

Item 7.01 Regulation FD Disclosure.

On December 7, 2016, EPR Properties (the "Company") will file with the Securities and Exchange Commission (the "SEC") a preliminary prospectus supplement in connection with a proposed underwritten public offering of a new series of its senior notes (the "Senior Notes"). The offering is being made pursuant to a prospectus supplement and an accompanying prospectus filed as part of an effective "shelf" registration statement filed with the SEC on Form S-3. The preliminary prospectus supplement includes a discussion of the Company's recent developments and the proposed use of proceeds of the offering as described below.

Recent Developments

Investments

As of December 2, 2016, the Company's investment spending in its operating segments since September 30, 2016 totaled approximately \$111.6 million, and included investments in each of its four reportable operating segments. Entertainment-investment spending since September 30, 2016 totaled approximately \$47.9 million, and related primarily to the acquisition of one theatre property and spending on build-to-suit development and redevelopment of megaplex theatres, entertainment retail centers and family entertainment centers.

Education-investment spending since September 30, 2016 totaled approximately \$33.6 million, and related primarily to spending on build-to-suit development and redevelopment of public charter schools, early education centers and private schools as well as the acquisition of one early education center.

Recreation-investment spending since September 30, 2016 totaled approximately \$30.0 million, and related primarily to spending on build-to-suit development of golf entertainment complexes and waterparks as well as the redevelopment of a ski park.

Other-investment spending since September 30, 2016 totaled approximately \$0.1 million and was related to the Adelaar casino and resort project in Sullivan County, New York.

Portfolio Investment

The Company is currently in negotiations with a borrower (the "School Borrower") regarding potential mortgage loans of up to \$145.0 million secured by a portfolio of early childhood education centers and private schools. The investment is expected to consist of an initial loan of \$100.0 million secured by 20 properties, followed by one or more additional loans in an aggregate amount of up to \$45.0 million to be used by the School Borrower to acquire up to an additional eight properties. Each of the loans will be fully secured by the entire portfolio of properties and subject to cross-default provisions. The mortgage loans are expected to mature in 25 years, with five five-year renewal terms at the option of the School Borrower. During the first ten years of the term of the mortgage loans, the School Borrower will have the option to convert the mortgage loans into triple-net leases of the properties. This transaction is anticipated to close in December 2016 and is contingent upon the negotiation and execution of the definitive agreements, due diligence and other customary closing conditions. The Company cannot assure you that the transaction will be completed on the terms described above or at all.

Use of Proceeds

The preliminary prospectus supplement also discloses that the Company intends to use the net proceeds from the offering to repay the outstanding principal balance of the Company's unsecured revolving credit facility (which had an outstanding balance of approximately \$290.0 million at December 2, 2016) and the remaining amount of net proceeds for general business purposes, which may include funding the Company's ongoing pipeline of acquisition and build-to-suit projects, including the opportunity described above. Pending application of any portion of the net proceeds from the offering to the uses described above, the Company may invest such proceeds in interest-bearing accounts and short-term interest-bearing securities which are consistent with its qualification as a REIT under the Internal Revenue Code of 1986, as amended.
