Emerging growth company

Edgar Filing: ASTROTECH Corp - Form 8-K

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act.

Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

On February 7, 2018, the Audit Committee of the Board of Directors (the “Audit Committee”) of Astrotech Corporation (the “Company”) concluded, after discussions with Company management and BDO USA, LLP, the Company’s independent registered public accounting firm, that the interim financial statements contained in the Company’s Quarterly Report on Form 10-Q for the quarter ended September 30, 2017 (the “Affected Period”) should no longer be relied upon for the reason summarized below.

The Company is restating such interim financial statements to correct the calculation of “Net Loss per Common Share” in the Condensed Consolidated Statements of Operations and Comprehensive Loss for the three months ended September 30, 2017 and 2016. This was inadvertently caused by a reverse stock split occurring after the end of the quarter. Accordingly, the Company is amending its Quarterly Report on Form 10-Q for the quarter ended September 30, 2017.

The Audit Committee and Company management have discussed the matters disclosed on this Current Report on Form 8-K with the Company’s independent registered public accounting firm, BDO USA, LLP.

As a result of the error described above, management has concluded that the Company’s internal control over financial reporting and its disclosure controls and procedures were not effective as of the end of the applicable restatement period. The Company will amend any disclosures pertaining to its evaluation of such controls and procedures, as appropriate, in connection with the amended filing.
