# ITEMOTHER EVENTS 8.01

One of the Company's Tulsa galvanizing plants had certain production employees who were covered by a collective bargaining agreement with the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy Allied Industrial and Service Workers International Union (the "Union"). The agreement was set to expire on October 31, 2008.

After several of the employees who were covered by the agreement petitioned the National Labor Relations Board for a decertification vote, a decertification election was scheduled to be held on September 25, 2008. However, on September 22, 2008, the Union filed a "disclaimer of interest" with the National Labor Relations Board, which denotes that the union is withdrawing it's representation of the Company's Tulsa employees. Thus, the Union has been decertified and the employees covered by that agreement are no longer represented by the Union.
