PROXY STATEMENT

The Board of Directors of Sonic Jet Performance, Inc. (the "Company") is soliciting proxies to be voted at the Special Meeting of Shareholders of the Company to be held on Monday, May 6, 2002, at the Company's corporate headquarters located at 15662 Commerce Lane, Huntington Beach, California, at 10:00 A.M., California time, and at any adjournments thereof (the "Special Meeting" or the "Meeting"), for the purposes set forth in the accompanying Notice of Special Meeting of Shareholders and described herein. This Proxy Statement describes issues on which we would like you, as a shareholder, to vote. It also gives you information on these issues so that you can make an informed decision. The approximate date on which this Proxy Statement and the enclosed form of proxy are first being sent or given to shareholders is April 15, 2002.

VOTING INFORMATION

Who May Vote

The Board of Directors of the Company (the "Board of Directors" or the "Board") has fixed the close of business on March 25, 2002, as the record date for the determination of shareholders entitled to receive notice of, and to vote at, the Special Meeting (the "Record Date"). The outstanding stock of the Company consists of its common stock ("Common Stock"), its Series B Convertible Preferred Stock (the "Series B Preferred Stock") and its Series C Convertible Preferred Stock (the "Series C Preferred Stock", and sometimes together with the

Edgar Filing: SONIC JET PERFORMANCE INC - Form DEF 14A

Series B Preferred Stock, the "Preferred Stock"). At the Record Date 28,456,350, shares of Common Stock, ten shares of Series B Preferred Stock and 34 shares of Series C Preferred Stock were outstanding.

The Preferred Stock will vote together with the Common Stock at the Special Meeting. Each holder of Common Stock will be entitled to one vote for each share of Common Stock held by such shareholder. Each holder of Preferred Stock shall be entitled to the number of votes equal to the number of whole shares of Common Stock into which such Preferred Stock is convertible upon the close of business on the Record Date.

With respect to the election of directors only (Proposal 1), shareholders may vote in favor of all nominees or withhold their votes as to all nominees or withhold their votes as to specific nominees.

Revocability of Proxy

You may revoke your proxy prior to its exercise. You may do this by (a) delivering to the Secretary of the Company, Madhava Rao Mankal, at or prior to the Special Meeting, an instrument of revocation or another proxy bearing a date or time later than the date or time of the proxy being revoked or (b) voting in person at the Special Meeting. Mere attendance at the Special Meeting will not serve to revoke your proxy.

How Your Shares Will Be Voted

All proxies received and not revoked will be voted as directed. If no directions are specified, such proxies will be voted "FOR": (a) election of each of the Board's nominees for Directors; (b) approval of an amendment to the Articles of Incorporation of the Company to increase the authorized number of shares of the Company's common stock from 100,000,000 to 300,000,000 shares; (c) approval of an amendment to the Company's Bylaws to increase the maximum number of directors from three to five; and (d) ratification of the appointment of Michael Johnson & Co., LLC as the Company's independent auditors. As to any other business that may properly come before the Special Meeting, the persons named in such proxies will vote in accordance with their best judgment, although the Company does not presently know of any other such business.

Voting, Quorum and Broker Non-Votes

Shares of Common Stock and Preferred Stock will be counted as present at the Special Meeting if the shareholder is present and votes in person at the Meeting or has properly submitted a proxy card. Shareholders holding at least one-third of the Company's outstanding shares entitled to vote as of the Record Date must be present at the Special Meeting in order to hold the Meeting and conduct business. This is called a quorum. Abstentions and non-votes will be counted for purposes of determining the existence of a quorum at the Special Meeting. The three nominees receiving the highest number of votes "FOR" a director will be elected as directors. This number is called a plurality.

The affirmative vote of a majority of the voting power of the shares of Common Stock and Preferred Stock present in person or by proxy at the Special Meeting and entitled to vote on each proposal (other than the election of directors) is required for the adoption of each such proposal.

Abstentions will be counted as votes against any of the proposals as to which a shareholder abstains, but non-votes will have no effect on the voting with respect to any proposal as to which there is a non-vote. A non-vote may

Edgar Filing: SONIC JET PERFORMANCE INC - Form DEF 14A

occur when a nominee holding shares of Common Stock or Preferred Stock for a beneficial owner does not vote on a proposal because such nominee does not have discretionary voting power and has not received instructions from the beneficial owner.

Expenses and Method of Solicitation

The expenses of soliciting proxies for the Special Meeting are to be paid by the Company. Solicitation of proxies may be made by means of personal calls upon, or telephonic or telegraphic communications with, shareholders or their personal representatives by directors, officers and employees of the Company who will not be specially compensated for such services. Although there is no formal agreement to do so, the Company may reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses in forwarding this Proxy Statement to shareholders whose Common Stock is held of record by such entities.

APPROVAL OF INCREASE IN NUMBER OF AUTHORIZED SHARES OF COMMON STOCK (Proposal 2)

Introduction

The Company's Board of Directors has approved a proposal to amend our Articles of Incorporation to increase the authorized number of shares of common stock from 100,000,000 to 300,000,000. We are submitting the proposal to you, the shareholders, for approval. The proposed increase in the authorized number of shares of common stock will take effect, if at all, after it is approved by you and after we file an Articles of Amendment, in the form attached hereto as Appendix A, with the Secretary of State of the State of Colorado. We expect that, if the proposal is approved by you, the Articles of Amendment will be filed promptly following the Special Meeting.

Purpose of Share Increase

The proposed increase in the authorized number of shares of common stock has been approved by the Board of Directors to make additional shares of common stock available for issuance. The Board took this action because it intends to raise additional capital for the Company through the issuance of Common Stock, or other securities convertible into Common Stock.

Accordingly, the Board of Directors is asking that the shareholders approve the proposed amendment to the Company's Articles of Incorporation to effectuate the increase in the authorized number of shares of Common Stock. A vote in favor of Proposal Two (the "Share Increase Proposal") will be a vote for approval of the proposed increase in the authorized number of shares of Common Stock from 100,000,000 to 300,000,000, and for granting authority to the Board of Directors to effectuate the share increase.

The Board of Directors unanimously recommends a vote in favor of the Share Increase Proposal.

Implementation of Share Increase

If the shareholders approve the Share Increase Proposal, the Board would direct management of the Company, as soon thereafter as is practicable, to file an Amendment to the Company's Articles of Incorporation, substantially in the form attached hereto as Appendix A, with the Secretary of State of the State of Colorado (the "Share Increase Amendment").

Reasons for Share Increase -- Advantages

The Board of Directors is in the process of raising additional capital for

Edgar Filing: SONIC JET PERFORMANCE INC - Form DEF 14A

the Company to help fund operating expenses and achieve the Company's business plan. As of March 4, 2002, we had 36,479,046 shares of common stock outstanding, on a fully diluted basis, which included 25,234,751 shares of common stock issued and outstanding, 1,021,677 and 1,776,633 shares of common stock we are obligated to issue respectively, to Sheikh Mohammed Al Rashid and Encore Capital Management, LLC, upon their satisfaction of certain conditions, 5,613,456 shares of common stock issuable upon conversion of the outstanding shares of Series B Convertible Preferred Stock, and 2,823,529 shares of common stock issuable upon conversion of the shares of Series C Convertible Preferred Stock outstanding as of that date. Therefore, as of March 4, 2002, 63,520,954 shares of common stock were available for issuance. The Board of Directors believes that an increase in the authorized number of shares of common stock is desirable so additional shares of common stock are available for issuance in connection with the Company's capital raising efforts.

Reasons Against Share Increase -- Disadvantages

Even though the Board of Directors believes that the potential advantages of the share increase outweigh any disadvantages that might result, there are possible disadvantages of a share increase.

The Board intends to issue a portion of the additional authorized but unissued shares of Common Stock, without further shareholder approval. This could substantially dilute the holders of the Common Stock. In addition, an increased number of authorized but unissued shares of the Common Stock, may be construed as having an anti-takeover effect, although neither the Board of Directors nor our management views this proposal in that perspective. However, the Board of Directors could use the increased number of authorized but unissued shares to frustrate persons seeking to take over or otherwise gain control of the Company by, for example, privately placing shares with purchasers who might side with the Board of Directors in opposing a hostile takeover bid. Shares of the Common Stock could also be issued to a holder that would thereafter have sufficient voting power to assure than any proposal to amend or repeal the Company's by-laws or certain provisions of the Company's Articles of Incorporation would not receive the requisite vote. Such uses of the Common Stock could render more difficult, or discourage, an attempt to acquire control of the Company if such transaction were opposed by the Board of Directors.

Form of Articles of Amendment to Articles of Incorporation

The form of the Share Increase Amendment to the Articles of Incorporation is included as Appendix A to this Proxy Statement.

No Dissenters' Rights

The holders of shares of the Common Stock have no dissenters' rights of appraisal under Colorado law, our Articles of Incorporation or our by-laws with respect to the proposed Amendment to the Company's Articles of Incorporation or the increase in the authorized number of shares of Common Stock.

Edgar Filing: SONIC JET PERFORMANCE INC - Form DEF 14A

(Proposal 3)

Introduction

The Company's Board of Directors has approved a proposal to amend Articles III, Section 2, of our Bylaws to increase the maximum number of directors that may serve on our board from three (3) to five (5). The proposed amendment would amend Article III, Section 2 of the Bylaws to read as follows:

"Section 2. Number, Qualifications and Tenure. The number of directors of the corporation shall be fixed from time to time by the board of directors, within a range of no less than one or more than five. A director shall be a natural person who is eighteen years of age or older. A director need not be a resident of Colorado or a shareholder of the corporation.

Directors shall be elected at each annual meeting of shareholders. Each director shall hold office until the next annual meeting of shareholders following his election and thereafter until his successor shall have been elected and qualified. Directors shall be removed in the manner provided by the Colorado Business Corporation Act."

We are submitting the proposal to you, the shareholders, for approval. The proposed increase in the maximum number of directors will take effect, if at all, after it is approved by you.

Purpose of Increase in Maximum Number of Directors

The Bylaws currently allow us to have no less than one and up to three directors. The proposed increase in the maximum number of directors has been approved by the Board of Directors primarily to enable us to meet our obligation under the Series B Convertible Preferred Stock Purchase Agreement we entered into on December 27, 2001, under which we agreed to maintain at least five directors on our board, three of which the holder of the Series B Preferred Stock may nominate.

The Board of Directors unanimously recommends a vote in favor of the Increase in the maximum number of directors permitted to serve on the board.

RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS (Proposal 4)

Selection of Independent Auditors

The Board has selected Michael Johnson & Co., LLC as the Company's independent auditors for the fiscal year ending December 31, 2002 and has further directed that management submit the selection of independent auditors for ratification by the shareholders at the Special Meeting.

Shareholder ratification of the selection of Michael Johnson & Co., LLC as the Company's independent auditors is not required by the Company's By-laws or otherwise. However, the Board is submitting the selection of Michael Johnson &

Edgar Filing: SONIC JET PERFORMANCE INC - Form DEF 14A

Co., LLC to the shareholders for ratification as a matter of good corporate practice. If the shareholders fail to ratify the selection, the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Board may, in its discretion, direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of the Company and its shareholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Special Meeting will be required to ratify the selection of Michael Johnson & Co., LLC as the Company's independent auditors.

A representative of Michael Johnson & Co., LLC is not expected to be present at the Meeting.

The board of directors unanimously recommends a vote in favor of the ratification of the appointment of Michael Johnson & Co., LLC as the Company's independent auditors.

Relationship of the Company with Independent Public Accountants

Fees billed by Michael Johnson & Co., LLC for the audit of the Company's consolidated financial statements as of and for the year ended December 31, 2001 totaled \$10,000 plus \$1,030 in travel expenses. No other fees were billed to the Company by Michael Johnson & Co., LLC.

To satisfy our obligation to pay \$81,700 for rent due during fiscal 2001, we paid MGS Grand Sport, Inc., \$58,125, transferred it one of our Vortex recreational boats in settlement of \$16,000, and issued it 38,125 shares of common stock in satisfaction of the remaining \$7,625. We also issued MGS Grand Sport, Inc., 14,310 shares of common stock to compensate it for fiscal 2001 property taxes it paid on our behalf.

Between January 1, 2002 and February 20, 2002, we paid MGS Grand Sport, Inc., \$13,500 for rent due during fiscal 2002.

License Agreements

Patents awarded to Mr. Mardikian protect the designs and certain components of our boats. On November 24, 1999, Mr. Mardikian granted us exclusive licenses, until November 18, 2003, to use those patents and related rights. We owed Mr. Mardikian \$24,000 in royalties for 2000, which we satisfied by issuing him 10,765 shares of common stock. We owed him \$46,138 in royalties for 2001, which we satisfied by issuing him 36,910 shares of common stock.

On December 27, 2001, to induce Ashford Capital, LLC to purchase our Series B preferred stock, Mr. Mardikian offered to assign his watercraft related patents to Mardikian Marine Design, LLC, an entity owned by Mr. Mardikian and a principal of Ashford Capital, LLC. To facilitate the assignment, on December 27, 2001, we terminated our license agreements with Mr. Mardikian and entered into an exclusive license with Mardikian Marine Design, LLC, to use the patent rights through December 30, 2011. Each year of the term of the license, we must pay Mardikian Marine Design as royalties, a percentage of our gross revenue that results from the sale of our products that incorporate or include any of Mr. Mardikian's designs. We are obligated to pay (1) four percent of the first \$3 million is gross revenues, (2) three percent of gross revenues over \$3 million but below \$5 million, (3) two percent of gross revenue over \$5 million and under \$10 million, and (4) one percent of any gross revenue in excess of \$10 million. We can pay the royalties to Mardikian Marine Design in cash or stock, at our discretion. In addition we have agreed to a minimum payment of \$60,000 per year.

Edgar Filing: SONIC JET PERFORMANCE INC - Form DEF 14A

In connection with the license grant, we agreed to indemnify Mardikian Marine Design, LLC, and its members individually, including Mr. Mardikian and the principal of Ashford Capital, LLC, from and against any liability related to environmental contamination or damage caused by us or our violation of any environmental laws.

Other Transactions

In connection with the sale of our Series B preferred stock to Ashford Capital, LLC, Mr. Mardikian agreed to enter into an employment agreement, and a non-compete and non-disclosure agreement with us. We are in the process of negotiating and finalizing those agreements.

On June 29, 2001, we issued Mr. Mardikian 5,654 shares of our common stock in exchange for \$7,067 in business-related expenses we owed him.

As a condition to the issuance to Mr. Mardikian of 42,564 shares of common stock on June 29, 2001, in exchange for his cancellation of our obligation to pay him \$46,138 for past due royalties and \$7,067 for business expenses, we agreed that if we were unable to obtain \$500,000 in capital infusions by August 22, 2002, Mr. Mardikian could convert those shares back into debt. On December 20, 2001, in exchange for a general release of claims from Mr. Mardikian, including his right to covert those shares into debt, we agreed that when we receive a total of \$500,000 in capital infusions, we would issue Mr. Mardikian a number of shares of common stock which when added to his holdings as of December 20, 2001, would equal 20% of our outstanding common stock. As of February 15, 2002, the time we met that condition, Mr. Mardikian still owned more than 20% of our common stock and therefore is not entitled to receive any additional shares.

In 2001, in a wrongful termination lawsuit filed against us and MGS Grand Sport, Inc., we agreed to reimburse MGS Grand Sport, Inc. for \$2,950 in legal fees it paid for its defense. In lieu of paying cash, we issued MGS Grand Sport, Inc., 2,360 shares of common stock.

Between September and November 2001, MBZ West, Inc., an entity owned by Mr. Mardikian's nephew, loaned us approximately \$110,926 at an interest rate of 4% per month, or 48% per annum. Between September and November 2001, we paid an aggregate of \$115,863 for the principal and interest that had accrued on the loan.

We own 45% of Dalian Sonic Jet Co., Ltd., a joint venture company that Sonic Jet Performance, LLC, our predecessor in interest, and two partners, formed in May 1998, under the laws of the People's Republic of China. We formed the joint venture to manufacture boat shells in China. The joint venture agreement provided for the payment to Mr. Mardikian of 2% of the profit resulting from the joint venture's sales. Because of disagreements between the partners, Dalian Sonic Jet Co., Ltd., discontinued operations in June 2000, and Mr. Mardikian has not received any royalty payments since 1999.

All of the June 29, 2001, issuances of common stock described above, had an effective issue price of \$1.25 per share. The market price of our common stock on that day was \$0.17.

Transactions with JNC Opportunity Fund, Ltd. and JNC Strategic Fund, Ltd.

On November 27, 1999, we entered into a loan transaction with JNC Opportunity Fund, Ltd. In exchange for \$1.25 million, we issued JNC Opportunity Fund, Ltd. a \$1.25 million promissory note and warrants to purchase 1.25 million shares of

Edgar Filing: SONIC JET PERFORMANCE INC - Form DEF 14A

our common stock. We also issued a related entity, JNC Strategic Fund, Ltd., 1,600 shares of Series A preferred stock. In each of March, May, September, October and November of 2000, in exchange for additional advances, we issued JNC Opportunity Fund, Ltd. promissory notes in the aggregate amount of \$1.45 million and warrants to purchase an aggregate of 1.45 shares of common stock. Encore Capital Management, Inc. controls both JNC Opportunity Fund, Ltd. and JNC Strategic Fund, Ltd. At the time of each additional advance, Neil Chau, a principle of Encore Capital Management, LLC, served on our board of directors.

On June 29, 2001, we converted \$3,069,699 in principal and interest due under the promissory notes issued to JNC Opportunity Fund, Ltd., into 2,455,759 shares of our common stock. We also issued JNC Opportunity Fund, Ltd. 16,000 shares of common stock to compensate it for certain legal expenses related to the loan transaction that we had agreed to pay. On the same day, we converted the 1,600 shares of Series A preferred stock held by JNC Strategic Fund, Ltd., into 1,731,449 shares of common stock. We issued all of these shares at an effective issue price of \$1.25 per share.

The issuances resulted in the JNC funds collectively holding approximately 22% of our outstanding common stock. The conversions were effected on the condition that if we were unable to raise \$500,000 in capital infusions by August 22, 2002, JNC Opportunity Fund, LLC and JNC Strategic Fund, LLC, could reconvert the shares back into debt and Series A preferred stock, respectively.

On December 20, 2001, in exchange for a general release of claims from Encore Capital Management, LLC and the JNC funds, we agreed that when we receive a total of \$500,000 in capital infusions, we would issue the JNC funds a number of

shares of common stock which when added to their holdings as of December 20, 2001, would equal 18% of our outstanding common stock. As of February 15, 2002, we had raised the \$500,000. To satisfy our obligation, we intend to issue the JNC funds 1,776,633 shares of our common stock.

Transactions with Sheikh Mohammed Al Rashid

On June 29, 2001, we issued 697,097 shares of our common stock to Sheikh Mohammed Al Rashid, in lieu of paying \$808,871 in principle and interest due under a promissory note we issued to him in May 1999. On June 29, 2001, we also issued Sheikh Mohammed Al Rashid 50,000 shares in satisfaction of a \$250,000 debt a third party owed him. We agreed to pay the debt as part of our settlement of a lawsuit filed against us by the third party, and issued the shares at an effective issue price of \$1.25 per share.

On December 21, 2001, in exchange for a general release of claims, we agreed that when we receive a total of \$500,000 in capital infusions, we would issue Sheikh Mohammed Al Rashid a number of shares of common stock which when added to his holdings as of December 20, 2001, would equal 13% of our outstanding common stock. As of February 15, 2002, we had raised the \$500,000. To satisfy our obligation, we intend to issue Sheikh Mohammed Al Rashid 1,021,677 shares of common stock.

At the time of each of these transactions, Sheikh Mohammed Al Rashid beneficially owned at least 18% of our outstanding common stock. In addition, Sheikh Mohammed Al Rashid served as a director between April 1999 and February 2002.

Other Transactions

In 1998, Sonic Jet Performance, LLC, our predecessor-in-interest, loaned \$75,683

Edgar Filing: SONIC JET PERFORMANCE INC - Form DEF 14A

to Sonic Marketing International, LLC. On June 30, 2000, we wrote off the debt as uncollectable. Alex Mardikian, the son of Albert Mardikian, and Majid Al Rashid, the son of Sheikh Mohammed Al Rashid, were the sole shareholders, directors and officers of Sonic Marketing International, LLC.

On December 27, 2001, in connection with the sale of five shares of our Series C preferred stock to e-Fund Capital Partners, LLC, we entered into a six month consulting agreement with Barrett Evans, a principal at e-Fund Capital Partners, Inc. Under the agreement, Mr. Evans agreed to provide us with business consulting services in exchange for 1 million shares of common stock that we have issued. As of March 4, 2002, e-Fund Capital Partners, LLC held approximately 7% of our outstanding common stock on a fully diluted basis, including 1,129,412 shares of common stock and 11 shares of Series C preferred stock which as of March 4, 2002, were convertible into 913,495 shares of common stock.

In January 2002, Ashford Capital, KK purchased 7 shares of our Series C preferred stock for an aggregate purchase price of \$70,000. It converted two of the preferred shares into 564,706 shares of our common stock. Ashford Capital, LLC, the holder of our Series B preferred stock, owns a minority interest in Ashford Capital, KK.
