PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of eMagin Corporation (“eMagin” or the “Company”) to be voted at the Annual Meeting of Stockholders which will be held at the offices of Sichenzia Ross Friedman Ference LLP on Thursday, November 18, 2010, at 10:00 a.m. Eastern time, and at any postponements or adjournments thereof.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Stockholders to be held November 18, 2010. The Proxy Statement and our 2009 Annual Report to Stockholders are available at: <http://www.cstproxy.com/emagin/2010>.

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

What is the purpose of the Annual Meeting?

At our Annual Meeting, stockholders will act upon the matters outlined in the Notice of Annual Meeting on the cover page of this Proxy Statement, including (i) the election of six (6) persons named herein as nominees for directors of the Company, to hold office for staggered terms of one, two and three years, until their successors are duly elected and qualified or until their earlier resignation or removal (provided that, if proposal No. 3 is approved, the term of each director shall be until the next annual meeting of stockholders and until their successors are duly elected and qualified), (ii) ratification of the appointment of Eisner Amper LLP as the Company’s independent auditors for the fiscal year ending December 31, 2010, and (iii) approval of an amendment to the Company’s amended and restated certificate of incorporation to eliminate the classified board of directors. In addition, management will report on the performance of the Company during fiscal year 2009 and respond to questions from stockholders.

Who is entitled to vote at the meeting?

Stockholders of record at the close of business on September 30, 2010, the record date for the meeting, are entitled to receive notice of and to participate in the Annual Meeting. As of the record date, the Company had outstanding and entitled to vote 19,938,992 shares of common stock and 5,679 shares of its outstanding Series B Convertible Preferred Stock, of which each share of Series B Convertible Preferred Stock is entitled to voting rights equal to the number of shares of common stock issuable upon Conversion of the Series B Convertible Preferred Stock. The common stock and Series B Convertible Preferred Stock are the only classes of stock of eMagin that is outstanding and entitled to vote at the Annual Meeting. If you were a stockholder of record of common stock or Series B Convertible Preferred

Stock on that record date, you will be entitled to vote all of the shares that you held on that date at the meeting, or any postponements or adjournments of the meeting. Each outstanding share of eMagin common stock will be entitled to one vote on each matter and each share of Series B Convertible Preferred Stock will be entitled to voting rights equal to the number of shares of common stock issuable upon Conversion of the Series B Convertible Preferred Stock. Stockholders who own shares registered in different names or at different addresses will receive more than one Proxy card. You must sign and return each of the Proxy cards received to ensure that all of the shares owned by you are represented at the Annual Meeting.

Who can attend the meeting?

Only stockholders as of the record date, or their duly appointed proxies, may attend the meeting. Seating, however, is limited. Admission to the meeting will be on a first-come, first-served basis. The Annual Meeting of Stockholders will begin at 10:00 a.m. Eastern time. Cameras, recording devices and other electronic devices will not be permitted at the meeting.

Why is the Company soliciting proxies?

Because many of our stockholders are unable to personally attend the Annual Meeting, the Board of Directors of eMagin (the "Board" or the "Board of Directors") solicits the enclosed Proxy so that each stockholder is given an opportunity to vote. This Proxy enables each stockholder to vote on all matters which are scheduled to come before the meeting. When the Proxy is returned properly executed, the stockholder's shares will be voted according to the stockholder's directions. Stockholders are urged to specify their choices by marking the appropriate boxes on the enclosed Proxy card.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the number of shares of common stock and Series B Convertible Preferred Stock (on an as-converted basis with the common stock) issued and outstanding on the record date will constitute a quorum permitting the meeting to conduct its business. As noted above, as of the record date, there are 19,938,992 shares of eMagin common stock and 5,679 shares of Series B Convertible Preferred Stock, convertible into 7,572,000 shares of common stock, issued and outstanding. Thus, the presence of the holders of common stock and Series B Convertible Preferred Stock (on an as-converted basis with the common stock) representing at least 13,755,497 votes will be required to establish a quorum.

How do I vote?

For your convenience, eMagin is offering you four methods of voting.

- You may indicate your vote on the enclosed Proxy card, sign and date the card, and return the card in the enclosed prepaid envelope.
- You may vote by telephone by calling the toll free number that appears on the enclosed Proxy card and following the instructions given.
- You may vote via the Internet by following the instructions provided on the enclosed Proxy card.
- You may attend the meeting and vote in person.

All shares entitled to vote and represented by a properly completed and executed Proxy received before the meeting and not revoked will be voted at the meeting as you instruct in a Proxy delivered before the meeting. If you do not indicate how your shares should be voted on a matter, the shares represented by your properly completed and executed Proxy will be voted as the Board of Directors recommends on each of the enumerated proposals and with regard to any other matters that may be properly presented at the meeting and all matters incident to the conduct of the meeting. If you are a registered stockholder and attend the meeting, you may deliver your completed Proxy card in person. "Street name" stockholders who wish to vote at the meeting will need to obtain a Proxy form from the institution that holds their shares. All votes will be tabulated by the inspector of election appointed for the meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

Can I vote by telephone or electronically?

If you are a registered stockholder (that is, if you hold your stock in certificate form), you may vote by telephone, or electronically through the Internet, by following the instructions included with your Proxy card. If your shares are held in "street name," please check your Proxy card or contact your broker or nominee to determine whether you will be able to vote by telephone or electronically. Please follow the voting instructions on the enclosed Proxy card.

In order to vote your shares either by Internet or telephone, please follow the instructions on your Proxy card.

Can I change my vote after I return my Proxy card?

A Proxy may be revoked by giving the Chairman of the Board of Directors of eMagin written notice of revocation at any time before the voting of the shares represented by the Proxy. A stockholder who attends the meeting may revoke a Proxy at the meeting. Attendance at the meeting will not, by itself, revoke a Proxy.

Abstentions and broker non-votes

While the inspectors of election will treat shares represented by Proxies that reflect abstentions or include "broker non-votes" as shares that are present and entitled to vote for purposes of determining the presence of a quorum, abstentions or "broker non-votes" do not constitute a vote "for" or "against" any matter and thus will be disregarded in any calculation of "votes cast." However, abstentions and "broker non-votes" will have the effect of a negative vote if an item requires the approval of a majority of a quorum or of a specified proportion of all issued and outstanding shares.

What are the Board's recommendations?

Unless you give other instructions on your Proxy card, the persons named as proxy holders on the Proxy card will vote in accordance with the recommendations of the Board of Directors. The Board's recommendation is set forth together with the description of each item in this Proxy Statement. In summary, the Board recommends a vote:

- for election of the six (6) directors nominated by the Company to hold office for staggered terms of one, two and three years and until their successors are duly elected and qualified (provided that, if proposal No. 3 is approved, the term of each director shall be until the next annual meeting of stockholders and until their successors are duly elected and qualified);
- for ratification of the appointment of Eisner Amper LLP as the Company's independent auditors for fiscal year 2010; and
- for approval of an amendment to the Company's amended and restated certificate of incorporation to eliminate the classified board of directors.

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

What vote is required to approve each item?

The election of the directors of the Company requires the affirmative vote of a plurality of the votes cast by stockholders at the Annual Meeting. A properly executed Proxy marked "WITHHOLD AUTHORITY" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for the purposes of determining whether there is a quorum.

Approving the ratification of the appointment of Eisner Amper LLP as the Company's independent auditors for fiscal year 2010 will require the affirmative vote of the holders of at least a majority of the shares of common stock and Series B Convertible Preferred Stock (on an as-converted basis with the common stock) voting as one class present in person or represented by Proxy and entitled to vote at the Annual Meeting.

The affirmative vote of two-thirds of the issued and outstanding shares of common stock and Series B Convertible Preferred Stock (on an as-converted basis with the common stock), voting together as one class, issued and outstanding as of the record date is required to approve the amendment to our amended and restated certificate of incorporation to eliminate the classified board of directors.

Dissenters' Right of Appraisal

Holders of shares of our common stock or Series B Convertible Preferred Stock do not have appraisal rights under Delaware law or under the governing documents of the Company in connection with this solicitation.

How are Proxy materials delivered to households?

Only one copy of the Company's 2009 Annual Report and this Proxy Statement will be delivered to an address where two or more stockholders reside with the same last name or whom otherwise reasonably appear to be members of the same family based on the stockholders' prior express or implied consent.

We will deliver promptly upon written or oral request a separate copy of the 2009 Annual Report and this Proxy Statement upon such request. If you share an address with at least one other stockholder, currently receive one copy of our Annual Report and Proxy Statement at your residence, and would like to receive a separate copy of our Annual Report and Proxy Statement for future stockholder meetings of the Company, please specify such request in writing and send such written request to eMagin Corporation, 3006 Northup Way, Suite 103, Bellevue, WA 98004; Attention: Corporate Secretary.

If you share an address with at least one other stockholder and currently receive multiple copies of our Annual Reports and Proxy Statements, and you would like to receive a single copy of our Annual Reports and Proxy Statements, please specify such request in writing and send such written request to eMagin Corporation, 3006 Northup Way, Suite 103, Bellevue, WA 98004; Attention: Corporate Secretary.

Interest of Officers and Directors in Matters to Be Acted Upon

Except for the election to our board of the six nominees set forth herein, and the proposal to amend the Company's amended and restated certificate of incorporation to eliminate the classified board of directors, none of our officers or directors has any interest in any of the matters to be acted upon at the Annual Meeting.

** Beneficial Ownership is determined in accordance with the rules of the Securities and Exchange Commission and generally includes voting or investment power with respect to securities. Shares of common stock subject to options, warrants, or preferred shares exercisable or convertible within 60 days of September 30, 2010 are deemed outstanding for computing the percentage of the person holding such option or warrant. Percentages are based on a total of 35,375,998 shares: 19,938,992 shares of common stock outstanding on September 30, 2010 and 15,437,006 shares issuable upon the exercise of options, warrants exercisable and preferred shares convertible on or within 60 days of September 30, 2010, as described below.

(1) This figure represents: (i) 4,316,824 shares of common stock owned by Stillwater LLC, which includes 783,325 shares of common stock owned by Rainbow Gate Corporation, in which the sole member of Stillwater LLC is the investment manager of Rainbow Gate Corporation; (ii) warrants held by Stillwater LLC to purchase 2,054,546 shares of common stock, which includes warrants to purchase 54,546 shares of common stock held by Rainbow Gate Corporation, in which the sole member of Stillwater LLC is the investment manager of Rainbow Gate Corporation; and (iii) 6,314,667 shares of common stock underlying convertible preferred shares which includes 937,333 shares of common stock underlying convertible preferred shares held by Rainbow Gate Corporation, in which the sole member of Stillwater LLC is the investment manager of Rainbow Gate Corporation. Mortimer D.A. Sackler exercises the sole voting power with respect to the shares held in the name of Stillwater LLC as sole member, and Mortimer D.A. Sackler exercises the sole voting power with respect to the shares held in the name of Rainbow Gate Corporation as

investment manager; therefore Stillwater LLC is deemed to beneficially own the shares held by Rainbow Gate as “beneficially owned” but Stillwater LLC disclaims beneficial ownership of such shares.

(2) This figure represents: (i) 2,532,693 shares of common stock owned by Ginola Limited, which include: 783,325 shares of common stock held indirectly by Rainbow Gate Corporation, in which the sole shareholder of Ginola Limited and the sole shareholder of Rainbow Gate Corporation are the estates of the same person; 78,478 shares of common stock owned by Mount Union Corp.; 57,372 shares of common stock owned by Chelsea Trust Company Limited, as trustee (Ginola Limited disclaims beneficial ownership of the shares owned by Mount Union Corp. and Chelsea Trust Company Limited, as trustee); and 372,971 shares of common stock owned by Crestflower Corporation, in which the sole shareholder of Crestflower Corporation is Ginola Limited; and (ii) warrants held by Ginola Limited to purchase 81,819 shares of common stock, which include: warrants to purchase 54,546 shares of common stock held by Rainbow Gate Corporation, in which the sole shareholder of Ginola Limited and the sole shareholder of Rainbow Gate Corporation are the estates of the same person; and warrants to purchase 27,273 shares of common stock held indirectly by Chelsea Trust Company Limited, as trustee (Ginola Limited disclaims beneficial ownership of the shares owned by Mount Union Corp. and Chelsea Trust Company Limited, as trustee); and (iii) 2,008,000 shares of common stock underlying convertible preferred shares, which includes 937,333 shares of common stock underlying convertible preferred shares held by Rainbow Gate Corporation, in which the sole shareholder of Ginola Limited and the sole shareholder of Rainbow Gate Corporation are the estates of the same person. Stillwater LLC and Ginola Limited are beneficially owned by separate individuals and therefore do not exert voting control over one another. However, Stillwater LLC does include the shares held by Rainbow Gate as “beneficially owned” since the sole member of Stillwater LLC is investment manager and sole director of Rainbow Gate Corporation and exerts voting control over such shares but Stillwater LLC disclaims beneficial ownership of such shares. Jonathan White, Steven Meiklejohn, and Joerg Fischer exercise the shared voting power with respect to the shares held in the name of Mount Union Corp. Stuart Baker, Joerg Fischer, Charles Lubar, Christopher Mitchell, Leslie Schreyer and Jonathan White exercise the shared voting power with respect to the shares held in the name of Chelsea Trust Company Limited. Jonathan White, Joerg Fischer and Steven Meiklejohn exercise the shared voting power with respect to the shares held in the name of Crestflower Corporation. Jonathan White, Joerg Fischer, John Crellin and Steven Meiklejohn are the directors of Ginola Limited and exercise the shared voting power with respect to the shares held in the name of Ginola Limited.

The Board of Directors oversees our business and affairs and monitors the performance of management. In accordance with corporate governance principles, the Board does not involve itself in day-to-day operations. The directors keep themselves informed through discussions with the Chief Executive Officer, other key executives and by reading the reports and other materials that we send them and by participating in Board and committee meetings. Our directors hold office until their successors have been elected and duly qualified unless the director resigns or by reasons of death or other cause is unable to serve in the capacity of director. The Audit Committee is responsible for determining the adequacy of our internal accounting and financial controls, supervising matters relating to audit functions, reviewing and setting internal policies and procedures regarding audits, accounting and other financial controls, reviewing the results of our audit performed by the independent public accountants, and recommending the selection of independent public accountants. The Audit Committee has adopted an Audit Charter, which is posted on our website at <http://www.emagin.com/investors>. The Audit Committee is composed of three Directors, Claude Charles; Irwin Engelman (Chairman of the Audit Committee); and Brig. General Stephen Seay. The Board has determined that each of the members of the Audit Committee is unrelated, an outside member with no other affiliation with us and is independent as that term is defined under the NYSE Corporate Governance Rules. The Board has determined that Mr. Engelman is an “audit committee financial expert” as defined by the SEC. During 2009, the Audit Committee held 6 meetings in person or through conference calls.

Compensation Committee

The Compensation Committee determines matters pertaining to the compensation and expense reporting of certain of our executive officers, and administers our stock option, incentive compensation, and employee stock purchase plans. The Compensation Committee has adopted a Charter of the Compensation Committee, which is posted on our website at <http://www.emagin.com/investors>. The Compensation Committee is presently composed of four Directors, Dr. Jack Goldman; Admiral Thomas Paulsen (Chairman of the Compensation Committee); Claude Charles; and Brig. General Stephen Seay, each of whom the Board has determined to be independent as that term is defined under the NYSE Corporate Governance Rules and none of whom has been an employee of the Company. During 2009, the Compensation Committee held 5 meetings in person or through conference calls.

Governance and Nominating Committee

The Governance and Nominating Committee is responsible for considering potential Board members, nominating Directors for election to the Board, implementing the Company's corporate governance and ethics policies, and for all other purposes outlined in the Governance and Nominating Committee Charter, which is posted on our website at <http://www.emagin.com/investors>. The Governance and Nominating Committee is composed of Dr. Jack Goldman (Chairman of the Nominating Committee), Claude Charles and Admiral Thomas Paulsen, each of whom the Board has determined to be independent as that term is defined under the NYSE Corporate Governance Rules. During 2009, the Governance and Nominating Committee held 4 meetings in person or through conference calls.

Nomination of Directors

As provided in its charter and our Company's corporate governance principles, the Governance and Nominating Committee is responsible for identifying individuals qualified to become directors. The Governance and Nominating Committee seeks to identify director candidates based on input provided by a number of sources, including (1) the Governance and Nominating Committee members, (2) our other directors, (3) our stockholders, (4) our Chief Executive Officer or Chairman, and (5) third parties such as professional search firms. In evaluating potential candidates for director, the Nominating and Corporate Governance Committee considers the entirety of each candidate's credentials.

Qualifications for consideration as a director nominee may vary according to the particular areas of expertise being sought as a complement to the existing composition of the Board of Directors. However, at a minimum, candidates for director must possess:

- high personal and professional ethics and integrity;
- the ability to exercise sound judgment;
- the ability to make independent analytical inquiries;
- a willingness and ability to devote adequate time and resources to diligently perform Board and committee duties; and
- the appropriate and relevant business experience and acumen.

In addition to these minimum qualifications, the Governance and Nominating Committee also takes into account when considering whether to nominate a potential director candidate the following factors:

- whether the person possesses specific industry expertise and familiarity with general issues affecting our business;
- whether the person's nomination and election would enable the Board to have a member that qualifies as an "audit committee financial expert" as such term is defined by the Securities and Exchange Commission (the "SEC") in Item 401 of Regulation S-K;
- whether the person would qualify as an "independent" director under the listing standards of the NYSE Corporate Governance Rules;
- the importance of continuity of the existing composition of the Board of Directors to provide long term stability and experienced oversight; and
- the importance of diversified Board membership, in terms of both the individuals involved and their various experiences and areas of expertise.

Although we do not have a formal policy for the consideration of diversity in identifying director nominees, the Nominating Committee recognizes the benefits associated with a diverse board, and strives to create diversity in perspective, background and experience in the Board as a whole when identifying and selecting director nominees. On an annual basis, as part of the Board's self-evaluation, the Board assesses whether the mix of Board members is

appropriate for our Company.

Board Leadership Structure and Role in Risk Oversight

The Company has separated the positions of Chairman of the Board of Directors and Chief Executive Officer. Given the demanding nature of these positions, the Board believes it is appropriate to separate the positions of Chairman and Chief Executive Officer. Claude Charles, Paul Cronson, Irwin Engelman, Jack Goldman and Stephen Seay are our independent directors. Our Board has three standing committees, each of which is comprised solely of independent directors with a committee chair.

Our Board has overall responsibility for risk oversight. The Board has delegated responsibility for the oversight of specific risks to Board committees as follows:

- The Audit Committee oversees the Company's risk policies and processes relating to the financial statements and financial reporting processes, as well as key credit risks, liquidity risks, market risks and compliance, and the guidelines, policies and processes for monitoring and mitigating those risks.
- The Nominating Committee oversees risks related to the company's governance structure and processes.

Our Board is responsible to approve all related party transactions according to our Code of Ethics. We have not adopted written policies and procedures specifically for related person transactions.

Stockholder Communications

Stockholders requesting communication with Directors can do so by writing to eMagin Corporation, c/o Chairman of the Board of Directors, 3006 Northup Way, Suite 103, Bellevue, WA 98004. At this time we do not screen communications received and would forward any requests directly to the named Director. If no Director was named in a general inquiry, the Chairman would contact the chairman of a particular committee, as appropriate. We do not provide the physical address, email address, or phone numbers of Directors to outside parties without a Director's permission.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics that applies to all of our directors, officers and employees, including our principal executive officer, principal financial officer and principal accounting officer. The Code of Business Conduct and Ethics is posted on our website at <http://www.emagin.com/investors>.

Compensation for the Chairman

For 2009, Admiral Paulsen received an annual stipend of \$60,000 for serving as Non-Executive Chairman of the Board, an annual cash retainer of \$10,000 for serving as a director, and meetings fees.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee, on behalf of our Board of Directors, serves as an independent and objective party to monitor and provide general oversight of the integrity of our financial statements, our independent registered public accounting firm's qualifications and independence, the performance of our independent registered public accounting firm, our compliance with legal and regulatory requirements and our standards of business conduct. The Audit Committee performs these oversight responsibilities in accordance with its Audit Committee Charter.

Our management is responsible for preparing our financial statements and our financial reporting process. Our independent registered public accounting firm is responsible for expressing an opinion on the conformity of our audited financial statements to generally accepted accounting principles in the United States of America. The Audit Committee met with our independent registered public accounting firm, with and without management present, to discuss the results of their examinations and the overall quality of our financial reporting.

In this context, the Audit Committee has reviewed and discussed our audited financial statements for the year ended December 31, 2009 with management and with our independent registered public accounting firm. The Audit Committee has discussed with our independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees), which includes, among other items, matters related to the conduct of the audit of our annual financial statements.

The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding such independent registered public accounting firm's communications with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm its independence from us and our management. In addition, the Audit Committee has considered whether the provision of non-audit services by our independent registered public accounting firm in 2009 was compatible with maintaining our registered public accounting firm's independence and has concluded that it was.

Based on its review of the audited financial statements and the various discussions noted above, the Audit Committee recommended to our Board of Directors that our audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2009.

Each of the members of the Audit Committee is independent as defined under the standards of the Commission and NYSE Amex Corporate Governance Rules, and Irwin Engelman qualifies as an Audit Committee financial expert in accordance with the requirements of the NYSE Amex Corporate Governance Rules and of such rules of the Commission.

Respectfully submitted by the Audit Committee,

Irwin Engelman, Chairman
Claude Charles
Brig. Gen. Stephen Seay (U.S. Army, Ret.)

The foregoing Audit Committee Report does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other filing of our company under the Securities Act of 1933, as amended (the "Securities Act"), or the Exchange Act, except to the extent we specifically incorporate this Audit Committee Report by reference therein.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The objectives of our compensation program are as follows:

- Reward performance that drives substantial increases in stockholder value, as evidenced through both future operating profits and increased market price of our common shares; and
- Attract, hire and retain well-qualified executives.

The compensation level of our executives generally reflects their unique position and incentive to positively affect our future operating performance and stockholder value. Part of the compensation of our executives is from equity compensation, primarily through stock option grants or restricted stock awards. The stock option exercise price is generally the fair market value of the stock on the date of grant. Therefore, a gain is only recognized if the value of the stock increases, which promotes a long term alignment between the interests of the Company's executives and its stockholders. For that reason, stock options are a component of 100% of our employees' salary package.

Specific salary and bonus levels, as well as the amount and timing of equity incentive grants, are determined informally and judgmentally, on an individual-case basis, taking into consideration each executive's unique talents and experience as they relate to our needs. Executive compensation is paid or granted pursuant to each executive's compensation agreement. Compensation adjustments are made occasionally based on changes in an executive's level of responsibility or on changed local and specific executive employment market conditions.

The Board of Directors has established a Compensation Committee, comprised exclusively of independent outside directors which approves all compensation and awards to executive management. The members of the Compensation Committee have extensive executive level experience in other companies and bring a perspective of reasonableness to compensation matters with our Company. In addition, the Compensation Committee compares executive compensation practices of similar companies at similar stages of development.

Generally on its own initiative, at least annually, the Compensation Committee reviews the performance of executives and establishes compensation levels based on the performance evaluation, historical compensation levels of the executives, levels of responsibility and contributions to the Company, and comparable position studies provided by independent sources. With respect to equity compensation, the Compensation Committee approves all option grants, generally based on the recommendation of the president and chief executive officer and has delegated granting authority to the president and chief executive officer or, on occasion, his designee. Executives are eligible to receive bonus compensation at the discretion of the Compensation Committee, which is primarily based on the achievement of certain goals and objectives and the executive's contributions to the Company. Executives also are entitled to participate in the same benefit plans that are available to other Company employees.

Compensation Committee Interlocks and Insider Participation

None of the members of our Compensation Committee has been an officer or employee of eMagin during years ending December 31, 2007, 2008 and 2009, except as noted below. In addition, during the most recent fiscal year, no eMagin executive officer served on the Compensation Committee (or equivalent), or the Board, of another entity whose executive officer(s) served on our Compensation Committee or Board. On January 31, 2008, Dr. K.C. Park resigned as our Interim Chief Executive Officer and President and Thomas Paulsen, a director and Chairman of both the Board of Directors and the Compensation Committee, assumed that role on an interim basis until June 1, 2008 when Andrew G. Sculley joined the Company as Chief Executive Officer and President. No change in Admiral

Paulsen's compensation occurred as a result of his accepting the temporary position of Interim Chief Executive Officer and President.

Compensation Committee Report of Executive Compensation

The Committee has reviewed the Compensation Discussion and Analysis and discussed that analysis with management. Based on its review and discussions with management, the Committee recommended to the Board that the Compensation Discussion and Analysis be included in eMagin's 10-K for the fiscal year ending December 31, 2009. This report is provided by the following independent directors, who comprise the Committee:

Thomas Paulsen (Chairman)

Jacob Goldman

Stephen Seay

Claude Charles

At the 2001 Annual Meeting of Stockholders held on July 16, 2001, the stockholders approved the establishment of a classified board of directors, divided into three classes having staggered terms of three (3) years each. Under the classified board provision, the board of directors was divided into three classes, designated as Class A, Class B, and Class C, all of whom would hold office until their successors are duly elected and qualified or until their earlier resignation, removal from office or death.

At this year's 2010 Annual Meeting, the Board of Directors proposes that the following nominees, all of whom (except for Leslie G. Polgar) are currently serving as directors, be elected for staggered terms of one, two and three years as indicated below, and until their successors are duly elected and qualified or until their earlier resignation, removal from office or death (provided that, if Proposal No. 3 is approved, the term of each director shall be until the next annual meeting of stockholders and until their successors are duly elected and qualified). The Board has no reason to believe that the persons named below will be unable or unwilling to serve as nominees or as directors if elected.

Assuming a quorum is present, the six nominees receiving the highest number of affirmative votes of shares entitled to be voted for such persons will be elected as directors of the Company for the ensuing one, two and three years, as applicable (provided that, if Proposal No. 3 is approved, the term of each director shall be until the next annual meeting of stockholders and until their successors are duly elected and qualified). Unless marked otherwise, proxies received will be voted "FOR" the election of the nominees named below. In the event that additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them in such a manner as will ensure the election of the nominees listed below, and, in such event, the specific nominees to be voted for will be determined by the proxy holders.

ACTIONS TO BE TAKEN AT THE MEETING (Continued)

ITEM 3

APPROVAL OF AMENDMENT TO AMENDED AND RESTATED CERTIFICATE OF INCORPORATION
TO ELIMINATE CLASSIFIED BOARD OF DIRECTORS

The Company's amended and restated certificate of incorporation provides that the Board of Directors shall be divided into three classes, with each class having a three-year term.

The Board of Directors has adopted, subject to stockholder approval, an amendment to revise Article SIX of the Company's amended and restated certificate of Incorporation to eliminate the classified board of directors. The proposal would allow for the annual election of directors in the manner described below.

The amendment is the product of the Board's ongoing review of corporate governance matters. In making its recommendation, the Board considered the advantages of both a classified and declassified board structure. A classified board of directors can promote continuity and enhance the stability of the board, encourage a long term perspective of company management and reduce a company's vulnerability to coercive takeover tactics. The Board recognized these advantages but concluded that the following advantages of declassification outweighed them: stockholders' ability to evaluate directors annually and the maintenance by the Company of best practices in corporate governance. Consequently, the Board of Directors concluded that the proposed amendment to the Company's amended and restated certificate of incorporation to declassify the Board of Directors is in the best interests of the Company and its stockholders.

If this proposal is approved by the stockholders, directors will be elected for a one-year term, such that, effective upon the filing of the amendment, our board would cease to be classified and all directors would be elected for one-year terms at each annual meeting of stockholders. If the proposal is approved, all directors nominated at the 2010 Annual Meeting and future Annual Meetings will hold office until the next Annual Meeting and until their successors are duly elected and qualified, or until their earlier resignation or removal.

The amendment to the amended and restated certificate of incorporation of the Company to implement this proposal is substantially in the form set forth in Appendix A. If approved, this proposal will become effective upon the filing of the amendment with the Secretary of State of the State of Delaware, which the Company would do promptly after the Annual Meeting.

Required Vote

The affirmative vote of two-thirds of the issued and outstanding shares of common stock and Series B Convertible Preferred Stock (on an as-converted basis with the common stock), voting together as one class, issued and outstanding as of the record date is required to approve the amendment to our amended and restated certificate of incorporation to eliminate the classified board of directors.

RECOMMENDATION OF THE BOARD FOR PROPOSAL NO. 3:

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE AMENDMENT OF THE COMPANY'S AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO ELIMINATE THE CLASSIFIED BOARD OF DIRECTORS.

OTHER MATTERS

The Board of Directors knows of no other business which will be presented at the Annual Meeting. If any other matters properly come before the meeting, the persons named in the enclosed Proxy and will vote the shares represented thereby in accordance with their judgment on such matters.

Any stockholder who wishes to present proposals for inclusion in the Company's proxy materials for the 2011 Annual Meeting of Stockholders may do so by following the procedures prescribed in Rule 14a-8 under the Securities Exchange Act of 1934, as amended. To be eligible, the stockholder proposals must be received by our Chairman of the Board of Directors at our principal executive office on or before July 18, 2011. Any stockholder who wishes to make a proposal at the 2011 Annual Meeting, other than one that will be included in our proxy materials, must notify us no later than July 18, 2011. If a stockholder who wishes to present a proposal fails to notify us by July 18, 2011, the proxies that management solicits for the meeting will confer discretionary authority to vote on the stockholder's proposal if it is properly brought before the meeting.

The proxies being solicited hereby are being solicited by the Company. The Company will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this Proxy Statement, the Proxy card and any additional information furnished to stockholders.
