ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On September 11, 2004, we entered into a Term Sheet with Peter and Irene Gauld for the purpose of outlining the material terms of a Stock Exchange Agreement. We have no existing material relationship with the Gauld's.

The transaction provides for the Gauld's to deliver to us one million (1,000,000) shares of common stock of Cash Technologies, Inc. (the "TQ Shares"), an unrelated company traded on the American Stock Exchange. In exchange for the TQ shares, we will create a new series of preferred stock known as Series G Convertible Preferred Stock, and will issue to them 500,000 shares of Series G Preferred Stock, having an original issue price of \$1,000,000. As additional consideration for the transaction, we will issue to the Gauld's warrants to acquire 2,000,000 shares of our common stock at \$0.10 per share.

The Series G Preferred Shares will be entitled to receive a dividend equal to \$10,000 per month, will be convertible into our common stock at the lesser of

\$0.08 per share or 80% of our 30-day average closing bid price prior to the delivery of a conversion notice. Either party may demand a rescission of the transaction, in which case the Series G Convertible Preferred Stock will be delivered back to us, and we would deliver the TQ Shares back to the Gauld's; both the Series G Preferred Stock and the TQ Shares will be held in escrow during the one year following the closing of the transaction to facilitate a rescission, if necessary.
