EP Power's principal business address and office is located at 1001 Louisiana Street, Houston, Texas 77002. The principal business of EP Power is to engage in energy related investments. The sole member of EP Power is El Paso Merchant Energy North America Company ("El Paso Merchant"), a Delaware corporation primarily engaged in the business of asset ownership, trading and risk management and financial services in the energy marketplace. El Paso Merchant's principal business address and office is located at 1001 Louisiana Street, Houston, Texas 77002. El Paso Merchant is a subsidiary of El Paso Tennessee Pipeline Co. ("El Paso Tennessee"), a Delaware corporation primarily engaged in energy and related businesses. El Paso Tennessee's principal business address and office is located at 1001 Louisiana Street, Houston, Texas 77002. El Paso Tennessee is a subsidiary of El Paso Corporation ("El Paso"), a Delaware corporation, serving primarily as a holding company for its various subsidiaries, which are engaged in energy and related businesses. El Paso's principal business address and office is located at 1001 Louisiana Street, Houston, Texas 77002.

Information required pursuant to Item 2(d) and (e) for EP Power, El Paso Merchant, El Paso Tennessee and El Paso and current information concerning the members of the board of directors and executive officers of EP Power, El Paso Merchant, El Paso Tennessee and El Paso is set forth on Schedule I hereto.

### Item 3. Source and Amount of Funds or Other Consideration.

EP Power and four additional investors (the "Additional Investors") entered into a Securities Purchase Agreement, dated as of July 31, 2001, with the Company (the "Securities Purchase Agreement") to acquire certain classes of the Company's securities. The transactions contemplated by the Securities Purchase Agreement were consummated on September 7, 2001. Under the terms of the Securities Purchase Agreement, EP Power purchased \$4,000,000 of the Company's securities as described more fully below.

The source of funds for EP Power's purchase of the securities pursuant to the Securities Purchase Agreement came from EP Power's working capital.

EP Power is currently deemed to have beneficial ownership of the securities to be issued pursuant to the Securities Purchase Agreement because it owns Common Stock directly or has the right to acquire Common Stock indirectly through the conversion of the Convertible Preferred Stock (defined below) or the exercise of warrants to purchase Common Stock or Convertible Preferred Stock, as applicable, within sixty days of September 7, 2001.

It is anticipated that the source of funds for EP Power's exercise of the warrants issued under the Securities Purchase Agreement will be provided by EP Power's working capital.

### Item 4. Purpose of Transaction.

## Edgar Filing: EP POWER FINANCE LLC - Form SC 13D

EP Power acquired for investment purposes \$4,000,000 of the Company's securities, consisting of 400,000 shares of Series A Convertible Preferred Stock ("Convertible Preferred Stock"), warrants to purchase 100,000 shares of Convertible Preferred Stock, 80,217 shares of Common Stock and warrants to purchase 750,000 shares of Common Stock pursuant to the Securities Purchase Agreement.

The Company's board of directors is currently comprised of eight members. Under the terms of the Securities Purchase Agreement, holders of the Convertible Preferred Stock have the right to elect up to four additional directors, at which time the Company's board of directors will consist of 12 directors. EP Power has the right to elect one director of the Company.

EP Power expects to evaluate on a continuing basis its goals and objectives and general economic and equity market conditions, as well as the Company's business operations and prospects. Based on such evaluations, from time to time in the future, EP Power may (1) convert the Convertible Preferred Stock into Common Stock, (2) exercise the warrants to purchase the Convertible Preferred Stock, and subsequently convert such stock into Common Stock, or (3) exercise the warrants to purchase Common Stock for investment purposes. EP Power may also make additional purchases of the Company's Common Stock. EP Power may, subject to the Investor Rights Agreement (defined below) and the Stock Trading Agreement (defined below), from time to time sell all or a portion of the Common Stock that it now holds either in private placements, in the open market pursuant to Rule 144, and/or pursuant to Regulation S and other available exemptions from the registration requirements of the Securities Act of 1933.

Except as set forth above, neither EP Power nor, to the knowledge of EP Power, any of the persons named in Schedule I to this document, has any plans or proposals that relate to or would result in any of the matters referred to in paragraphs (a) through (j) of Item 4 of Schedule 13D. EP Power, however, may at any time and from time to time, review or reconsider its position with respect to any of such matters.

### Item 5. Interest in Securities of the Issuer.

(a) EP Power and the Additional Investors entered into the Securities Purchase Agreement to acquire certain classes of the Company's securities. Under the terms of the Securities Purchase Agreement, EP Power purchased 400,000 shares of Convertible Preferred Stock, warrants to purchase 100,000 shares of Convertible Preferred Stock, 80,217 shares of Common Stock and warrants to purchase 750,000 shares of Common Stock. The Additional Investors purchased, in the aggregate, 1,200,000 shares of Convertible Preferred Stock, warrants to purchase 300,000 shares of Convertible Preferred Stock, 240,651 shares of Common Stock and warrants to purchase 2,250,000 shares of Common Stock. Additionally, in partial consideration for Newcourt Capital Securities, Inc.'s ("Newcourt") services as a placement agent in connection with the Securities Purchase Agreement, the Company issued to Newcourt warrants to purchase 3,314,830 shares of its Common Stock ("Placement Agent Warrants").

Based on the initial conversion ratio for the Convertible Preferred Stock (described below), EP Power, the Additional Investors and Newcourt, collectively, are the beneficial owners of 26,635,698 shares of Common Stock. Of this total number of shares, EP Power, the Additional Investors and Newcourt have a right to acquire 26,314,830 shares of Common Stock from the exercise of the warrants to purchase Common Stock and Convertible Preferred Stock and the conversion of the Convertible Preferred Stock. Based on the 30,722,167 shares of Common Stock issued and

## Edgar Filing: EP POWER FINANCE LLC - Form SC 13D

outstanding as of July 31, 2001, as disclosed in the Company's quarterly report on Form 10-QSB for the quarter ended June 30, 2001, EP Power, the Additional Investors and Newcourt, as a group, may be deemed to beneficially own approximately 46.44% of the outstanding Common Stock. However, EP Power disclaims beneficial ownership of shares of Common Stock beneficially owned by the Additional Investors and Newcourt. Therefore, EP Power beneficially owns 5,830,217 shares of Common Stock on an as converted basis. This number includes 5,750,000 shares of Common Stock for which EP Power has a right to acquire pursuant to the exercise of the warrants to purchase Common Stock and Convertible Preferred Stock and the conversion of the Convertible Preferred Stock. Based on the 30,722,167 shares of Common Stock issued and outstanding as of July 31, 2001, as disclosed in the Company's quarterly report on Form 10-QSB for the quarter ended June 30, 2001, EP Power may be deemed the beneficial owner of approximately 15.95% of the outstanding Common Stock.

Except as otherwise described herein, none of the controlling members or members of the board of directors or executive officers of EP Power and the controlling members named in Item 2 are the beneficial owners of any shares of Common Stock purchased or to be purchased by EP Power.

(b) EP Power has the sole power to vote and direct the vote or to dispose or direct the disposition of 5,830,217 shares of Common Stock on an as converted basis. EP Power disclaims beneficial ownership of shares of Common Stock beneficially owned by the Additional Investors and Newcourt.

No controlling member or member of the board of directors or executive officer of EP Power or a controlling member named in Item 2 has the sole power to vote or direct the vote or dispose or direct the disposition of any shares of Common Stock purchased or to be purchased by EP Power.

(c) See Item 6 below.

(d) No other person is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Common Stock purchased or to be purchased by EP Power.

### Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to the Securities of the Issuer.

On July 31, 2001, EP Power and the Additional Investors entered into the Securities Purchase Agreement with the Company. The transactions contemplated by the Securities Purchase Agreement were consummated on September 7, 2001. Pursuant to the terms of the Securities Purchase Agreement, EP Power and the Additional Investors collectively purchased \$16,000,000 in aggregate amount of Convertible Preferred Stock, warrants to purchase Convertible Preferred Stock, shares of Common Stock and warrants to purchase Common Stock. EP Power purchased for \$4,000,000 the following securities:

1. 400,000 shares of Convertible Preferred Stock;
2. warrants to purchase 100,000 shares of Convertible Preferred Stock at an initial exercise price of \$10.00 per share;
3. 80,217 shares of Common Stock; and
4. warrants to purchase 750,000 shares of Common Stock at an initial exercise price of \$1.00 per share.

The Convertible Preferred Stock is convertible within 60 days of September 7, 2001 into shares of Common Stock at the option of the holder as determined by dividing \$10.00 by the conversion price, which has

## Edgar Filing: EP POWER FINANCE LLC - Form SC 13D

been initially set at \$1.00, multiplied by each share of Convertible Preferred Stock, subject to adjustments as set forth in the Securities Purchase Agreement. Based on the initial conversion ratio, EP Power has the right to acquire 5,000,000 shares of Common Stock as a result of the conversion of the Convertible Preferred Stock and the exercise of the warrants to purchase Convertible Preferred Stock. Each outstanding share of Convertible Preferred Stock is entitled to dividends at a rate of 10% per year of its stated value, which is \$10.00. The Company may pay dividends in cash or additional shares of Convertible Preferred Stock until the first dividend payment that occurs after three years following the initial issuance of the Convertible Preferred Stock. After that date, dividends must be paid in cash and the dividend rate increases 0.5% every six months to a maximum rate of 15% per year.

Pursuant to the terms of the Convertible Preferred Stock, EP Power and the Additional Investors have the right to elect up to four directors of the twelve-member board of directors, subject to decrease depending on the number of shares of Convertible Preferred Stock outstanding. Depending on the number of shares of Convertible Preferred Stock outstanding, the holders will also have special approval rights to approve certain matters in which the Company proposes to engage.

In connection with the Securities Purchase Agreement, the Company entered into certain ancillary agreements -- the Investor Rights Agreement, the Stockholders Agreement and the Stock Trading Agreement. Under the terms of the Investor Rights Agreement, dated as of July 31, 2001 (the "Investor Rights Agreement"), between the Company, EP Power, the Additional Investors and Newcourt, which became effective on September 7, 2001, EP Power, the Additional Investors and Newcourt have the right to require the Company to register the shares of Common Stock received directly or indirectly pursuant to the Securities Purchase Agreement or the Common Stock to be received by Newcourt upon exercise of the Placement Agent Warrants. EP Power, the Additional Investors and Newcourt, as a group, have the right to demand an aggregate of four registrations provided that each registration represents at least \$5 million of market value. EP Power, the Additional Investors and Newcourt are also entitled to customary "piggyback" registration rights. Under the Investors Rights Agreement, EP Power, the Additional Investors and Newcourt have preemptive rights with respect to future sales by the Company of its capital stock to permit such parties to maintain their percentage ownership interests.

On July 31, 2001, EP Power, the Additional Investors and the Company entered into the Stockholders Agreement (the "Stockholders Agreement"), which became effective on September 7, 2001. Under the Stockholders Agreement, each investor (with two of the investors being treated as one) has the right to designate one member to the Board of Directors and to have a representative attend all meetings of the Board of Directors as a board observer so long as it holds at least 200,000 shares of Convertible Preferred Stock. Additionally, EP Power, the Additional Investors and the Company have agreed that for so long as an investor owns at least 2,000,000 shares of Common Stock, subject to adjustments, a representative of such investor is entitled to attend all meetings of the Board of Directors as an observer if such investor does not have a designated board member. Each investor also agrees that if it converts more than 50% of the Convertible Preferred Stock it purchases under the Securities Purchase Agreement, it will, at the request of the Company, convert the remainder of its Convertible Preferred Stock.

On July 31, 2001, EP Power, the Additional Investors, Newcourt and certain officers of the Company entered into the Stock Trading Agreement (the "Stock Trading Agreement") that limits the ability of EP Power, the Additional Investors, Newcourt and such officers (the

## Edgar Filing: EP POWER FINANCE LLC - Form SC 13D

"Restricted Parties") to sell Common Stock into the public market. The Stock Trading Agreement became effective on September 7, 2001. The Restricted Parties may not sell their shares of Common Stock until the Company has completed a qualified primary offering, as set forth in the Stock Trading Agreement, without complying with the sale restrictions set forth in such agreement. If the Company does not complete a qualified public offering within 18 months after the closing of the Securities Purchase Agreement, the parties may sell their shares subject to certain trading volume and block sale limitations set forth in the Stock Trading Agreement. Each of the Restricted Parties and the Company has a right of first offer if any other Restricted Party intends to sell its shares in a private transaction. The Stock Trading Agreement will terminate September 7, 2004. However, if a qualified primary offering is completed within three years after the Stock Trading Agreement becomes effective, the Stock Trading Agreement will terminate 18 months after the completion of the qualified primary offering. Except as set forth above, to the knowledge of EP Power, there are no contracts, arrangements, understandings or relationships (legal or otherwise) between EP Power and any other person with respect to any securities of the Company, including, but not limited to, transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.
