Item 2.01 Completion of Acquisition or Disposition of Assets.

On December 8, 2006, The Timken Company (the Company) and its subsidiaries, Latrobe Steel Company (Latrobe Steel) and Timken Alloy Steel Europe Limited (Timken Alloy), entered into a Stock Purchase Agreement (the Stock Purchase Agreement) with Toolrock Holding, Inc. (the Purchaser) and its subsidiary, Toolrock Acquisition LLC (Acquisition Sub). Pursuant to the terms of the Stock Purchase Agreement, the Purchaser has acquired all of the outstanding capital stock of Latrobe Steel (the Purchase). A copy of the press release announcing the entry into the Stock Purchase Agreement and the completion of the Purchase is filed as Exhibit 99.1 hereto. The description of the Stock Purchase Agreement contained herein does not purport to be complete and is qualified in its entirety by reference to the full text of the Stock Purchase Agreement, a copy of which is filed as Exhibit 10.1 hereto and is incorporated by reference.

The Purchaser paid an aggregate purchase price of approximately \$215 million in cash for the capital stock of Latrobe Steel, subject to a post-closing working capital adjustment. The Purchase also entailed the assumption of Latrobe Steel's retirement plan obligations under the collective bargaining agreement covering current and former Latrobe Steel employees. In connection with the Purchase, the Company has agreed to pay approximately \$21 million to terminate an operating lease.

In accordance with applicable accounting principles, the results of Latrobe Steel will be reclassified to discontinued operations for 2006 and preceding years. The sale will have a negative impact on Timken's earnings in the near term. Latrobe Steel's sales for 2005 were approximately \$345 million, or nearly seven percent of the Company's overall sales for that period. For the first nine months of this year, the estimated impact on the Company's Steel Group is approximately \$266 million in sales and approximately \$42 million in EBIT.

Item 9.01. Financial Statements and Exhibits.

(b) The company will provide the pro forma financial information required by Item 9.01 (b) of Form 8-K by amendment to this Form 8-K no later than the required filing date for this Current Report on Form 8-K.
