GENERAL INFORMATION

The enclosed Proxy is solicited by and on behalf of the Board of Directors of INNOVATIVE MEDICAL SERVICES, a California corporation (the "Company"), for use at the Company's Annual Meeting of Shareholders to be held at the Doubletree Hotel Mission Valley, 7450 Hazard Center Drive, San Diego, California 92108 on September 26, 2003, at 10:30 a.m. Pacific Time, and at any adjournment thereof. Any person signing and returning the enclosed Proxy may revoke it at any time before it is voted by giving written notice of such revocation to the Company, or by voting in person at the Meeting. The expense of soliciting proxies, including the cost of preparing, assembling and mailing this proxy material to shareholders, will be borne by the Company. It is anticipated that solicitations of proxies for the Meeting will be made only by use of the mail; however, the Company may use the services of its Directors, Officers and employees to solicit proxies personally or by telephone without additional salary or compensation to them. Brokerage houses, custodians, nominees and fiduciaries will be requested to forward the proxy soliciting materials to the beneficial owners of the Company's shares held of record by such persons, and the Company will reimburse such persons for their reasonable out-of-pocket expenses incurred by them in that connection.

All shares represented by valid proxies will be voted in accordance therewith at the Meeting. Shares not voting as a result of a proxy marked to abstain will be counted as part of total shares voting in order to determine whether or not a quorum has been achieved at the Meeting. Committees: Meetings of the Board

We have a Compensation/Administration Committee and an Audit Committee. We do not have a separate Nominating Committee as this function is handled by the entire Board of Directors. The Compensation/Administration Committee and the Audit Committee were formed in 1995. Messrs. Barnhill, Brovarone, Galuska and Peiser comprise the Compensation/Administration Committee and Messrs. Barnhill, Brownell, Galuska and Peiser are the Audit Committee. The Compensation/Administration Committee recommends to the Board the compensation of executive officers and will serve as the Administrative Committee for the Company's Stock Option Plans. The Audit Committee serves as a liaison between the Board and the Company's auditor. The Compensation/Administration Committee met once during the fiscal year ended July 31, 2002, and the Audit Committee met once during the fiscal year ended July 31, 2002.

Our Board of Directors held five meetings during the fiscal year ended July 31, 2002, at which time all the then Directors were present or consented in writing

Edgar Filing: INNOVATIVE MEDICAL SERVICES - Form PRE 14A

to the action taken at such meetings. No incumbent Director attended fewer than 100% of said meetings.

Audit Committee Report

The Audit Committee of the Board of Directors consists of three directors, the majority of which are the Company's independent directors. The Audit Committee operates under a written charter adopted by the Board of Directors, a copy of which was included as an exhibit to the 2002 proxy statement. The Audit Committee is responsible for overseeing the Company's financial reporting process on behalf of the Board of Directors. Each year, the Audit Committee recommends to the Board of Directors the selection or retention of the Company's independent auditors.

Management is responsible for the Company's financial statements and the financial reporting process, including internal controls. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met and held discussions with management and Miller and McCollom, the Company's independent auditors. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee discussed with Miller and McCollom the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees). These matters included a discussion of Miller and McCollom's judgments about the quality (not just the acceptability) of the Company's accounting principles as applied to financial reporting.

Miller and McCollom also provided the Audit Committee with the written disclosures and letter required by Independence Standards Board Standard No. 1. (Independence Discussions with Audit Committees), and the Audit Committee discussed with Miller and McCollom that firm's independence.

Based upon the Audit Committee's discussion with management and the independent auditors and the Audit Committee's review of the representation of management and the disclosures by the independent auditors to the Audit Committee, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-KSB for the fiscal year ended July 31, 2002, for filing with the U.S. Securities and Exchange Commission. The Audit Committee has also recommended the retention of Miller and McCollom as the Company's independent auditors for the fiscal year ending July 31, 2003.
