**Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

As previously reported in the Current Report on Form 8-K of eMagin Corporation (the “Company”) dated as of October 13, 2006, on October 9, 2006, the Company received notice from the American Stock Exchange (the “AMEX”) Listing Qualifications Department, stating that the Company does not meet certain of the AMEX’s continued listing standards as set forth in Part 10 of the AMEX Company Guide (the “Company Guide”). Specifically, pursuant to a review by the AMEX of the Company’s 10-Q for the three and six months ended June 30, 2006, the AMEX has determined that the Company is not in compliance with Sections 1003(a)(ii) and 1003(a)(iii) of the Company Guide, respectively, which state, in relevant part, that the AMEX will normally consider suspending dealings in, or removing from the list, securities of a company that (a) has stockholders' equity of less than \$4,000,000 if such company has sustained losses from continuing operations and/or net losses in three of its four most recent fiscal years; or (b) has stockholders' equity of less than \$6,000,000 if such company has sustained losses from continuing operations and/or net losses in its five most recent fiscal years, respectively.

On November 6, 2006, the Company submitted a plan advising the AMEX of actions that it will take, which may bring it into compliance with Sections 1003 (a)(ii) and 1003(a)(iii) of the Company Guide within a maximum of 18 months of receipt of the notice letter. The plan included specific milestones, quarterly financial projections, and details relating to any strategic initiatives the Company plans to complete.

As previously reported in the Current Report on Form 8-K of the Company dated as of January 11, 2007, on January 5, 2007 the Company received notice from the staff of the AMEX indicating that it intends to strike the Company’s common stock from listing on AMEX by filing a delisting application with the Securities and Exchange Commission. In its letter, the AMEX stated that it has determined that the Company has failed to comply with the aforementioned continued listing standards. The AMEX rules provide for an appeal of the above decision and the Company requested a hearing in accordance with appropriate procedures as outlined by the Company Guide. The hearing was held on February 27, 2007.

On March 1, 2007, the Company received notice from the AMEX indicating that the AMEX will initiate the delisting process with respect to the Company’s common stock and will suspend trading on March 12, 2007, in accordance with Part 12 of the Company Guide. The Company is taking the necessary steps to have its common stock traded on the Over-the-Counter Bulletin Board.

On March 7, 2007, the Company issued a press release announcing the AMEX notice, a copy of which is attached hereto as Exhibit 99.1.

In accordance with General Instruction B.2 of Form 8-K, the information in this Current Report on Form 8-K, including Exhibit 99.1, shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liability of that section, and shall not be incorporated by reference into any registration statement or other document filed under the Act or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.
