration under Section 4(2) of the Securities Act of 1933, as amended (the Securities Act). Because the common shares are restricted securities under the

Securities Act, such common shares can only be sold pursuant to a registered public offering or an exemption from registration under Rule 144 of the Securities Act. In addition, effective May 27, 2003, the Company granted a stock option to Mr. Feagans to purchase 25,000 common shares at an exercise price of \$2.64, the market price of the common shares on the date of grant. The option will become exercisable in equal amounts over a three-year period and expires on the tenth anniversary of the date of grant. The option was granted under the Company's Amended and Restated 1996 Key Employees and Consultants Stock Option Plan.
