Information About the Board of Directors

Director Independence and Meetings

During the fiscal year ended November 30, 2015, the Board of Directors met or acted by unanimous written consent on fifteen occasions. During the fiscal year ended November 30, 2015, 100% of the members of the Board of Directors attended 100% of the meetings of the Board and, for one member, 50% of the committees on which they served, held during the period for which they were a director or committee member, respectively.

The Board of Directors does not have a formal policy with respect to a member's attendance at annual stockholder meetings, though it encourages directors to attend such meetings. The Company did not hold an annual meeting during the year ended November 30, 2015.

The Board of Directors of the Company has concluded that each of Messrs. Sidransky, Yachin, Adler and Buyse and Ms. Hanochi is independent based on the listing standards of the NASDAQ Stock Market, if the Company were listed thereon (which it is not), having concluded that any relationship between such director and the Company, in its opinion, does not interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Board Leadership Structure

Ms. Caplan has served as President, Chief Executive Officer and Chairperson since August 2014. Prior to that time and since December 2014, she was Interim President and Interim Chief Executive Officer. The Board of Directors believes that its current leadership structure, in which the positions of Chairperson and Chief Executive Officer are held by Ms. Caplan, is appropriate at this time and provides the most effective leadership for the Company in a highly competitive and rapidly changing technology industry. Our Board believes that combining the positions of Chairperson and Chief Executive Officer under Ms. Caplan allows for focused leadership of our organization which benefits us in our relationships with investors, customers, suppliers, employees and other constituencies. We believe that any risks inherent in that structure are balanced by the oversight of our independent Board members. Given Ms. Caplan's past performance in the roles of Chairperson of the Board of Directors and Chief Executive Officer, at this time the Board of Directors believes that combining the positions continues to be the appropriate leadership structure for our Company and does not impair our ability to continue to practice good corporate governance.

Governance, Board of Directors and Board Committee Changes

The Board of Directors has established two standing committees: the Audit Committee and the Compensation Committee.

Audit Committee

The members of the Audit Committee are Guy Yachin, Etti Hanochi and Vered Caplan. The Board of Directors has determined that Mr. Yachin and Ms. Hanochi meet the independence criteria set out in Rule 5605(a)(2) of the NASDAQ Marketplace Rules. The Board of Directors determined that Ms. Hanochi, the committee financial expert as defined by the Rules would qualify as an independent director and an audit committee financial expert. The Audit Committee met four times during the fiscal year ended November 30, 2015.

Compensation Committee

The Compensation Committee consists of Etti Hanochi and Vered Caplan. The Compensation Committee did not meet during the fiscal year ended November 30, 2015, since the Board of Directors addressed any compensation issues during the year.

The Compensation Committee sets compensation policy and administers the Company's compensation programs for the purpose of attracting and retaining skilled executives who will promote the Company's business goals and build stockholder value. The Compensation Committee is also responsible for reviewing and making recommendations to the Board of Directors regarding all forms of compensation to be provided to the Company's named executive officers, including stock compensation and bonuses.

The Compensation Committee reviews and recommends for Board of Directors approval compensation arrangements for our executive officers, key employees, and non-employee directors. The Compensation Committee recommends all incentive compensation awards, which are then subject to board review and approval. The Chief Executive Officer

recommends to the Compensation Committee the goals, objectives, and compensation for all executive officers and key employees, except herself, and responds to requests for information from the Compensation Committee. Our Chief Executive Officer has no role in approving her own compensation. The Compensation Committee periodically reviews and recommends the compensation of non-executive directors. The Compensation Committee does not delegate its authority and has the sole responsibility of retaining outside counsel or other consultants for the purpose of executing its mandate.

Nominating Committee

Our Board of Directors is of the view that it is appropriate for us not to have a standing nominating committee because the current size of our Board of Directors does not facilitate the establishment of a separate committee. Our Board of Directors has performed, and will perform adequately, the functions of a nominating committee. The directors who perform the functions of a nominating committee are independent.

Code of Ethics

We currently do not have a Code of Ethics in effect.

Section 16(a) Beneficial Ownership Compliance

Section 16(a) of the Securities Exchange Act, as amended, requires our executive officers and directors, and persons who own more than 10% of our common stock, to file reports regarding ownership of, and transactions in, our securities with the Securities and Exchange Commission and to provide us with copies of those filings. Based solely on our review of the copies of such forms received by us, or written representations from certain reporting persons, during fiscal year ended November 30, 2014, the filing requirements applicable to its officers, directors and greater than 10% beneficial owners were complied.

Advisory Board

- (1) In accordance with SEC rules, the amounts in this column reflect the fair value on the grant date of the option awards granted to the named executive, calculated in accordance with ASC Topic 718. Stock options were valued using the Black-Scholes model. The grant-date fair value does not necessarily reflect the value of shares which may be received in the future with respect to these awards. The grant-date fair value of the stock options in this column is a non-cash expense for the Company that reflects the fair value of the stock options on the grant date and therefore does not affect our cash balance. The fair value of the stock options will likely vary from the actual value the holder receives because the actual value depends on the number of options exercised and the market price of our Common Stock on the date of exercise. For a discussion of the assumptions made in the valuation of the stock options, see Note 12 (Stock Based Compensation) to our financial statements, which are included in the Annual Report on Form 10-K.

Employment Agreements

Vered Caplan. On August 14, 2014, our Board of Directors confirmed that Ms. Vered Caplan, who has served as our President and Chief Executive Officer on an interim basis since December 23, 2013, was appointed as our President and Chief Executive Officer. In connection with her appointment as our President and Chief Executive Officer, on August 22, 2014, our wholly-owned Israeli Subsidiary, Orgenesis Ltd., entered into a Personal Employment Agreement with Ms. Caplan (the "Caplan Employment Agreement"). The Caplan Employment Agreement replaces a previous employment agreement with Ms. Caplan dated April 1, 2012 pursuant to which she had served as Vice President. Under the Caplan Employment Agreement, Ms. Caplan was paid an annual salary of the current New Israeli Shekel equivalent of \$319 thousand during fiscal year 2015, payable monthly. However, in order to reduce operating expenses and conserve cash, since March, 2015, Ms. Caplan has been deferring a part of her salary and social benefits due thereon until such time as our cash position permits payment of salary in full without interfering with our ability to pursue our plan of operations, and, as of November 30, 2015, such deferred amount totaled an aggregate of \$97,800. Under the Caplan Employment Agreement, Ms. Caplan is entitled to elect, at her discretion either of the following social benefits typically provided to senior Israeli employees, either (i) Manager's Insurance under Israeli law for the benefit of Ms. Caplan pursuant to which the Company contributes amounts equal to 13-1/3 percent (and Ms. Caplan contributes an additional 5%) of each monthly salary payment and in addition, the Company

contributes an amount no more than 2.5 % of Ms. Caplan's base monthly salary towards loss of working capacity disability insurance or (ii) a Pension Plan to which the Company contributes amounts equal 14-1/3 percent of Ms. Caplan's base salary and Ms. Caplan contributes 5.5 percent thereof. Both the Manager's Insurance and Pension Plan include a component of severance pay. Ms. Caplan is also entitled to paid annual vacation days, annual recreation allowance, sick leave and expenses reimbursement. In addition, we provide Ms. Caplan with a leased company car and a mobile phone. Under the Caplan Employment Agreement, she is entitled to a performance bonus payable at the discretion of our Compensation Committee.

Under the Caplan Employment Agreement, on August 22, 2014 we awarded to Ms. Caplan options to purchase up to 2,762,250 shares of our company's common stock, of which options for a total of 414,304 shares vested immediately, options for a total of 1,242,996 shares will vest on a quarterly basis over the following four years and 1,104,950 options will be vested pursuant to performance milestones that will be determined by the Compensation Committee of the Company's Board. As of the date of this report, no performance milestones have been determined.

Scott Carmer. Mr. Carmer was appointed Chief Executive Officer of our subsidiary, Orgenesis Maryland Inc., on August 4, 2014. In connection with his appointment, on August 4, 2014 Orgenesis Maryland Inc. entered into an employment agreement with Scott Carmer (the Carmer Employment Agreement) pursuant to which Mr. Carmer was to be paid an annual salary of \$250,000 in 2015. Under the Carmer Employment Agreement, Mr. Carmer is entitled to an annual bonus of up to \$100,000 subject to the discretion of our Board of Directors and a further bonus as determined by meeting certain milestones. However, in order to reduce operating expenses and conserve cash, since August 4, 2014, Mr. Carmer has been deferring a part of his salary until such time as our cash position permits payment of salary in full without interfering with our ability to pursue our plan of operations, and, as of November 30, 2015, such deferred amount totaled an aggregate of \$354,167. Additionally, under the Carmer Employment Agreement, Mr. Carmer is entitled to options for 1,641,300 shares. In December 2014, the Company granted an aggregate of 1,641,300 stock options to Mr. Carmer. As of the date of this filing, the terms of this grant have not been finalized yet.

Either the Company or Mr. Carmer can terminate the employment agreement and the relationship thereunder at any time upon notice. The Company is also entitled to terminate the agreement at any time for any reason other than Just Cause (as defined in the employment agreement) upon notice as provided for under Maryland law. The employment agreement provides for customary protections of the Company's confidential information and intellectual property.

Sarah Ferber. Our wholly-owned Israeli Subsidiary, Orgenesis Ltd., entered into a Personal Employment Agreement with Ms. Ferber February 2, 2012 to serve as Chief Scientific Officer (the Ferber Employment Agreement) on a part time basis. Under the Ferber Employment Agreement, Ms. Ferber was paid an annual salary of the current New Israeli Shekel equivalent of \$274.6 thousand in 2015, payable monthly. However, in order to reduce operating expenses and conserve cash, since September, 2013, Prof. Ferber has been deferring a part of her salary and social benefits due thereon until such time as our cash position permits payment of salary in full without interfering with our ability to pursue our plan of operations, and, as of November 30, 2015, such deferred amount totaled an aggregate of \$151.6 thousand for the twelve months. Under the Ferber Employment Agreement, Ms. Ferber is entitled to elect, at her discretion either of the following social benefits typically provided to senior Israeli employees, either (i) Manager's Insurance under Israeli law for the benefit of Ms. Ferber pursuant to which the Company contributes amounts equal to 13-1/3 percent (and Ms. Ferber contributes an additional 5%) of each monthly salary payment and in addition, the Company contributes an amount no more than 2.5 % of Ms. Ferber's base monthly salary towards loss of working capacity disability insurance or (ii) a Pension Plan to which the Company contributes amounts equal 14 1/3 percent of Ms. Ferber's base salary and Ms. Ferber contributes 5.5 percent thereof. Both the Manager's Insurance and Pension Plan include a component of severance pay. Ms. Ferber is also entitled to 7.5 % of Ms. Farber's salary (with Ms. Farber contributing an additional 2.5%) to an education fund, a form of deferred compensation program established under Israeli law, paid annual vacation days, annual recreation allowance, sick leave and expenses reimbursement. In addition, we provide Ms. Ferber with a mobile phone.

The Ferber Employment Agreement does not specify a stated term and either we or Ms. Ferber is entitled to terminate Ms. Ferber's employment upon four months' notice other than in the case of a termination for cause. The Ferber Employment contains customary provisions regarding confidentiality of information, non-competition and assignment of inventions.

Neil Reithinger. On August 1, 2014, we appointed Neil Reithinger as our Chief Financial Officer, Treasurer and Secretary with the following terms:

- (a) payment of a monthly salary of \$1,500;
- (b) payment of an annual bonus as determined by our company in its sole discretion;
- (c) participation in our company's pension plan;
- (d) a grant of 200,000 stock options exercisable at the market price of \$0.50 for a period of 5 years and which are subject to vesting provisions; and
- (e) Reimbursement of expenses.

In addition, on August 1, 2014, we entered into a financial consulting agreement with Eventus Consulting, P.C., an Arizona professional corporation, (Eventus) of which Mr. Reithinger is the sole shareholder, pursuant to which Eventus has agreed to provide financial consulting and shareholder communication services to our company. In consideration for Eventus' services, we have agreed to pay Eventus according to its standard hourly rate structure. The term of the consulting agreement is for a period of one year from August 1, 2014 and shall automatically renew for additional one-year periods upon the expiration of the term unless otherwise terminated. Eventus is owned and controlled by Neil Reithinger.

Potential Payments upon Change of Control or Termination following a Change of Control

Our employment agreements with our Named Executive Officers provide incremental compensation in the event of termination, as described herein. Generally, we currently do not provide any severance specifically upon a change in control nor do we provide for accelerated vesting upon change in control. Termination of employment also impacts outstanding stock options.

Due to the factors that may affect the amount of any benefits provided upon the events described below, any actual amounts paid or payable may be different than those shown in this table. Factors that could affect these amounts include the basis for the termination, the date the termination event occurs, the base salary of an executive on the date of termination of employment and the price of our Common Stock when the termination event occurs.

The following table sets forth the compensation that would have been received by each of the Company's executive officers had they been terminated as of November 30, 2015.
